Dear Sir/ Madam,

## **DC Info enters into a partnership with Array Networks**

### **Company to offer entire suite of Array Network solutions across India**

**Mumbai, April 12<sup>th</sup>, 2023:** DC Infotech & Communication Limited (NSE SME: DCI), among leading players in digitization and installation of networking and security solutions in India, has tied up with Array Networks, to offer their entire range of products to customers in India.

This agreement strengthens the Company's networking solutions portfolio and expands its geographical footprint in the overseas markets. Association with such niche brands testifies the confidence that global brands have in DC to as their partner of choice.

#### **About Array**

Array Networks was founded in 2000 by Lawrence Lu and is based in Milpitas, California. With over two decades of technical innovation started operations in Silicon Valley, Array Networks has steadily grown its operations and technology portfolio. Array offers a complete range of application delivery and security solutions aimed at maximizing employee productivity, ensuring always-on availability, optimizing the end-user experience, and guarding business infrastructure against attack and data leakage. The Company's footprint now spans over North America, Europe, India, Japan, Asia, Africa, and the Middle East, with over 5,000 worldwide satisfied customers. With a focus on talent and innovation, Array ranks among the leading players in its industry for their long-term customer and employee retention.

#### **Management Comment:**

Commenting on this development, Mr. Chetankumar Timbadia, Managing Director, DC Info, said:
