# Cigniti Technologies Certified as a Great Place to Work® for the Second Time

**Hyderabad, India, 10<sup>th</sup> May 2023** - Cigniti Technologies, the world's leading AI & IP-led Digital Assurance and Digital Engineering services company, has been recognized as a Great Place to Work® in India for the second year in a row by the Great Place to Work Institute India. Cigniti's ethical work culture and humanity-first approach, which inspires innovation and opportunities, helped the organization secure this placement.

Great Place To Work® is the global authority on workplace culture. Since 1992, they have surveyed more than 100 million employees worldwide and used those deep insights to define what makes a great workplace: trust. Their employee survey platform empowers leaders with the feedback, real-time reporting, and insights they need to make strategic people decisions. The Institute serves businesses, non-profits, and government agencies in more than 60 countries and has conducted pioneering research on the characteristics of great workplaces for over three decades.

Speaking on the occasion, Srikanth Chakkilam, CEO at Cigniti Technologies said, "We are honored to receive the Great Place to Work certification for the second consecutive year. This is in line with our mission to become a Top 10 place to work in key geographies by 2028. With a team of over 4,200 professionals across the globe, Cigniti has grown into a widely respected organization that is inclusive, nurtures innovation, and creates opportunities to deliver a positive impact with the work that they do. This recognition will further affirm our position as an organization with digital future-ready talent. We will continue to aspire to be the iconic workplace of the future by benchmarking ourselves based on industry leaders."

In India, the Great Place to Work Institute partners with more than 1400 organizations annually across over 22 industries to help them build high-trust, high-performance cultures designed to deliver sustained business results. Hundreds of CEOs and CXOs from India Inc are part of the great place community that is committed to the vision of making India a great place to work for all.

The Institute's research shows that great workplaces are characterized by great leadership, consistent employee experience, and sustainable financial performance. These organizations can deliver a consistent experience to all their employees irrespective of their role, gender, tenure, or level. Their leaders believe in creating and sustaining a great place to work for all and role models for all leaders.
