Notes to financial result:

- The Financial Results have been prepared in accordance with the principles and procedures of Indian Accounting Standards ("Ind AS") as notified under the Companies (Indian Accounting Standards) Rules, 2015, as specified in Section 133 of the Companies Act, 2013.
- As the Company has only one Operating Segment, disclosure under Ind AS 108-Operating Segment is not applicable.
- The above results were reviewed by the audit committee and approved by the Board of Directors in their meeting held on August 11, 2021 and the Statutory Auditors of the Company have carried out a limited review of the same.
- Trade Payables, Trade Receivables and other Loans and Advances given or taken continued to be subject to reconciliation and confirmation. Further Term Loan Accounts with the banks are also subject to reconciliation / confirmation.
- The Company's financial statements are prepared on a going concern basis, which contemplates the realization of assets and the satisfaction of obligations in the normal course of business. However the company has accumulated losses and negative net worth as on 30/06/2021. The current liabilities are exceeding the current assets due to the reason that the outstanding term loans including accrued interest are accounted under the Head of Current liabilities as the same has been termed as NPA by the lenders. The Company is in active discussion with the lenders for resolution of the debt. Considering the continuity of the operations, generation of positive EBITDA, Central Government trust on the development of infrastructure projects in the country and the encouraging order book of the company, maintaining a going concern basis of accounting is appropriate.
- The Company has outstanding working capital loan of Rs.8793.25 Lakhs and term loans aggregating to Rs.4081.75 Lakhs including interest accrued and due thereon from Banks which have been declared as non-performing assets (NPA) by these lenders in earlier years as the repayments against these loans have become overdue. As part of their process, the lenders have taken symbolic possession of the assets of the Company on 19/02/2021 and contemplating follow on processes. The company is also trying to resolve this through OTS route. Further, the Company has classified all its borrowings from banks as current liabilities under 'Other Financial Liabilities'.
- Advances from Customers of Rs 5357.12 Lakhs included in 'Other Current Liabilities' of the Statement include a sum of Rs.5286.01 Lakhs from parties with whom no business transactions have taken place after Financial Year 2017-18.
- During the quarter ended 30/06/2021, the company's operations were moderately effected due to economic slowdown caused by the Covid-19 pandemic. However, based on its assessment of business/economic conditions, the company expects to recover the carrying value of all its assets including inventories, receivables and loans and advances in the ordinary course of its business. The company continues to evaluate the pandemic related uncertainty arising from the on-going second wave and update its assessment.
- The figures for the previous period have been re-grouped/re-classified to make them comparable with the figures for the current period.
- The above Financial Results for the Quarter ended 30/06/2021 are also available on the website of the Company i.e. www.aime.in and the website of BSE i.e. www.bseindia.com
