Details of Loans, Investments and Guarantees covered under the provisions of Section 186 of the Companies Act, 2013 are given in note no. 3, 5 and 32 of the Notes forming part of the standalone financial statements of the company.

Risk Management

Although the company has long been following the principle of risk minimization as is the norm in every industry, it has now become a compulsion.

Therefore, in accordance with Section 134(3)(n) of the Companies Act, 2013 and Regulation 17(9) SEBI (Listing Obligations & Disclosure Requirements) Regulations, 2015 the Board members formally adopted steps for framing, implementing and monitoring the risk management policy for the company.

A disciplined approach to risk is important in a diversified organization like ours in order to ensure that we are executing according to our strategic objectives and that we only accept risk for which we are adequately compensated. We evaluate risk at the individual transaction level, and evaluate aggregated risk at the customer, industry, geographic and collateral-type levels, where appropriate.

The main objective of Your Company's risk management policy is to ensure sustainable business growth with stability and to promote a pro-active approach in reporting, evaluating and resolving risks associated with the business. In order to achieve the key objective, the policy establishes a structured and disciplined approach to Risk Management, in order to guide decisions on risk related issues. The risk governance structure is led by the Audit/Risk Compliance Committee, chaired by Mr. Anil Kumar Sood.

This committee is responsible for the effective management of the risks facing the Company. The Committee meets on a quarterly basis and reports to the Board. As a matter of policy, these risks are assessed and steps as appropriate are taken to mitigate the same.

Internal Control Systems and Their Adequacy

The Company has an Internal Control System, commensurate with the size, scale and complexity of its operations. The scope and authority of the Internal Audit (IA) function is defined in the Internal Audit Charter. To maintain its objectivity and independence, the Internal Audit function reports to the Chairman of the Audit/Risk Compliance Committee of the Board.

The Internal Audit monitors and evaluates the efficacy and adequacy of internal control system in the company, its compliance with operating systems, accounting procedures and policies at all locations of the company and its subsidiaries. Based on the report of internal audit function, process owners undertake corrective action in their respective areas and thereby strengthen the controls. Significant audit observations and corrective actions thereon are presented to the Audit/Risk Compliance Committee of the Board.

Internal financial control with reference to the financial statements

The Company has in place adequate internal financial controls with reference to financial statements. During the year no material weakness in the design or operation was observed.

Vigil Mechanism / Whistle Blower Policy

Management's Discussion and Analysis

(1) Background and Overview

Over the years your Company's presence has been in the telecom sector, providing technology platforms & solutions to the global telecom industry, especially mobile telecom service providers. During the year your company had undertaken a corporate restructuring exercise leading to changes in the Memorandum of Association defining the new areas of business that your Company intends to pursue, including Pharmaceuticals, Defense, Manufacturing etc. The Company divested its IT Business and has decided to foray, to begin with, into the Pharma Industry.

Pharma Industry has grown significantly due to the COVID-19 crisis. It has become a critical industry during this pandemic. The opportunities provided by the Pharmaceutical Industry has prompted the company to expand in this newer horizon thereby improving and bringing in better value to all the stakeholders.

As a first step towards this and after carrying out all the requisite due diligence your company plans to invest in Extrovis AG by taking an equity stake. Extrovis AG is an integrated pharmaceutical company headquartered in Switzerland focusing on the development and manufacturing of niche and differentiated finished dose pharmaceutical products. Several of the company's products are backward integrated with in-house API. The company is backed by seasoned management with a combined experience of 50+ years. Extrovis has a strong, balanced pipeline of 20+ products including complex oral solid products, complex injectables and drug-device combinations. The company has multiple products in the regulatory approval phase globally. It owns a bespoke manufacturing facility in the European Union to cater for a customized supply chain including ultra-low volume products in several language variants.

Your company has plans to diversify in other industries as well and work towards its success and growth in the coming years.

(2) Financial results

Your company reported a consolidated turnover of ₹ 5239.61 lakhs in 2022 as against ₹ 5940.22 lakhs in 2021. Profit after tax for the financial year under review is ₹ 449.49 lakhs.

Below is the brief of Sources of Revenue during 2021-2022 however, it pertains to the telecom business which is being divested .

(A) Sources of Revenue

The company derives revenues through the following revenue models:

- Hosted Managed Services (Annuity)

The company operates its platform end-to-end in datacenters and gets paid monthly, based on a revenue-share or per-subscriber transaction fee model, around a multi-year contract. The company also normally charges an upfront technology implementation fee from these customers.

- Software Licensing and Customization

The company also offers its platforms on a capacity licensing basis to mobile operators, wherein its platforms are installed in the carrier's premises in return for a one-time license fee for a stated limited capacity (subscriber, throughput, or other appropriate metric).

- Services and Maintenance

The company also realizes revenues derived from customizing its platforms to suit specific service needs of carrier customers. This is a steady revenue source along with AMCs (Annual Maintenance Contracts).

(B) Significant Transactions during the period under review

During the financial year 2021-2022 your company came up with and concluded a Rights Issue, the proceeds of which were used to pay the aggregate outstanding borrowings of the company on a consolidated basis. Also during the year the company concluded and signed a Lease Agreement for the third and the Final Block (Block 3) for its share for which the company started receiving

rentals as declared by the company vide its disclosure to the Stock Exchange on 3rd January 2022. Apart from this during the previous financial year the company transferred/sold all its holdings in its two wholly owned overseas subsidiaries ,XIUS Holding Corp, USA and Megasoft Consultants SDN.BHD Malaysia to M/s Nelatop Systems Private Limited, ultimately wholly owned Indian Subsidiary of the company.

(3) Industry Outlook

Pharma products demand is driven by underlying medical needs, which are expected to remain unaffected due to COVID-19. Fluctuations in the sales and procurement will be short lived. New opportunities for the industry have emerged with growing demand in categories like preventive healthcare products and hygiene products. Growing focus on local manufacturing will bring new opportunities for companies with global production presence and a reliable supply track record. Most are likely to focus on operational agility and resilience through stronger digital and analytical initiatives. The industry is undergoing material changes as the world tides over the crisis. Key regulators are considering measures like product sampling at geological borders, tracking company's compliance history, government to government information exchange and speedier approvals processes. Companies that can respond to these continuous changes and establish controls mechanisms, will emerge stronger in a post pandemic era.

The global pharmaceutical market was valued at US\$ 1.4 trillion in 2021, and is expected to grow at a CAGR of 3–6% in the next five years, reaching a market size of US\$ 1.8 trillion by 2026. Spending on COVID-19 vaccinations is also included in this projection, and the overall vaccine spending is expected to reach US\$ 251 billion by 2026. In developed markets, adoption of innovative therapies and specialty medicines will drive medicine pharmaceutical growth, while loss of exclusivity and competition from generics and biosimilars, may slow growth. From 2017 to 2021, the pharmaceutical markets in the developed world expanded at a CAGR of ~4.3%, reaching US\$ 1.05 trillion, and are expected to grow at 2-5% CAGR to reach US\$ 1.23 - 1.26 trillion by 2026.

In pharmerging markets, growing access to healthcare and increase in spendings on medicines, will help grow the pharma spending going forward. The pharmerging markets grew at a CAGR of 7.8% between 2017 and 2021, reaching US\$ 353.2 billion in spendings in 2021, and are expected to see a growth of 5.08% through 2026.

Developed markets growth is expected to be led by the adoption of specialty medicines and new treatments. Post the onslaught of COVID-19 pandemic there is increased emphasis on better healthcare access in most countries. The growth in pharmerging markets will be led by volumes, insurance coverage and spending's on innovative medicines.

KEY INDUSTRY TRENDS:

- **Specialty drugs:** In higher-income countries, specialty medicines have continuously gained the share of spending, from 2011 onwards. Pharmerging countries have not been able to keep abreast mostly due to the cost. The share of spend has grown, but only marginally. It is expected that by 2026, specialty medicines will account for 45% of global pharma consumption, developed nations accounting for over 50% of it.
- **Biosimilars:** The innovative medicine adoption in developed countries will continue to be a critical factor influencing pharmaceutical spending and growth, however the same is expected to be countered by biosimilars, patent expiries and generics. Biosimilars will lead to the higher impact of exclusivity losses of US\$ 188 billion over five years. Spending's on Immunology is expected to contract to 6–9% through 2026, dropping from 17% during the past five years, despite a volume growth of 12% annually.

(4) Business Strategy and Focus for 2022-2023

Your company has historically been focused on new age technologies, upcoming growth areas and also been able to develop a steady stream of revenue. The company shall continue to strive towards growing into new growth areas like innovation / R&D driven pharmaceutical, new age technology driven businesses and high growth areas like defence manufacturing. Your company shall endeavor to make value accretive acquisitions and investments in the identified areas and enhance the shareholders wealth over the course of next few years.

(5) Risks and Concerns

Below are the possible risk and probable mitigation actions.

- **Foreign Currency Fluctuation:** Currencies have been facing high fluctuations against the greenback over last 18-24 months. INR has depreciated almost 10% over last 12 months against US dollar. Given your company's funds availability in INR as against the potential investments in other geographies, there is a risk that the investment's value may not increase to the extent anticipated due to changes in the relative value of the involved currencies. However, given the trend of INR vis-à-vis US Dollar, we do not expect Rupee to strengthen. Additionally, your company keeps evaluating investment opportunities

in multiple geographies. Investment in currencies other than US Dollar, can also act as a natural hedge for Dollar denominated investments.

- **Management/Team:** The success of the investments depends on the efficient management and an effective team. Areas of focus of your company have a higher degree of correlation with quality of management and operating team. However, while making the investments, your company ensures that the management teams are of high quality and they continue to have the interest aligned with the goals of the company.
- **Political Risk:** The political situation in countries leads to risks as political systems and government policies are prone to changes. These variances have a strong impact on businesses, economy and investments. This risk has a varied probability depending on the country in consideration. Your company keeps evaluating investment opportunities in multiple geographies which can significantly diversify & mitigate the political risk.
- **Liquidity Risk:** Liquidity risk refers to the difficulty faced by investors in exiting the investment at the desired time, or not being able to attract the right buyer for a right price or a high transaction cost required to be paid. Your company is focused on high growth areas for investment and is keen on investing in niche areas. Due to the high growth potential of these investments, these companies are bound to attract investor interest throughout the growth journey. As a result the liquidity risk is naturally mitigated. Additionally, your company invests with a long term vision, strategy and plan, which has a pre-defined path for exit.
- **Intellectual property and technology risk:** Your company and its investments have high dependence on the innovation capacity, which in turn is based on intangible assets. The infringement of intangibles is open to interpretation and subjective in nature. All that is required for such an infringement is host regulator or authority turning a blind eye on the actions of the infringers. The global investments in innovation and R&D driven activities can put the investor's broader knowledge base at risk. Keeping in mind the potential risks to the Intellectual properties acquired, invested into or developed, your company prefers to invest in mature markets from an IP regulation stand-point, or geographies which have high degree of predictability or geographies with strong formal institutions like efficient bureaucracies, rule of law and an independent judiciary where IPR regulations provide protection and justice to all firms.

(6) Internal Controls

The company possesses an adequate system of internal controls to safeguard assets. Checks and balances were in place and reviewed at regular intervals to ensure that transactions were properly authorized and reported correctly. The Audit Committee, in consultation with Internal Auditors, reviewed the internal control systems at regular intervals and initiated corrective action(s) wherever deemed necessary.

Additionally, the company has already initiated a corporate management initiative to define best practices in processes, methodologies, systems and metrics with a specific focus on customer interaction and service delivery. The company commissioned a new research and development organization with supporting processes, customer support, managed services processes, Management Reporting and Control Systems (MRCS) and automation. The company regularly assesses risks and controls for existing and new process flows.

The continuance of the company's 'cash and caution' policy enabled the company to remain profitable at the end of the financial year. The company continues its tight cost controls, debt reduction and repayment.

(7) Human Assets

People are the key assets for any organization. Your company has a robust Human Resource system and well-structured policies for the holistic development of this asset. The company believes in having cordial relationship with employees and it strives to provide them with a professionally rewarding and enriching work environment. The company possesses an effective performance management system that focuses on employee development, measuring key result areas, competencies and training needs.

Your Company provides necessary induction, training and proper guidance to meet the operational needs of the organization from time to time.

Apart from the Medical Insurance and Life Insurance for the benefit of the employees and their families, the company organizes health awareness program and webinar for the wellbeing of the employee. On several cultural occasions your company conducts team building activities and events to build team spirit and keep the employees motivated. Your company has career progression policy for employee growth. Your Company strongly believes that happy and a satisfied employee will lead the Company to success.

(8) Property

During the year 2017-18, after the Shareholders' approval through the postal ballot dated 22nd March 2016 for the same, the company entered into a Joint Development Agreement with M/S Darshita Infrastructure Ltd (A Salarpuria Sattva Group Company) & obtained necessary Statutory approvals from TSIC and other regulatory authorities for setting up a large IT facility at its property at Nanakramguda Hyderabad, consisting of 3 blocks. Block 1 of the said IT facility was completed in 2018-19 and block 2 was completed during fiscal (2019-20) and the same was rented out as announced by the company in its disclosure on 5 February 2020. Your company started receiving rentals for Block 2, from the last month of financial year 2020-21. During the year 21-22 the company concluded and signed a Lease Agreement for the third and the Final Block (Block 3) for its share for which the company started receiving rentals as declared by the company vide its disclosure to the Stock Exchange on 3rd January 2022

(9) Financial results review

The financial statements complied with the requirements of the Companies Act, 2013, and the Generally Accepted Accounting Principles (GAAP) in India.

FINANCIAL PERFORMANCE (CONSOLIDATED)

Share capital

The share capital increased to Rs. 7,377 lakhs from 4,426.73 Lakhs by issuing the right shares.

Reserves and surplus

The movement in Foreign Currency Translation Reserve during the financial year under review was due to fluctuation in foreign currency rate.

The profit earned during the year has been carried forward in full

Borrowings

The total debt in FY 21-22 is Rs.2, 500 lakhs against Rs. 2,950.47 lakhs in the year 20-21. During the year the company repaid the aggregate outstanding borrowing on a consolidated basis. In March 2022 the company had a fresh borrowing of Rs.2,500 Lakhs.

Deferred tax liability / asset

The deferred tax asset is Rs. (0.41) lakhs at the end of the financial year as against deferred tax asset of Rs.62.14 lakhs in the previous year.

Trade Payables & Other current liabilities

The trade payables and other current liabilities decreased to Rs.7, 664.64 lakhs in 2022 from Rs. 14,617.35 lakhs in 2021. The decrease is on account of reduction in other payables.

INDEPENDENT AUDITOR'S REPORT

To the Members of Megasoft Limited Report on the Audit of the Consolidated Financial Statements

1. Opinion

We have audited the accompanying Consolidated Ind AS Financial Statements of MEGASOFT LIMITED ("the Holding Company") and its Subsidiaries Velapan Systems Private Limited and Nelatop Systems Private Limited (collectively referred to as "the Group") which comprise the Consolidated Balance Sheet as at 31st March 2022, and Consolidated Statement of Profit and Loss, the Consolidated Statement of Changes in Equity, the Consolidated Statement of Cash Flows and Notes to the Consolidated Ind AS Financial Statements for the year then ended, and a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Consolidated Ind AS Financial Statements give the information required by the Companies Act, 2013, in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Company as at 31st March, 2022, and consolidated profit, consolidated changes in equity and its consolidated cash flows for the year ended on that date.

2. Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Ind AS Financial Statements section of our report. We are independent of the Group in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the Consolidated Ind AS Financial Statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

3. Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Consolidated Ind AS Financial Statements of the current period. These matters were addressed in the context of our audit of the Consolidated Ind AS Financial Statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

S.No.	Key Audit Matter	Auditor's Response
1	<p>Accuracy of recognition, measurement, presentation and disclosures of revenues and other related balances in view of adoption of Ind AS 115 "Revenue from Contracts with Customers":</p> <p>The application of the Ind AS 115 involves certain key judgements relating to identification of distinct performance obligations, determination of transaction price of the identified performance obligations, the appropriateness of the basis used to measure revenue recognized over a period. Hence, under Ind AS 115, revenue should be recognized when an entity transfers control of a goods or services to a customer. A customer obtains control when it has the ability to direct the use of and obtain the benefits from the good or service.</p> <p>Accordingly, the Holding Company has not recognized revenue for sales initiated in the current year for which physical delivery of goods / rendering of service has happened in the next financial year.</p>	<p>We assessed the Holding Company's process and policy to identify the impact of adoption of Ind AS 115. Our audit approach consisted testing of the design and operative effectiveness of internal controls and substantive testing as follows:</p> <ul style="list-style-type: none">➤ Evaluated the process relating to implementation of the new revenue accounting standard.➤ Selected a sample of continuing and new contracts relating to identification of the distinct performance obligations and we carried out a combination of procedures involving observation and inspection of evidence in this regard.➤ Identified the distinct performance obligations in these contracts.➤ Compared these performance obligations with that identified and recorded by the Company.

		<ul style="list-style-type: none"> ➤ Performed analytical procedures for reasonableness of revenues disclosed by type and service offerings.
2	<p>Evaluation of uncertain tax positions:</p> <p>The Holding Company has uncertain tax and legal positions including matters under dispute which involves significant judgment to determine the possible outcome of these disputes.</p>	<ul style="list-style-type: none"> ➤ We obtained the list of legal cases filed by and on the Company. ➤ We Obtained details of completed tax assessments and demands for the year ended March 31, 2022 from management. ➤ We also reviewed Company's correspondences and appeal documents. ➤ We obtained status reports from the existing counsels handling each case. ➤ Ascertained whether the chances of crystallization of liability are probable/ possible/ remote. ➤ Ensured appropriate disclosure under Notes on accounts.
3	<p>Capitalization of Building, Transfer of Land upon Operation of Joint Development Agreement:</p> <p>The Company capitalized the 3rd Block of its Building received out of the Joint Development Agreement entered into with a developer. The Company also transferred a portion of its landed property arising out of the Joint Development Agreement.</p>	<p>We scrutinized all the documents maintained and agreements entered into by the Company, including but not limited to the original Joint Development Agreement, Occupancy Certificate, Valuation Reports to ensure that the value of the capitalization of building, transfer of land and the resultant gain is accurate.</p> <p>This transaction has also been disclosed as an exceptional item in the Consolidated Statement of Profit and Loss for the purpose of better understanding by the users of the Financial Statements.</p>
4	<p>Sale of Investments:</p> <p>During the year, the Company has sold its investments in two foreign subsidiaries to another Indian subsidiary.</p>	<p>In respect of the disinvestment made, we checked documents such as sale agreements, Board resolutions, valuation reports etc. to confirm the correctness of the amounts recorded. We also ensured appropriateness of the accounting treatment and disclosure in line with the extant statutory regulations as well as the Indian Accounting Standards.</p> <p>This transaction has also been disclosed as an exceptional item in the Consolidated Statement of Profit and Loss for the purpose of better understanding by the users of the Financial Statements.</p>

4. Information Other than the Financial Statements and Auditor's Report thereon

The Holding Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Board's report, including Annexure to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information but doesn't include the Consolidated Ind AS Financial Statements and our auditor's report thereon.

Our opinion on the Consolidated Ind AS Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Consolidated Ind AS Financial Statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Consolidated Ind AS Financial Statements or our knowledge obtained in the course of our audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

5. Management's Responsibility for the Consolidated Ind AS Financial Statements

The Holding Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation and presentation of these Consolidated Ind AS Financial Statements in terms of the requirements of the Companies Act, 2013, that give a true and fair view of the consolidated financial position, consolidated financial performance, consolidated changes in equity and consolidated cash flows of the Group in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. The respective Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

In preparing the Consolidated Ind AS Financial Statements, the respective Board of Directors of the companies included in the Group are responsible for assessing the ability of the Group to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group are also responsible for overseeing the Company's financial reporting process of the Group.

6. Auditor's Responsibilities for the Audit of the Consolidated Ind AS Financial Statements

Our objectives are to obtain reasonable assurance about whether the Consolidated Ind AS Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Consolidated Ind AS Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Consolidated Ind AS Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Consolidated Ind AS Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Consolidated Ind AS Financial Statements, including the disclosures, and whether the Consolidated Ind AS Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the consolidated financial statements of which we are the independent auditors. For the other entities included in the consolidated financial statements, which have been audited by other

auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

We communicate with those charged with governance of the Holding Company and such other entities included in the consolidated financial statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Consolidated Ind AS Financial Statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

7. Other Matters

We did not audit the financial statements / financial information of 2 subsidiaries, whose financial statements / financial information reflect total assets of Rs. 3,696.29 lakhs as at 31st March, 2022, total revenues of Rs. 4,954.97 lakhs and net cash flows amounting to Rs. 304.22 lakhs for the year ended on that date, as considered in the consolidated financial statements. These financial statements / financial information have been audited by other auditors whose reports have been furnished to us by the Management and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries, and associates, and our report in terms of sub-section (3) of Section 143 of the Act, in so far as it relates to the aforesaid subsidiaries, is based solely on the reports of the other auditors.

Our opinion on the consolidated financial statements, and our report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditors and the financial statements / financial information certified by the Management.

ANNEXURE - A TO THE AUDITORS' REPORT ON THE INTERNAL FINANCIAL CONTROLS UNDER CLAUSE (I) OF SUB-SECTION 3 OF SECTION 143 OF THE COMPANIES ACT, 2013 ("THE ACT")

In conjunction with our audit of the consolidated financial statements of the Group as of and for the year ended 31st March, 2022, we have audited the internal financial controls over financial reporting of Megasoft Limited (hereinafter referred to as "the Holding Company") and its subsidiary companies, which are companies incorporated in India, as of that date.

Management's Responsibility for Internal Financial Controls

The respective Board of Directors of the of the Holding company and its subsidiary companies, which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on, "the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI)". These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial control system over financial reporting and their operating effectiveness.

Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Consolidated Ind AS financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors in terms of their reports referred to in the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Ind AS financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;

(2) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of Ind AS financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and

(3) Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the Ind AS financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Holding Company and its subsidiary companies, which are companies incorporated in India, have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial

reporting were operating effectively as at 31st March, 2022, based on “the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India”.

Other Matters

Our aforesaid reports under Section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls over financial reporting insofar as it relates to 2 subsidiary companies, which are companies incorporated in India, is based on the corresponding reports of the auditors of such companies incorporated in India.

Megasoft Limited

Notes forming part of Consolidated Financial Statements for the year ended March 31, 2022

Note 1A: Company information and Significant accounting policies

a. Background

Megasoft Limited, a public limited company domiciled in India and incorporated under the provisions of the Companies Act, 1956, on 29 June 1999 and is registered office in Chennai. The company's shares are listed on BSE and NSE, in India.

Following are the Subsidiaries of the Company :

Name of the Subsidiary Companies	Country of Incorporation	% Holding
Nelatop Systems Private Limited	India	100%
Velapan Systems Private Limited	India	100%

b. Basis of Preparation

These Financial Statements have been prepared on accrual basis of accounting in accordance with Indian Accounting Standards (IND AS) as per the Companies (Indian Accounting Standards) Rule, 2015 notified under Section 133 of Companies Act, 2013, (the 'Act') and other relevant provisions of the Act.

Disclosures under IND AS are made only in respect of material items and in respect of the items that will be useful to the users of Financial Statements in making economic decisions.

c. Basis of Measurement

The Financial Statements have been prepared in Going concern basis and on an accrual method of accounting. Historical cost is used in preparation of Financial Statements except for the following items which are measured at Fair value:

- i) Certain Financial assets and liabilities
- ii) Net Defined benefit (Asset)/ Liability

d. Functional and Presentation currency

The Financial Statements are presented in Indian Rupees (INR), which is the Company's functional currency. All financial information presented in INR has been rounded to the nearest Lakhs, except as stated otherwise.

e. Use of estimates and management judgement

The preparation of Financial Statements in conformity with the accounting policies requires the management to make estimates and assumption considered in the reported amounts of assets and liabilities (including contingent liabilities) and the reported income and expenses during the year. The Management believes that the estimates used in preparation of the Financial Statements are prudent and reasonable. Future results could differ due to these estimates and the differences between the actual results and the estimates are recognised in the periods in which the results are known/materialize.

Note 1B Significant accounting policies

A Summary of significant accounting policies applied in the preparation of Financial Statements is given below. These accounting policies have been applied consistently to all the periods presented in the Financial Statements.

a. Revenue Recognition

Revenue from software development on time and material basis is recognized based on software developed and billed to clients as per the terms of specific contracts. In the case of fixed-price contracts, revenue is recognized based on the milestones achieved as specified in the contracts or on the percentage of completion basis. Provision for estimated losses on incomplete contract is recorded in the period in which such losses become probable based on the current estimates. Revenue from product licenses and related revenue are recognized as follows:

- License fees, on delivery and subsequent milestone schedule as per the terms of the contract with the end use
- Product maintenance revenues, over the period of the maintenance contract

b. Property, Plant and Equipment

i. Initial and Subsequent Recognition:

All items of Property, Plant and equipment (PPE) are measured at Historical cost, which includes capitalised borrowing cost less accumulated depreciation and impairment loss, if any.

Items of spare parts, standby equipment and servicing equipment which meet the definition of property, plant and equipment are capitalised. Other spare parts are carried as inventory and recognised in the Statement of Profit and Loss on consumption.

Where the cost of depreciable assets has undergone a change during the year due to increase/ decrease in long term liabilities on account of exchange fluctuation price adjustment, change in duties or similar factors, and the unamortized balance of such asset is charged off prospectively over the remaining useful life determined following the applicable accounting policies relating to depreciation/ amortization.

On transition to IND AS, the company has elected to adopt the cost model i.e., cost less accumulated depreciation for all of its Property, Plant and Equipment as at 1st April, 2016. Except for land which has been revalued to reflect the fair value.

The Property, Plant and equipment of the Company are physically verified in a phased manner to cover all the items of PPE over a period of three years, which in the Management's opinion, is reasonable having regard to the size of the Company and the nature of its assets. Property, Plant and Equipment are capitalized when the assets are ready for their intended use and when occupancy certificate is received in respect of immovable properties.

ii. Depreciation

Depreciation is recognised in Statement of Profit and Loss on a straight – line basis over the estimated useful lives of each part of an item of property, plant and equipment. Leased assets are depreciated over the shorter of the lease term and their useful lives unless it is reasonably certain that the Company will obtain ownership by the end of the lease term.

Depreciation on additions to/ deductions from property, plant and equipment during the year is charged on pro – rata basis from/ up to the month in which the asset is available for use/ disposed.

iii. Goodwill and Other Intangible Assets:

On transition to IND AS, the Company has elected to continue with the carrying value of all its intangible assets recognised as at 1st April, 2016, measured at previous GAAP, and use that carrying value as the deemed cost of such intangible assets.

Software which is not an integral part of related hardware, is treated as intangible asset and amortised over a period five years or its license period, whichever is less.

On Transition to IND AS the company has elected to continue with the carrying value of all intangible assets recognised as at 1st April, 2016 measured as per the previous GAAP and use the carrying value as deemed cost.

iv. Capital work – in – progress:

The cost of self – constructed assets includes the cost of materials and direct labour, any other costs directly attributable to bringing the assets to the location and condition necessary for it to be capable of operating in the manner intended by management and borrowing costs.

Expenses directly attributable to construction of property, plant and equipment incurred till they are ready for their intended use are identified and allocated on a systematic basis of the cost of related assets.

Unsettled liabilities for price variation/exchange rate variation in case of contracts are accounted for on estimated basis as per terms of the contracts.

v. Leases:

The company's lease assets primarily comprise of buildings. The company assesses whether a contract contains a lease at the inception of the contract. A contract is, or contains a lease, if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Company assesses whether:

(i) the contract involves the use of an identified asset

(ii) the Company has substantially all of the economic benefits from use of the asset through the period of the lease and

(iii) the Company has the right to direct the use of the asset.

Transition

Effective April 1, 2019, the Company adopted Ind AS 116 “Leases” and applied the standard to all lease contracts existing on April 1, 2019 are accounted for as per the provisions of the standard. Consequently, the Company recorded the lease liability at the present value of the lease payments discounted at the incremental borrowing rate. Right of Use (ROU) assets have been recognized by the Company at an amount equal to the lease liability , adjusted for previously recognized prepaid or accrued lease payments.

c. Cash Flow Statement

Cash flow statement is prepared in accordance with the indirect method prescribed in IND AS 7 “Cash Flow Statement”.

d. Prior Period Errors

Material prior period errors are corrected retrospectively by restating the comparative amounts for the prior periods presented in which the error occurred. If the error occurred before the earliest period presented, the opening balances of assets, liabilities, and equity for the earliest period presented, are restated

e. Income Tax

Income tax expense comprises Current and Deferred tax. Current Tax expense is recognised in Statement of Profit and Loss except to the extent that it relates to items recognised directly in Other Comprehensive Income (OCI) or Equity, in which case it is recognised in OCI or Equity.

Current tax is the amount of tax payable on the taxable income for the year as determined in accordance with the applicable tax rates and the provisions of the Income Tax Act, 1961 and other applicable tax laws.

Deferred tax is measured using the tax rates and the tax laws enacted or substantively enacted as at the reporting date. Deferred tax liabilities are recognized for all timing differences.

Deferred tax assets are recognized for all temporary differences and unused tax losses only if it is probable that future taxable amounts will be available to utilize those temporary differences and losses. Deferred tax assets and liabilities are offset if such items relate to taxes on income levied by the same governing tax laws and the Company has a legally enforceable right for such set off. Deferred tax assets are reviewed at each balance sheet date for their reliability.

Deferred Tax expense is recognised in Statement of Profit and Loss except to the extent that it relates to items recognised directly in Other Comprehensive Income (OCI) or Equity, in which case it is recognised in OCI or Equity.

f. Employee Benefits

Defined contribution plans: Contributions to defined contribution plans are recognized as expenses when employees have rendered services entitling them to such benefits.

Defined benefit plans: For defined benefit plans, the cost of providing benefits using the projected Unit Credit Method, with actuarial valuations being carried out at each Balance sheet date. Actuarial gains and losses are recognised in full in the other Comprehensive income for the period in which they occur. Past service cost both vested and unvested is recognised as expenses at the earlier of (a) when the plan amendment or curtailment occurs: and (b) when the entity recognises related restructuring costs or termination benefits.

The retirement benefit obligations recognised in the Balance Sheet represents the present value of the defined benefit obligations reduced by the fair value of scheme assets. Any assets resulting from this calculation is limited to the present value of available refunds and reductions in future contributions to the scheme.

g. Foreign currency translation

The consolidated financial statements are prepared in Indian Rupees, which is the functional currency for Megasoft Limited. The translation of the functional currencies into the reporting currency is performed for assets and liabilities of the foreign subsidiary companies currency exchange rates in effect at the balance sheet date, for revenue, costs and expenses using average exchange rates prevailing during the reporting periods and for share capital, using the exchange rate at the date of the transaction. The resultant translation exchange gain/loss has been disclosed as “Foreign Currency Translation Reserve” under “Reserve & Surplus”.

All income and expenditure transactions of the foreign branch during the year are included in these accounts at the average rate of Annual Report 2021-22

exchange. Monetary assets and liabilities are translated at rates prevailing on the balance sheet date. Non-monetary assets and liabilities are translated at the rate prevailing on the date of the transaction. Depreciation is translated at the rates used for the transaction of the values of the assets on which depreciation is computed. Net gain/loss on foreign currency translation is recognized in the profit & loss Account.

In case of forward exchange contract or any other financial instruments that is in substance a forward exchange contract to hedge the foreign currency risk which is on account of firm commitment and / or is a highly probable forecast transaction, the premium or discount arising at the inception of the contract is amortized as expenses or income over the life of the contract.

Gain / Losses on settlement of transaction arising on cancelled or renewal of such a forward exchange contract are recognized as income or expenses for the period. In all other cases the gain or loss on contract is computed by multiplying the foreign currency amount of the forward exchange contract by the difference between the forward rate available at the reporting date for the remaining maturity of the contract and the contracted forward rate (or the forward rate last used to measure a gain or loss on that contract for an earlier period) is recognized in the profit or loss account for the period.

h. Borrowing Cost

Borrowing costs, allocated to and utilized for qualifying assets, pertaining to the period from commencement of activities relating to construction/development of the qualifying asset up to the date of capitalization of such asset is added to the cost of the assets. Borrowing costs include interest, amortization of ancillary costs incurred. Costs in connection with the borrowing of funds to the extent not directly related to the acquisition of qualifying assets are charged to the Statement of Profit and Loss over the tenure of the loan. Capitalization of borrowing costs is suspended and charged to the Statement of Profit and Loss during extended periods when active development activity on the qualifying assets is interrupted.

i. Impairment of Non – Financial Assets

The carrying amount of Company's Non – financial Assets are reviewed at each reported date to determine whether there is an indication of impairment 'considering the provisions of IND AS 36 "Intangible Assets".

Impairment loss is recognised if the carrying amount of the assets or its Cash Generating Units (CGU) exceeds its estimated recoverable amount. Impairment losses are recognised in Profit and Loss. Impairment losses recognised in respect of CGUs are reduced from the carrying amounts of the assets of the CGU.

Non-Financial assets that suffered impairment are reviewed for possible reversal of the impairment at the end of each reporting period. Impairment losses recognised in prior periods are assessed at each reporting date for any indications that the loss has decreased or no longer exists.

An Impairment loss is reversed if there has been a change in the estimates used to determine the recoverable amount. An impairment loss is reversed only to the extent that the assets carrying amount does not exceed the carrying amount that would have been determined, net of depreciation or amortisation, if no impairment loss had been recognised.

j. Earnings per share

Basic earnings per share are computed by dividing the net profit/loss after tax attributable to the equity shareholders of the company by the weighted average number of equity shares outstanding during the year. Diluted earnings per share is computed by dividing the net profit/loss after tax attributable to the equity shareholders of the company as adjusted for dividend, interest and other charges to expense or income relating to the dilutive potential equity shares, by the weighted average number of equity shares considered for deriving basic earnings per share and the weighted average number of equity shares which could have been issued on the conversion of all dilutive potential equity shares.

k. Provisions and Contingent Liabilities

A provision is recognized when the Company has a present obligation as a result of past events and it is probable that an outflow of resources will be required to settle the obligation in respect of which a reliable estimate can be made. Provisions (excluding retirement benefits) are not discounted to their present values and are determined based on the best estimate required to settle the obligations at the Balance Sheet date. These are reviewed at each Balance Sheet date and adjusted to reflect the current best estimates. Contingent liabilities are not recognized in the Financial Statements and are disclosed in the Notes. A Contingent asset is neither recognized nor disclosed in the Financial Statements.

l. Business Combination

As part of the transition to IND AS, the company has decided to apply the IND AS 103, Business combinations, to only those business combinations that occurred on or after 1st April, 2015.

In respect of Business combinations, prior to 1st April, 2015, goodwill represents the amount recognised under the company's previous accounting framework under Indian GAAP and the same is tested annually for impairment.

m. Financial Instruments

All Financial Assets and Liabilities are recognised and measured initially at fair value adjusted by transaction cost, except for those carried at fair value through Profit or Loss which are measured initially at fair value. For the purpose of subsequent measurement, Financial Assets are classified into following categories upon initial recognition:

- Amortised cost
- Financial assets at fair value through profit or loss (FVTPL)
- Financial assets at fair value through Other Comprehensive Income (FVOCI)

➤ **Financial assets**

Amortised Cost

A financial asset is measured at amortised cost using effective interest rates if both of the following conditions are met:

- a) the financial asset is held within a business model whose objective is to hold financial assets in order to collect contractual cash flows; and
- b) the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

The Company's cash and cash equivalents, trade and most other receivables fall into this category of financial instruments.

Financial assets at FVTPL

Financial assets at FVTPL include financial assets that either do not meet the criteria for amortised cost classification or are equity instruments held for trading or that meet certain conditions and are designed at FVTPL upon initial recognition. All derivative financial instruments also fall into this category. Assets in this category are measured at fair value with gains or losses recognised in profit and loss. The fair values of financial assets in this category are determined by reference to active market transactions or using a valuation technique where no active market exists.

Financial assets at FVOCI

FVOCI financial assets are either debt instruments that are managed under hold to collect and sell business model or are non – trading equity instruments that are designated to this category. FVOCI financial assets are measured at fair value. Gains and losses are recognised in Other Comprehensive Income, except for interest and dividend income and foreign exchange differences on monetary assets, which are recognised in statement of profit and loss.

➤ **Financial Liabilities**

Initial recognition and measurement

All financial liabilities are initially recognised at Book value and in the case of loans and borrowings and payables, net of attributable transaction costs (example: Upfront processing fees).

The company's financial liabilities include trade and other payables, loan and borrowings including bank overdrafts and financial guarantee contracts.

Classification and subsequent measurement of financial liabilities

Financial liabilities are measured subsequently at amortised cost using the effective interest method, except for financial liabilities held for trading or designated at FVTPL, that are carried subsequently at fair value with gains or losses recognised in profit or loss. All derivative financial instruments are accounted for at FVTPL.

Delta Effect of +1% Change in Rate of Employee Turnover	(0.44)	0.27
Delta Effect of -1% Change in Rate of Employee Turnover	0.46	(0.31)

The sensitivity analysis have been determined based on reasonably possible changes of the respective assumptions occurring at the end of the reporting period, while holding all assumptions constant.

The sensitivity analysis presented above may not be representative of the actual change in the projected benefit obligation as it is unlikely that the change in the assumptions would occur in isolation of one another as some of the assumptions may be correlated.

Furthermore, in presenting the above sensitivity analysis, the present value of the projected benefit obligation has been calculated using the projected unit credit method at the end of the reporting period, which is the same method as applied in calculating the projected benefit obligation as recognized in the balance sheet.

There was no change in the methods and assumptions used in preparing the sensitivity analysis from prior years.

Market risk – foreign exchange	Recognized financial assets and liabilities not denominated in Indian rupee	Sensitivity analysis	Un hedged
Market risk – interest rate	Long-term borrowings at variable rates	Sensitivity analysis	Un hedged

a. Credit Risk:

The Company is exposed to credit risk, which is the risk that counter party will default on its contractual obligation resulting in a financial loss to the Company. Credit risk arises from cash and cash equivalents, financial assets carried at amortized cost and deposits with banks and financial institutions, as well as credit exposures to trade customers including outstanding receivables.

(i) Credit risk management

Credit risk is the risk that a counter party will not meet its obligations under a financial instrument or customer contract, leading to a financial loss.

Trade Receivable

The Company closely monitors the credit-worthiness of the debtors and only sells goods to credit-worthy parties. The Company's internal systems are configured to define credit limits of customers, thereby limiting the credit risk to pre-calculated amounts.

(ii) Expected Credit Loss

c. Market Risk:

Market risk is the risk that the fair values of future cash flows of a financial instrument will fluctuate because of volatility of prices in the financial markets. Market risk can be further segregated as:

i) Foreign currency risk:

Foreign currency risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in

foreign exchange rates. The Company has exposure foreign currency risk in case of Trade and other payables.

ii) Interest rate risk:

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company's main interest rate risk arises from long-term borrowings with variable rates, which expose the Company to cash flow interest rate risk. During March 31, 2021 the Company's borrowings at variable rate were mainly denominated in Rupees. The Company's fixed rate borrowings are carried at amortized cost. They are therefore not subject to interest rate risk as defined in Ind AS -107, since neither the carrying amount nor the future cash flows will fluctuate because of a change in market interest rates.

Interest rate risk exposure

The exposure of the Company's borrowing to interest rate changes at the end of the reporting period are as follows:

INDEPENDENT AUDITOR'S REPORT

To the Members of Megasoft Limited Report on the Audit of the Standalone Ind AS Financial Statements

1. Opinion

We have audited the Standalone Ind AS Financial Statements of MEGASOFT LIMITED ("the Company"), which comprise the Balance Sheet as at 31st March 2022, and the Statement of Profit and Loss, (including the Statement of Other Comprehensive Income), the Statement of Cash Flows, Notes to Standalone Ind AS Financial Statements and the Statement of Changes in Equity for the year then ended, and a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Standalone Ind AS Financial Statements give the information required by the Companies Act, 2013 in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2022, and profit, changes in equity and its cash flows for the year ended on that date.

2. Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Ind AS Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the Standalone Ind AS Financial Statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

3. Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Standalone Ind AS Financial Statements of the current period. These matters were addressed in the context of our audit of the Standalone Ind AS Financial Statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

S.No.	Key Audit Matter	Auditor's Response
1	<p>Accuracy of recognition, measurement, presentation and disclosures of revenues and other related balances in view of adoption of Ind AS 115 "Revenue from Contracts with Customers":</p> <p>The application of the Ind AS 115 involves certain key judgements relating to identification of distinct performance obligations, determination of transaction price of the identified performance obligations and the appropriateness of the basis used to measure revenue recognized over a period. Hence, under Ind AS 115, revenue should be recognized when an entity transfers control of a good or service to a customer. A customer obtains control when it has the ability to direct the use of and obtain the benefits from the good or service.</p> <p>Accordingly, the Company has not recognized revenue for sales initiated in the current year for which physical delivery of goods / rendering of service has happened in the next financial year.</p>	<p>We assessed the Company's process and policy to identify the impact of adoption of Ind AS 115. Our audit approach consisted testing of the design and operative effectiveness of internal controls and substantive testing as follows:</p> <p>Evaluated the process relating to implementation of the new revenue accounting standard.</p> <p>Selected a sample of continuing and new contracts relating to identification of the distinct performance obligations and we carried out a combination of procedures involving observation and inspection of evidence in this regard.</p> <p>Identified the distinct performance obligations in these contracts.</p>

		<p>Compared these performance obligations with those identified and recorded by the Company.</p> <p>Performed analytical procedures for reasonableness of revenues disclosed by type and service offerings.</p>
2	<p>Evaluation of uncertain tax positions:</p> <p>The Company has uncertain tax and legal positions including matters under dispute which involves significant judgment to determine the possible outcome of these disputes.</p>	<p>We obtained the list of legal cases filed by and on the Company.</p> <p>We obtained details of completed tax assessments and demands for the year ended 31st March, 2022 from the management.</p> <p>We also reviewed the Company's correspondences and appeal documents.</p> <p>We obtained status reports from the existing counsels handling each case.</p> <p>Ascertained whether the chances of crystallization of liability are probable/ possible/ remote.</p> <p>Ensured appropriate disclosure under Notes on accounts.</p>
3	<p>Capitalization of Building, Transfer of Land upon Operation of Joint Development Agreement:</p> <p>The Company capitalized the 3rd Block of its Building received out of the Joint Development Agreement entered into with a developer. The Company also transferred a portion of its landed property arising out of the Joint Development Agreement.</p>	<p>We scrutinized all the documents maintained and agreements entered into by the Company, including but not limited to the original Joint Development Agreement, Occupancy Certificate, Valuation Reports to ensure that the value of the capitalization of building, transfer of land and the resultant gain is accurate.</p> <p>This transaction has also been disclosed as an exceptional item in the Standalone Statement of Profit and Loss for the purpose of better understanding by the users of the Financial Statements.</p>
4	<p>Sale of Investments:</p> <p>During the year, the Company has sold its investments in two foreign subsidiaries to another Indian subsidiary.</p>	<p>In respect of the disinvestment made, we checked documents such as sale agreements, Board resolutions, valuation reports etc. to confirm the correctness of the amounts recorded. We also ensured appropriateness of the accounting treatment and disclosure in line with the extant statutory regulations as well as the Indian Accounting Standards.</p> <p>This transaction has also been disclosed as an exceptional item in the Standalone Statement of Profit and Loss for the purpose of better understanding by the users of the Financial Statements.</p>

4. Information Other than the Financial Statements and Auditor's Report thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Board's report, including Annexure to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information but doesn't include the Standalone Ind AS Financial Statements and our auditor's report thereon.

Our opinion on the Standalone Ind AS Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Standalone Ind AS Financial Statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Standalone Ind AS Financial Statements or our knowledge obtained in the course of our audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

5. Management's Responsibility for the Standalone Ind AS Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation and presentation of these Standalone Ind AS Financial Statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Standalone Ind AS Financial Statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

6. Auditor's Responsibilities for the Audit of the Standalone Ind AS Financial Statements

Our objectives are to obtain reasonable assurance about whether the Standalone Ind AS Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Standalone Ind AS Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Standalone Ind AS Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Standalone Ind AS Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Standalone Ind AS Financial Statements, including the disclosures, and whether the Standalone Ind AS Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Standalone Ind AS Financial Statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

7. Report on Other Legal and Regulatory Requirements

- I. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the **Annexure-A** a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
- II. As required by Section 143(3) of the Act, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.

ANNEXURE - B TO THE AUDITORS' REPORT ON THE INTERNAL FINANCIAL CONTROLS UNDER CLAUSE (I) OF SUB-SECTION 3 OF SECTION 143 OF THE COMPANIES ACT, 2013 ("THE ACT")

We have audited the internal financial controls over financial reporting of Megasoft Limited ("the Company") as of 31st March, 2022 in conjunction with our audit of the standalone Ind AS financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial control system over financial reporting and their operating effectiveness.

Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the standalone Ind AS financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Ind AS financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

- (1) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of Ind AS financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
- (3) Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the Ind AS financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any

evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2022, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Megasoft Limited

Notes forming part of Financial Statements for the year ended March 31, 2022

Note 1A: Company information and Significant accounting policies

a. Background

Megasoft Limited, a public limited company domiciled in India and incorporated under the provisions of the Companies Act, 1956, on 29 June 1999 and is registered office in Chennai. The company's shares are listed on BSE and NSE, in India.

b. Basis of Preparation

These Financial Statements have been prepared on accrual basis of accounting in accordance with Indian Accounting Standards (IND AS) as per the Companies (Indian Accounting Standards) Rules, 2015, as amended, notified under Section 133 of Companies Act, 2013, (the 'Act') and other relevant provisions of the Act.

Disclosures under IND AS are made only in respect of material items and in respect of the items that will be useful to the users of Financial Statements in making economic decisions.

c. Basis of Measurement

The Financial Statements have been prepared in Going concern basis and on an accrual method of accounting. Historical cost is used in preparation of Financial Statements except for the following items which are measured at Fair value:

- i) Certain Financial assets and liabilities
- ii) Net Defined benefit (Asset)/ Liability

d. Functional and Presentation currency

The Financial Statements are presented in Indian Rupees (INR), which is the Company's functional currency. All financial information presented in INR has been rounded to the nearest Lakhs, except as stated otherwise.

e. Use of estimates and management judgement

The preparation of Financial Statements in conformity with the accounting policies requires the management to make estimates and assumption considered in the reported amounts of assets and liabilities (including contingent liabilities) and the reported income and expenses during the year. The Management believes that the estimates used in preparation of the Financial Statements are prudent and reasonable. Future results could differ due to these estimates and the differences between the actual results and the estimates are recognised in the periods in which the results are known/materialize.

Note 1B: Significant accounting policies

A Summary of significant accounting policies applied in the preparation of Financial Statements is given below. These accounting policies have been applied consistently to all the periods presented in the Financial Statements.

a. Revenue Recognition

Revenue from software development on time and material basis is recognized based on software developed and billed to clients as per the terms of specific contracts. In the case of fixed-price contracts, revenue is recognized based on the milestones achieved as specified in the contracts or on the percentage of completion basis. Provision for estimated losses on incomplete contract is recorded in the period in which such losses become probable based on the current estimates. Revenue from product licenses and related revenue are recognized as follows:

- License fees, on delivery and subsequent milestone schedule as per the terms of the contract with the end use
- Product maintenance revenues, over the period of the maintenance contract

b. Property, Plant and Equipment

i. Initial and Subsequent Recognition:

All items of Property, Plant and equipment (PPE) are measured at Historical cost, which includes capitalised borrowing cost less accumulated depreciation and impairment loss, if any.

Items of spare parts, standby equipment and servicing equipment which meet the definition of property, plant and equipment are capitalised. Other spare part are carried as inventory and recognised in the Statement of Profit and Loss on consumption.

Where the cost of depreciable assets has undergone a change during the year due to increase/ decrease in long term liabilities on account of exchange fluctuation price adjustment, change in duties or similar factors, and the unamortized balance of such asset is charged off prospectively over the remaining useful life determined following the applicable accounting policies relating to depreciation/

amortization.

On transition to IND AS, the company has elected to adopt the cost model i.e., cost less accumulated depreciation for all of its Property, Plant and Equipment as at 1st April, 2016. Except for land which has been revalued to reflect the fair value.

The Property, Plant and equipment of the Company are physically verified in a phased manner to cover all the items of PPE over a period of three years, which in the Management's opinion, is reasonable having regard to the size of the Company and the nature of its assets. Property, Plant and Equipment are capitalized when the assets are ready for their intended use and when occupancy certificate is received in respect of immovable properties.

ii. Depreciation

Depreciation is recognised in Statement of Profit and Loss on a straight – line basis over the estimated useful lives of each part of an item of property, plant and equipment. Leased assets are depreciated over the shorter of the lease term and their useful lives unless it is reasonably certain that the Company will obtain ownership by the end of the lease term.

Depreciation on additions to/ deductions from property, plant and equipment during the year is charged on pro – rata basis from/ up to the month in which the asset is available for use/ disposed.

iii. Goodwill and Other Intangible Assets:

On transition to IND AS, the Company has elected to continue with the carrying value of all its intangible assets recognised as at 1st April, 2016, measured at previous GAAP, and use that carrying value as the deemed cost of such intangible assets.

Software which is not an integral part of related hardware, is treated as intangible asset and amortised over a period five years or its license period, whichever is less.

On Transition to IND AS the company has elected to continue with the carrying value of all intangible assets recognised as at 1st April, 2016 measured as per the previous GAAP and use the carrying value as deemed cost.

iv. Capital work – in – progress:

The cost of self – constructed assets includes the cost of materials and direct labour, any other costs directly attributable to bringing the assets to the location and condition necessary for it to be capable of operating in the manner intended by management and borrowing costs.

Expenses directly attributable to construction of property, plant and equipment incurred till they are ready for their intended use are identified and allocated on a systematic basis of the cost of related assets.

Unsettled liabilities for price variation/exchange rate variation in case of contracts are accounted for on estimated basis as per terms of the contracts.

v. Leases:

The company's lease assets primarily comprise of buildings. The company assesses whether a contract contains a lease at the inception of the contract. A contract is, or contains a lease , if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Company assesses whether:

(i) the contract involves the use of an identified asset

(ii) the Company has substantially all of the economic benefits from use of the asset through the period of the lease and

(iii) the Company has the right to direct the use of the asset.

Transition

Effective April 1, 2019, the Company adopted Ind AS 116 “Leases” and applied the standard to all lease contracts existing on April 1, 2019 are accounted for as per the provisions of the standard. Consequently, the Company recorded the lease liability at the present value of the lease payments discounted at the incremental borrowing rate. Right of Use (ROU) assets have been recognized by the Company at an amount equal to the lease liability, adjusted for previously recognized prepaid or accrued lease payments.

c. Cash Flow Statement

Cash flow statement is prepared in accordance with the indirect method prescribed in IND AS 7 “Cash Flow Statement”.

d. Prior Period Errors

Material prior period errors are corrected retrospectively by restating the comparative amounts for the prior periods presented in which the error occurred. If the error occurred before the earliest period presented, the opening balances of assets, liabilities, and equity for the earliest period presented, are restated.

e. Income Tax

Income tax expense comprises Current and Deferred tax. Current Tax expense is recognised in Statement of Profit and Loss except to the extent that it relates to items recognised directly in Other Comprehensive Income (OCI) or Equity, in which case it is recognised in OCI or Equity.

Current tax is the amount of tax payable on the taxable income for the year as determined in accordance with the applicable tax rates and the provisions of the Income Tax Act, 1961 and other applicable tax laws.

Deferred tax is measured using the tax rates and the tax laws enacted or substantively enacted as at the reporting date. Deferred tax liabilities are recognized for all timing differences.

Deferred tax assets are recognized for all temporary differences and unused tax losses only if it is probable that future taxable amounts will be available to utilize those temporary differences and losses. Deferred tax assets and liabilities are offset if such items relate to taxes on income levied by the same governing tax laws and the Company has a legally enforceable right for such set off. Deferred tax assets are reviewed at each balance sheet date for their reliability.

Deferred Tax expense is recognised in Statement of Profit and Loss except to the extent that it relates to items recognised directly in Other Comprehensive Income (OCI) or Equity, in which case it is recognised in OCI or Equity.

f. Employee Benefits

Defined contribution plans: Contributions to defined contribution plans are recognized as expenses when employees have rendered services entitling them to such benefits.

Defined benefit plans: For defined benefit plans, the cost of providing benefits using the projected Unit Credit Method, with actuarial valuations being carried out at each Balance sheet date. Actuarial gains and losses are recognised in full in the other Comprehensive income for the period in which they occur. Past service cost both vested and unvested is recognised as expenses at the earlier of (a) when the plan amendment or curtailment occurs: and (b) when the entity recognises related restructuring costs or termination benefits.

The retirement benefit obligations recognised in the Balance Sheet represents the present value of the defined benefit obligations reduced by the fair value of scheme assets. Any assets resulting from this calculation is limited to the present value of available refunds and reductions in future contributions to the scheme.

g. Foreign currency translation

Transactions in foreign currencies entered into by the Company are accounted at the exchange rates prevailing on the date of the transaction or at rates that are closely approximate to the rate at the date of the transaction. Foreign currency monetary items of the Company, outstanding at the balance sheet date are restated at the year-end rates. Exchange differences arising on settlement / restatement of foreign currency monetary assets and liabilities of the Company are recognized as income or expense in the Statement of Profit and Loss except in cases of exchange differences on account of depreciable assets are adjusted in cost of depreciable asset and would be depreciated over the balance life of asset.

h. Borrowing Cost

Borrowing costs, allocated to and utilized for qualifying assets, pertaining to the period from commencement of activities relating to construction/development of the qualifying asset up to the date of capitalization of such asset is added to the cost of the assets. Borrowing costs include interest, amortization of ancillary costs incurred. Costs in connection with the borrowing of funds to the extent not directly related to the acquisition of qualifying assets are charged to the Statement of Profit and Loss over the tenure of the loan. Capitalization of borrowing costs is suspended and charged to the Statement of Profit and Loss during extended periods when active development activity on the qualifying assets is interrupted.

i. Impairment of Non – Financial Assets

The carrying amount of Company's Non – financial Assets are reviewed at each reported date to determine whether there is an indication of impairment 'considering the provisions of IND AS 36 "Intangible Assets".

Impairment loss is recognised if the carrying amount of the assets or its Cash Generating Units (CGU) exceeds its estimated recoverable amount. Impairment losses are recognised in Profit and Loss. Impairment losses recognised in respect of CGUs are reduced from the carrying amounts of the assets of the CGU.

Non-Financial assets that suffered impairment are reviewed for possible reversal of the impairment at the end of each reporting period.

Impairment losses recognised in prior periods are assessed at each reporting date for any indications that the loss has decreased or no longer exists.

An Impairment loss is reversed if there has been a change in the estimates used to determine the recoverable amount. An impairment loss is reversed only to the extent that the asset's carrying amount does not exceed the carrying amount that would have been determined, net of depreciation or amortisation, if no impairment loss had been recognised.

j. Earnings per share

Basic earnings per share are computed by dividing the net profit/loss after tax attributable to the equity shareholders of the company by the weighted average number of equity shares outstanding during the year. Diluted earnings per share is computed by dividing the net profit/loss after tax attributable to the equity shareholders of the company as adjusted for dividend, interest and other charges to expense or income relating to the dilutive potential equity shares, by the weighted average number of equity shares considered for deriving basic earnings per share and the weighted average number of equity shares which could have been issued on the conversion of all dilutive potential equity shares.

k. Provisions and Contingent Liabilities

A provision is recognized when the Company has a present obligation as a result of past events and it is probable that an outflow of resources will be required to settle the obligation in respect of which a reliable estimate can be made. Provisions (excluding retirement benefits) are not discounted to their present values and are determined based on the best estimate required to settle the obligations at the Balance Sheet date. These are reviewed at each Balance Sheet date and adjusted to reflect the current best estimates. Contingent liabilities are not recognized in the Financial Statements and are disclosed in the Notes. A Contingent asset is neither recognized nor disclosed in the Financial Statements.

l. Business Combination

As part of the transition to IND AS, the company has decided to apply the IND AS 103, Business combinations, to only those *business combinations* that occurred on or after 1st April, 2015.

In respect of Business combinations, prior to 1st April, 2015, goodwill represents the amount recognised under the company's previous accounting framework under Indian GAAP and the same is tested annually for impairment.

m. Financial Instruments

All Financial Assets and Liabilities are recognised and measured initially at fair value adjusted by transaction cost, except for those carried at fair value through Profit or Loss which are measured initially at fair value. For the purpose of subsequent measurement, Financial Assets are classified into following categories upon initial recognition:

- Amortised cost
- Financial assets at fair value through profit or loss (FVTPL)
- Financial assets at fair value through Other Comprehensive Income (FVOCI)

➤ **Financial assets**

Amortised Cost

A financial asset is measured at amortised cost using effective interest rates if both of the following conditions are met:

- a) the financial asset is held within a business model whose objective is to hold financial assets in order to collect contractual cash flows; and
- b) the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

The Company's cash and cash equivalents, trade and most other receivables fall into this category of financial instruments.

Financial assets at FVTPL

Financial assets at FVTPL include financial assets that either do not meet the criteria for amortised cost classification or are equity instruments held for trading or that meet certain conditions and are designated at FVTPL upon initial recognition. All derivative financial instruments also fall into this category. Assets in this category are measured at fair value with gains or losses recognised in profit and loss. The fair values of financial assets in this category are determined by reference to active market transactions or using a valuation technique where no active market exists.

Financial assets at FVOCI

FVOCI financial assets are either debt instruments that are managed under hold to collect and sell business model or are non – trading equity instruments that are designated to this category. FVOCI financial assets are measured at fair value. Gains and losses are recognised in Other Comprehensive Income, except for interest and dividend income and foreign exchange differences on monetary assets, which are recognised in statement of profit and loss.

➤ **Financial Liabilities**

Initial recognition and measurement

All financial liabilities are initially recognised at Book value and in the case of loans and borrowings and payables, net of attributable transaction costs (example: Upfront processing fees).

The company's financial liabilities include trade and other payables, loan and borrowings including bank overdrafts and financial guarantee contracts.

Classification and subsequent measurement of financial liabilities

Financial liabilities are measured subsequently at amortised cost using the effective interest method, except for financial liabilities held for trading or designated at FVTPL, that are carried subsequently at fair value with gains or losses recognised in profit or loss.

All derivate financial instruments are accounted for at FVTPL.

Sensitivity Analysis

Particulars	31 st March 2022	31 st March 2021
Projected Benefit Obligation on Current Assumptions	116.92	111.68
Delta Effect of +1% Change in Rate of Discounting	(3.72)	(7.65)
Delta Effect of -1% Change in Rate of Discounting	4.03	8.74
Delta Effect of +1% Change in Rate of Salary Increase	3.41	8.08
Delta Effect of -1% Change in Rate of Salary Increase	(3.32)	(7.18)
Delta Effect of +1% Change in Rate of Employee Turnover	(0.44)	0.27
Delta Effect of -1% Change in Rate of Employee Turnover	0.46	(0.31)

The sensitivity analysis have been determined based on reasonably possible changes of the respective assumptions occurring at the end of the reporting period, while holding all assumptions constant.

The sensitivity analysis presented above may not be representative of the actual change in the projected benefit obligation as it is unlikely that the change in the assumptions would occur in isolation of one another as some of the assumptions may be correlated.

Furthermore, in presenting the above sensitivity analysis, the present value of the projected benefit obligation has been calculated using the projected unit credit method at the end of the reporting period, which is the same method as applied in calculating the projected benefit obligation as recognized in the balance sheet.

There was no change in the methods and assumptions used in preparing the sensitivity analysis from prior years.

Market risk – foreign exchange	Recognized financial assets and liabilities not denominated in Indian rupee	Sensitivity analysis	Un hedged
Market risk – interest rate	Long-term borrowings at variable rates	Sensitivity analysis	Un hedged

a) Credit Risk:

The Company is exposed to credit risk, which is the risk that counter party will default on its contractual obligation resulting in a financial loss to the Company. Credit risk arises from cash and cash equivalents, financial assets carried at amortized cost and deposits with banks and financial institutions, as well as credit exposures to trade customers including outstanding receivables.

i) Credit risk management

Credit risk is the risk that a counter party will not meet its obligations under a financial instrument or customer contract, leading to a financial loss.

Trade Receivable

The company closely monitors the credit worthiness of the debtors and only sells goods to credit worthy parties. The Company's internal systems are configured to define credit limits of customers, thereby limiting the credit risk to pre calculated amount.

ii) Expected Credit Loss(ECL)

c) Market Risk:

Market risk is the risk that the fair values of future cash flows of a financial instrument will fluctuate because of volatility of prices in the financial markets. Market risk can be further segregated as:

i) Foreign currency risk:

Foreign currency risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in foreign exchange rates. The Company has exposure foreign currency risk in case of Trade and other payables.

ii) Interest rate risk:

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company's main interest rate risk arises from long-term borrowings with variable rates, which expose the Company to cash flow interest rate risk. During March 31, 2022 the Company's borrowings at variable rate were mainly denominated in Rupees. The Company's fixed rate borrowings are carried at amortized cost. They are therefore not subject to interest rate risk as defined in Ind AS -107, since neither the carrying amount nor the future cash flows will fluctuate because of a change in market interest rates.

Interest rate risk exposure

The exposure of the Company's borrowing to interest rate changes at the end of the reporting period are as follows:

I. DISPATCH OF ANNUAL REPORT THROUGH ELECTRONIC MODE:

1. In compliance with the MCA Circulars and SEBI Circulars aforementioned the notice of the 22nd AGM along with the Annual Report 2021-22 are being sent only by electronic mode to those Members whose e-mail addresses are registered with the Company/ Depositories. Members may please note that this Notice and Annual Report 2021-22 will also be available on the Company's website at <http://www.megasoft.com/reports.html>, websites of the Stock Exchanges i.e. BSE Limited and National Stock Exchange of India Limited at www.bseindia.com and www.nseindia.com respectively.
2. Members who have not registered their e-mail address are requested to register the same in respect of shares held in electronic form with the Depository through their Depository Participant(s) and in respect of shares held in physical form by writing to the Company's Registrar and Share Transfer Agent, Cameo Corporate Services Limited, Subramanian Building" No.1 Club House Road Chennai-600002, Tamilnadu at investor@cameoindia.com

II. THE INSTRUCTIONS OF MEMBERS FOR REMOTE E-VOTING AND E-VOTING DURING AGM AND JOINING MEETING THROUGH VC/ OAVM ARE AS UNDER:

1. Pursuant to the provisions of Section 108 and other applicable provisions, if any, of the Companies Act, 2013 read with the Companies (Management and Administration) Rules, 2014, as amended, and Regulation 44 of SEBI Listing Regulations, the Company has provided the facility to Members to exercise their right to vote by electronic means both through remote e-voting ("remote e-voting") and e-voting during the AGM.
2. In case of joint holders attending the Meeting, only such joint holders who are higher in the order of names will be entitled to vote.
3. The voting period begins on Monday, September 19, 2022 at 9.00 a.m. and ends on Thursday, September 22, 2022 at 5.00 p.m. During this period members of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date Friday, September 16, 2022 may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.
4. Pursuant to SEBI Circular No. **SEBI/HO/CFD/CMD/CIR/P/2020/242** dated 09.12.2020, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its members, in respect of all members' resolutions. However, it has been observed that the participation by the public non-institutional members / retail members is at a negligible level.
5. Currently, there are multiple e-voting service providers (ESPs) providing e-voting facilities to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the members.
6. In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to **all the demat account holders, by way of a single login credential, through their demat**

accounts/ websites of Depositories/ Depository Participants. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

7. In terms of SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual members holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. members are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

Further, the Company received the consent thereto along with a declaration from M/s. N.C. Rajagopal & Co., Chartered Accountants to the effect that if they will be appointed, it would be in accordance with the provisions of Section 141 of the Companies Act,2013 and the rules framed thereunder for appointment as Statutory Auditors of the Company. As confirmed by the Audit Committee and stated in their report on financial statements, the Auditors have reported their independence from the Company and its subsidiary according to the Code of Ethics issued by the Institute of Chartered Accountants of India ('ICAI') and the ethical requirements relevant to audit and the firm holds the 'Peer Review' certificate as issued by 'ICAI.

The Board of Directors in consultation with the Audit Committee may fix, alter and vary the terms and conditions of appointment, including remuneration, in such manner and to such extent as may be mutually agreed with the Statutory Auditors.

Based on the recommendations of the Audit Committee and the Board of Directors, it is hereby proposed to re-appoint M/s. N.C. Rajagopalan & Co. Chartered Accountants for a second and final term of five consecutive years, who, if appointed, shall hold office from the conclusion of this 22nd AGM till the conclusion of the 27th AGM of the Company.

The Board recommends the resolution set out at Item No. 3 of the Notice for approval by the Members by way of an Ordinary Resolution

None of the Directors or Key Managerial Personnel or their relatives is concerned or interested in the Resolution.

Your Directors, therefore, recommend the resolution for your approval as Ordinary Resolution.

Item No.4 – Appointment of Branch Auditor

The Company has branches outside India and may also open/ acquire new branches outside India in future. It may be necessary to appoint branch auditors for carrying out the audit of the accounts of such branches to meet the compliance of laws applicable in those countries. The Members are requested to authorize the Board of Directors of the Company to appoint branch auditors in consultation with the Company's Auditors and fix their remuneration.

None of the Directors or Key Managerial Personnel or their relatives is concerned or interested in the Resolution.

Your Directors, therefore, recommend the resolution for your approval as Ordinary Resolution.

Item No.5 – Appointment of Mr. Suryanarayana Raju Nandyala as an Independent Director (Non-Executive) the Company

Mr. Suryanarayana Raju Nandyala was appointed as an Additional Director (Non-Executive) of the Company with effect from 24th December, 2021, in accordance with the provisions of section 161 of the Companies Act, 2013 read with the Articles of Association of the Company. Pursuant to Section 161 of the Companies Act, 2013 relevant rules, read with SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, and holds office only up to the date of the ensuing Annual General Meeting of the Company.

The matter regarding appointment of Mr. Suryanarayana Raju Nandyala was placed before the Nomination & Remuneration Committee, and considering his varied experience, skills, knowledge & capabilities, it recommended his appointment as Independent Director for a term of 5 years upto 22nd September, 2027 in terms of the provisions of Sections 149, 150, 152 read with Schedule IV and any other applicable provisions of the Act and SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

The Company has received consent, declaration of non-disqualification in terms of Section 164 of the Companies Act, 2013, and a declaration from him stating that he meets the criteria of Independence as prescribed under sub-section (6) of Section 149 of the Companies Act, 2013 and Regulation 16(1)(b) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

As per the provisions of section 149 of the Act, an Independent Director shall hold office for a term upto five consecutive years on Board of a Company and is not liable to retire by rotation.

In the opinion of the Board, Mr. Suryanarayana Raju Nandyala fulfills the conditions specified under Section 149 (6) of the Act, the Companies (Appointment and Qualification of Directors) Rules, 2014 and Regulation 16(1)(b) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 for his appointment as an Independent Non-Executive Director of the Company and is independent of the management. The Board opined that his continued association would be of immense benefit to the Company and it is desirable to continue to avail services of Mr. Suryanarayana Raju Nandyala as an Independent Director.

Accordingly, the Board recommends passing of the Special Resolution in relation to appointment of Mr. Suryanarayana Raju Nandyala as an Independent Director for a term of five consecutive years with effect from 23rd September, 2022 to 22nd September, 2027 for the approval by the members of the Company.
