NOTES:

1. In view of the continuing COVID-19 pandemic, the Ministry of Corporate Affairs ("MCA") has vide its circular dated 13th January, 2021 read with circulars dated 5th May, 2020, 8th April, 2020 and 13th April, 2020 (collectively referred to as "MCA Circulars") permitted the holding of the Annual General Meeting ("AGM") through VC / OAVM Facility, without the physical presence of the Members at a common venue. In compliance with the provisions of the Companies Act, 2013 ("the Act"), SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("SEBI Listing Regulations"), MCA Circulars; and circular dated January 15, 2021 read with 12th May 2020 issued by the Securities and Exchange Board of India ("SEBI Circular"), the 50th AGM of the Company is being held through VC / OAVM Facility. The detailed procedure for participating in the meeting through VC/OAVM Facility is mentioned hereunder in this notice. The deemed venue for the 50th AGM shall be the Registered Office of the Company.

In terms of the MCA Circulars and SEBI Circular, the Notice of the 50th AGM will be available on the website of the Company at www.nalwasons.com, on the website of BSE Limited at www.bseindia.com and National Stock Exchange of India Limited at www.nseindia.com and also on the website of Link Intime India Private Limited, at <https://instavote.linkintime.co.in/>

2. Pursuant to the provisions of the Act, a Member entitled to attend and vote at the AGM is entitled to appoint a proxy to attend and vote on his/her behalf and the proxy need not be a Member of the Company. Since this AGM is being held pursuant to the MCA Circulars and SEBI Circular through VC / OAVM Facility, physical attendance of Members has been dispensed with. Accordingly, the facility for appointment of proxies by the Members will not be available for the 50th AGM of the Company and therefore the Proxy Form and Attendance Slip are not annexed to this Notice.
3. Attendance of the Members of the Company, participating in the 50th AGM through VC / OAVM Facility will be counted for the purpose of reckoning the quorum under section 103 of the Act.
4. Pursuant to the provisions of Section 108 of the Act read with Rule 20 of the Companies (Management and Administration) Rules, 2014 (as amended), Secretarial Standard on General Meetings (SS-2) issued by the Institute of Company Secretaries of India ("ICSI") and Regulation 44 of SEBI Listing Regulations read with MCA Circulars and SEBI Circular, the Company is providing remote e-Voting facility to its Members in respect of the business to be transacted at the 50th AGM and facility for those Members participating in the 50th AGM to cast vote through e-Voting system during the 50th AGM. Link Intime India Private Limited ("Link Intime/Registrar") will be providing facility for voting through remote e-Voting, for participation in the 50th AGM through VC/OAVM Facility and e-Voting during the 50th AGM.
5. The relevant details as required under Regulation 36(3) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 and Secretarial Standard on General Meetings ("SS-2") of the persons seeking appointment and who retire by rotation and eligible for re- appointment as Directors under Item Nos. 2, 4 and 5 of the Notice are also attached. The Company has received relevant disclosures / consents from the Directors seeking re-appointment / appointment.
6. An Explanatory Statement pursuant to Section 102 of the Act relating to ordinary business for appointment of Statutory Auditor and special business to be transacted at the meeting is annexed hereto.
7. Pursuant to Section 91 of the Act and Regulation 42 of the SEBI Listing Regulations, the Register of Members and the Share Transfer books of the Company will remain closed from Tuesday, 28th September, 2021 to Wednesday, 29th September, 2021 (both days inclusive) for the purpose of 50th AGM of the Company.
8. The Securities and Exchange Board of India ("SEBI") has mandated submission of Permanent Account Number ("PAN") by every participant in securities market. Members holding shares in electronic form are, therefore, requested to submit the PAN to their Depository Participants with whom they are maintaining their demat accounts. Members holding shares in physical form are requested to submit their PAN details to the Registrar.
9. SEBI has also mandated that requests for effecting transfer of securities (except transmission or transposition of securities) shall not be processed after March 31, 2019, unless the securities are held in dematerialized form. Hence, the Members holding shares in physical form are requested to convert their holdings to dematerialized form to at the earliest.
10. Pursuant to the MCA Circulars and SEBI Circular, in view of the prevailing situation, owing to the difficulties involved in dispatching of physical copies of the Notice of the 50th AGM and the Annual Report for the year 2020-21 including therein the Audited Financial Statements for financial year ended 31st March 2021, are being sent only by email to the Members. Members who have not registered their email addresses with the Company or with their respective Depository Participant/s, and who wish to receive the Notice of the 50th AGM and the Annual Report for the year

NOTES:

2020-21 and all other communication sent by the Company, from time to time, can now register the same by submitting a duly filled-in request form mentioning their folio number, complete address, email address to be registered along with scanned self-attested copy of the PAN Card and any document (such as Driving License, Passport, Bank Statement, Aadhaar Card) supporting the registered address of the Member, by email to the Company / Registrar. Members holding shares in demat form are requested to register their email addresses with their Depository Participant(s) only.

11. The voting rights of Members shall be in proportion to their share of the paid-up equity share capital of the Company as on the cut-off date 23rd September, 2021 and as per the Register of Members of the Company. A person who is not a Member as on the cut-off date should treat this Notice for information purpose only.
12. In case of joint holders attending the Meeting, only the Member whose name appears first will be entitled to vote.
13. Since 50th AGM of the Company will be held through VC / OAVM Facility, therefore Route Map is not annexed to this Notice.

EXPLANATORY STATEMENT PURSUANT TO SECTION 102 OF THE COMPANIES ACT, 2013 AND SECRETARIAL STANDARD 2 ON GENERAL MEETINGS ISSUED BY THE INSTITUTE OF COMPANY SECRETARIES OF INDIA

Item No. 3

The members of the Company had approved the appointment of M/s Doogar & Associates, Chartered Accountants as Statutory Auditors of the Company at 46th Annual General Meeting ("AGM") held on September 28, 2017 for the period of five years till the conclusion of 51st AGM of the Company.

Reserve Bank of India vide its Circular No. RBI/2021- 22/25 Ref. No.DoS.CO.ARG/ SEC.01/08.91.001/2021-22 dated April 27, 2021 ("RBI Circular"), had issued guidelines with respect to appointment of Statutory Auditors in various entities including NBFCs, as per criteria mentioned in the Regulation. These guidelines are applicable to NBFCs for financial year 2021-22 and onwards in respect of appointment/ re-appointment of Statutory Auditors. Pursuant to the said guidelines, in order to protect the independence of the auditors, entities will have to appoint the Statutory Auditor for a continuous period of three years subject to the firm satisfying the eligibility norms each. Further, an audit firm would not be eligible for reappointment in the same entity for six years (two tenures) after completion of full or part of one term of the audit tenure.

Keeping in view the aforesaid RBI Circular, M/s Doogar & Associates, the Existing Statutory Auditor, are not eligible to continue as Statutory Auditors of the Company w.e.f. October 1, 2021 since they have already completed a term of more than three years. Accordingly, M/s Doogar & Associates have provided their intent letter expressing that they are not eligible to continue as Statutory Auditors of the Company and intent to resign from the office of Statutory Auditors, which will be effective from the date of conclusion of this AGM.

Further as per the provisions of Companies Act, 2013 read with rules made thereunder, in terms of RBI Circular, Company's policy for appointment of Statutory Auditors and after based on recommendation of Audit Committee, Board of Directors has shortlisted and proposed the appointment of M/s. B S D & Co., Chartered Accountants, (Firm Registration No. 000312S), as Statutory Auditors of the Company for the period of 3 years starting from conclusion of this AGM till the conclusion of 53rd AGM of the Company.

Additional information about Statutory Auditors pursuant to Regulation 36(5) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 are provided below:-

Details	Particulars
Terms of Appointment	In terms of RBI Circular, the Statutory Auditors of the Company is being appointed for a period of 3 years starting from conclusion of 50th AGM till the conclusion of 53rd AGM of the Company.
Proposed Audit fees payable to Auditor and material change in fee payable to such auditor from that paid to the outgoing auditor along with the rationale for such change	For 2021-22, Rs.1.90 Lakh (Rupees One Lakh Ninety Thousand only) with authority to the Board to finalise / revise the same during tenure of three years. The above fee is excluding fees to be paid in other capacity, fee for certifications and reimbursement of expenses as per actuals. Further, there is no change in the fee payable to new Statutory Auditors from that paid to the outgoing Statutory Auditors.

NOTES:

Details	Particulars
Basis of recommendation and Auditor credentials	M/s. B S D & Co. was formed by its founding partner Sh. G.B Bagrodia in 1973 and has 48 years of experience in the field of auditing, taxation and other management/ corporate services. The firm has its presence by head office in Bengaluru and its branch located in New Delhi. The firm along with its partners have a team of experienced as well as young and dynamic staff, trainees, professionals including Company Secretaries, Registered Valuer, Merchant Banker, IP, MBA & Advocates. The firm and its partners also have wide experience of statutory audits, concurrent audits and special assignments relating to banks and financial institutions.

M/s. B S D & Co., Chartered Accountants, being eligible in terms of RBI Circular and other applicable provisions have provided their consent and eligibility letter as required under the Companies Act, 2013 and RBI Circulars, to act as the Statutory Auditors of the Company along with a confirmation that, their appointment, if made, would be within the limits prescribed under the Companies Act, 2013.

Since the resignation of existing Statutory Auditors is effective from the conclusion of this AGM and new Audit firm is being appointed w.e.f. same date subject to shareholders' approval, there will be no casual vacancy in terms of Section 139(8).

Your Directors recommend passing the Resolution as set out at item no. 3 as an Ordinary Resolution for your approval.

OUTLOOK

a. Economic Growth

The Indian and the World Economy faced the unrivalled turmoil with the outbreak of novel COVID-19 pandemic which emerged as the biggest threat to the economic growth not only of the country but to the world in general. COVID-19 pandemic followed by the lockdowns and social distancing norms brought the already slowing global economy to a standstill. With an annual contraction of 8% in GDP, FY 2020-21 has been the worst year in terms of economic performance in India since 1950-51. The FY 2021-22, unfortunately, isn't beginning well, with at least some restrictions imminent on account of the ongoing second wave of COVID-19 infection. However, the Country has adopted the policy of saving Lives and Livelihoods amidst a Once-in-a-Century Crisis. This strategy flattened the curve and post September 2020 peak, a V-shaped recovery, was seen.

b. Equity Market

The year 20-21 has been a roller coaster for the Indian equity markets. From the lows seen during the end of 19-20 on account of the COVID-19 induced lockdown, the markets recovered to reach new highs in the last quarter of FY 2020-21 after vaccines against COVID-19 were approved and rolled out. BSE Sensex, the benchmark equity index of BSE, fell to 25,981.24 on March 23, 2020 its lowest value since December 26, 2016, but then rose to 52,516.76 on February 16, 2021 its highest ever value. It closed trading at 50,136.58 on March 30, 2021. Similarly, Nifty also gained 69-71% in F.Y. 2020-21, hitting record highs multiple times, with Nifty Midcap 100 and Nifty Smallcap 100 rising over 100.04% and 128.31%, respectively.

c. Company Prospects

With a size of around 15% of Scheduled Commercial Banks' combined balance sheet, the NBFC sector has been growing robustly in recent years, providing an alternative source of funds to the commercial sector in the face of slowing bank

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

credit. NBFC-ND-SI (Systematically Important Non-Deposit accepting NBFCs) comprise 85.4% of the total balance sheet size of the NBFC sector. Whereas the balance 14.6% accounted by NBFC-D (Deposit accepting NBFCs). Although in the FY 2020-21, the concerns surrounding the sector due to debt defaults amidst temporary asset liability mismatches arose, the inherent strength of the sector, coupled with the Reserve Bank's continuing vigil on the regulatory and supervisory front, will ensure that the growth of the sector is sustained and liquidity fears are allayed.

Your Company continues to hold significant investments in equity shares of steel manufacturing companies of O.P. Jindal group. The performances of the Investee Companies are expected to improve in the current financial year, which would result in higher dividend payouts in the coming year. The Company will focus on making long term strategic investments in various new ventures promoted by O.P. Jindal group, besides consolidating the existing investments through further investments in the existing companies.

FUTURE PROSPECTS

Your Company holds significant investments in Equity Shares of O.P. Jindal Group of Companies, therefore the business prospects of the Company largely depends on the business prospects of O.P. Jindal Group of Companies and the steel industry.

Your Company is looking forward for a sustainable growth in its investee Companies in the coming years which would enhance the shareholders' value. Considering the forecasted growth in the economy as a whole and the steel industry in particular, the Company expects to enhance its entrenched value for the benefit of the shareholders' at large.

OPPORTUNITIES AND THREATS

India has emerged as the fastest growing major economy in the world and is expected to be one of the top three economic powers in the world over the next 10-15 years, backed by its robust democracy and strong partnerships. Despite the persistence of slowdown in global manufacturing trade growth, COVID-19 Pandemic, followed by lockdown and social distancing norms, the Economic growth of India was ensured by the government through various financial stimulus packages, announced by the Government of India.

The stimulus measures and reforms initiated by the Government and liquidity measures by the RBI are expected to support industrial activity and demand. The movement of various high frequency indicators in recent months, points towards broad based resurgence of economic activity. The launch of Covid-19 vaccination programme in the Country will further add momentum to the economic recovery.

Every business carried out by any Company are full of challenges and risk and the success of any business always depend upon the ability of the Company how it faces the challenges and survive in the highly competitive market. Your company is developing various systems and strategies to face the challenges in the competitive market. The Challenges are not from the competitors but from the domestic and global economic scenario. Your company is talking all precautions to offset the associated risks.

RISKS AND CONCERNS

The financial year 2020-21 has been one of the worst years that the unprecedented pandemic has had a devastating impact on the world economic growth and 2021-22, isn't beginning well, with at least some restrictions imminent on account of the ongoing second / third wave of infections. The evolution of the virus and progress of vaccinations, withdrawal of supportive fiscal and monetary policies, geopolitics and trade tensions could all affect the recovery envisaged in this forecast.

The Company continuously evaluates its investments in such company to ensure that the same meets the objective of ensuring maximisation of value to all its stakeholders in a prudent manner. The Company expects to make full use of the growth opportunities available to it, however, the challenge remains on being able to leverage these initiatives to carve out a space in the competitive industry, within the regulatory and compliance framework.

SIGNIFICANT CHANGE IN KEY FINANCIAL RATIOS

As compared to the figures of previous year, your Company's Operating profit Margin and return on net worth increase significantly by 109.13% and 29.44% respectively, owing to decrease in fair value losses and increase in revenue from operation; Current Ratio of the Company has decreased Significantly by 80.63% in view of decrease in current Liability; Debtor turnover ratio decreased significantly by 35.71 % in view of decrease in debtor and increase in revenue from operation as compared to corresponding previous financial year.

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

Except for this, there is no significant change (i.e. change of more than 25%) in any other key financial ratios during the current financial year as compared to immediately preceding financial year.

ADEQUACY OF INTERNAL CONTROL SYSTEM

The Company has an Internal Control System, commensurate with the size and nature of its business. The audit plan is approved by the Audit Committee, which regularly reviews compliances to the plan. All Audit observations and follow-up actions thereon were reported to the Audit Committee. The Audit Committee also met the Company's Statutory Auditors to ascertain their views on the financial statements, including the financial reporting system, compliance to accounting policies and procedures, the adequacy and effectiveness of the internal control and systems followed by the Company. The Management acted upon the observations and suggestions of the Audit Committee.

The Company has adequate internal control systems for the business processes in respect of all operations, financial reporting, compliance with laws and regulations etc. The Audit Committee reviews the adequacy of internal controls on regular basis.

MATERIAL DEVELOPMENTS IN HUMAN RESOURCE/INDUSTRIAL RELATIONS FRONT

There have been no material developments in Human Resource and Industrial Relations front during the F.Y. 2020-21, given the nature of business your Company is engaged in.

The Company recognizes that its human resource is its strength in realizing its goals and objectives. As on March 31, 2021, there are three Whole-time Key Managerial Personnel and one general staff in the Company. During the FY 2020-21, 2 employees joined the organization for a small duration of 3 month. The Company will strengthen its operative staff as and when the need arises.

CAUTIONARY STATEMENT

The Statement in this Management Discussion and Analysis report, describing the Company's outlook, projections, estimates, expectations or predictions may be "Forward looking Statements" within the meaning of applicable securities laws or regulations. INDEPENDENT AUDITORS' REPORT

To the Members of

Nalwa Sons Investments Limited

Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the standalone financial statements of Nalwa Sons Investments Limited ("the Company"), which comprise the Standalone Balance Sheet as at 31 March 2021, the Standalone Statement of Profit and Loss (including Other Comprehensive Income), the Standalone Statement of Changes in Equity and the Standalone Statement of Cash Flows for the year then ended, and notes to the standalone financial statements, including a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the standalone financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31 March 2021, the profit and total comprehensive income, changes in equity and its cash flows for the year ended on that date.

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Key Audit Matters

Key audit matters ('KAM') are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Key audit matters	How our audit addressed the key audit matter
Disputed Income Tax Demands (as described in note no. 35 to the standalone financial statements)	
<p>The Company has received income tax demand orders and notices relating to disallowances of certain deductions, expenses which are under litigation. The Company is contesting these demands.</p> <p>The unexpected adverse outcomes of such litigations and tax demands could materially impact the Company as the outcome of such legal actions is uncertain and the positions taken by the management are based on the legal opinions obtained by the Company.</p> <p>The amounts involved may be significant and estimates of the amounts of provisions or contingent liabilities are subject to significant management judgement.</p> <p>Accordingly, this matter has been determined to be a key matter in our audit of the financial statements.</p>	<p>Our audit procedures included the following:</p> <ul style="list-style-type: none"> Assessed the progress of all significant litigations, tax demands and contingencies. Evaluated management's assessment of the likely outcome and considered the requirements for any provision. Inquired with both legal and finance personnel in respect of ongoing litigations or tax demands proceedings, inspected relevant correspondence. Also, obtained legal confirmation letters on sample basis from external legal experts. Assessed the related disclosure of litigations, tax demands and other contingencies as described in the financial statements.

Valuation of Investments in Un-Quoted Securities	
<p>The company has investments in various unquoted equity and preference shares. These instruments are measured at fair value with the corresponding fair value change recognized in Statement of Profit and Loss or other comprehensive income depending upon the nature of financial instruments.</p> <p>The valuation is performed by the company using a fair value hierarchy (Level 1, 2 and 3) as disclosed in note no.39 to the standalone financial statements.</p> <p>Given the inherent subjectivity in the valuation of level 2 investments, we determined this to be a significant matter for our audit. This was an area of focus for our audit and an area where significant audit effort was directed.</p> <p>Disclosures on the investments are included at Note 8 and Note 39 to the Standalone Financial Statements</p>	<p>Our audit procedures included, among other things, an assessment of the methodology and the appropriateness of the valuation techniques and inputs used by management to value investments.</p> <p>Further, we assessed the valuation of all individual investments to determine whether the valuations performed by the company were within a predefined tolerable differences threshold.</p> <p>As part of these audit procedures, we assessed the accuracy of key inputs used in the valuation including observable and non-observable inputs.</p> <p>We also evaluated the company's assessment whether objective evidence of impairment exists for individual investments.</p> <p>Based on these procedures we have not noted any material differences outside the predefined tolerable differences threshold.</p>

Information Other than the Standalone Financial Statements and Auditor's report thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Company's annual report but does not include the standalone financial statements and our auditors' report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibilities for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance (including other comprehensive income), changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, the Company's management is responsible for assessing the ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditors' Report) Order, 2016 ("the Order") issued by the Central Government of India in terms of Section 143(11) of the Act, we give in the "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143(3) of the Act, we report that:

- a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
- b. In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
- c. The standalone Balance Sheet, the standalone Statement of Profit and Loss (including other comprehensive income), the Statement of Changes in Equity and the Statement of Cash Flows dealt with by this Report are in agreement with the books of account;
- d. In our opinion, the aforesaid standalone financial statements comply with the Ind AS specified under Section 133 of the Act.
- e. On the basis of the written representations received from the directors as on 31 March 2021 taken on record by the Board of Directors, none of the directors is disqualified as on 31 March 2021 from being appointed as a director in terms of Section 164(2) of the Act;
- f. With respect to the adequacy of the internal financial controls over financial reporting of the Company with reference to standalone financial statements and the operating effectiveness of such controls, refer to our separate Report in "Annexure B". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting;
- g. With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended, according to the information and explanation given to us, the Company has not paid any managerial remuneration during the year;
- h. With respect to the other matters to be included in the Auditors' Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigations on its financial position in its standalone financial statements – Refer note no. 35 to the standalone financial statements.
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.

ANNEXURE 'A' TO THE INDEPENDENT AUDITOR'S REPORT

(Annexure A referred to in paragraph 1 under 'Report on other legal and Regulatory Requirements' of our report to the Members of Nalwa Sons Investments Limited of even date)

1. In respect of Company's fixed assets: -

- a) The Company has maintained proper records showing full particulars including quantitative details and situation of property, plant & equipment.
 - b) We have been informed that property, plant & equipment have been physically verified by the management during the year which, in our opinion, is reasonable and no discrepancies were noted on such verification.
 - c) The Company does not own any immovable property in the name of the Company. Therefore, reporting under Paragraph 3(i)(c) of the Order is not applicable to the Company.
2. The Company does not have any inventory and hence reporting under clause (ii) of the CARO, 2016 is not applicable.
 3. The Company has given interest bearing unsecured demand loans to Companies covered in the register maintained under Section 189 of the Companies Act, 2013. However, the Company has not given any loan to firms, limited liability partnership or other parties covered in the register maintained under Section 189 of the Companies Act 2013.
 - a) In our opinion, the terms and conditions on which the loans had been granted to the bodies corporate listed in the register maintained under Section 189 of the Act were not, prima facie, prejudicial to the interest of the Company.
 - b) In respect of aforesaid loan, the amount, principal as well as interest accrued thereon is repayable on demand and hence the question of repayment schedule and irregularity on payment of principal and interest does not arise.
 - c) The aforesaid loan is repayable on demand and therefore, the question of overdue amount does not arise.
 4. According to the information and explanations given to us and on the basis of our examination of the records of the Company, there are no loans, investments, guarantees, and securities granted in respect of which provisions of section 185 and Section 186 are applicable to the Company except 186(1) and hence not commented upon. The Company has not made any investments through more than two layers of investment companies as required in Section 186(1) of the Act.
 5. According to the information given to us, the Company has not accepted any deposits under the provision of Section 73 to 76 of the Companies Act, 2013 and the Companies (Acceptance of Deposits) Rules, 2014 as amended from time to time, wherever applicable. Therefore, the provisions of clause 3(ix) of the order are not applicable to the Company.
 6. According to the explanation and information given to us and to the best of our knowledge, the Central Government has not specified the maintenance of cost records under section 148(1) of the Act, for the services of the Company.
 7. According to the information and explanations given to us, in respect of statutory dues:
 - a) The Company is generally regular in depositing undisputed statutory dues, including provident fund, employees' state insurance, income-tax, sales tax, service tax, customs duty, excise duty, value added tax, goods and service tax, cess and other material statutory dues applicable to it with the appropriate authorities and there are no undisputed statutory dues payable for a period of more than six months from the date they become payable as at March 31, 2021.
 - b) According to the information and explanations given to us, the dues outstanding of income tax which have not been deposited on account of any dispute, are as follows: -

Name of the Statute	Period to which the amount relates (FY)	Forum where matter is pending	Disputed Amount (₹ in Lacs)	Deposited Amount (₹ in Lacs)
Income Tax Act, 1961	2006-07	Income Tax Appellate (ITAT, Tribunal New Delhi)	22.86	22.86
	2011-12		46.47	46.47
	2012-13		13.06	13.06
	2013-14		10.26	10.26
	2016-17	Commissioner of Income Tax (Appeals)	93.64	

8. According to the information and explanations given to us, the Company has not taken any loan from financial institutions, banks, government and debenture holders. Therefore, the provisions of Paragraph 3 (viii) of the Order are not applicable.
9. The Company has not raised any money by way of initial public offer, further public offer (including debt instruments) or term loans. Accordingly, the provisions of clause 3(ix) of the order are not applicable to the Company.
10. According to the information and explanations given by the Management and to the best of our knowledge, we report that no fraud by the Company or no fraud on the Company by the officers and employees of the Company has been noticed or reported during the year.
11. The Company has paid/provided for managerial remuneration in accordance with the requisite approvals mandated by the provisions of section 197 read with Schedule V to the Companies Act, 2013.
12. The Company is not a Nidhi company. Accordingly, the provisions of clause 3(xii) of the order are not applicable to the Company and has not commented upon.
13. According to the information and explanations given by the Management, transactions with the related parties are in compliance with section 177 and 188 of the Act where applicable and the details have been disclosed in the notes to the standalone financial statements, as required by the applicable Accounting Standards.
14. According to the information and explanations given to us and based on our examination of the records of the Company, the Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year. Accordingly, the provision of clause 3(xiv) are not applicable to the company.

Annexure B to the Independent Auditors' Report

(Referred to in paragraph 2 under 'Report on Other Legal and Regulatory Requirements' section of our report to the members of Nalwa Sons Investments Limited of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of Nalwa Sons Investments Limited as of 31 March 2021 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Board of Directors are responsible for establishing and maintaining internal financial controls based on the internal financial controls over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India ("the Guidance Note"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013 (hereinafter referred to as "the Act").

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to the standalone financial statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting with reference to standalone financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls over financial reporting with reference to standalone financial statements and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of such internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls with reference to standalone financial statements.

Meaning of Internal Financial Controls over Financial Reporting with Reference to Standalone Financial Statements

A company's internal financial controls over financial reporting with reference to standalone financial statements are a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of standalone financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls over financial reporting with reference to standalone financial statements include those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of standalone financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the standalone financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting with Reference to standalone Financial Statements

Because of the inherent limitations of internal financial controls over financial reporting with reference to standalone financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting with reference to standalone financial statements to future periods are subject to the risk that the internal financial controls may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2021, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Notes forming part of standalone financial statements for the year ended March 31, 2021**1. GENERAL INFORMATION**

Nalwa Sons Investments Limited was incorporated on November 18, 1970 under the erstwhile Companies Act i.e. Companies Act, 1956 (now Companies Act, 2013) and is registered as Non-deposit taking Non-Banking Financial Company ('NBFC') under the provisions of Section 45-IA of the Reserve Bank of India Act, 1934.

2. SIGNIFICANT ACCOUNTING POLICIES**a) Basis of preparation**

These standalone financial statements of the Company have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015 (as amended from time to time) and presentation requirements of Division II of Schedule III to the Companies Act, 2013, (Ind AS compliant Schedule III). These standalone financial statements are presented in INR Lakhs and all values are rounded to the nearest lakhs, except when otherwise indicated.

The regulatory disclosures as required by Master Directions for Non-Banking Financial Company – Systemically Important Non-Deposit taking Company Directions, 2016 issued by the RBI ('RBI Master Directions') to be included as a part of the Notes to Accounts are prepared as per the Ind AS financial statements pursuant to the notification on Implementation of Indian Accounting Standards, dated March 13, 2020.

b) Use of estimates and judgements

The preparation of standalone financial statements in conformity with the recognition and measurement principles of Ind AS requires the management to make estimates and assumptions that affect the balances of assets and liabilities, disclosures of contingent liabilities as at the date of the standalone financial statements and the reported amounts of income and expenses for the periods presented. The Company has a policy to review these estimates and underlying assumptions on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimates are revised, and future periods are affected.

c) Revenue recognition**Interest Income**

Under Ind AS 109 interest income is recorded using the effective interest rate ('EIR') method for all financial instruments measured at amortised cost. The EIR is the rate that discounts estimated future cash receipts through the expected life of the financial instrument to the net carrying amount of the financial asset.

Dividend Income

Income from dividend on shares of corporate bodies is taken into account on accrual basis when such dividend has been declared by the corporate body in its annual general meeting and the Company's right to receive payment is established.

d) Employee Benefits Expense**(i) Defined contribution plans**

Contributions to the Provident Fund based on the statutory provisions as per the Employee Provident Fund Scheme is recognised as an expense in the Statement of Profit and Loss in the period when services are rendered by the employees.

(ii) Defined benefit plans**Gratuity**

Liabilities with regard to the Gratuity Plan are determined by actuarial valuation, performed by an independent actuary, at each balance sheet date using the projected unit credit method. The Company recognizes the net obligation of a defined benefit plan in its balance sheet as an asset or liability.

Leave encashment

The company treats its liability for long-term compensated absences based on actuarial valuation as at the Balance Sheet date, determined by an independent actuary using the Projected Unit Credit method. Actuarial gains and losses are recognised in the Statement of Profit and Loss in the year in which they occur.

Notes forming part of standalone financial statements for the year ended March 31, 2021**e) Property, Plant and Equipment****(i) Measurement**

Items of Property, plant and equipment, are measured at cost (which includes capitalized borrowing costs, if any) less accumulated depreciation and accumulated impairment losses, if any.

Cost of an item of property, plant and equipment includes its purchase price, duties, taxes, after deducting trade discounts and rebates, any directly attributable cost of bringing the item to its working condition for its intended use and estimated costs of dismantling and removing the item and restoring the site on which it is located.

If significant parts of an item of property, plant and equipment have different useful lives, then they are accounted for as separate items (major components) of property, plant and equipment.

Any gain or loss on disposal of an item of property, plant and equipment is recognized in profit or loss.

(ii) Subsequent expenditure

Subsequent expenditure is capitalized only if it is probable that it will increase the future economic benefits from the existing asset beyond its previously assessed standard of performance/life. All other expenses on existing Property, plants and equipment, including day to day repair and maintenance and cost of replacing parts are charged to the Statement of Profit and Loss for the period during which such expenses are incurred.

(iii) Derecognition

An item of Property, plant and equipment is derecognized upon its disposal or when no future economic benefit is expected to arise from its continued use. Any gain or loss arising on the same (calculated as the difference between the net disposal proceeds and its carrying amount) is recognized in the Statement of Profit and Loss in the period the item is derecognized.

(iv) Depreciation

Depreciation is calculated using Straight Line Method (SLM) over the useful lives of assets and is recognized in the Statement of profit and loss. Depreciation for assets purchased / sold during the period is proportionately charged. Depreciation is provided based on useful life of the assets as prescribed in Schedule II to the Companies Act, 2013.

The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year-end and adjusted prospectively, if appropriate.

f) Impairment of Non-financial Assets

The Company assesses, at each reporting date, whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the Company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or cash-generating unit's (CGU) fair value less costs of disposal and its value in use. Recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or groups of assets. Where the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining fair value less costs of disposal, recent market transactions are taken into account, if available.

If no such transactions can be identified, an appropriate valuation model is used. Impairment losses including impairment on inventories are recognized in the Statement of profit and loss. After impairment, depreciation is provided on the revised carrying amount of the asset over its remaining useful life.

g) Investment in Subsidiaries and Associate

On transition to Ind AS, the Company has elected to continue with the carrying value of investments in subsidiaries and associate as on 1 April 2018, measured as per the previous GAAP, and use that carrying value as the deemed cost of such investments.

Notes forming part of standalone financial statements for the year ended March 31, 2021

Investment in Subsidiaries and associates are carried at cost in accordance with the option available in Ind AS 27, 'Separate Financial Statements'. Where the carrying amount of an investment is greater than its estimated recoverable amount, it is written down immediately to its recoverable amount and the difference is transferred to the Statement of Profit and Loss. Upon disposal of investment, the difference between the net disposal proceeds and the carrying amount is credited or charged to the Statement of Profit and Loss.

h) Cash and Cash Equivalents

Cash and cash equivalent in the balance sheet and in the Statement of Cash flows comprise of cash in hand and balance with banks in current accounts.

i) Borrowing Costs

Borrowing cost includes interest and other costs incurred in connection with the borrowing of funds and charged to Statement of Profit & Loss on the basis of effective interest rate (EIR) method. Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalized as part of the cost of the respective asset. All other borrowing costs are recognized as expense in the period in which they occur.

j) Provisions and Contingent Liabilities

Provision is recognized when the Company has a present obligation as a result of past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation, in respect of which a reliable estimate can be made. Provisions are not discounted to its present value and are determined based on best estimate of the expenditure required to settle the obligation at the Balance Sheet date. These are reviewed at each Balance Sheet date and adjusted to reflect the current best estimate.

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or nonoccurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made.

k) Tax Expense

Income tax expense represents the sum of the tax currently payable and deferred tax. Current tax and deferred tax is recognized in the Profit and Loss except when it relates to items that are recognized in Other Comprehensive Income.

Current tax

Current tax is the amount of expected tax payable based on the taxable profit for the year as determined in accordance with the applicable tax rates and the provisions of the Income Tax Act, 1961.

Deferred tax

Deferred tax is recognized using the Balance Sheet approach. It represents temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are recognized for all taxable temporary differences. Deferred tax assets are recognized for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilised. Such deferred tax assets and liabilities are not recognized if the temporary difference arises from the initial recognition (other than in a business combination) of assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit. In addition, deferred tax liabilities are not recognized if the temporary difference arises from the initial recognition of goodwill. The carrying amount of deferred tax assets is reviewed at the end of each reporting year and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Minimum Alternate Tax (MAT) paid in accordance with the tax laws, which gives future economic benefits in the form of adjustment to future income tax liability, is considered as a Deferred tax asset if there is convincing evidence that the Company will pay normal income tax in future years. Accordingly, MAT is recognized as an asset in the Balance Sheet when it is probable that future economic benefit associated with it will flow to the Company.

Notes forming part of standalone financial statements for the year ended March 31, 2021

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year in which the liability is settled or the asset realized, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting year.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

l) Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

(i) Financial Assets

The Company classifies its financial assets in the following measurement categories:

- ∅ Those to be measured subsequently at fair value (either through other comprehensive income, or through profit or loss).
- ∅ Those measured at amortized cost.

The classification of financial assets at initial recognition depends on the financial asset's contractual cash flow characteristics and the Company's business model for managing them.

Initial recognition and measurement

In order for a financial asset to be classified and measured at amortized cost or fair value through OCI, it needs to give rise to cash flows that are 'solely payments of principal and interest (SPPI)' on the principal amount outstanding. This assessment is referred to as the SPPI test and is performed at an instrument level. Financial assets with cash flows that are not SPPI are classified and measured at fair value through profit or loss, irrespective of the business model.

The Company's business model for managing financial assets refers to how it manages its financial assets in order to generate cash flows. The business model determines whether cash flows will result from collecting contractual cash flows, selling the financial assets, or both.

Financial assets classified and measured at amortized cost are held within a business model with the objective to hold financial assets in order to collect contractual cash flows while financial assets classified and measured at fair value through OCI are held within a business model with the objective of both holding to collect contractual cash flows and selling.

Subsequent measurement

For purposes of subsequent measurement financial assets are classified in following categories:

- ∅ Financial assets at amortized cost
- ∅ Financial assets at fair value through other comprehensive income (FVTOCI) with recycling of cumulative gains and losses (debt instruments)
- ∅ Financial assets designated at fair value through OCI with no recycling of cumulative gains and losses upon derecognition (equity instruments)
- ∅ Financial assets at fair value through profit or loss

Financial assets at amortized cost

A 'financial asset' is measured at the amortized cost if both the following conditions are met:

Business Model Test: The objective is to hold the financial asset to collect the contractual cash flows (rather than to sell the instrument prior to its contractual maturity to realize its fair value changes) and;

Cash flow characteristics test: The contractual terms of the financial asset give rise on specific dates to cash flows that are solely payments of principal and interest on principal amount outstanding.

Notes forming part of standalone financial statements for the year ended March 31, 2021

This category is most relevant to the Company. After initial measurement, such financial assets are subsequently measured at amortized cost using the effective interest rate (EIR) method. Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of EIR. EIR is the rate that exactly discounts the estimated future cash receipts over the expected life of the financial instrument or a shorter period, where appropriate, to the gross carrying amount of the financial asset. When calculating the effective interest rate, the Company estimates the expected cash flows by considering all the contractual terms of the financial instrument but does not consider the expected credit losses. The EIR amortization is included in other income in profit or loss. The losses arising from impairment are recognized in the profit or loss. This category general applies to trade and other receivables.

Financial assets at fair value through profit or loss

Financial assets at fair value through profit or loss are carried in the balance sheet at fair value with net changes in fair value recognized in the statement of profit and loss.

Financial assets designated at fair value through Other Comprehensive Income (OCI)

Upon initial recognition, the Company can elect to classify irrevocably its equity investments as equity instruments designated at fair value through OCI when they meet the definition of equity under Ind AS 32 Financial Instruments: Presentation and are not held for trading. The classification is determined on an instrument-by-instrument basis. Equity instruments which are held for trading and contingent consideration recognized by an acquirer in a business combination to which Ind AS103 applies are classified as at FVTPL.

Gains and losses on these financial assets are never recycled to profit or loss. Dividends are recognized as other income in the statement of profit and loss when the right of payment has been established, except when the Company benefits from such proceeds as a recovery of part of the cost of the financial asset, in which case, such gains are recorded in OCI. Equity instruments designated at fair value through OCI are not subject to impairment assessment.

Derecognition

A financial asset (or, where applicable, a part of a financial asset or part of a Company of similar financial assets) is primarily derecognized (i.e. removed from the Company's statement of financial position) when:

- ∅ The rights to receive cash flows from the asset have expired, or
- ∅ the Company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a "pass through" arrangement and either;
 - the Company has transferred substantially all the risks and rewards of the asset, or
 - the Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

When the Company has transferred its rights to receive cash flows from an asset or has entered into a pass-through arrangement, it evaluates if and to what extent it has retained the risks and rewards of ownership. When it has neither transferred nor retained substantially all of the risks and rewards of the asset, nor transferred control of the asset, the Company continues to recognize the transferred asset to the extent of the Company's continuing involvement. In that case, the Company also recognizes an associated liability. The transferred asset and the associated liability are measured on a basis that reflects the right and obligations that the Company has retained.

Impairment of financial assets

In accordance with IND AS 109, the Company applies expected credit losses (ECL) model for measurement and recognition of impairment loss on the following financial asset and credit risk exposure

- ∅ Financial assets measured at amortized cost;
- ∅ Financial assets measured at fair value through other comprehensive income(FVTOCI);

ECLs are based on the difference between the contractual cash flows due in accordance with the contract and all the cash flows that the Company expects to receive, discounted at an approximation of the original effective interest rate. The expected cash flows will include cash flows from the sale of collateral held or other credit enhancements that are integral to the contractual terms.

Notes forming part of standalone financial statements for the year ended March 31, 2021

ECLs are recognized in two stages. For credit exposures for which there has not been a significant increase in credit risk since initial recognition, ECLs are provided for credit losses that result from default events that are possible within the next 12-months (a 12-month ECL). For those credit exposures for which there has been a significant increase in credit risk since initial recognition, a loss allowance is required for credit losses expected over the remaining life of the exposure, irrespective of the timing of the default (a lifetime ECL).

The Company follows “simplified approach” for recognition of impairment loss allowance on:

- Ø Trade receivables or contract revenue receivables without significant financial element;
- Ø All lease receivables resulting from the transactions within the scope of Ind AS 116 –Leases

Under the simplified approach, the Company does not track changes in credit risk. Rather, it recognizes impairment loss allowance based on lifetime ECLs at each reporting date, right from its initial recognition. The Company uses a provision matrix to determine impairment loss allowance on the portfolio of trade receivables. The provision matrix is based on its historically observed default rates over the expected life of trade receivable and is adjusted for forward looking estimates. At every reporting date, the historical observed default rates are updated and changes in the forward looking estimates are analyzed.

ECL impairment loss allowance (or reversal) recognized during the period is recognized as income/ expense in the statement of profit and loss. This amount is reflected under the head ‘other expenses’ in the statement of profit and loss.

(ii) Financial liabilities:**Initial recognition and measurement**

Financial liabilities are classified at initial recognition as financial liabilities at fair value through profit or loss, loans and borrowings, and payables, net of directly attributable transaction costs. All financial liabilities are recognized initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs. The Company financial liabilities include trade payables, liabilities towards services, and other payables.

Subsequent measurement

For purposes of subsequent measurement, financial liabilities are classified in two categories:

- Ø Financial liabilities at fair value through profit or loss
- Ø Financial liabilities at amortized cost (loans and borrowings)

Financial liabilities at Fair value through profit or loss

Financial liabilities at fair value through profit or loss include financial liabilities held for trading and financial liabilities designated upon initial recognition as at fair value through profit or loss. Financial liabilities are classified as held for trading if they are incurred for the purpose of repurchasing in the near term. This category also includes derivative financial instruments.

Gains or losses on liabilities held for trading are recognized in the statement of profit and loss.

Financial liabilities designated upon initial recognition at fair value through profit or loss are designated as such at the initial date of recognition, and only if the criteria in IND AS 109 are satisfied. For liabilities designated as FVTPL, fair value gains/ losses attributable to changes in own credit risk are recognized in OCI. These gains/ loss are not subsequently transferred to profit and loss. All other changes in fair value of such liability are recognized in the statement of profit or loss. The Company has not designated any financial liability as at fair value through profit and loss.

Financial liabilities at Amortized cost

After initial recognition, interest-bearing borrowings are subsequently measured at amortized cost using the Effective interest rate method. Gains and losses are recognized in profit or loss when the liabilities are derecognized as well as through the Effective interest rate amortization process. Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the Effective interest rate. The Effective interest rate amortization is included as finance costs in the statement of profit and loss.

Notes forming part of standalone financial statements for the year ended March 31, 2021**Derecognition**

A financial liability is derecognized when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognized in the statement of profit and loss.

Offsetting of financial instruments

Financials assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognized amounts and there is an intention to settle on a net basis, to realize the assets and settle the liabilities simultaneously.

m) Earnings per Share

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. The weighted average number of equity shares outstanding during the period is adjusted for events such as bonus issue, bonus element in a rights issue, share split, and reverse share split (consolidation of shares) that have changed the number of equity shares outstanding, without a corresponding change in resources. For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effect of all potentially dilutive equity shares.

n) Fair value measurement

The Company measures financial instruments at fair value at each balance sheet date.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an ordinary transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- (i) In the principal market for asset or liability, or
- (ii) In the absence of a principal market, in the most advantageous market for the asset or liability.

The principal or the most advantageous market must be accessible by the Company.

A fair value measurement of a non- financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

Level 1- Quoted (unadjusted) market prices in active markets for identical assets or liabilities

Level 2- Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable

Level 3- Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

For assets and liabilities that are recognized in the financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorization (based on the lowest level input that is significant to fair value measurement as a whole) at the end of each reporting period.

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

3. Standards issued but not effective

There are no standards that are issued but not yet effective as on March 31, 2021.

Independent Auditors' Report**To the Members of****Nalwa Sons Investments Limited****Report on the Audit of the Consolidated Financial Statements****Opinion**

We have audited the consolidated financial statements of Nalwa Sons Investments Limited (hereinafter referred "the Holding Company") and its subsidiaries, (Holding Company and its subsidiaries together referred to as "the Group") which includes the Group's share of profit in its associate, which comprise the consolidated balance sheet as at 31 March 2021, and the consolidated statement of profit and loss (including other comprehensive income), consolidated statement of changes in equity and consolidated statement of cash flows for the year then ended, and notes to the consolidated financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the consolidated financial statements").

In our opinion and to the best of our information and according to the explanations given to us, and based on the consideration of reports of the other auditors on separate financial information of subsidiaries and associate referred to in the other matters section below, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended ('Ind AS'), and accounting principles generally accepted in India, of the consolidated state of affairs of the Group as at 31 March 2021, of its consolidated profit and total comprehensive income, consolidated changes in equity and consolidated cash flows for the year then ended.

Basis for Opinion

We conducted our audit of the consolidated financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibility for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the consolidated financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us and the audit evidence obtained by the other auditors in terms of their reports referred to in the Other Matters section below is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

Key Audit Matters

Key audit matters ('KAM') are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have determined that there are no key audit matters to be communicated in our report.

Key audit matters	How our audit addressed the key audit matter
Disputed Income Tax Demands (as described in note no. 35 to the standalone financial statements)	
<p>The Company has received income tax demand orders and notices relating to disallowances of certain deductions, expenses which are under litigation. The Company is contesting these demands.</p> <p>The unexpected adverse outcomes of such litigations and tax demands could materially impact the Company as the outcome of such legal actions is uncertain and the positions taken by the management are based on the legal opinions obtained by the Company.</p> <p>The amounts involved may be significant and</p>	<p>Our audit procedures included the following:</p> <ul style="list-style-type: none"> • Assessed the progress of all significant litigations, tax demands and contingencies. • Evaluated management's assessment of the likely outcome and considered the requirements for any provision. • Inquired with both legal and finance personnel in respect of ongoing litigations or tax demands proceedings, inspected relevant correspondence. Also, obtained legal confirmation letters on sample

Key audit matters	How our audit addressed the key audit matter
Disputed Income Tax Demands (as described in note no. 35 to the standalone financial statements)	
<p>estimates of the amounts of provisions or contingent liabilities are subject to significant management judgement.</p> <p>Accordingly, this matter has been determined to be a key matter in our audit of the financial statements.</p>	<p>basis from external legal experts.</p> <ul style="list-style-type: none"> Assessed the related disclosure of litigations, tax demands and other contingencies as described in the financial statements.

Valuation of Investments in Un-Quoted Securities	
<p>The company has investments in various unquoted equity and preference shares. These instruments are measured at fair value with the corresponding fair value change recognized in Statement of Profit and Loss or other comprehensive income depending upon the nature of financial instruments.</p> <p>The valuation is performed by the company using a fair value hierarchy (Level 1, 2 and 3) as disclosed in note no.39 to the standalone financial statements.</p> <p>Given the inherent subjectivity in the valuation of level 2 investments, we determined this to be a significant matter for our audit. This was an area of focus for our audit and an area where significant audit effort was directed.</p> <p>Disclosures on the investments are included at Note 9 and Note 46 to the Consolidated Financial Statements</p>	<p>Our audit procedures included, among other things, an assessment of the methodology and the appropriateness of the valuation techniques and inputs used by management to value investments.</p> <p>Further, we assessed the valuation of all individual investments to determine whether the valuations performed by the company were within a predefined tolerable differences threshold.</p> <p>As part of these audit procedures, we assessed the accuracy of key inputs used in the valuation including observable and non-observable inputs.</p> <p>We also evaluated the company's assessment whether objective evidence of impairment exists for individual investments.</p> <p>Based on these procedures we have not noted any material differences outside the predefined tolerable differences threshold.</p>

Information Other than the Consolidated Financial Statements and Auditor's Report Thereon

The Holding Company's Board of Directors are responsible for the other information. The other information comprises the information included in the Holding Company's Annual Report, but does not include the consolidated financial statements and our auditor's report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibilities for the Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the preparation and presentation of these consolidated financial statements in terms of the requirements of the Act that give a true and fair view of the consolidated state of affairs, consolidated profit/loss and other comprehensive income, consolidated statement of changes in equity and consolidated cash flows of the Group including its associate in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act. The respective management and Board of Directors of the entities included in the Group and of its associate are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and its associate and for preventing and detecting frauds and other irregularities; the selection and

application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the management and Board of Directors of the Holding Company, as aforesaid.

In preparing the consolidated financial statements, the respective Board of Directors of the companies included in the Group and its associate are responsible for assessing the ability of the Group and its associate to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the respective management and Board of Directors either intends to liquidate the entity or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group and of its associate are also responsible for overseeing the financial reporting process of Group and of its associate.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management and Board of Directors of the Holding Company
- Conclude on the appropriateness of management's and Board of Director's of the Holding Company use of the going concern basis of accounting in preparation of consolidated financial statements and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group and its associate to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group and its associate to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group and its associate to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities or business activities included in the consolidated financial statements of which we are the independent auditors. For the other entities or business activities included in the consolidated financial statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

We communicate with those charged with governance of Holding Company and such other entities included in the

consolidated financial statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters

We did not audit the financial statements of 2 subsidiaries, whose financial statement reflect total assets of INR 13,889.75 Lakhs as at March 31, 2021, total revenues of INR 2,031.06 Lakhs, total net profit after tax of INR 739.36 Lakhs and other comprehensive income of INR Nil for the year ended on that date, as considered in the consolidated financial statements. These financial statements have been audited by other auditors whose reports have been furnished to us by the management and our opinion on the consolidated financial statements in so far as it relates to the amounts and disclosures included in respect of the subsidiaries, and our report in term of subsection (3) of Section 143 of the Act, in so far relates to the aforesaid subsidiaries is based solely on the reports of the other auditors.

The Consolidated Ind AS financial statements include the Group's share of net profit after tax of INR 1.45 Lakhs for the year ended March 31, 2021, as considered in the Consolidated Ind AS financial statements, in respect of one associate, whose financial statements, other financial information have not been audited by us and whose unaudited financial statements, other unaudited financial information have been furnished to us by the Management. Our opinion, in so far as it relates amounts and disclosures included in respect of this associate, and our report in terms of sub-sections (3) of Section 143 of the Act in so far as it relates to the aforesaid associate, is based solely on such unaudited financial statements and other unaudited financial information.

Our opinion on the consolidated financial statements above and our report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matters with respect to our reliance on the work done and the financial information certified by the Management.

Report on Other Legal and Regulatory Requirements

- A. As required by Section 143(3) of the Act, based on our audit and on the consideration of the reports of the other auditors on the separate financial information of the subsidiaries and associate referred to in the Other Matters section above we report, to the extent applicable that:
- We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements.
 - In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books, returns and the reports of the other auditors.
 - The consolidated balance sheet, the consolidated statement of profit and loss (including other comprehensive income), the consolidated statement of changes in equity and the consolidated statement of cash flows dealt with by this Report are in agreement with the books of account maintained for the purpose of preparation of the consolidated financial statements.
 - In our opinion, the aforesaid consolidated financial statements comply with the Ind AS specified under Section 133 of the Act.
 - On the basis of the written representations received from the directors of the Holding Company as on March 31, 2021 taken on record by the Board of Directors of the Holding Company and the reports of the statutory auditors who are appointed under Section 139 of the Act, of its subsidiary companies and associate company, none of the directors of the Group's companies and its associate, incorporated in India, is disqualified as on March 31, 2021 from being appointed as a director in terms of Section 164 (2) of the Act.

- f. With respect to the adequacy and the operating effectiveness of the internal financial controls over financial reporting with reference to these Consolidated Ind AS financial statements of the Holding Company and its subsidiary companies and associate company, incorporated in India, refer to our separate Report in "Annexure A" to this report.
- g. With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended, according to the information and explanation given to us, the Holding Company, its subsidiaries and the associate companies has not paid any managerial remuneration during the year;
- h. With respect to the other matters to be included in the Auditors' Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
- i. There were no pending litigations which would impact the consolidated financial position of the Group and its associates.
 - ii. The Group did not have any material foreseeable losses on long-term contracts including derivative contracts during the year ended 31 March 2021.
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Holding Company, its subsidiaries and associates incorporated in India during the year ended March 31, 2021.

Annexure A to the Independent Auditors' Report

(Referred to in paragraph A under 'Report on Other Legal and Regulatory Requirements' section of our report to the members of Nalwa Sons Investments Limited of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

In conjunction with our audit of the consolidated financial statements of Nalwa Sons Investments Limited as of and for the year ended March 31, 2021, we have audited the internal financial controls over financial reporting of Nalwa Sons Investments Limited (hereinafter referred to as the "Holding Company") and its subsidiaries, which are companies incorporated in India, as of that date.

Management's Responsibility for Internal Financial Controls

The respective Board of Directors of the Holding Company, its subsidiaries, which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Holding Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

Our responsibility is to express an opinion on the Holding Company, its subsidiaries, which are companies incorporated in India, internal financial controls over financial reporting with reference to these consolidated financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting with reference to these consolidated financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting with reference to these consolidated financial statements and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting with reference to these consolidated financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors in terms of their reports referred to in the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting with reference to these consolidated financial statements.

Meaning of Internal Financial Controls with Reference to Financial Statements

A company's internal financial controls over financial reporting with reference to consolidated financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of consolidated financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to consolidated financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of consolidated financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the consolidated financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting with Reference to Consolidated Financial Statements

Because of the inherent limitations of internal financial controls over financial reporting with reference to these consolidated financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting with reference to these consolidated financial statements to future periods are subject to the risk that the internal financial control over financial reporting with reference to these consolidated financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us and based on the consideration of reports of other auditors, as referred to in Other Matters paragraph, the Holding Company, its subsidiaries, which are companies incorporated in India, have, maintained in all material respects, adequate internal financial controls system over financial reporting with reference to these consolidated financial statements and such internal financial controls over financial reporting with reference to these consolidated financial statements were operating effectively as at March 31, 2021, based on the internal control over financial reporting criteria established by the Holding Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Other Matters

Our report under Section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls over financial reporting with reference to these consolidated financial statements of the Holding Company, in so far as it relates to separate financial statements of subsidiaries, which are company incorporated in India, is based on the corresponding reports of the auditors of such subsidiary incorporated in India.

Investment made by the Group in associates companies is accounted under the equity method, in accordance with the Indian Accounting Standard 28 on "Investment in Associates and Joint Ventures"

d) Use of estimates and judgements

The preparation of consolidated financial statements in conformity with the recognition and measurement principles of Ind AS requires the management to make estimates and assumptions that affect the balances of assets and liabilities, disclosures of contingent liabilities as at the date of the consolidated financial statements and the reported amounts of income and expenses for the periods presented. The Group has a policy to review these estimates and underlying assumptions on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimates are revised, and future periods are affected.

Notes to the Consolidated Financial Statements for the year ended March 31, 2021**e) Revenue recognition****Interest Income**

Under Ind AS 109 interest income is recorded using the effective interest rate ('EIR') method for all financial instruments measured at amortised cost. The EIR is the rate that discounts estimated future cash receipts through the expected life of the financial instrument to the net carrying amount of the financial asset.

Dividend Income

Income from dividend on shares of corporate bodies is taken into account on accrual basis when such dividend has been declared by the corporate body in its annual general meeting and the Group's right to receive payment is established.

Sale of goods

Revenue from contracts with customers is recognized on transfer of control of promised goods or services to a customer at an amount that reflects the consideration to which the Group is expected to be entitled to in exchange for those goods or services.

Revenue from sale of products is recognized when the control on the goods have been transferred to the customer. The performance obligation in case of product is satisfied at a point in time i.e., when the material is shipped to the customer or on delivery to the customer, as may be specified in the contract. Revenue is measured at fair value of the consideration received or receivable. The Group recognizes revenue from sale of products net of discounts, sales incentives, rebates granted, returns, GST and duties when the products are delivered to customer or when delivered to a carrier for export sale, which is when significant risks and rewards of ownership pass to the customer, Sale of product is presented gross of manufacturing taxes like excise duty, wherever applicable.

Income from services is accounted for at the time of completion of service and billing thereof.

f) Employee Benefits Expense**(i) Defined contribution plans**

Contributions to the Provident Fund based on the statutory provisions as per the Employee Provident Fund Scheme is recognised as an expense in the Statement of Profit and Loss in the period when services are rendered by the employees.

(ii) Defined benefit plans**Gratuity**

Liabilities with regard to the Gratuity Plan are determined by actuarial valuation, performed by an independent actuary, at each balance sheet date using the projected unit credit method. The Group recognizes the net obligation of a defined benefit plan in its balance sheet as an asset or liability.

Leave encashment

The Group treats its liability for long-term compensated absences based on actuarial valuation as at the Balance Sheet date, determined by an independent actuary using the Projected Unit Credit method. Actuarial gains and losses are recognised in the Statement of Profit and Loss in the year in which they occur.

g) Property, Plant and Equipment**(i) Measurement**

Items of Property, plant and equipment, are measured at cost (which includes capitalized borrowing costs, if any) less accumulated depreciation and accumulated impairment losses, if any.

Cost of an item of property, plant and equipment includes its purchase price, duties, taxes, after deducting trade discounts and rebates, any directly attributable cost of bringing the item to its working condition for its intended use and estimated costs of dismantling and removing the item and restoring the site on which it is located.

If significant parts of an item of property, plant and equipment have different useful lives, then they are accounted for as separate items (major components) of property, plant and equipment.

Any gain or loss on disposal of an item of property, plant and equipment is recognized in profit or loss.

Notes to the Consolidated Financial Statements for the year ended March 31, 2021**(ii) Transition to Ind AS**

On transition to Ind AS, the Group has elected to continue with the carrying value of all of its property, plant and equipment recognized as on 1 April 2018, measured as per the previous GAAP, and use that carrying value as the deemed cost of such property, plant and equipment.

(iii) Subsequent expenditure

Subsequent expenditure is capitalized only if it is probable that it will increase the future economic benefits from the existing asset beyond its previously assessed standard of performance/life. All other expenses on existing Property, plants and equipment, including day to day repair and maintenance and cost of replacing parts are charged to the Statement of Profit and Loss for the period during which such expenses are incurred.

(iv) Derecognition

An item of Property, plant and equipment is derecognized upon its disposal or when no future economic benefit is expected to arise from its continued use. Any gain or loss arising on the same (calculated as the difference between the net disposal proceeds and its carrying amount) is recognized in the Statement of Profit and Loss in the period the item is derecognized.

(v) Depreciation

Depreciation is calculated using Straight Line Method (SLM) over the useful lives of assets and is recognized in the Statement of profit and loss. Depreciation for assets purchased / sold during the period is proportionately charged. Depreciation is provided based on useful life of the assets as prescribed in Schedule II to the Companies Act, 2013

The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year-end and adjusted prospectively, if appropriate.

h) Impairment of Non-financial Assets

The Group assesses, at each reporting date, whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the Group estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or cash-generating unit's (CGU) fair value less costs of disposal and its value in use. Recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or groups of assets. Where the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining fair value less costs of disposal, recent market transactions are taken into account, if available.

If no such transactions can be identified, an appropriate valuation model is used. Impairment losses including impairment on inventories are recognized in the Statement of profit and loss. After impairment, depreciation is provided on the revised carrying amount of the asset over its remaining useful life.

i) Investment in Associate

An investment in an associate is accounted for using the equity method from the date on which the investee becomes an associate. On acquisition of the investment in an associate, any excess of the cost of the investment over the Group's share of the net fair value of the identifiable assets and liabilities of the investee is recognised as goodwill, which is included within the carrying amount of the investment. Any excess of the Group's share of the net fair value of the identifiable assets and liabilities over the cost of the investment, after reassessment, is recognised directly in equity as capital reserve in the period in which the investment is acquired.

Under the equity method, an investment in an associate is initially recognised in the consolidated balance sheet at cost and adjusted thereafter to recognised the Group's share of the profit or loss and other comprehensive income of the associate. When the Group's share of losses of an associate exceeds the Group's interest in that associate (which includes any long-term interest that, in substance, form part of the Group's net investment in the associate), the Group discontinues recognising its share of further losses.

Notes to the Consolidated Financial Statements for the year ended March 31, 2021**j) Cash and Cash Equivalents**

Cash and cash equivalent in the balance sheet and in the Statement of Cash flows comprise of cash in hand and balance with banks in current accounts.

k) Borrowing Costs

Borrowing cost includes interest and other costs incurred in connection with the borrowing of funds and charged to Statement of Profit & Loss on the basis of effective interest rate (EIR) method. Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalized as part of the cost of the respective asset. All other borrowing costs are recognized as expense in the period in which they occur.

l) Provisions and Contingent Liabilities

Provision is recognized when the Group has a present obligation as a result of past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation, in respect of which a reliable estimate can be made. Provisions are not discounted to its present value and are determined based on best estimate of the expenditure required to settle the obligation at the Balance Sheet date. These are reviewed at each Balance Sheet date and adjusted to reflect the current best estimate.

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or nonoccurrence of one or more uncertain future events not wholly within the control of the Group or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made.

m) Tax Expense

Income tax expense represents the sum of the tax currently payable and deferred tax. Current tax and deferred tax is recognized in the Profit and Loss except when it relates to items that are recognized in Other Comprehensive Income.

Current tax

Current tax is the amount of expected tax payable based on the taxable profit for the year as determined in accordance with the applicable tax rates and the provisions of the Income Tax Act, 1961.

Deferred tax

Deferred tax is recognized using the Balance Sheet approach. It represents temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are recognized for all taxable temporary differences. Deferred tax assets are recognized for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilised. Such deferred tax assets and liabilities are not recognized if the temporary difference arises from the initial recognition (other than in a business combination) of assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit. In addition, deferred tax liabilities are not recognized if the temporary difference arises from the initial recognition of goodwill. The carrying amount of deferred tax assets is reviewed at the end of each reporting year and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Minimum Alternate Tax (MAT) paid in accordance with the tax laws, which gives future economic benefits in the form of adjustment to future income tax liability, is considered as a Deferred tax asset if there is convincing evidence that the Group will pay normal income tax in future years. Accordingly, MAT is recognized as an asset in the Balance Sheet when it is probable that future economic benefit associated with it will flow to the Group.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year in which the liability is settled or the asset realized, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting year.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

Notes to the Consolidated Financial Statements for the year ended March 31, 2021**n) Financial Instruments**

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

(i) Financial Assets

The Group classifies its financial assets in the following measurement categories:

- ∅ Those to be measured subsequently at fair value (either through other comprehensive income, or through profit or loss).
- ∅ Those measured at amortized cost.

The classification of financial assets at initial recognition depends on the financial asset's contractual cash flow characteristics and the Group's business model for managing them.

Initial recognition and measurement

In order for a financial asset to be classified and measured at amortized cost or fair value through OCI, it needs to give rise to cash flows that are 'solely payments of principal and interest (SPPI)' on the principal amount outstanding. This assessment is referred to as the SPPI test and is performed at an instrument level. Financial assets with cash flows that are not SPPI are classified and measured at fair value through profit or loss, irrespective of the business model.

The Group's business model for managing financial assets refers to how it manages its financial assets in order to generate cash flows. The business model determines whether cash flows will result from collecting contractual cash flows, selling the financial assets, or both.

Financial assets classified and measured at amortized cost are held within a business model with the objective to hold financial assets in order to collect contractual cash flows while financial assets classified and measured at fair value through OCI are held within a business model with the objective of both holding to collect contractual cash flows and selling.

Subsequent measurement

For purposes of subsequent measurement financial assets are classified in following categories:

- ∅ Financial assets at amortized cost
- ∅ Financial assets at fair value through other comprehensive income (FVTOCI) with recycling of cumulative gains and losses (debt instruments)
- ∅ Financial assets designated at fair value through OCI with no recycling of cumulative gains and losses upon derecognition (equity instruments)
- ∅ Financial assets at fair value through profit or loss

Financial assets at amortized cost

A 'financial asset' is measured at the amortized cost if both the following conditions are met:

Business Model Test: The objective is to hold the financial asset to collect the contractual cash flows (rather than to sell the instrument prior to its contractual maturity to realize its fair value changes) and;

Cash flow characteristics test: The contractual terms of the financial asset give rise on specific dates to cash flows that are solely payments of principal and interest on principal amount outstanding.

This category is most relevant to the Group. After initial measurement, such financial assets are subsequently measured at amortized cost using the effective interest rate (EIR) method. Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of EIR. EIR is the rate that exactly discounts the estimated future cash receipts over the expected life of the financial instrument or a shorter period, where appropriate, to the gross carrying amount of the financial asset. When calculating the effective interest rate, the Group estimates the expected cash flows by considering all the contractual terms of the financial instrument but does not consider the expected credit losses. The EIR amortization is included in other income in profit or loss. The losses arising from impairment are recognized in the profit or loss. This category general applies to trade and other receivables.

Notes to the Consolidated Financial Statements for the year ended March 31, 2021**Financial assets at fair value through profit or loss**

Financial assets at fair value through profit or loss are carried in the balance sheet at fair value with net changes in fair value recognized in the statement of profit and loss.

Financial assets designated at fair value through Other Comprehensive Income (OCI)

Upon initial recognition, the Group can elect to classify irrevocably its equity investments as equity instruments designated at fair value through OCI when they meet the definition of equity under Ind AS 32 Financial Instruments: Presentation and are not held for trading. The classification is determined on an instrument-by-instrument basis. Equity instruments which are held for trading and contingent consideration recognized by an acquirer in a business combination to which Ind AS103 applies are classified as at FVTPL.

Gains and losses on these financial assets are never recycled to profit or loss. Dividends are recognized as other income in the statement of profit and loss when the right of payment has been established, except when the Group benefits from such proceeds as a recovery of part of the cost of the financial asset, in which case, such gains are recorded in OCI. Equity instruments designated at fair value through OCI are not subject to impairment assessment.

Derecognition

A financial asset (or, where applicable, a part of a financial asset or part of a Group of similar financial assets) is primarily derecognized (i.e. removed from the Group's statement of financial position) when:

- Ø The rights to receive cash flows from the asset have expired, or
- Ø the Group has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a "pass through" arrangement and either;
 - the Group has transferred substantially all the risks and rewards of the asset, or
 - the Group has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

When the Group has transferred its rights to receive cash flows from an asset or has entered into a pass-through arrangement, it evaluates if and to what extent it has retained the risks and rewards of ownership. When it has neither transferred nor retained substantially all of the risks and rewards of the asset, nor transferred control of the asset, the Group continues to recognize the transferred asset to the extent of the Group's continuing involvement. In that case, the Group also recognizes an associated liability. The transferred asset and the associated liability are measured on a basis that reflects the right and obligations that the Group has retained.

Impairment of financial assets

In accordance with IND AS 109, the Group applies expected credit losses (ECL) model for measurement and recognition of impairment loss on the following financial asset and credit risk exposure

- Ø Financial assets measured at amortized cost;
- Ø Financial assets measured at fair value through other comprehensive income(FVTOCI);

ECLs are based on the difference between the contractual cash flows due in accordance with the contract and all the cash flows that the Group expects to receive, discounted at an approximation of the original effective interest rate. The expected cash flows will include cash flows from the sale of collateral held or other credit enhancements that are integral to the contractual terms.

ECLs are recognized in two stages. For credit exposures for which there has not been a significant increase in credit risk since initial recognition, ECLs are provided for credit losses that result from default events that are possible within the next 12-months (a 12-month ECL). For those credit exposures for which there has been a significant increase in credit risk since initial recognition, a loss allowance is required for credit losses expected over the remaining life of the exposure, irrespective of the timing of the default (a lifetime ECL).

The Group follows "simplified approach" for recognition of impairment loss allowance on:

- Ø Trade receivables or contract revenue receivables without significant financial element;
- Ø All lease receivables resulting from the transactions within the scope of Ind AS 116 –Leases

Notes to the Consolidated Financial Statements for the year ended March 31, 2021

Under the simplified approach, the Group does not track changes in credit risk. Rather, it recognizes impairment loss allowance based on lifetime ECLs at each reporting date, right from its initial recognition. The Group uses a provision matrix to determine impairment loss allowance on the portfolio of trade receivables. The provision matrix is based on its historically observed default rates over the expected life of trade receivable and is adjusted for forward looking estimates. At every reporting date, the historical observed default rates are updated and changes in the forward looking estimates are analyzed.

ECL impairment loss allowance (or reversal) recognized during the period is recognized as income/ expense in the statement of profit and loss. This amount is reflected under the head 'other expenses' in the statement of profit and loss.

(ii) Financial liabilities:**Initial recognition and measurement**

Financial liabilities are classified at initial recognition as financial liabilities at fair value through profit or loss, loans and borrowings, and payables, net of directly attributable transaction costs. All financial liabilities are recognized initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs. The Group financial liabilities include trade payables, liabilities towards services, and other payables.

Subsequent measurement

For purposes of subsequent measurement, financial liabilities are classified in two categories:

- Ø Financial liabilities at fair value through profit or loss
- Ø Financial liabilities at amortized cost (loans and borrowings)

Financial liabilities at Fair value through profit or loss

Financial liabilities at fair value through profit or loss include financial liabilities held for trading and financial liabilities designated upon initial recognition as at fair value through profit or loss. Financial liabilities are classified as held for trading if they are incurred for the purpose of repurchasing in the near term. This category also includes derivative financial instruments.

Gains or losses on liabilities held for trading are recognized in the statement of profit and loss.

Financial liabilities designated upon initial recognition at fair value through profit or loss are designated as such at the initial date of recognition, and only if the criteria in IND AS 109 are satisfied. For liabilities designated as FVTPL, fair value gains/ losses attributable to changes in own credit risk are recognized in OCI. These gains/ loss are not subsequently transferred to profit and loss. All other changes in fair value of such liability are recognized in the statement of profit or loss. The Group has not designated any financial liability as at fair value through profit and loss.

Financial liabilities at Amortized cost

After initial recognition, interest-bearing borrowings are subsequently measured at amortized cost using the Effective interest rate method. Gains and losses are recognized in profit or loss when the liabilities are derecognized as well as through the Effective interest rate amortization process. Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the Effective interest rate. The Effective interest rate amortization is included as finance costs in the statement of profit and loss.

Derecognition

A financial liability is derecognized when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognized in the statement of profit and loss.

Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognized amounts and there is an intention to settle on a net basis, to realize the assets and settle the liabilities simultaneously.

Notes to the Consolidated Financial Statements for the year ended March 31, 2021**o) Earnings per Share**

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. The weighted average number of equity shares outstanding during the period is adjusted for events such as bonus issue, bonus element in a rights issue, share split, and reverse share split (consolidation of shares) that have changed the number of equity shares outstanding, without a corresponding change in resources.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effect of all potentially dilutive equity shares.

p) Fair value measurement

The Group measures financial instruments at fair value at each balance sheet date.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an ordinary transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- (i) In the principal market for asset or liability, or
- (ii) In the absence of a principal market, in the most advantageous market for the asset or liability.

The principal or the most advantageous market must be accessible by the Group.

A fair value measurement of a non- financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Group uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

Level 1- Quoted (unadjusted) market prices in active markets for identical assets or liabilities

Level 2- Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable

Level 3- Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

For assets and liabilities that are recognized in the financial statements on a recurring basis, the Group determines whether transfers have occurred between levels in the hierarchy by re-assessing categorization (based on the lowest level input that is significant to fair value measurement as a whole) at the end of each reporting period.

For the purpose of fair value disclosures, the Group has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

Standards issued but not effective

There are no standards that are issued but not yet effective as on March 31, 2021.

BUSINESS RESPONSIBILITY REPORT ²⁰²⁰⁻²¹

Nalwa Sons Investments Limited

Introduction

In an age when enterprises are increasingly seen as critical components of the society, they are accountable not only to their shareholders from a revenue and profitability perspective but also to the larger society which is also its stakeholder. Hence, adoption of responsible business practices in the interest of the social set-up and the environment are as vital as their financial and operational performance.

Ministry of Corporate Affairs, Government of India, developed the 'National Voluntary Guidelines (NVG) on Social, Environmental and Economic Responsibilities of Business' in 2011. These guidelines contain comprehensive principles to be adopted by companies as part of their business practices.

Further Securities and Exchange Board of India (SEBI) has mandated top 1,000 listed companies of India by market capitalization to publish a Business Responsibility Report (BRR) based on NVG under SEBI Regulation 34(2) (f) of SEBI (Listing Obligations and Disclosure Requirements) Regulations 2015 ("SEBI LODR") as amended.

BRR serves as a tool to communicate the performance of organization on Economic, Social and Governance (ESG) parameters to its stakeholders. It also motivates the company to measure, disclose, and be accountable for organizational performance while working towards the goal of responsible and sustainable development.

NSIL is delighted to present its second BRR for the Financial Year 2020-21. This report is developed in-line with the 'suggested framework' by SEBI.
