The above results have been reviewed by the Audit Committee and approved by the Board of Directors at their meetings held on May 06, 2022. The Statutory Auditors of the Company have carried out the audit of the results for the quarter and year ended March 31, 2022. The above is an extract of the detailed format of the financial results for the quarter and year ended on March 31, 2022 filed with the Stock Exchanges under Regulation 33 of the SEBI

The operations have continued albeit with certain challenges due to restrictions/lockdowns following COVID-19 outbreak. The challenges mainly include travel restrictions on Indian seafarers and inefficient routing of vessels for crew changes, leading to additional costs. The Management has considered the possible effects that may result from the COVID-19 pandemic in preparation of these financial results, including recoverability of assets, and expects their carrying amounts to be recoverable. The impact of COVID-19 may be different from that estimated as at the date of approval of these financial results.

The Code on Social Security, 2020 ('Code') relating to employee benefits during employment and post-employment benefits received Presidential assent in September 2020. The Code has been published in the Gazette of India. However, the date on which the Code will come into effect has not been notified. The Company will assess the impact of the Code when it comes into effect and will record any related impact in the period the Code becomes effective
