About SGFRL

Its not how much we give but how much love we put into giving

Suyog Gurbaxani Funicular Ropeways Limited (SGFRL) is constructing and is going to operate a funicular ropeway at Saptashrungi God Temple, Kalwan Taluka, Nashik District, Maharashtra. The funicular ropeway would provide access from the base of a mountain to the temple, which is at a height of about 100 meters from the base.

About Saptashrungi Shrine

Saptashrungi is a site of Hindu pilgrimage situated 60 kilometres (37 mi) from Nashik in west Indian state of Maharashtra in India. According to Hindu traditions, the goddess Saptashrungi Nivasini dwells within the seven mountain peaks. (Sapta means seven and shrung means peaks.) It is located in Nanduri, Kalwan taluka, a small village near Nashik in India. Devotees visit this place in large numbers every day. The temple is also known popularly as one of the “three and half Shakti Peethas” of Maharashtra.

MANAGEMENT DISCUSSION & ANALYSIS REPORT

Industry structure and developments

Gondola lifts are expected to emerge as a competent solution for urban transportation problems, owing to advantages such as enhanced passenger transportation capacities and high-speed operation. Moreover, gondola lifts with glass cabins are being widely installed at tourism destinations to attract tourists.

The use of glass cabins also acts as a value addition in the cable cars & ropeways system. Attributing to the popularity of gondola lifts in the cable cars & ropeways market, several players are venturing into the manufacturing of customized products. Some of the prominent players in the cable cars & ropeways market are investing in developing efficient cable cars & ropeways technologies using renewable sources of energy with increased capacities. Market players are also noted to focus on building all possible amenities inside the cabins, including amenities such as HVAC vents and infotainment alternatives, among others.

Customer preferences are shifting from bicable gondolas to monocable or tricable gondolas in the cable cars & ropeways market. One of the significant causes affecting this shift is the complex design of bicable systems and the high cost associated with them. Monocable and tricable technologies are relatively easier to install and cost effective and are expected to fuel growth in cable cars & ropeways market.

Business Overview and Its Developments

We are an infrastructure development and constructions company engaged in building & operating the Funicular Ropeways Systems. Our Company is currently involved in an Infrastructural Development project through a Build, Operate and Transfer mode ("BOT") wherein, we have completed the construction of a Funicular Ropeway System project (also known as Incline Ropeways) at Saptashrungi Gad Temple situated at Vani, Nashik, Maharashtra. Saptashrungi Gad Temple is a popular destination for devotees where people come from all over India for taking the blessings of Goddess and this temple experiences a large number of visitors throughout the years and also experiences some of the peak seasons at the time of Navratri festivals which happens two times in a year.

Our project is spread over in an area of 10 acres, which houses the funicular ropeway system, a shopping mall, a parking facility and a hotel facility. Our Saptashrungi Project primarily has a Funicular Ropeway System consisting of 2 Air Conditioner funicular vehicles / coaches which can carry 60 passengers/ devotees at a time. The Shopping complex, forming a part of our project, provides the facility of more than 50 shops providing various buying avenues to the visitors including food shops. The parking facility built in the vicinity of the funicular ropeway, has a capacity of more than 150 vehicles including four wheelers and two wheelers. Opportunities and Threats of the industry:

Your Company has been continuously striving to keep its costs to minimum possible to aggressively compete with competitions. Your Company continues to work on economies of scale. Our focus is on quality of service delivered, long-term relationships, stable and sustainable operations and best practices for suppliers and customers with end applications. The growth of the Company is subject to opportunities and threats as are applicable to the industry from time to time:

Opportunities:

- a. Deal for difficult/challenging/sensitive terrain: Developing an efficient transport network is a big challenge in hilly areas. The rail and air transport networks are limited in these areas, while the development of road networks has technical challenges. Against this backdrop, Ropeways emerge as a safe alternate transport mode.
- b. Economic benefits: (a) Ropeways having multiple cars propelled by a single power plant and drive mechanism. This reduces both construction and maintenance costs; (b) Further, the ropeways employ a single operator for an entire ropeway. This results in huge savings in labour costs. (c) On level ground, the cost of ropeways is competitive with narrow-gauge railroads. On the other hand, in the mountains the ropeway is far superior to railroads.
- c. Economical mode of transportation: Ropeway projects are built in a straight line over hilly terrain. Hence, despite having a higher cost of construction per km than roadways, ropeway projects' construction cost may happen to be economical than roadways.

- d. **Boon for local people:** This mode of transportation enables mobility for people living in difficult areas and helps them become part of the mainstream. Villagers/farmers living in such areas are able to sell their produces in other areas, which in turn will help them grow their income.
- e. **Environmentally friendly:** Only narrow vertical supports are needed at intervals for ropeways, leaving the rest of the ground free. This makes it possible for ropeways to be constructed in built-up areas and in places where there is intense competition for land use.
- f. They also have low dust emissions. Further, material containers can be designed so as to rule out any soiling of the environment.
- g. **Other advantages**
 - **Ability to handle large slopes:** Ropeways and cableways (cable cranes) can handle large slopes and large differences in elevation.
 - **Faster mode of transportation:** Owing to the aerial mode of transportation, ropeways have an advantage over roadway projects.
 - **Last-mile connectivity:** Ropeway projects adopting 3S (a kind of cable car system) or equivalent technologies can transport 6000-8000 passengers per hour.
 - **Transport of different materials:** A ropeway allows the simultaneous transportation of different types of material.

To,
The Members of Suyog Gurbaxani Funicular Ropeways Limited,
Nagpur

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of **SUYOG GURBAXANI FUNICULAR ROPEWAYS LIMITED**, which comprise the Balance Sheet as at **31st March 2022**, the statement of Profit and Loss and statement of cash flows for the year ended on that date, and a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the **Companies Act, 2013** in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at **March 31, 2022**, the loss, and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the financial statements in accordance with Standards on Auditing (SAs) issued by the Institute of Chartered Accountants of India (ICAI). Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) and we have fulfilled our other ethical responsibilities in accordance with the Code of Ethics.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the financial statements.

Emphasis of Matter

We draw attention to Note No. 13 to the accompanying annual financial results, which describe management's assessment of uncertainty relating to the effects of the COVID-19 pandemic on the Company's operations & other related Matters.

Our report is not modified in respect of this matter.

Information Other than the Financial Statement & Auditor's Report Thereon

The Board of Directors of the Company is responsible for the preparation of other information. The other information comprises the information included in the Management Discussion and Analysis, Board Report including annexures to Board Report. Corporate Governance and Shareholders Information, but does not include the financial statement and our auditor's report thereon.

Our opinion on financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of financial statements, our responsibility is to read the other information and in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the preparation and presentation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under Section 133 of the Act. The respective Board of Directors of the company are responsible for maintenance of adequate accounting records for safeguarding assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of

adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Board of Directors of the Company are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

ANNEXURE “B” TO THE INDEPENDENT AUDITOR’S REPORT OF SUYOG GURBAXANI FUNICULAR ROPEWAYS LIMITED

(As referred to in Paragraph 3(f) of Report on Legal and Regulatory Requirements of our report and in terms of section 143 (3)(i) of the Act for the year ended **31st March 2022**)

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of SUYOG GURBAXANI FUNICULAR ROPEWAYS LIMITED (“the Company”) as of 31st March 2022 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (‘ICAI’). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also,

projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at **31st March 2022**, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Terms of a liability that could, at the option of the counterparty, result in its settlement by the issue of equity instruments do not affect its classification.

All other liabilities has been classified as non-current."

C. SIGNIFICANT ACCOUNTING POLICIES

1. Use of Estimates :-

The preparation of the Financial Statements in conformity with Generally Accepted Accounting Principles (GAAP) in India requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures relating to contingent liabilities as at the date of the financial statements and reported amount of income and expenses during the period. Examples of such estimates includes future obligation with respect to employees benefits, income taxes, useful lives of fixed assets etc. Although these estimates are based upon management's best knowledge of current events and actions, actual results could differ from these estimates. Difference between the actual results and estimates are recognised in the period in which the results are known / materialised.

2. Accounting for Taxes

Tax expense comprises of current tax and deferred tax. Current tax is measured at the amount expected to be paid to the tax authorities, using the applicable tax rates. Deferred income tax reflect the current period timing differences between

taxable income and accounting income for the period and reversal of timing differences of earlier years/period. Deferred tax assets are recognised only to the extent that there is a reasonable certainty that sufficient future income will be available except that deferred tax assets, in case there are unabsorbed depreciation or losses, are recognised if there is virtual certainty that sufficient future taxable income will be available to realise the same.

3. Significant Events Occurring After Balance Sheet Date :-

Impact of Signification Events occurring after Balance Sheet Date is given by specific mention in the Directors Report.

4. Provisions, Contingent Liabilities and Contingent Assets :-

Provisions involving substantial degree of estimation in measurement are recognised when there is a present obligation as a result of past events and it is probable that there will be an outflow of resources. Contingent liabilities are generally not provided for in the books of accounts and are separately shown in the financial statements.

- 1 Tangible Assets are stated at cost net of recoverable taxes, trade discounts and rebates and include amounts added on revaluation, less accumulated depreciation and impairment loss, if any. The cost of tangible assets comprises its purchase price, borrowing cost and any cost directly attributable to bringing the asset to its working condition for its intended use, net charges on foreign exchange contracts and adjustments arising from exchange rate variations attributable to the assets. Subsequent expenditures related to an item of tangible asset are added to its book value only if they increase the future benefits from the existing asset beyond its previously assessed standard of performance."
- 2 Property, Plant & Equipments are carried at Cost less accumulated depreciation and impairment losses if any. Cost includes expenditure that is directly attributable to the acquisition of the item.
- 3 Depreciation on fixed assets is provided to the extent of depreciable amount on the Written Down Value (WDV) Method. During the year, the company has provided depreciation based on estimated useful life of the asset of the company as prescribed in Part C Schedule II to the Companies Act'2013.
- 4 The management periodically assesses, using external and internal sources, whether there is an indication that the asset may be impaired. An impairment loss is recognized wherever the carrying value of an asset exceeds its recoverable amount. An impairment loss for an asset is reversed if and only if, the reversal can be related objectively to an event occurring after the impairment loss was recognized. There are no impairment loss as on the balance sheet date.

- 1 Intangible assets are recognized as per the criteria specified in AS-26 Intangible Assets as specified in the Companies (Accounting Standards) Rule, 2006.

Toll Collection Rights are obtained as consideration for rendering construction, operation and maintenance service in relation to building and maintenance of the Project on Build, Operate and Transfer (BOT) basis. The cost of such toll collection comprises construction cost of Funicular Ropeway, Pre-Operative Expenses and Finance Cost. Such costs on completion of the project are capitalized as Intangible Assets.

- 2 Toll collection rights in respect of Construction of Funicular Ropeway on Build, Operate & Transfer (BOT) basis are amortized over the period of concession. The Concession period of the project is 15.11.2009 to 14.06.2030. The Company has commenced the commercial operation from 03.07.2018. The balance concession period left is 12 Years. However, as per the Management Representation received the Company is in the process of getting the extension of concession period by a period of 3 Years and accordingly the amortization of Intangible Asset is taken as 15 Years.
- 3 Borrowing Cost includes Interest and Other Cost incurred in connection with the borrowing of funds. Borrowing Cost that are directly attributable to the construction of a qualifying asset is capitalized as Cost of the respective asset.
- 4 The management periodically assesses, using external and internal sources, whether there is an indication that the asset may be impaired. An impairment loss is recognized wherever the carrying value of an asset exceeds its recoverable amount. An impairment loss for an asset is reversed if and only if, the reversal can be related objectively to an event occurring after the impairment loss was recognized. There are no impairment loss as on the balance sheet date.
