MOST DEVASTATING ONE IN THE COUNTRY SINCE 2015 TREMBLOR

157 killed as quake jolts Nepal

Nearly 160 aftershocks follow 6.4-magnitude midnight tremor

PRESS TRUST OF INDIA Kathmandu, November 4

AT LEAST 157 people were killed and over 160 others injured when a powerful 6.4-magnitude earthquake, the worst since 2015, struck Nepal and destroyed hundreds of houses in the Himalayan country's remote mountainous region, officials said Saturday.

According to the National Earthquake Monitoring and Research Centre, the earthquake with its epicentre in Jajarkot district, about 500km west of Kathmandu, was recorded at 11.47 pm on Friday. It is the most devastating one in the country since the 2015 earthquake that killed around 9,000 people in the country and injured more than 22,000 people.

The impact of the quake was felt in Kathmandu and surrounding districts, and even in the Indian capital.

The Nepal Army mobilised its personnel Friday soon after the earthquake to carry out rescue works at the incident site, according to Nepal Army spokesperson Krishna Prasad Bhandari. Rescue workers on Saturday dug through the rubble of collapsed houses to find survivors. The Jajarkot and Rukum districts of western Nepal were worst hit by the quake, according to state-run Nepal Television.

The death toll is expected to rise further.

Around 159 aftershocks have been recorded following last night's earthquake, the National Earthquake Monitoring and Research Centre said. Many people spent the night in the open fearing further quakes and damage to their houses.

Prime Minister Pushpakamal Dahal 'Prachanda' on Saturday toured the quake-hit region with a medical team. During the

Villagers stand in front of their houses in Jajarkot damaged by the strong earthquake that hit the northwestern part of Nepal just before midnight Friday

visit, he gathered information about the extent of the damage and inspected the affected areas. Later, he returned to Surkhet from Jajarkot, along with seven injured people and their family members. Dahal is scheduled to

return to the capital by a regular flight, leaving the helicopter of the Nepali Army in which he initially travelled, for rescue operations.

"Prime Minister Pushpa Kamal Dahal has expressed his

deep sorrow over the loss of lives and property in the earthquake on Friday night and has mobilised all the three security bodies for the immediate rescue and relief," reads a post from the prime minister's office on X.

Indian Prime Minister Narendra Modi said he was deeply saddened by the loss of lives and damage due to the quake. "India stands in solidarity with the people of Nepal and is ready to extend all possible assistance. Our thoughts are with the bereaved families and we wish the injured a quick recovery," Modi posted on X tagging his counterpart Prachanda.

As the roads were blocked and bridges damaged, rescue and relief works on the incident site have been obstructed, according to officials.

The Nepal government has announced Rs 50 million each for Jajarkot and Rukum districts as immediate relief. Additionally, the Home Ministry decided to allocate Rs 5.5 million to the disaster relief funds of both the Jajarkot and Rukum West districts, aiming to support the rescue and relief operations for the affected individuals.

The Ministry of Home Affairs has dispatched initial relief supplies via the Nepali Army's helicopters.

JATIN GROVER New Delhi, November 4

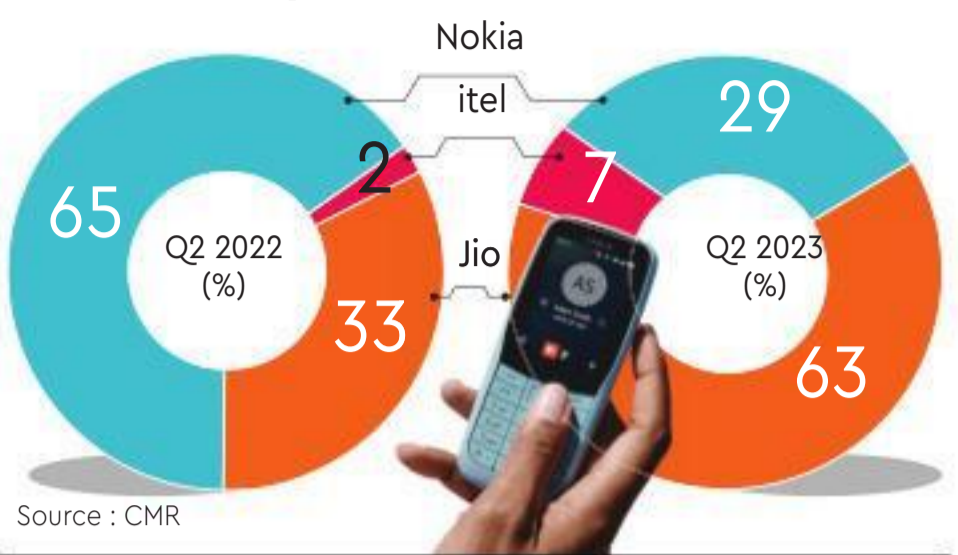

THE LAUNCH OF JioBharat phones helped 4G feature phone shipments witness a 300% growth year-on-year in the July-September quarter, according to market analyst firm CyberMedia Research (CMR).

The growth comes on the back of lower price of JioBharat phones at ₹999, along with features like UPI (Unified Payments Interface), and variety of applications in the phone. In fact, JioBharat K1 Karbonn and JioBharat V2 collectively have a 63% market share in the 4G feature phone segment, analysts said.

"4G feature phones showed tremendous growth, driven by Aspirational India and the demand for companion devices in Urban India," said Shipra Sinha, analyst- Industry Intelligence Group at CMR.

The growth trend in 4G feature phones comes, even as the overall feature phone market saw a decline of 6% year-on-year

4G feature phone market share

Source: CMR

in the July-September quarter. According to CMR, 2G feature phone shipments decreased by 27% year-on-year. All the major companies, including itel, Lava, Nokia, Micromax and Karbonn witnessed a fall in the shipments of 2G feature phones.

Fall in 2G feature phone shipments indicate the transition from 2G to 4G, that has been slow, is gradually picking up pace due to low-cost internet-enabled 4G feature phones. Currently, there are about 250 million 2G

feature phone users in India. Following the launch of JioBharat, the share of 4G feature phones in overall feature phone shipments increased to 32% during the quarter, according to Counterpoint.

Analysts at brokerage house Jefferies estimate an annual addressable market of 60-65 million users for JioBharat. "We expect Reliance Jio to gain 55 million subscribers by March 2026, the brokerage said in a recent note.

Why a bigger quake awaits western Nepal

PRESS TRUST OF INDIA Kathmandu, November 4

SITUATED ON THE precarious Himalayan seismic zone, Nepal is a highly earthquake-prone country and its quake-battered western mountainous region is likely to face a threat of a bigger earthquake, a seismologist says.

According to the government's post-disaster needs assessment (PDNA) report, Nepal is the 11th most earthquake-prone country in the world. So, when a powerful 6.4 magnitude earthquake hit Nepal's remote western mountainous region late on Friday night, it was not the first one for the day or for this month. The earthquake in western Nepal was the latest in a long list of over 70 quakes in

the country in 2023, official data showed.

"There has been a collision between Indian and Eurasian plates going on underground for a long time which has accumulated tremendous energy," Bharat Koirala, senior seismologist at the National Earthquake Monitoring and Research Centre, Nepal, said.

Nepal is located at the boundary of these two plates and therefore lies in a highly active seismic region. Therefore, earthquakes are common here. "Western Nepal is under the threat of bigger earthquakes," Koirala says and adds, "There has not been a big earthquake in Western Nepal for the last 520 years. So a lot of energy has been accumulated and earthquakes are the only medium to release that energy.

From Gorkha (district) in western Nepal to Dehradun of India, lots of energy has been accumulated due to the tectonic movement. Therefore, small or big earthquakes are taking place in these areas to release the energy, which is normal," Koirala said.

The youngest mountain ranges in the world, the Himalayas have risen up as a result of the collision of the Eurasian plate, with Tibet at its southern edge, and the Indian continental plate and over the centuries have continued to evolve tectonically, which the seismologists said, advance two metres closer every century resulting in sudden release of elastic energy stored in the active geological faults inside the earth causing movement in the crust.

Data from the Earthquake Monitoring and Research Centre shows that since January 1, 2023, there have been a total of 70 earthquakes of magnitude 4.0 and above in Nepal. Of these, as many as 13 were between magnitude 5 and 6 while three were above magnitude 6.0. Every day two or more magnitude earthquakes have been happening for centuries to release the energy accumulated through the tectonic plate movement, he adds.

Asserting there is always the risk of occurrence of a bigger earthquake in western Nepal in the future, Koirala says, "There has not been any big or medium-sized earthquake around the Jajarkot area for 2-3 decades. But we cannot predict when and how big that will be."

Now, Sri Lanka cancel practice over filthy Delhi air

THE TOXIC HAZE in New Delhi forced Sri Lanka to cancel their training session on Saturday, disrupting their preparation for Monday's World Cup clash against Bangladesh in the heavily-polluted Indian capital.

New Delhi topped a real-time list of the world's most polluted cities compiled by Swiss group IQAir, which put its air quality index (AQI) at 640 in the "hazardous" category on Friday.

Bangladesh cancelled their training on Friday because of the toxic haze, which has blanketed the city as the AQI plummeted. BCCI has already banned use of fireworks in post-match celebration in New Delhi and Mumbai.

Electoral bonds' sale from Monday

PRESS TRUST OF INDIA New Delhi, November 4

AHEAD OF ASSEMBLY elections in five states, the government on Saturday approved the issuance of 29th tranche of electoral bonds that will open for sale on November 6.

The decision comes amid campaigning for assembly elections in five states - Rajasthan, Madhya Pradesh, Chhattisgarh, Telangana and Mizoram. The voting in these states will be held between November 7 and 30. And the counting of votes will be done on December 3.

Electoral bonds have been pitched as an alternative to cash donations made to political parties in a bid to bring transparency to political funding.

"Government of India has authorised State Bank of India (SBI), in the XXIX Phase of sale, to issue and encash Electoral Bonds through its 29 Authorised Branches w.e.f. November 6-20, 2023," the finance ministry noted in a statement.

The sale of the first batch of electoral bonds was in March 2018. Electoral bonds are encashed by an eligible political party only through a bank account with the authorised bank. SBI is the only authorised bank to issue electoral bonds. The authorised SBI branches include those in Bengaluru, Lucknow, Shimla, Dehradun, Kolkata, Guwahati, Chennai, Patna, New Delhi, Chandigarh, Srinagar, Gandhinagar, Bhopal, Raipur, and Mumbai.

बेकाबू बस की चपेट में आए कई वाहन, युवक की मौत

आरोपी बस चालक हिरासत में

जनसत्ता संवाददाता
नई दिल्ली, 4 नवंबर।

रोहिणी दक्षिण थाना क्षेत्र के मंदर डिविजन स्कूल के पास दिल्ली परिवहन निगम (डीटीसी) की एक बिजली चालित (इलेक्ट्रिक) बस चालक ने कार, ई-रिक्शा और सड़क किनारे खड़े कई दोपहिया वाहनों को रौंद डाला। हादसे में एक अज्ञात शख्स की मौत हो गई है। वहीं, एक अन्य व्यक्ति घायल हो गया। घटना की जानकारी पुलिस को शनिवार दोपहर को मिली थी।

मौके पर पहुंची पुलिस को पता चला कि घायलों को अस्पताल पहुंचाया गया है, जहां चिकित्सकों ने 30 साल के एक शख्स को मृत घोषित कर दिया। घायल रोहिणी सेक्टर-तीन निवासी घायल राम शर्मा को अस्पताल में भर्ती कराया गया है। शर्मा के सिर में चोट लगी है। पुलिस ने बताया कि बस चालक संदीप कुमार को मौके से पकड़ लिया गया है। उसने पुलिस को बताया कि उसे 'मिमी' का दौरा पड़ा था। बताया जा रहा है कि वह घटना के वक्त होश खो चुका था। फिलहाल हादसा किस कारण से हुआ। यह साफ नहीं हो पाया है।

घायल युवक की अस्पताल में हो गई मौत

रोहिणी जिला पुलिस उपअधिकांश ने बताया कि दक्षिण रोहिणी में मंदर डिविजन स्कूल के पास एक बस के कई वाहनों को रौंदने की सूचना शनिवार को मिली थी। सूचना पाकर स्थानीय पुलिस मौके पर पहुंची और पता चला कि घायल युवक को बाबा साहेब आंबेडकर अस्पताल में भर्ती कराया गया है, जहां चिकित्सकों ने उसे मृत घोषित कर दिया। मृतक की अभी तक पहचान नहीं हो पाई है।

जान बचाने के लिए भागते दिखे लोग

इस घटनाक्रम से जुड़ा कई वीडियो सोशल मीडिया पर प्रसारित हुआ है। इसमें देखा जा सकता है कि बस चालक पहले एक ई-रिक्शा में टक्कर मारता है। इसके बाद कार में जोरदार टक्कर मारते हुए कई मीटर तक सड़क पर घसीटा है। उसके बाद सड़क किनारे खड़े कई दोपहिया वाहनों को रौंदता है। इसके बाद बस रुक जाती है। इस दौरान आसपास मौजूद लोग अपनी जान बचाने के लिए सुरक्षित स्थानों की ओर भागते दिखाई देते हैं।

हालांकि बस का अनियंत्रित होकर वाहनों को रौंदते हुए सोशल मीडिया पर सीसीटीवी फुटेज प्रसारित हुआ है।

सड़क हादसे में किशोर की जान गई, साथी घायल

जनसत्ता संवाददाता
नई दिल्ली, 4 अक्टूबर।

नेव सराय थाना क्षेत्र में एक किशोर की सड़क हादसे में मौत हो गई, जबकि हादसे में उसका दोस्त घायल हो गया। मृतक की पहचान 14 साल के विशाल यादव के तौर पर की गई है। घायल का नाम रणबीर पटेल (12) है। पुलिस ने बताया कि घटना 31 अक्टूबर को हुई। इसकी जानकारी पुलिस को अस्पताल से मिली थी। सूचना मिलने पर पुलिस ने शव का पोस्टमार्टम करवा कर परिजनों को सौंप दिया है।

शुरुआती छानबीन में पुलिस को पता चला है कि किशोर बिना परिजनों को बताए मोटरसाइकिल लेकर गया था। 31 अक्टूबर को पुलिस को मैक्स अस्पताल से सूचना मिली थी कि 12 साल के रणबीर पटेल को अस्पताल में भर्ती कराया गया है। वह सेंट मैरी स्कूल के पास सड़क हादसे में घायल हो गए थे। वहीं, विशाल यादव को दूसरे अस्पताल में भर्ती कराया गया था। वहां उसे मृत घोषित कर दिया।
