PRESS RELEASE

Cyient Collaborates with Airbus for Cabin Engineering Services to support Future Connected Cabins

Hyderabad, March 13, 2024: Cyient, a global Intelligent Engineering and Technology Solutions company, has announced that it has signed a multiyear services agreement with Airbus for Cabin and Cargo Engineering.

Following this agreement, Cyient has been selected by Airbus for the development of a part of its cabin 'Intelligent Core Management Platform' (iCMP). These systems focus on enabling faster software updates, easy and rapid customization, and proliferation of digital services in Cabin. Cyient has been working with Airbus, supporting the future-ready Cabins to deliver state-of-the-art services requiring new technologies and significant data flow volumes.

"We thank Airbus for their confidence in our capabilities and partnering to work on their key future technology development programs. Cyient is committed to growing this partnership with Airbus to greater heights. We look forward to leveraging our technology expertise to support Airbus in their pursuit of transforming in-flight communication and diagnostics systems," said **Karthikeyan Natarajan, Executive Director and CEO, Cyient.**

About Cyient:
