We believe that his influence and personality will resonate with our customers and reinforce our commitment to delivering superior paint solutions." KS Bharat, with a remarkable track record, has established himself as a prominent figure in the world of cricket. K S Bharat's dedication, precision, and passion make him an ideal brand ambassador for Retina Paints.

**LG ELECTRONICS HOSTS BLOOD DONATION DRIVE**

LG Electronics India, a leading consumer durable brand in the country, successfully hosted its ongoing nationwide mega Blood Donation Drive at LG Best Shop, Road No. 36, Kavuri Hills, Hyderabad. The event marked a significant milestone in LG Electronics' Corporate Social Responsibility (CSR) initiative, aimed at making a positive impact on society. During the event, a total of 140 registrations were conducted, leading to the collection of 81 units of blood. K Sashi Kiran Rao, Regional Business Head (Telangana) said, "This mega Blood Donation Drive epitomizes our unwavering dedication to the welfare of society. We firmly believe that united in blood donation, we possess the capability to make a life-saving impact on innumerable lives. Our commitment extends beyond the present as we aim to continually propel this initiative, raising awareness among the masses."

**RARE SURGERY PERFORMED AT TX HOSPITALS**

7-month-old infant, baby Jaswik underwent a record-breaking open cholecystectomy, believed to be a potential world record. This surgery is extremely rare for someone so young, highlighting the exceptional nature of the case. Baby JASWIK initially sought treatment for symptoms such as excessive crying and frequent loose stools. After further evaluation, a 16mm calculus in the gallbladder was discovered, leading to the need for surgery. The procedure was performed successfully without any complications.

**ACE ENGINEERING COLLEGE STUDENT SELECTED BY PEGA SYSTEMS**

B. Bindu Latha, Student of ACE Engineering College has been selected by PEGA Systems, securing a package of 16.5 LPA. Having completed two levels of Pega certification, Bindu Latha qualified for an exclusive drive for certified students, where 40 students were shortlisted for three positions. Bindu Latha's selection highlights the value placed on certified professionals by Pega Systems. ACE Engineering College aims to empower more students through initiatives like VIHAAN. The college's VIHAAN program, focusing on coding, Data structures, Algorithms and Trending Technologies like AI & ML, DATA Analytics, full stack development etc..played a crucial role in preparing students for such opportunities. The selection reaffirms the importance of industry-recognized certifications and showcases the quality education provided by the college.

**DOCTORS DAY CELEBRATED**

To mark the Doctors Day as an important occasion and to honour the selfless contribution of doctors as health care providers and life savers, Ozone hospitals organized a special programme in their Kothapet hospital premises. The programme was graced by the chairman of the hospitals B.V. Satyasai Prasad. The celebrations were attended by G. Deepthi, Managing Director; Dr. M. Karunakar Reddy, COO and Y. Madhusudhan Reddy, Director, administration staff, nursing staff and patients of the Ozone Hospitals. Speaking on the occasion, the chairman Satyasai Prasad extended warm greetings to all the doctors and medical fraternity.

**NSL COMMENCES TRIAL PRODUCTION OF HR COILS**

NMDC Steel Limited (NSL) commenced trial production of Hot Rolled Coils from its Rolling Mill recently. The occasion was graced by Amitava Mukherjee, CMD (Additional Charge) of NMDC and NSL and Functional Directors of NMDC and NSL Dilip Kumar Mohanty, Director (Production); Vishwanath Suresh, Director (Commercial); Vinay Kumar, Director (Technical) and K Praveen Kumar, Executive Director (NSL). The team of NSL, MECON & Danieli completed the integrated trial runs by charging 70mm semi-rolled plates sourced from Rourkela Steel Plant. Speaking on the occasion, Amitava Mukherjee said, "It is indeed a moment of pride for NMDC Steel Limited. This ambitious project commissioning of 3.0 MTPA Steel Plant will be a land mark in the history of NMDC and NSL."

**NMDC RECORDS BEST EVER JUNE MONTH AND Q1 PERFORMANCE**

State Miner NMDC produced 3.48 MnT and sold 4.1 MnT of iron ore in the third month of FY24, recording the highest ever June month and Q1 production and sales in company history. In the first quarter of the financial year, the company produced 10.70 MnT and sold 11.15 MnT iron ore with an ever best Q1 physical performance. Commenting on NMDC's outstanding performance, Amitava Mukherjee, CMD (Addl. Charge) said, "NMDC's contribution to the country's economy continues to make massive headway in meeting the increase in the demand for iron ore. Our record of highest ever Q1 and June production and sales since inception resonates with our agile and diligent investments in mine planning, expansion and very efficient human assets."
