Independent Auditor's Review Report on standalone unaudited quarterly and year to date financial results of Dalmia Bharat Sugar and Industries Limited Pursuant to the Regulation 33 and 52 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended for the quarter and six months' period ended September 30, 2021.

To the Board of Directors of
Dalmia Bharat Sugar and Industries Limited,
New Delhi.

1. We have reviewed the accompanying statement of unaudited standalone financial results of Dalmia Bharat Sugar and Industries Limited ('the Company') for the quarter ended September 30, 2021 and year to date results for the period from April 1, 2021 to September 30, 2021 ("the Statement") attached herewith, being prepared and submitted by the Company pursuant to the requirement of Regulation 33 and 52 of the SEBI (Listing Obligations and Disclosures Requirements) Regulations, 2015, as amended to date, (the "Listing Regulations"), which has been initialed by us for identification purpose.
2. The preparation of the Statement is in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34, Interim Financial Reporting (Ind AS 34) prescribed under Section 133 of the Companies Act, 2013, as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India, read with the Listing Regulations, is the responsibility of the Company's Management and has been approved by the Board of Directors of the Company. Our responsibility is to issue a report on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagement (SRE) 2410, "Review of Interim Financial Information performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This Standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review of interim financial information consists of making inquiries, primarily of person responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
4. Based on our review conducted as per para 3 above, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in all material respects in accordance with the recognition and measurement principles laid down in the applicable Indian Accounting Standards (Ind-AS) prescribed under Section 133 of the Companies Act, 2013, read with relevant rules issued

thereunder including the amendment thereof and other recognized accounting practices and policies generally accepted in India, has not disclosed the information required to be disclosed in accordance with the requirements of the Listing Regulations, including the manner in which it is to be disclosed, or that it contains any material misstatement.

We also performed procedures in accordance with the circular issued by the SEBI under Regulation 33 (8) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended to date, to the extent applicable.
4. Based on our review conducted and procedures performed as stated in paragraph 3 above and based on the consideration of the review report of other auditor referred to in paragraph 5 below, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the recognition and measurement principles laid down in the aforesaid Indian Accounting Standard and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of Listing Regulations, including the manner in which it is to be disclosed, or that it contains any material misstatement.

Project updates:-

Jawaharpur & Nigohi sugar expansions and all our distillery projects under implementation for production of around 15 cr litres against existing capacity of 8 cr litres are progressing satisfactorily and expected to be completed as per the scheduled timelines.

Regulatory updates:-

- UP cane price (SAP) increased by Rs. 25/qtl and FRP increased by Rs. 5/qtl.
- Approximately 18 Lac MT of sugar has been contracted for exports for SS 21-22 without any subsidies from the Central Government.

Outlook for the sugar industry

Due to thrust on exports and push on diversion of sugar towards ethanol, there is considerable moderation of sugar inventory, which is at 8.2 M Mt as against 10.7 M Mt for SS'20 and expected to be at around 6.2 M Mt for the next year.

Global fundamentals also are fairly good with lowest production estimates in the last 4 years.

With improvement in fundamentals, the outlook of the industry continues to be promising.
