Independent Auditor's Review Report on the Quarterly and Year to Date Unaudited Standalone Financial Results of the Company Pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended**Review Report to
The Board of Directors of
Info Edge (India) Limited**

1. We have reviewed the accompanying statement of unaudited standalone financial results of Info Edge (India) Limited (the "Company") for the quarter ended June 30, 2020 and year to date from April 1, 2020 to June 30, 2020 (the "Statement") attached herewith, being submitted by the Company pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended (the "Listing Regulations").
2. This Statement, which is the responsibility of the Company's Management and approved by the Company's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34, (Ind AS 34) "Interim Financial Reporting" prescribed under Section 133 of the Companies Act, 2013 as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India. Our responsibility is to express a conclusion on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
4. Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the recognition and measurement principles laid down in the aforesaid Indian Accounting Standards ('Ind AS') specified under Section 133 of the Companies Act, 2013 as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of the Listing Regulations, including the manner in which it is to be disclosed, or that it contains any material misstatement.

4. The figures of the preceding quarter ended March 31, 2020 are the balancing figures between audited figures in respect of full financial year March 31, 2020 and the unaudited published year to date figures upto December 31, 2019, being the date of the end of the third quarter of the financial year which were subjected to limited review by the statutory auditors.

5. The company has considered the possible effects that may result from COVID 19 on its business and the carrying amount of non-current investments. The outbreak of Coronavirus (COVID-19) pandemic globally is causing a slowdown of economic activity. In many countries, businesses are being forced to cease or limit their operations for long or indefinite period. Measures taken to contain the spread of the virus, including travel bans, quarantines, social distancing, and closures of non-essential services have triggered disruptions to businesses worldwide, resulting in an economic slowdown and uncertainties pertaining to future operations. In developing the assumptions relating to the possible future uncertainties in the global conditions because of the pandemic, the Company, as on date of approval of these financial results has used various information, as available. The Company has performed sensitivity analysis on the assumptions used and based on current estimates, expects the carrying amount of these non-current investments do not require any further diminution from the value at which these are stated. The Company will continue to closely monitor any material change arising of future economic conditions and its impact on its business. The actual impact of COVID 19 on investments may differ from that estimated as at the date of approval of these financial results.

6. As mandated by notification issued by Ministry of Corporate affairs (MCA), effective April 1, 2019, the Company has adopted Ind AS 116 "leases", applied to all lease contracts existing on April 1, 2019 using the modified retrospective method. Impact of adoption of the new standard on transition is given below:

During the previous year, the Company recognised Right-of-Use asset (ROU) of ₹ 853.15 Mn and a corresponding lease liability amounting to ₹ 853.15 Mn. The lease equalisation reserve of ₹ 32.22 Mn and prepaid rent arising due to discounting of security deposit of ₹ 32.24 Mn had been adjusted with the Right-of-Use (ROU). The Company also reclassified its Leasehold land amounting to ₹ 135.87 Mn from Property plant & equipment to ROU. During quarter ended June 30, 2020 addition made in ROU is ₹ 2.42 Mn (during previous year ended March 31, 2020 addition made in ROU is ₹ 104.50 Mn with a corresponding addition of ₹ 99.35 Mn in lease liability).

The Company had elected not to apply the requirements of Ind AS 116 to short-term leases of all assets having lease term of 12 months or less. The effect of this adoption has resulted in an increase of ₹ 15.15 Mn in finance cost, ₹ 58.08 Mn in depreciation and amortisation expense and a reduction of ₹ 50.96 Mn in rent & of ₹ 4.59 Mn in network and other expenses for the quarter ended June 30, 2020. (during quarter ended March 31, 2020 : ₹ 15.77 Mn in finance cost, ₹ 56.25 Mn in depreciation and amortisation expense and a reduction of ₹ 57.86 Mn in rent & of ₹ 4.58 Mn in network and other expenses and during quarter ended June 30, 2019 : increase of ₹ 17.40 Mn in finance cost, ₹ 50.50 Mn in depreciation and amortisation expense and a reduction ₹ 56.73 Mn in rent & ₹ 5.30 Mn in network and other expenses).

7. Expenses incurred in relation to QIP amounting to ₹155.65 Mn had been adjusted from Securities Premium Account during the year ended March 31, 2015. The utilisation out of such net amount of ₹7,344.35 Mn till June 30, 2020 is given below. The balance amount of QIP proceeds remains invested in Term Deposits with banks.

|---|---------------|
| Working capital and general corporate purposes for 99acres- | 4,033.04 |

| 5. The Group has considered the possible effects that may result from COVID 19 on its business and the carrying amount of investment in Joint ventures & associate. The outbreak of Coronavirus (COVID-19) pandemic globally is causing a slowdown of economic activity. In many countries, businesses are being forced to cease or limit their operations for long or indefinite period. Measures taken to contain the spread of the virus, including travel bans, quarantines, social distancing, and closures of non-essential services have triggered disruptions to businesses worldwide, resulting in an economic slowdown and uncertainties pertaining to future operations. In developing the assumptions relating to the possible future uncertainties in the global conditions because of the pandemic, the Group, as on date of approval of these consolidated financial results has used various information, as available. The Group has performed sensitivity analysis on the assumptions used and based on current estimates, expects the carrying amount of these investment in Joint ventures & associate do not require any further diminution from the value at which these are stated. The Group will continue to closely monitor any material change arising of future economic conditions and its impact on its business. The actual impact of COVID 19 on investments may differ from that estimated as at the date of approval of these consolidated financial results. | | | | | |
