AL/NRP/BSE/063/2021-22

The Manager (Corporate Relationship)
Dept. of Corporate Services
BSE Limited,
Floor 25, Phiroze Jeejeebhoy Towers
Dalal Street
MUMBAI – 400 001.

Dear Sir/Madam,

SUB: DISCLOSURE UNDER REGULATION 30 OF SEBI (LISTING OBLIGATION & DISCLOSURE REQUIREMENTS), REGULATIONS 2015.

REF: Scrip Code 517494

We would like to bring to your notice that the captioned company, namely ACCEL LIMITED, has received certain complaints via email, phone calls from the stakeholders and general public regarding the prevalence of fake mobile applications being circulated through Google Play Store / IOS by unidentified person(s) in the name of Accel.

From the complaints, we noticed that the public investors have invested money via this fake application. In this regard, we would like to highlight that the company is absolutely clueless about the identity of such fake application and we are no way connected with it.

Immediately upon the receipt of such complaints, we have published a disclaimer in our official website on above mentioned application stating that the company is not liable for any loss/ damages incurred by any person. The disclaimer published is enclosed herewith for your reference.

This is for your kind information.

Thanking you,

For Accel Limited,

N. R. Panicker

Chairman & Managing Director

DIN: 00236198

Annexure

IMPORTANT DISCLAIMER ON FAKE APPLICATION ON ACCEL NAME

Accel Limited noticed that there is a fake mobile application being circulated through Google /IOS in the name of "ACCEL SHARE" / " SHARED" / "https://accelshare.com" / and we noticed that the same was also removed from it by Google /IOS itself as it was a fake one. We are no way connected with any of the above.

Under No Circumstance Accel Limited or its Directors, Employees, Affiliates, Partners, Suppliers be liable for any direct, indirect, incidental, consequential, special or exemplary damages / loss arising out of or in connection with any alleged investments made by any person / third party to the above said fake application.
