Since the Buyback constitutes more than 10% of the total paid-up equity capital and free reserves of the Company, in terms of Section 68(2)(b) of the Companies Act, it is necessary to obtain the consent of the shareholders of the Company, for the Buyback by way of a Special Resolution.

Requisite details and material information relating to the Buyback are given below:

(a) Date of the Board meeting at which the proposal for buy back was approved by the Board of Directors of the Company – July 20, 2023 (“Board Meeting Date”)

(b) Necessity for the Buyback

The Board at its meeting held on Thursday, July 20, 2023, considered the accumulated free reserves as well as the cash liquidity reflected in the audited condensed interim standalone and consolidated financial statements of the Company for the period ended June 30, 2023 and considering these, the Board decided to allocate up to amount not exceeding Rs. 500 Crores (Rupees Five Hundred Crores only) excluding the Transaction Costs for distributing to the shareholders holding Equity shares of the Company through the Buyback. The Buyback will not in any manner impair the ability of the Company to pursue growth opportunities or meet its cash requirements for business operations.

After considering several factors and benefits of the shareholders for holding Equity Shares of the Company, the Board decided to recommend Buyback of Equity Shares at a price Rs. 4,000/- (Rupees Four Thousand only) per Equity Share for an aggregate maximum amount of not exceeding Rs. 500 Crores (Rupees Five Hundred Crores only).

The Buyback is being undertaken for the following reasons:

- (i) Taking into account the operational and strategic cash requirements of the Company in the medium term (including investment in growth plans and associated capital expenditure) and cash reserves, the Company considers appropriate to return surplus funds to the shareholders in an effective and efficient manner. Further, the Buyback will promote capital efficiency and thereby increasing shareholders’ value and improving return on equity.
- (ii) The Buyback, which is being implemented through the tender offer route as prescribed under the SEBI Buyback Regulations, would involve a reservation of up to 15% of the Buyback Size for small shareholders. The Company believes that this reservation for small shareholders would benefit a large number of the Company’s public shareholders, who would be classified as “Small Shareholders”.
- (iii) The Buyback gives an option to the Eligible Shareholders (as defined below) to either (A) participate in the Buyback and receive cash in lieu of their Equity Shares which are accepted under the Buyback, or (B) not to participate in the Buyback and get a resultant increase in their percentage shareholding in the Company post the Buyback, without additional investment.

(c) Maximum number of securities that the Company proposes to buyback

The Company proposes to buy back of 12,50,000 Equity Shares fully paid up having a face value of Rs. 10/- each (Rupee Ten Only).

(d) Buyback price and the basis of arriving at buyback price

(i) The Equity Shares of the Company are proposed to be bought back at a price Rs. 4000/- (Rupees Four Thousand only) per Equity Share.

(ii) The Buyback Price has been arrived at after considering various factors including, but not limited to the trends in the volume weighted average prices and closing price of the Equity Shares on the BSE Limited (“**BSE**”) and National Stock Exchange of India Limited (“**NSE**”) i.e. the stock exchanges where the Equity Shares of the Company are listed, the net worth of the Company, price earnings ratio, impact on other financial parameters and the possible impact of Buyback on the earnings per Equity Share.

(iii) The Buyback Price represents:

- Premium of 41.38% and 42.34% volume weighted average market price of the Equity Shares on NSE and BSE, respectively, during the three months preceding July 17, 2023, being the date when intimation for considering and approving the proposed buyback offer at the Board Meeting was sent to NSE and BSE (“**Intimation Date**”).
- Premium of 40.39% and 40.38% over the closing price of the Equity Shares on NSE and BSE, respectively, on July 14, 2023, being a day preceding the Intimation Date.
- Premium of 39.20% and 39.20% over the closing price of the Equity Shares on NSE and BSE, as on July 19, 2023, being a day preceding the Board Meeting Date.

The closing market price of the Equity Shares as on July 14, 2023, being a day preceding the Intimation Date was Rs. 2,849.30 and Rs. 2,849.50 on the NSE and the BSE respectively.

The closing market price of the Equity Shares as on July 19, 2023, being one working day prior to the Board Meeting Date was Rs. 2,873.50 and Rs. 2,873.50 on the NSE and the BSE.

(e) Maximum amount of funds required for the Buyback and its percentage of the total paid up capital and free reserves and source of funds from which Buyback would be financed.

The maximum amount required for Buyback will not exceed Rs. 500 Crores (Rupees Five Hundred Crores only) (excluding Transaction Costs).

The maximum amount mentioned aforesaid is 24.12% and 24.33% of the aggregate of the fully paid-up equity share capital and free reserves as per the audited condensed interim standalone and consolidated financial statements of the Company for the period ended June 30, 2023 (being the latest audited financial statements available as on the Board Meeting Date), respectively, which is within the prescribed limit of 25%.

The funds for the implementation of the proposed Buyback will be sourced out of free reserves and securities premium account of the Company and any other source as may be permitted by the SEBI Buyback Regulations or the Companies Act.

The Company shall transfer from its free reserves or securities premium account and/or such sources as may be permitted by law, a sum equal to the nominal value of the Equity Shares bought back through the Buyback to the Capital Redemption Reserve account.

(f) Method to be adopted for the Buyback

The Buyback shall be on a proportionate basis through the tender offer route, as prescribed under the SEBI Buyback Regulations, to the extent permissible, and the “*Mechanism for acquisition of shares through Stock Exchanges*” as prescribed under the SEBI Circulars. The Buyback will be implemented in accordance with the Companies Act, read with the rules framed thereunder, to the extent applicable, the SEBI Buyback Regulations and on such terms and conditions as may be deemed fit by the Company.

As required under the SEBI Buyback Regulations, the Company will announce a record date (“**Record Date**”) for the Buyback for determining the names of the shareholders holding Equity Shares of the Company who will be eligible to participate in the Buyback (“**Eligible Shareholder(s)**”). Subject to the approval of the Shareholders by way of special resolution under this Notice, Eligible Shareholders will receive a letter of offer along with a tender offer form indicating their entitlement.

The Equity Shares to be bought back is divided in two categories:

- (i) Reserved category for small shareholders; and
- (ii) General category for all other shareholders.

As defined in Regulation 2(i)(n) of the SEBI Buyback Regulations, a “small shareholder” is a shareholder who holds Equity Shares having market value, on the basis of closing price on Stock Exchange having highest trading volume as on Record Date, of not more than Rs. 200,000/- (Rupees Two Hundred Thousand Only).

In accordance with Regulation 6 of the SEBI Buyback Regulations, 15% of the number of Equity Shares which the Company proposes to buyback or such number of Equity Shares entitled as per the shareholding of small shareholders as on the Record Date, whichever is higher, shall be reserved for the small shareholders as part of this Buyback.

Based on the holding on the Record Date, the Company will determine the entitlement of each Eligible Shareholder to tender their shares in the Buyback. This entitlement for each Eligible Shareholder will be calculated based on the number of Equity Shares held by the respective shareholder as on the Record Date and the ratio of the Buyback applicable in the category to which such shareholder belongs.

In order to ensure that the same shareholders with multiple demat accounts/folios do not receive a higher entitlement under the Small Shareholder category, the Company proposes to club together the Equity Shares held by such shareholders with a common PAN for determining the category (Small Shareholder or General) and entitlement under the Buyback. In case of joint shareholding, the Company will club together the Equity Shares held in cases where the sequence of the PANs of the joint shareholders is identical. In case of physical shareholders, if applicable, where the sequence of PANs is identical and where the PANs of all joint shareholders are not available, the Company will check the sequence of the names of the joint holders and club together the Equity Shares held in such cases where the sequence of the PANs and name of joint shareholders are identical.

The shareholding of institutional investors like mutual funds, pension funds/trusts, insurance companies etc., with common PAN will not be clubbed together for determining the category and will be considered separately, where these Equity Shares are held for different schemes and have a

different demat account nomenclature based on information prepared by the Registrar and Transfer Agent as per the shareholder records received from the Depositories.

Shareholders' participation in Buyback will be voluntary. Eligible Shareholders holding Equity Shares of the Company can choose to participate and get cash in lieu of shares to be accepted under the Buyback or they may choose not to participate. Eligible Shareholders holding Equity Shares of the Company may also accept a part of their entitlement. Eligible Shareholders holding Equity Shares of the Company also have the option of tendering additional shares (over and above their entitlement) and participate in the shortfall created due to non-participation of some other shareholders, if any.

The maximum tender under the Buyback by any Eligible Shareholder cannot exceed the number of Equity Shares held by the shareholder as on the Record Date.

The Equity Shares tendered as per the entitlement by Eligible Shareholders holding Equity Shares of the Company as well as additional shares tendered, if any, will be accepted as per the procedure laid down in SEBI Buyback Regulations. The settlement under the Buyback will be done using the "Mechanism for acquisition of shares through Stock Exchange" notified by SEBI Circulars.

Income arising to the shareholders under the Buyback is exempt from income tax in India. However, the participation in the Buyback by non-resident shareholders may be taxable in their country of residence according to tax laws of their respective countries. The Buyback transaction would also be chargeable to securities transaction tax in India. The shareholders are advised to consult their own legal, financial and tax advisors prior to participating in the Buyback.

Detailed instructions for participation in the Buyback (tender of Equity Shares in the Buyback) as well as the relevant time table will be included in the letter of offer to be sent to the Eligible Shareholder(s).

(g) Time limit for completing the Buyback

Subject to receipt of regulatory consents and approvals, if any, the Buyback is proposed to be completed within 12 months from the date of passing of special resolution by the Shareholders detailed in this Notice.

(h) Compliance with Section 68(2) (c) of the Companies Act
