The Pharma business of the Demerged Company has four APIs manufacturing plants, two of which are approved by the United States Food and Drug Administration ("USFDA") and rest two are WHO/GMP certified. - e) The demerger will enable APL to expand its presence in the fast-moving Pharma Business in India and abroad.
- f) The demerger will result into two dedicated and focused business segments i.e. Speciality Chemical and Pharma without any risk or overlap of one business over the other.
