EXPLANATORY STATEMENT PURSUANT TO SECTION 102 OF THE COMPANIES ACT, 2013**Item No. 4**

The Company has received notice in writing from a member pursuant to section 160 of the Act proposing the candidature of Shri Devesh Gupta for appointment as an 'Independent Director' on the Company's Board.

The Nomination & Remuneration Committee of the Board duly considered and evaluated the proposal for the said appointment and recommended the same to the Board for its consideration for further approval of the members.

Your Board hereby confirms that the Company has received necessary declaration(s) / disclosure(s) from Shri Devesh Gupta as specified hereunder:

- Declaration pursuant to Section 152(4) of the Act confirming that he is not disqualified to become a Director under the Act;
- Consent to act as director in the prescribed form DIR-2 pursuant to Sec 152(5) read with Rule 8 of the Companies (Appointment and Qualifications of Directors) Rules, 2014;
- Declaration pursuant to section 149(7) of the Act and SEBI (LODR) Regulations, that he meets the criteria of independence prescribed under section 149(6) of the Act (read with regulation 16(1)(b) of the SEBI (LODR)).

In terms of proviso to section 152(5) of the Act, the Board is of the opinion that Shri Devesh Gupta fulfills the conditions specified in the Act and the rules made thereunder for the said appointment.

Brief profile and justification for proposing Shri Devesh Gupta as Independent Director (pursuant to section 150(2) of the Act and SEBI (Listing Obligations and Disclosure Requirement) Regulations, 2015) is as under:

The proposed appointee, Shri Devesh Gupta, aged about 54 years, is a 'Gemologist' with an experience spanning about three decades. As part of his profession, he has been working in

collaboration with Gemological laboratories, gemstone trading companies, jewellery stores and research institutions. This has helped him gain hands on experience in the gems industry. As a result, he also developed professional expertise and public relations, which have gone a long way in enhancing his administrative skills and managerial abilities.

In view of above, the Board considers that the appointment of Shri Devesh Gupta on the Company's Board would be of benefit to the Company and it is desirable to avail his services as Independent Director. Accordingly, the Board recommends the resolution set out at item No. 4 of the Notice, in relation to his appointment as Independent Director, for the approval by the shareholders as a special resolution.

He does not hold any shares in the Company and is independent of the company's management. He does not hold directorship of any other company.

None of the Directors or Key Managerial Personnel of the Company or their relatives is in any way, concerned or interested, financially or otherwise, in this resolution.

The terms and conditions of approval for appointment of his directorship shall be open for inspection by the Members at the Registered Office of the Company during normal business hours on any working day.

Item No. 5

The Board of Directors of your Company appointed Smt. Gajula Bhavani as an Additional Director on the Company's Board under section 161 of the Companies Act, 2013 (the 'Act') with effect from 09.02.2024, to hold office upto the ensuing Annual General Meeting (AGM). The Company has received notice in writing from a member pursuant to section 160 of the Act proposing the candidature of Smt. Gajula Bhavani for appointment as Director on the Company's Board.

The Nomination & Remuneration Committee of the Board duly considered and evaluated the proposal for the said appointment and recommended the same to the Board for its consideration for further approval of the members.

Your Board hereby confirms that the Company has received necessary declaration(s) / disclosure(s) from Smt. Gajula Bhavani as specified hereunder:

- Declaration pursuant to Section 152(4) of the Act confirming that she is not disqualified to become a Director under the Act;
- Consent to act as director in the prescribed form DIR-2 pursuant to Sec 152(5) read with Rule 8 of the Companies (Appointment and Qualifications of Directors) Rules, 2014.

In terms of proviso to section 152(5) of the Act, the Board is of the opinion that Smt. Gajula Bhavani fulfills the conditions specified in the Act and the rules made thereunder for the said appointment.

Brief profile and justification for proposing Smt. Gajula Bhavani as Independent Director (pursuant to section 150(2) of the Act) is as under:

The proposed appointee, Smt. Gajula Bhavani, aged about 31 years, did her Post Graduation in commerce and she has a decade's experience in Accounting and Financial matters.

In view of above, the Board considers that the appointment of Smt. Gajula Bhavani on the Company's Board would be of benefit to the Company and it is desirable to avail her services as Woman

Director. Accordingly, the Board recommends the resolution set out at item No. 5 of the Notice, in relation to her appointment as Director liable to retire by rotation, for the approval by the shareholders as an ordinary resolution.

She does not hold directorship of any other company. She does not hold any shares in the Company.

None of the Directors or Key Managerial Personnel of the Company or their relatives is in any way, concerned or interested, financially or otherwise, in this resolution.

The terms and conditions of approval for appointment of her directorship shall be open for inspection by the Members at the Registered Office of the Company during normal business hours on any working day.

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

The information required in compliance of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 and forming a part of the Directors' Report for the Year ended 31st March, 2024.

OVERVIEW OF THE ECONOMY

Indian Plastic industry, especially packaging industry is going through a tough phase. Plastic is an eco-friendly product, which is safe guarding the ecological balance of the globe. In our opinion, Plastic is a greatest and major achievement of Human. Right from packaging to Aeronautics, it is used each and everywhere. It is very difficult to imagine a Plastic free world.

The quantum of paper required for packaging needs of the globe is enormous and the world greenery will completely vanish in no time. Similarly, the requirement of Furniture industry and other industries, where Plastics has replaced precious conventional products. Plastic is revolutionary product, which is giving a major economic thrust to the Global economy. However Negative Publicity and Negative marketing have become major threats to this versatile and ecofriendly product.

The increasing consumption of plastic products because of its applications in several end users and the rapid industrialization is increasing the demand for polymers market in India. Also, the expanding sectors such as health, pharmaceuticals and others is one of the factor that is propelling the market. The petrochemical and chemical industry plays a very significant role for the development of economy in a country.

Polymers market is segmented by type, class, source and applications. In terms of number of application and its products polyethylene is dominating the Indian market and followed by that polyvinyl chloride and polypropylene.

OPPORTUNITIES AND THREATS:

a. OPPORTUNITIES

The Indian plastic industry clearly has the potential to continue its fast growth. However, over the next few years, competition in the industry is expected to increase considerably, as a result of global trends, which will become applicable to the liberalizing economy of country. To survive the competition, both polymer manufacturers and processors will need to adopt radically new methods and approaches to reduce costs, improve market and customer service and management of performance.

The plastic industry caters to the almost every aspect of daily life such as clothing, housing, construction, furniture, automobiles, household items, agriculture, horticulture, irrigation, packaging, medical appliances, electronics and electrical items. Increased penetration in all areas is helping the industry grow.

b. THREATS

As the polymer industry faces many challenges in terms of environmental myths, lack of advanced technology, limited infrastructure, and high volatility in feedstock prices, thus becomes more competitive, polymer manufacturers face increasing pressures for production cost reductions and more stringent "polymer quality" requirements. To overcome these challenges, significant efforts will have to be made by all the stakeholders to realize the real potential of this industry.

SEGMENT WISE PERFORMANCE:

As per Accounting Standard AS- 17, the business of the Company falls under only one segment of business; hence segment report is not applied.

RISKS AND CONCERNS:

While the demand for the polymers continues to be strong however the polymers are petrochemical products. The fluctuation in crude prices may increase the cost of polymer production. Global trade balance and inventories will have impact on polymer prices. At present the risk and concerns, being felt and forecasted are, stiff competition in the market, consolidation of manufacturers, who have branded products and fluctuations in prices as well as availability of the raw material. Innovation, rationalization of costs and effective downstream industry management will offer a competitive advantage to polymer manufacturers across the globe.

INDUSTRY OUTLOOK:

Polymers market is segmented by type, class, source and applications. In terms of number of application and its products polyethylene is dominating the Indian market and followed by that polyvinyl chloride and polypropylene.

DISCUSSION ON FINANCIAL PERFORMANCE WITH RESPECT TO OPERATIONAL PERFORMANCE

During the year under review the Company has achieved a turnover of ₹ 176.30 lakhs as against ₹ 178.35 lakhs in the previous year. During the year the Company has registered a net loss of ₹ 12.78 lakhs as against net profit of ₹4.80 lakhs in the previous year.

The Earning per share (EPS) of the Company as on 31.03.2024 was ₹ (0.23) as against ₹ 0.09 in the previous year.

INTERNAL CONTROL SYSTEM AND THEIR ADEQUACY:

Commensurate with the size and nature of operations, the Company has adequate systems of internal control and procedures covering all financial and operating functions. It believes that a good internal control framework is one of the most indispensable factors of Corporate Governance. The audit committee supervises all aspects of internal functioning and advises corrective action as and when required.

INDUSTRIAL RELATIONS AND HUMAN RESOURCE DEVELOPMENT:

Industrial Relations continued to be harmonious and cordial throughout the year. The Company always valued its Human Resources and believes in unlimited potential of each employee. The Company has 10 numbers of Employees as on 31st March 2024.

CAUTIONARY STATEMENT

Statements in this management discussion analysis describing the Company's objectives, projections, estimates, expectations may be forward looking within the meaning of applicable securities-laws and regulations. Actual results may differ materially from those expressed in the statement. Important factors that could make difference to Company's operations include economic conditions affecting the domestic market and the overseas markets in which the Company operates, changes in the Government regulations, tax laws and other statutes and other incidental factors.

ANNEXURE-C

INDEPENDENT AUDITOR'S REPORT

To
The Members of PANKAJ POLYMERS LIMITED

Report on the Audit of Financial Statements

Opinion

We have audited the accompanying financial statements of **PANKAJ POLYMERS LIMITED** ("the Company"), which comprise the Balance Sheet as at **31st March, 2024**, the Statement of Profit and Loss and the Cash Flow Statement for the year ended and notes to the financial statements, including the summary of the material accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at **31st March, 2024** and its loss and cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements' section of our report. We are independent of the company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our Audit of the Financial Statements under the provision of the Act and the Rules made there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the Financial Statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of Financial Statements of the current period. These matters were addressed in the context of our audit of the Financial Statements as a whole and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined there is no key audit matters required to be communicated in our report.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprise the information included in the annual report, but does not include the financial statements and our auditor's report thereon. The annual report is expected to be made available to us after the date of this auditor's report.

Our opinion on the financial statements does not cover the other information and we will not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

When we read the annual report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance and take appropriate action as applicable under the relevant laws and regulations.

Management Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014 and the companies (Indian Accounting Standards) Rule, 2015, as amended. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the company's financial reporting process.

Auditor's Responsibilities for the Audit of Financial Statements.

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has

adequate internal financial controls system in place and the operating effectiveness of such controls.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation. Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 (the "Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the "Annexure A" statement on the matters Specified in paragraphs 3 and 4 of the Order.

 - b) The Management of the Company have represented to us, to the best of the knowledge and belief, no funds have been received by the company from any person or entity, including foreign entity ("Funding parties") with the

understanding, whether recorded in writing or otherwise, that the Company shall directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the funding party ('Ultimate beneficiaries') or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and

- c) Based on audit procedures that have been considered reasonable and appropriate in the circumstances performed by us on the Company, nothing has come to our notice that has caused us to believe that the representations are under sub clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.
- 3) The company has not declared any dividend in the previous financial year which has been paid in current year. Further, no dividend has been declared/ proposed for the current year accordingly the section 123 of the Act is not applicable to the company.
- 4) With respect to reporting on audit trail under Rule 11(g) of Companies (Audit and Auditors) Rules, 2014 as amended, on the use of accounting software for maintaining books of account, we report as follows.

Based on our examination, the company has used a software (tally ERP 9) for maintaining books of accounts which does not have the feature of recording audit trail (edit log) facility. Accordingly, the audit trail facility has not been operated throughout the year for all transactions recorded in the accounting software.

'Annexure - A' referred to in Independent Auditors' Report to the members of the Company on the financial statements for the year ended 31st March, 2024, we report that

To the best of our information and according to the explanations provided to us by the company and the books of account and records examined by us in the normal course of audit, we state that:

- (i) In respect of the company's Property, Plant and Equipment and intangible assets-
 - a) i) The Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment.
 - ii) The Company has not capitalized any intangible assets in the books of the Company and accordingly, the requirement to report on clause 3(i) (a) (B) of the Order is not applicable to the Company.
 - b) The Property, Plant and Equipment have been physically verified during the year by the management in accordance with a regular programme of verification which, in our opinion, provides for physical verification of all the Property, Plant and Equipment at reasonable intervals. According to the information and explanation given to us, no material discrepancies have been noticed on such verification.
 - c) According to the information and explanations given to us and on the basis of our examination of the records of the company, the title deeds of immovable properties (other than properties where the Company is the lessee and the lease agreements are duly executed in favour of the lessee) included in Property, Plant and Equipment are held in the name of company.
 - d) The Company has not revalued any of its Property, Plant and Equipment (including right of use assets) or intangible assets during the year ended March 31, 2024. Accordingly the reporting under clause 3(i)(d) of the order is not applicable to the company.
 - e) Based on the information and explanations furnished to us, no proceedings have been initiated on or are pending against the Company for holding benami property under the Prohibition Benami Transactions Act, 1988 (as amended in 2016) (formerly the benami transactions (prohibition) Act, 1988 (45 of 1988) and rules made thereunder and therefore the question of our commenting on whether the company appropriately disclosed the details in its financial statements does not arise
- (ii) (a) As explained to us, the inventory has been physically verified by the management during the year. In our opinion, the frequency of verification by the management is reasonable and the coverage and procedure for such verification is appropriate and discrepancies of 10% or more in aggregate for each class of inventory were not noticed in respect of such verification.
- (b) The Company has not been sanctioned working capital limits in excess of Rs. 5 crore, in aggregate, at any points of time during the year, from banks or financial institutions on the basis of security of current assets and hence reporting under clause 3(ii) (b) of the Order is not applicable.
- (iii) During the year, the company had granted unsecured loan to a party other than subsidiary, associates or joint ventures, in respect of which:
 - a) The aggregate amount of loan received during the year is 62.2 lakhs and balance outstanding at the balance sheet date with respect to such loan are Rs 118.22 Lacs.

- b) In our opinion, the investments made and the terms and conditions of the grant of loans, during the year, prima facie, are not prejudicial to the Company's interest.
- c) In respect of loans granted the schedule of repayment of principal and payment of interest has not been stipulated in the agreement. Hence, we are unable to make a specific comment on the regularity of repayment of principal and payment of interest in respect of such loan.
- d) There are no overdue amounts in respect of the loan granted to a body corporate listed in the register maintained under section 189 of the Act.
- e) No loan granted by the Company which has fallen due during the year, has been renewed or extended or fresh loans granted to settle the over dues of existing loans given to the same parties.
- f) As disclosed in notes to the financial statements, the Company granted an unsecured loan which is either repayable on demand or without specifying any terms or period of repayment. Following is the detail of the aggregate amount of loans or advances in the nature of loans granted to related parties as defined in clause (76) of section 2 of the Companies Act, 2013:

Aggregate amount of loan to associates- Repayable on demand	Percentage of loan granted to the total loans
Rs. 118.22 lacs	13.86%

- (iv) In our opinion and according to the information and explanations given to us, the Company has complied with the provisions of section 185 and 186 of the Act, with respect to the loans and investments made.
- (v) In our opinion and according to the information and explanations given to us, the Company has neither accepted any deposits from the public nor accepted any amounts which are deemed to be deposits within the meaning of sections 73 to 76 of the Companies Act and the rules made thereunder, to the extent applicable. Accordingly, the requirement to report on clause 3 (v) of the Order are not applicable to the Company.
- (vi) We have broadly reviewed the cost records maintained by the company prescribed by the Central Government of India under section 148(1) of the Act and are of the opinion that prima facie the prescribed accounts and records have been maintained. We have, however, not made a detailed examination of the cost records with a view to determine whether they are accurate or complete.
- (vii) According to the information and explanations given to us and based on the records of the company examined by us, in respect of statutory dues:
- (a) the company is generally regular in depositing the undisputed statutory dues, including Provident Fund, Employees' State Insurance, Income-tax, Sales-tax, Wealth Tax, Service Tax, Custom Duty, Excise Duty and other statutory dues, as applicable, with the appropriate authorities in India;
- (b) there are no dues of Income Tax, goods and service tax, provident fund, employees' state insurance, customs duty, cess and any other statutory dues which have not been deposited on account of any disputes.

- (viii) According to the records of the company examined by us and as per the information and explanation given to us, there were no transactions relating to previously unrecorded income that have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961 (43 of 1961).
- (ix) (a) According to the records of the company examined by us and as per the information and explanations given to us, the company has not defaulted in repayment of loans or other borrowings or in the payment of interest thereon to any financial institution or banks or lender.
- (b) According to the records of the company examined by us and as per the information and explanations given to us, the Company has not been declared willful defaulter by any bank or financial institution or government or any government authority.
- (c) According to the records of the company examined by us and as per the information and explanations given to us, the term loans were applied for the purpose for which the loans were obtained.
- (d) According to the records of the company examined by us and as per the information and explanations given to us & on an overall examination of the financial statements of the Company, no funds raised on short-term basis have been used for long-term purposes by the Company.
- (e) According to the records of the company examined by us and as per the information and explanations given to us & on an overall examination of the financial statements of the Company, the Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries or associate companies.
- (f) According to the records of the company examined by us and as per the information and explanations given to us, the Company has not raised loans during the year on the pledge of securities held in its subsidiaries or associate companies. Hence, the requirement to report on clause (ix) (f) of the Order is not applicable to the Company.
- (x) (a) According to the information and explanations given to us and based on our examination of the records of the company, the Company has not raised moneys by way of initial public offer or further public offer (including debt instruments) during the year and hence reporting under clause 3(x) (a) of the Order is not applicable.
- (b) According to the information and explanations given to us and based on our examination of the records of the company, there was no preferential allotment or private placement of shares or convertible debentures (fully or partly or optionally) made by the company during the year under audit and hence reporting under clause 3(x) (b) of the Order is not applicable.
- (xi) (a) According to the information and explanations given to us, no material fraud by the Company or on the Company by its officers or employees has been noticed or reported during the course of our audit.
- (b) According to the information and explanations given to us, during the year and upto the date of this audit report, no report under sub-section (12) of section 143 of the Companies Act, 2013 has been filed by the secretarial auditor or by us in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government.

- (c) According to the information and explanations given to us, there are no whistle blower complaints received by the company during the year.
- (xii) The Company is not a Nidhi Company and hence reporting under clause (xii) of the Order is not applicable.
- (xiii) According to the information and explanations given to us and based on our examination of the records of the company, transactions with the related parties, are in compliance with Section 177 and 188 of the Companies Act, 2013, where applicable and details of such transactions have been disclosed in the Financial Statements as required by the applicable accounting standards.
- (xiv) (a) In our opinion the Company has an adequate internal audit system commensurate with the size and the nature of its business.
- (b) We have considered the internal audit reports for the year under audit, issued to the Company during the year and till date, in determining the nature, timing and extent of our audit procedures.
- (xv) In our opinion during the year the Company has not entered into any non-cash transactions with its directors or persons connected with its directors. Hence provisions of section 192 of the Companies Act, 2013 are not applicable to the Company.
- (xvi) (a) In our opinion, the Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934.
- (b) According to the information and explanations given to us and based on our examination of the records of the company, the Company has not conducted any Non-Banking Financial or Housing Finance activities without obtained a valid Certificate of Registration (CoR) from the Reserve Bank of India as per the Reserve Bank of India Act, 1934.
- (c) According to the information and explanations given to us and based on our examination of the records of the company, the Company is not a Core Investment Company as defined in the regulations made by Reserve Bank of India. Accordingly, the requirement to report on clause 3(xvi) (c) of the Order is not applicable to the Company.
- (d) In our opinion, there is no core investment company within the Group (as defined in the Core Investment Companies (Reserve Bank) Directions, 2016).
- (xvii) In our opinion, there is no cash loss in the financial year and in the immediately preceding financial year.
- (xviii) There has been no resignation of the statutory auditors of the Company during the year.
- (xix) On the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements and our knowledge of the Board of Directors and Management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of

the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.

- (xx) According to the information and explanations given to us and based on our examination of the records of the company, there are no unspent amounts that are required to be transferred to a fund specified in Schedule VII to the companies Act (the Act), in compliance with second proviso to sub section 5 of section 135 of the Act. Accordingly reporting under clause 3(xx) (a) and (b) of the Order is not applicable.
- (xxi) Since the company is not a holding company, the clause 3(xxi) of the order 2020 "is not applicable.

ANNEXURE “B “TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph 1(f) under 'Report on Other Legal and Regulatory Requirements' section of our report to the Members of PANKAJ POLYMERS LIMITED of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls with reference to Financial Statements of **PANKAJ POLYMERS LIMITED** (“the Company”) as at 31st March, 2024 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the “Guidance Note”) and the Standards on Auditing issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system with reference to financial statements.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2024, based on the criteria for internal financial control over financial reporting established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

36 Segment Reporting

Ind AS 108 establishes standards for the way that public business enterprises report information about operating segments and related disclosures about products and services. Based on the 'Management' approach as defined under Ind AS108, the Chief Operating Decision Maker (CODM) evaluates the performance on a periodical basis and allocates resources based on an analysis of the performance of various Businesses. The CODM is the Managing Director. The accounting principles used in the preparation of the financial statements are consistently applied to record revenue and expenditure in individual segments and are as set out in the Significant Accounting Policies. Since, the Company is mainly pursuing only one activity i.e. trading of plastic granules and other plastic products, reporting of segment revenue and results does not arise.

* excludes Financial assets measured at cost

The financial instruments are categorized into three levels based on the inputs used to arrive at fair value measurements as described below:

Level 1: Quoted prices (unadjusted) in active markets for identical assets or liabilities that the entity can access at the measurement date.

Notes forming part of the Financial Statements

(All amounts in Indian Rupees-Lakhs, unless otherwise stated)

Level 2 — Inputs are other than quoted prices included within Level 1 that are observable for the Asset or liability, either directly (i.e., as prices) or indirectly (i.e., derived from prices)

Level 3 — Inputs are not based on observable market data (unobservable inputs). Fair values are determined in whole or in part using a valuation model based on assumptions that are neither supported by prices from observable current market transactions in the same instrument nor are they based on available market data.

39 CAPITAL MANAGEMENT

The company manages its capital to ensure that it will be able to continue as going concern while creating value for share holders by facilitating the meeting of long term and short term goals of the Company.

The company determines the amount of capital required on the basis of annual business plan coupled long term and short term strategic investment and expansion plans.

The company monitors the capital by using net debt equity ratio. For this purpose, adjusted net debt is defined as total debt less cash and bank balances.

Particulars	March 31, 2024	March 31, 2023
Non current borrowings	169.28	221.30

40 Financial Risk Management

In course of its business, the company is exposed to certain financial risk such as market risk , credit risk and liquidity risk that could have significant influence on the company's business and operational/financial performance. The Board of directors and the Audit Committee reviews and approves risk management framework and policies for managing these risks and monitor suitable mitigating actions taken by the management to minimize potential adverse effects and achieve greater predictability to earnings.

a. Credit risk

Credit Risk refers to the risk that counter party will default on its contractual obligations resulting in financial loss to the company. The Company has a prudent and conservative process for managing its credit risk raising in the course of its business activities. Credit risk is managed through continuously monitoring the creditworthiness of customers and obtaining sufficient collateral, where appropriate, a means of mitigating the risk of financial loss from defaults.

The company makes an allowance for doubtful debts/advances using expected credit loss model.

b. Liquidity risk

Liquidity Risk refers to the risk that the company will be able to meet its financial obligations as they become due. The Company manages its liquidity risk by ensuring, as far as possible, that it will always

Notes forming part of the Financial Statements

(All amounts in Indian Rupees-Lakhs, unless otherwise stated)

have sufficient liquidity to meet its liabilities when due, under both normal and stressed conditions, without incurring unacceptable losses or risk to the Company's reputation.

Ultimate responsibility for liquidity risk management rests with the board of directors, which has established an appropriate liquidity risk management framework for the management of the company's short term, medium term and long term funding and liquidity management requirements. The company manages liquidity risk by maintaining adequate reserves, banking facilities and reserve borrowing facilities, by continuously monitoring forecast and actual cash flows, and by matching the maturity profiles of financial assets and liabilities.

The company has obtained fund and non fund based working capital loans from bank. The borrowed funds are generally applied for company's own operational activities.

The table below provides details regarding the contractual maturities of significant financial liabilities.

c. Market risk

Market risk is the risk of loss of future earnings, fair values or future cash flows that may result from adverse changes in market rates and prices such as commodity prices, foreign currency exchange rates and other market changes.

d. Exchange rate risk

The company's foreign exchange arises from its foreign operations, foreign currency revenues and expenses, (Primarily in US Dollars). Consequently, the company is exposed to foreign exchange risk through its sales and purchases to/from overseas customers/suppliers in various foreign currencies.

The foreign currency exposures were as follows:

Sensitivity analysis

A reasonably possible Strengthening/(Weakening) of the Indian Rupee against US dollars at March 31 would have effected the measurement of financial statements denominated in US dollars and effected equity and profit or loss by the amounts shown below. This analysis assumes that all other variables, in particular interest rates, remain constant and ignores any impact of forecast sales and purchases.

e. Interest rate risk

Interest rate risk can be either fair value interest rate risk or cash flow interest rate risk. Fair value interest rate risk is the risk changes in fair values of fixed interest bearing investments because of fluctuations in the interest rates. The company's exposure to the risk of changes in the market interest rate relates primarily to the company's long term debt obligations with floating interest rates. The company's interest rate exposure is mainly related to variable interest rates debt obligations. The company manages the liquidity and fund requirements for its day to day operations like working capital, suppliers/buyers credit.

The Interest rate profile of the Company's interest-bearing financial instruments as reported to the management of the company is as follows:

Particulars	March 31, 2024	March 31, 2023
Floating rate instruments		
Financial liabilities		
Term loans from banks	169.28	221.30
Working capital facilities from bank	76.12	56.85
Total	245.40	278.15

Cash flow sensitivity analysis for variable -rate instruments

The risk estimates provided assume a change of 25 basis points interest rate for the interest rate benchmark as applicable to the borrowing summarised above. This calculation assumes that the change occurs at the balance sheet date and has been calculated on risk exposures outstanding as at that date assuming that all other variables, in particular foreign currency exchange rates, remain constant. The period end balances are not necessarily representative of the average debt outstanding during the period.

- b. It is held primarily for the purpose of being traded;

- c. It is due to be settled within twelve months after the reporting date; or
- d. The Company does not have an unconditional right to defer settlement of the liability for at least twelve months after the reporting date. Terms of a liability that could, at the option of the counterparty, result in its settlement by the issue of equity instruments do not affect its classification.

Current assets/ liabilities include the current portion of noncurrent assets/ liabilities respectively.

All other assets/ liabilities are classified as noncurrent. Deferred tax assets and liabilities are always disclosed as non-current.

2.01 Accounting Estimates

The preparation of the financial statements, in conformity with the recognition and measurement principles of Ind AS, requires the management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent liabilities as at the date of financial statements and the results of operation during the reported period. Although these estimates are based upon management's best knowledge of current events and actions, actual results could differ from these estimates which are recognized in the period in which they are determined

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to the accounting estimates are recognized in the period in which the estimates are revised if the revision effects only that period or in the period of the revision and future periods if the revision effects both current and future periods.

2.02 Fair value Measurement:

The Company measures financial instruments, such as, derivatives at fair value at each balance sheet date.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability

The principal or the most advantageous market must be accessible by the Company.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- Level 1: Quoted (unadjusted) market prices in active markets for identical assets or liabilities
- Level 2: Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable
- Level 3: Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

For assets and liabilities that are recognised in the financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

The Management of the Company determines the appropriate valuation techniques and inputs for fair value measurements. In estimating the fair value of an asset or a liability, the Company uses market-observable data to the extent it is available. Where level 1 inputs are not available, the Company engages third party qualified valuers to perform the valuation. Any change in the fair value of each asset and liability is also compared with relevant external sources to determine whether the change is reasonable.

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

2.03 Provisions, contingent liabilities and contingent assets

Provisions

Provisions are recognized when the Company has a present obligation (legal or constructive) as a result of a past event and it is probable that the outflow of resources embodying economic benefits will be required to settle the obligation in respect of which reliable estimate can be made of the amount of the obligation. When the Company expects some or all of a provision to be reimbursed, the expense relating to provision presented in the statement of profit & loss is net of any reimbursement.

If the effect of the time value of money is material, provisions are disclosed using a current pre-tax rate that reflects, when appropriate, the risk specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognized as finance cost.

Contingent liability is disclosed in the notes in case of:

There is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non- occurrence of one or more uncertain future events not wholly within the control of the Company.

A present obligation arising from past event, when it is not probable that an outflow of resources will be required to settle the obligation

A present obligation arises from the past event, when no reliable estimate is possible

A present obligation arises from the past event, unless the probability of outflow are remote.

Commitments include the amount of purchase order (net of advances) issued to parties for completion of assets.

Provisions, contingent liabilities, contingent assets and commitments are reviewed at each balance sheet date

Onerous Contracts

A provision for onerous contracts is measured at the present value of the lower expected cost of terminating the contract and the expected cost of continuing with the contract. Before a provision is established, the Company recognizes the impairment on the assets with the contract.

Contingent assets

Contingent assets are not recognized in the financial statements.

2.04 Useful lives of depreciable assets

Management reviews the useful lives of depreciable assets at each reporting. As at March 31, 2024 management assessed that the useful lives represent the expected utility of the assets to the company. Further, there is no significant change in the useful lives as compared to previous year.

2.05 Functional and presentation currency

These financial statements are presented in Indian rupees, which is also the functional currency of the Company. All the financial information presented in Indian rupees has been rounded to the nearest Lakhs as per the requirement of Schedule III to the Act, unless stated otherwise.

Foreign Currencies :

In preparing the financial statements of the company transactions in currencies other than the entity's functional currency (foreign currencies) are recognised at the rates of exchange prevailing at the date of transactions. At the end of each reporting period ,monetary items denominated in foreign currencies are retranslated at the rates prevailing at that date. Non -Monetary items carried at fair value that are denominated in foreign currencies are retranslated at the rates prevailing at the date when fair value was determined. Non-monetary items that are measured in terms of historical cost in a foreign currency are not retranslated.

For the purpose of presenting these financial statements , the assets and liabilities of the company's foreign operations are translated into currency units using exchange rates prevailing at the end of each reporting period.

2.06 Property Plant & Equipment

Recognition and measurement

Property, Plant and Equipment are stated at cost of acquisition or construction less accumulated depreciation and impairment loss, if any. Cost includes expenditures that are directly attributable to the acquisition of the asset i.e., freight, duties and taxes applicable and other expenses related to acquisition and installation. The cost of self-constructed assets includes the cost of materials and other costs directly attributable to bringing the asset to a working condition for its intended use. Borrowing costs that are directly attributable to the construction or production of a qualifying asset are capitalized as part of the cost of that asset.

When parts of an item of property, plant and equipment have different useful lives, they are accounted for as separate items (major components) of property, plant and equipment.

Gains and losses upon disposal of an item of property, plant and equipment are determined by comparing the proceeds from disposal with the carrying amount of property, plant and equipment and are recognized net within in the statement of profit and loss.

The cost of replacing part of an item of property, plant and equipment is recognized in the carrying amount of the item if it is probable that the future economic benefits embodied within the part will flow to the Company and its cost can be measured reliably. The costs of repairs and maintenance are recognized in the statement of profit and loss as incurred.

Items of property, plant and equipment acquired through exchange of non-monetary assets are measured at fair value, unless the exchange transaction lacks commercial substance or the fair value of either the asset received or asset given up is not reliably measurable, in which case the asset exchanged is recorded at the carrying amount of the asset given up. Property, Plant and Equipment which are not ready for intended use as on the date of balance sheet will be disclosed as "Capital Work -in-Progress". Intangible assets with finite useful lives that are acquired separately are carried at cost less accumulated amortisation and accumulated impairment losses.

Intangible assets acquired separately:

Intangible assets with finite useful lives that are acquired separately are carried at cost less accumulated amortisation and accumulated impairment losses. Amortisation is recognised on a straight line basis over their estimated useful lives. The estimated useful life and amortisation method are reviewed at the end of each reporting period, with the effect of any changes in estimate being accounted for on a prospective basis. Intangible assets with indefinite useful lives that are acquired separately are carried at cost less accumulated impairment losses.

Depreciation

Depreciation on Property, Plant and Equipment (PPE) and Intangible assets is calculated on the basis of useful lives as prescribed under Schedule II to the Companies Act, 2013.

Impairment of tangible and intangible assets other than goodwill

At the end of each reporting period, the company reviews the carrying amounts of its tangible and intangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any). When it is not possible to estimate the recoverable amount of an individual asset, the company estimates the recoverable amount of the cash-generating unit to which the asset belongs. When a reasonable and consistent basis of allocation can be identified, corporate assets are also allocated to individual cash-generating units, or otherwise they are allocated to the smallest company of cash-generating units for which a reasonable and consistent allocation basis can be identified.

Intangible assets with indefinite useful lives and intangible assets not yet available for use are tested for impairment at least annually, and whenever there is an indication that the asset may be impaired.

Recoverable amount is the higher of fair value less costs of disposal and value in use. In assessing value in use, the estimated future cashflows are discounted to their present value

using a pre tax discount rate that reflects current market assessments of the time value of the money and the risks specific to the asset for which the estimates of future cash flows have not been adjusted.

If the recoverable amount of an asset (or cash -generating unit) is estimated to be less than its carrying amount , the carrying amount of the asset (or cash-generating unit) is reduced to its recoverable amount. An impairment loss is recognised immediately in profit or loss.

When an impairment loss subsequently reverses, the carrying amount of the asset (or a cash-generating unit) is increased to the revised estimate of its recoverable amount, but so that the increased carrying amount does not exceed the carrying amount that would have been determined had no impairment loss been recognised for the asset (or cash-generating unit) in prior years. A reversal of an impairment loss is recognised immediately in profit or loss statement.

2.07 Leases

The Company evaluates if an arrangement qualifies to be a lease as per the requirements of Ind AS 116. Identification of a lease requires significant judgement. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. The determination of whether an arrangement is (or contains) a lease is based on the substance of the arrangement at the inception of the lease. The arrangement is, or contains, a lease if fulfilment of the arrangement is dependent on the use of a specific asset or assets and the arrangement conveys a right to use the asset or assets, even if that right is not explicitly specified in an arrangement.

Company as a lessee

The Company assesses whether a contract contains a lease, at inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Company assesses whether: (i) the contract involves the use of an identified asset (ii) the Company has substantially all of the economic benefits from use of the asset through the period of the lease and (iii) the Company has the right to direct the use of the asset. The Company uses significant judgement in assessing the lease term (including anticipated renewals) and the applicable discount rate. The determination of whether an arrangement is (or contains) a lease is based on the substance of the arrangement at the inception of the lease. The arrangement is, or contains, a lease if fulfilment of the arrangement is dependent on the use of a specific asset or assets and the arrangement conveys a right to use the asset or assets, even if that right is not explicitly specified in an arrangement.

At the date of commencement of the lease, the Company recognises a right-of-use asset (“ROU”) and a corresponding lease liability for all lease arrangements in which it is a lessee, except for leases with a term of twelve months or less (short-term leases) and low value leases. For these short-term and low value leases, the Company recognises the lease payments as an operating expense on a straight-line basis over the term of the lease.

The right-of-use assets are initially recognised at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or prior to the commencement date of the lease plus any initial direct costs less any lease incentives. They are subsequently measured at cost less accumulated depreciation and impairment losses.

Right-of-use assets are depreciated from the commencement date on a straight-line basis over the lease term and useful life of the underlying asset. The lease liability is initially measured at amortised cost at the present value of the future lease payments. The lease payments are discounted using the interest rate implicit in the lease or, if not readily determinable, using the incremental borrowing rates in the country of domicile of these leases. Lease liabilities are remeasured with a corresponding adjustment to the related right of use asset if the Company changes its assessment if whether it will exercise an extension or a termination option.

2.08 Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

A. Financial Assets

i. Initial Recognition

In the case of financial assets, not recorded at fair value through profit or loss (FVPL), financial assets are recognized initially at fair value plus transaction costs that are directly attributable to the acquisition of the financial asset. Purchases or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the market place (regular way trades) are recognized on the trade date, i.e., the date that the Company commits to purchase or sell the asset.

ii. Subsequent Measurement

For purposes of subsequent measurement, financial assets are classified in the following categories:

a. Financial Assets at Amortized Cost

Financial assets are subsequently measured at amortized cost if these financial assets are held within a business model with an objective to hold these assets in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. Interest income from these financial assets is included in finance income using the effective interest rate ("EIR") method. Impairment gains or losses arising on these assets are recognized in the Statement of Profit and Loss.

b. Financial Assets Measured at Fair Value

Financial assets are measured at fair value through OCI if these financial assets are held within a business model with an objective to hold these assets in order to collect contractual cash flows or to sell these financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. Movements in the carrying amount are taken through OCI, except for the recognition of impairment gains or losses, interest revenue and foreign exchange gains and losses which are recognized in the Statement of Profit and Loss.

Investment in Equity Instruments are designated as Financial Assets measured at fair value through OCI and Investments in Mutual Funds are designated as Financial Assets measured at fair value through statement of Profit & Loss on date of transition.

c. Impairment of Financial Assets

In accordance with Ind AS 109, expected credit loss (ECL) model for measurement and recognition of impairment loss on the trade receivables or any contractual right to receive cash or another financial asset that result from transactions that are within the scope of Ind AS 18. As Company trade receivables are realized within normal credit period adopted by the company, hence the financial assets are not impaired.

d. De-recognition of Financial Assets

The Company de-recognizes a financial asset only when the contractual rights to the cash flows from the asset expire, or it transfers the financial asset and substantially all risks and rewards of ownership of the asset to another entity.

If the Company neither transfers nor retains substantially all the risks and rewards of ownership and continues to control the transferred asset, the Company recognizes its retained interest in the assets and an associated liability for amounts it may have to pay.

If the Company retains substantially all the risks and rewards of ownership of a transferred financial asset, the Company continues to recognize the financial asset and also recognizes a collateralized borrowing for the proceeds received.

e. Other Financial Assets

In respect of its other financial assets, the Company assesses if the credit risk on those financial assets has increased significantly since initial recognition. If the credit risk has not increased significantly since initial recognition, the Company measures the loss allowance at an amount equal to 12-month expected credit losses, else at an amount equal to the lifetime expected credit losses.

B. Financial Liabilities

Financial liabilities and equity instruments issued by the Company are classified according to the substance of the contractual arrangements entered into and the definitions of a financial liability and an equity instrument.

i. Initial Recognition

Financial liabilities are classified, at initial recognition, as financial liabilities at FVPL, loans and borrowings and payables as appropriate. All financial liabilities are recognized initially at fair value and in the case of loans and borrowings and payables, net of directly attributable transaction costs. Fees of recurring nature are directly recognised in the statement of profit and loss as finance cost.

ii. Subsequent Measurement

The measurement of financial liabilities depends on their classification, as described below:

a. Financial liabilities at FVPL

Financial liabilities at FVPL include financial liabilities held for trading and financial liabilities designated upon initial recognition as at FVPL. Financial liabilities are classified as held for trading if they are incurred for the purpose of

repurchasing in the near term. Gains or losses on liabilities held for trading are recognised in the Statement of Profit and Loss.

iii. De-recognition of Financial Liabilities

Financial liabilities are de-recognised when the obligation specified in the contract is discharged, cancelled or expired. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as de-recognition of the original liability and recognition of a new liability. The difference in the respective carrying amounts is recognized in the Statement of Profit and Loss.

Impairment of non-financial assets

Intangible assets and property, plant and equipment are evaluated for recoverability whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable. For the purpose of impairment testing, the recoverable amount (i.e. the higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the Cash Generated Units (CGU) to which the asset belongs. If such assets are considered to be impaired, the impairment to be recognized in the statement of profit and loss is measured by the amount by which the carrying value of the assets exceeds the estimated recoverable amount of the asset. An impairment loss is reversed in the statement of profit and loss if there has been a change in the estimates used to determine the recoverable amount. The carrying amount of the asset is increased to its revised recoverable amount, provided that this amount does not exceed the carrying amount that would have been determined (net of any accumulated amortization or depreciation) had no impairment loss been recognized for the asset in prior years.

2.09 Cash and Cash Equivalents

Cash and Bank balances comprise of cash balance in hand, Cheques in hand, balance in current accounts with banks and Bank Fixed Deposits with maturity of 3 months or less than 3 months. Balances earmarked for a purpose (like dividend) are shown separately.

Cash flow Statement

Cash flows are reported using the indirect method, where by profit before tax is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payment and items of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the company are segregated .

2.10 Employee Benefits

Short term employee benefits :

The undiscounted amount of short term employee benefits expected to be paid in exchange for the services rendered by employees are recognised as an expense during the period when the employees render the services.

The Company is exempted from Payment of Gratuity Act, 1972 in view of its strength of employees being less than threshold limit attracting the applicability of the said statute and as such no provision has been made for the said liability. Leave encashment is not provided on actuarial basis in view of employees being less than 10 and same is charged on actual basis.

2.11 Borrowing Cost:

Borrowing costs are charged to the Statement of Profit and Loss except in cases where the borrowings are directly attributable to the acquisition. Construction or production of qualifying assets which are assets that necessarily take a substantial period of time to get ready for their intended use or sale, are added to the cost of those assets, until such time as the assets are substantially ready for their intended use or sale.

2.12 Government Grants:

Ind AS 20 gives an option to present the grants related to assets, including nonmonetary grants at fair value in the balance sheet either by setting up the grant as deferred income or by deducting the grant in arriving at the carrying amount of the asset.

2.13 Estimates and assumptions

The preparation of company's financial statements requires management to make judgements, estimates and assumptions that effect the reported amounts of revenues, expenses, assets and liabilities, and the accompanying disclosures, and the disclosure of contingent liabilities.

Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods.

2.14 Revenue recognition

Revenue from contracts with customers is recognised to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured, regardless of when the payment is being made. When a performance obligation is satisfied, the revenue is measured at the transaction price which is consideration received or receivable, net of returns and allowances, trade discounts and volume rebates after taking into account contractually defined terms of payment and excluding taxes or duties collected on behalf of the government. The Company derives revenue primarily from trading operation of plastic granules and other plastic products

The following is summary of material accounting policies relating to revenue recognition. Further, refer note no. 24 for disaggregate revenues from contracts with customers

Sale of products

The Company recognises revenue for supply of goods to customers against orders received. Product revenue is recognised when control of the goods is passed to the customer. The point at which control passes is determined based on the terms and conditions by each customer arrangement. Revenue is not recognised until it is highly probable that a significant reversal in the amount of cumulative revenue recognised will not occur. Amount representing the profit share component is recognised as revenue only to the extent that it is highly probable that a significant reversal will not occur.

The Company also recognises revenue where goods are ready as per customer request and pending dispatch at the instance of the customer. In such cases, the products are separately

identified as belonging to the customer and the Company does not hold the right to redirect the product to another customer. On satisfaction of all performance obligations, invoice is raised on the customer in accordance with customer request at regular payment terms.

Sale of services

Revenue from services rendered, which primarily relate to Commission, is recognised in the statement of profit and loss as the underlying services are performed. Upfront non-refundable payments received under these arrangements are deferred and recognised as revenue over the expected period over which the related services are expected to be performed.

Contract Liabilities

A contract liability is the obligation to transfer goods or services to a customer for which the Company has received consideration (or the amount is due) from the customer. If a customer pays consideration before the Company transfers goods or services to the customer, a contract liability is recognised when the payment is made, or the payment is due (whichever is earlier). Contract liabilities are recognised as revenue when the Company performs under the contract.

Interest income

For all debt financial instruments measured either at amortised cost or at fair value through other comprehensive income, interest income is recorded using the effective interest rate (EIR). EIR is the rate that exactly discounts the estimated future cash payments or receipts over the expected life of the financial instrument or a shorter period, where appropriate, to the gross carrying amount of the financial asset or to the amortised cost of a financial liability. Interest income is included in finance income in the Statement of Profit and Loss.

Dividends

Revenue is recognised when the Company's right to receive the payment is established, which is generally when shareholders approve the dividend.

2.15 Income Tax

Current Tax

Current income tax is recognised based on the estimated tax liability computed after taking credit for allowances and exemptions in accordance with the Income Tax Act, 1961. Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date.

Deferred Tax

Deferred tax is determined by applying the Balance Sheet approach. Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognised for all taxable temporary differences. Deferred tax assets are generally recognised for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilised. Such deferred tax assets and liabilities are not recognised if the temporary difference arises from the initial recognition

(other than in a business combination) of assets and liabilities in a transaction that effects neither the taxable profit nor the accounting profit.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets and liabilities. Current tax assets and tax liabilities are offset where the entity has a legally enforceable right to offset and intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously.

Minimum Alternative Tax ("MAT") credit is recognised as an asset only when and to the extent there is convincing evidence that the company will pay normal income tax during the specified period. Such asset is reviewed at each Balance Sheet date and the carrying amount of MAT credit asset is written down to the extent there is no longer a convincing evidence to the effect that the company will pay normal income tax during the specified period.

2.16 Earnings Per Share

The Company presents basic and diluted earnings per share ("EPS") data for its ordinary shares. Basic earnings per share are computed by dividing the net profit after tax by the weighted average number of equity shares outstanding during the period. Diluted earnings per share is computed by dividing the profit after tax by the weighted average number of equity shares considered for deriving basic earnings per share and also the weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares.

2.17 Inventories

Inventories are valued at the lower of cost or net realizable value. Cost includes purchase price, duties, transport, handing costs and other costs directly attributable to the acquisition and bringing the inventories to their present location and condition

The basis of determination of cost is as follows:

Stock- in- trade: Cost includes cost of purchases and other costs incurred in bringing the inventories to their present location and condition.

Net realisable value is the estimated selling price in the ordinary course of business, less estimated costs necessary to make the sale.

2.18 Trade Receivables

A receivable is recognised if an amount of consideration that is unconditional (i.e.. only the passage of time is required before payment of the consideration is due.) The Management has established a credit policy under which each new customer is analysed individually for credit worthiness before the company's standard payment terms offered.

In respect of trade receivables, the Company applies the simplified approach of Ind AS 109 'Financial Instruments', which requires measurement of loss allowance at an amount equal to lifetime expected credit losses. Lifetime expected credit losses are the expected credit losses that result from all possible default events over the expected life of a financial instrument.

2.19 Trade and other payables

These amounts represent liabilities for goods and services provided to the Company prior to the end of the financial year which are unpaid. The amounts are unsecured and are

presented as current liabilities unless payment is not due within twelve months after the reporting period. They are recognized initially at fair value and subsequently measured at amortized cost using the effective interest method.

2.20 Fair value of investments:

The Company has invested in the equity instruments of various companies. However, the percentage of shareholding of the company in such investee companies is very low and hence, it has not been provided with future projections including projected profit and loss account by those investee companies. Hence, the valuation exercise carried out by the company with the help of available historical annual reports and other information in the public domain.

2.21 Measurement of EBITDA

The Company presents EBITDA in the statement of profit or loss, which is neither specifically required by Ind AS 1 nor defined under Ind AS. Ind AS complaint Schedule III allows companies to present line items, sub-line items and sub totals shall be presented as an addition or substitution on the face of the financial statements when such presentation is relevant to an understanding of the company's financial position or performance or to cater to industry/sector specific disclosure requirements or when required for compliance with the amendments to the Companies Act or under the Indian Accounting Standards.

2.22 New standards and interpretations not yet adopted

Ministry of Corporate Affairs ("MCA") notifies new standard or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. For the year ended March 31, 2024, MCA has not notified any new standards or amendments to the existing standards applicable to the Company.

2.23 Segment accounting and reporting

The chief operational decision maker monitors the operating results of its business segments separately for the purpose of making decisions about resource allocation and performance assessment. Segment performance is evaluated based on profit and loss and is measured consistently with profit and loss in the financial statements.

Operating segments are reported in a manner consistent with the internal reporting provided to the chief operating decision maker (CODM).

The accounting policies adopted for segment reporting are in line with the accounting policies adopted for preparing and presenting the Financial Statements of the Company as a whole. In addition, the following specific accounting policies have been followed for segment reporting:

** Segment revenue includes sales and other income directly identifiable with / allocable to the segment including inter segment transfers. Inter segment transfers are accounted for based on the transaction price agreed to between the segments which is at cost in case of transfer of Company's intermediate and final products and estimated realisable value in case of by-products

**Revenue, expenses, assets and liabilities are identified to segments on the basis of their relationship to the operating activities of the segment. Revenue, expenses, assets and

liabilities which relate to the Company as a whole and are not allocable to segments on direct and/or on a reasonable basis, have been disclosed as “Unallocable”

2.24 Assets (or disposal group) held for sale and discontinued operation

Assets (or disposal group) are classified as held for sale if their carrying amounts will be recovered principally through a sale transaction rather than through continuing use and a sale is considered highly probable. Assets held for sale are measured at the lower of their carrying amount and the fair value less costs to sell.

An impairment loss is recognized for any initial or subsequent write-down of the asset (or disposal group) to fair value less costs to sell. A gain is recognized for any subsequent increases in fair value less costs to sell of an asset (or disposal group), but not in excess of any cumulative impairment loss previously recognized. A gain or loss not previously recognized by the date of the sale of the non-current asset (or disposal group) is recognized at the date of de-recognition.

Assets (including those that are part of a disposal group) are not depreciated or amortised while they are classified as held for sale. Interest and other expenses attributable to the liabilities of a disposal group classified as held for sale continue to be recognised

Assets classified as held for sale and the assets of a disposal group classified as held for sale are presented separately from the other assets in the balance sheet. The liabilities of a disposal group classified as held for sale are presented separately from other liabilities in the balance sheet.

Assets classified as held for sale and the assets of a disposal group classified as held for sale are presented separately from the other assets in the balance sheet. The liabilities of a disposal group classified as held for sale are presented separately from other liabilities in the balance sheet.

- Represent as separate major line of business or geographical area of operations,
- Is part of a single co-ordinated plan to dispose of a separate major line of business or geographical area of operations.

- 3 Discontinued operations are excluded from the results of continuing operations and are presented as profit or loss before/ after tax from discontinued operations in the statement of profit and loss.
