For the above referred observation of the Auditors, the company provides the clarifications namely that the Company has Project business vertical which is currently functioning at a low scale because of inadequacy of funds. The opportunity and potential for scaling up exist once the Balance Sheet is restructured. Hence, the company continues to prepare its Accounts and the Statement of Unaudited Financial Results using going concern basis of accounting.

The Company is evaluating various steps in connection with the re-vitalization and long term stability and growth of its Turnkey Project Business Unit. This includes the expansion of competency and scope in provision of integrated projection solutions. However, the disruption caused by Covid pandemic on normal business activities is having impact on the progress of such evaluation.

**LIMITED AUDIT REVIEW REPORT**

The Board of Directors
W.S.Industries (India) Limited
108, Mount Poonamallee Road
Porur, Chennai-600116.

We have reviewed the accompanying statement of unaudited standalone financial results of M/s. W.S.Industries (India) Limited for the period ended 30th Sept. 2020. This statement is the responsibility of the Company's Management and has been approved by the Board of Directors. Our responsibility is to issue a report on these financial statements based on our review.

We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying statement of unaudited financial results prepared in accordance with applicable accounting standards and other recognized accounting practices and policies has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 including the manner in which it is to be disclosed, or that it contains any material misstatement.

Basis for Qualified Opinion

The company's net worth has been completely eroded. The accumulated losses in the reporting period, amounts to Rs. 49752.64 lakhs (Previous year ended 31.03.2020 Rs.49531.16 lakhs). Further the Company has overdue loans to various financial institutions amounting to Rs. 7191.27 Lakhs and interest accrued and due there on of Rs. 1326.99 Lakhs and the turnover during the period ended 30th Sept. 2020 is Rs.77.24 lakhs (Previous year ended 31.03.2020 Rs. 164.36 lakhs) as per the books of accounts maintained.

During the period under audit, there was no production in the Chennai and Vizag Plants. Chennai Insulator Division and Visakhapatnam Insulator Division are being considered as discontinued operations. Turnkey project Business Segment is being considered as Continuing Operations.

We draw attention to Standalone Statement of Profit & Loss account for the period ended 30th Sept. 2020, which indicates that the company has incurred a net loss of Rs.221.47 Lakhs and, as of that date, the company's current liabilities exceeded its current assets. The Statement of Profit & Loss account also indicate that company has been incurring net losses for the previous years. These events indicate that a material uncertainty exists that may cast significant doubt on the company's ability to continue as a going concern. The Company is in discussion of re-vitalization and long term stability and growth of its Turnkey Project Business Unit. In light of the management's expectation of the outcome of above discussion and re-vitalization, the financial statements have been prepared on a going concern basis. However in view of the above mentioned matter, we are unable to comment on the ability of the Company to continue as a going concern as per SA 570.

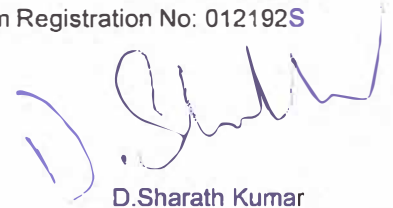

We believe that the evidence we have obtained is sufficient and appropriate to provide a basis of our opinion.

The prolonged lockdown and restriction of activities due to Covid-19 does not have any significant impact in the Company's overall performance during the period under review. It is not appropriate to estimate the duration and severity of these consequences, as well as their impact on the financial position and results of the company for future periods.

Our conclusion is modified in respect of the above matter.

LIMITED AUDIT REVIEW REPORT

The Board of Directors
W.S.Industries (India) Limited
108, Mount Poonamallee Road
Porur, Chennai-600116.

We have reviewed the accompanying Statement of unaudited consolidated financial results of M/s.W.S.Industries (India) Limited ("the Holding Company") and its subsidiaries (the Holding Company and its subsidiaries together referred to as "the Group"), and its share of the net profit/(loss) after tax and total comprehensive income / loss of its subsidiaries for the quarter ended 30th Sept. 2020 and for the period from 01/04/2020 to 30/09/2020 ("the Statement"), being submitted by the Holding Company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended.

This Statement, which is the responsibility of the Holding Company's Management and approved by the Holding Company's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 "Interim Financial Reporting" ("Ind AS 34"), prescribed under Section 133 of the Companies Act, 2013, and other accounting principles generally accepted in India. Our responsibility is to express a conclusion on the Statement based on our review.

We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

We also performed procedures in accordance with the circular issued by the SEBI under Regulation 33 (8) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended, to the extent applicable.

The Statement includes the results of the following entities:

Holding Company
W.S.Industries (India) Limited

Subsidiary Companies
1. Vidagara Tech Park Private Limited
2. WS Insulators Private Limited

Based on our review conducted and procedures performed as stated in paragraph 3 above, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the recognition and measurement principles laid down in the aforesaid Indian Accounting Standard and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and

Disclosure Requirements) Regulations, 2015, as amended, including the manner in which it is to be disclosed, or that it contains any material misstatement.

Basis for Qualified Opinion

The Holding company's net worth has been completely eroded. The accumulated losses in the reporting period, amounts to Rs. 49756.88 lakhs (Previous year ended 31.03.2020 Rs.49534.39 lakhs). Further the Holding Company has overdue loans to various financial institutions amounting to Rs. 7191.27 Lakhs and interest accrued and due there on of Rs. 1326.99 Lakhs and the turnover during the period ended 30th Sept. 2020 is Rs.77.24 lakhs (Previous year ended 31.03.2020 Rs. 164.36 lakhs) as per the books of accounts maintained.

During the period under audit, there was no production in the Chennai and Vizag Plants of the Holding Company. Chennai Insulator Division and Visakhapatnam Insulator Division of the Holding Company are being considered as discontinued operations. Turnkey project Business Segment of the Holding Company is being considered as Continuing Operations.

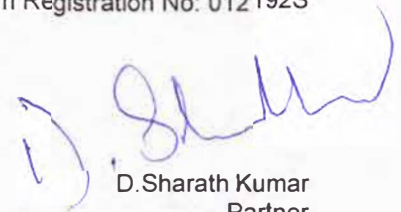

We draw attention to Consolidated Statement of Profit & Loss account for the period ended 30th Sept. 2020, which indicates that the Holding company has incurred a net loss of Rs.221.47 Lakhs and, as of that date, the Holding company's current liabilities exceeded its current assets. The Statement of Profit & Loss account also indicate that holding company has been incurring net losses for the previous years. These events indicate that a material uncertainty exists that may cast significant doubt on the holding company's ability to continue as a going concern. The Holding Company is in discussion of re-vitalization and long term stability and growth of its Turnkey Project Business Unit. In light of the management's expectation of the outcome of above discussion and re-vitalization, the financial statements have been prepared on a going concern basis. However in view of the above mentioned matter, we are unable to comment on the ability of the Holding Company to continue as a going concern as per SA 570.

We believe that the evidence we have obtained is sufficient and appropriate to provide a basis of our opinion.

The prolonged lockdown and restriction of activities due to Covid-19 does not have any significant impact in the group's overall performance during the period under review. It is not appropriate to estimate the duration and severity of these consequences, as well as their impact on the financial position and results of the group for future periods.

Our conclusion is modified in respect of the above matter.
