## **CHAIRMAN MESSAGE**

Dear Shareholders,

It gives me immense pleasure to share with you all, the performance of your company during the year 2018-19, with well-defined systems and processes in place supported with in House R&D team, the company's performance has been satisfactory. The company has faced pressures on account of Global slowdown in demand and volatile prices in our feed stock and commodity chemicals. The continued support of the customers and R&D focussed investments are the growth drivers for our industry which is poised to grow exponentially in the coming years.

So far Balaji Amines during 30 years of successful operations.

- We raised IPO during the year 1995-96, at that time our Total sales were Rs. 10.23 Crs. and PAT was Rs. 0.73 Crs.
- We have raised Term Loans of Rs. 205.85 Crs. at various stages and paid up all the TL as on 31/03/2019. Now we are a Debt free company.
- We did not raise any additional equity, except warrants issued and converted to shares to promoters on preferential allotment basis at a premium during the year 2006-07.
- We have contributed to Govt. exchequer as under over the years in Direct and Indirect taxes.  
a) Direct taxes Rs. 263.05 Crs. b) Indirect tax Rs. 1069.57 Crs.
- We have issued 1:1 bonus shares in the year 2006.
- We had started our unit with 74 manpower and now we have Manpower strength of 916 Nos. Directly Employed and indirectly more than 3000
- So far we have paid total dividend of Rs. 68.29 Crs. from the inception.
- We have been paying continuous dividend since 1999 - 2000.
- We have started our production with just 3 products with limited capacities catering only to domestic users then and now we have more than 30 products to offer to our esteemed customers all over the world.
- We have acquired expertise and competencies to set up plants in shortest possible time with Global capacities having futuristic plans.
- Reduced cost of production of all the products with in House R&D and we are on par with any Global /MNC players.

The following are some of the Key growth points, I would like to share with you for the Financial Year 2018-19.

- Standalone Sales grew by around 10.29% during the year from Rs. 861.23 Crs to 949.83 Crs during FY 2018-19. Speciality chemicals has grown by 10.29% from the previous year.
- EBIDTA has grown by 2.61% from Rs. 193.57 Cr to 198.62 Cr.
- Earnings per share grew from Rs. 34.93 to Rs. 36.44
- Book value per share has gone up from Rs. 144.15 to Rs. 177.43 during the current FY recording a 23.11% of growth.
- Dividend payout has gone up by 18.18% during the Current FY.
- Return on capital employed is at 24.18% for the Current FY.
- Return on equity stood at 20.53% for the current FY.

Your company has been the leader in Indian space of Speciality and Fine chemicals.

I would like to reiterate that by launching of New products, setting up of New plants for additional capacities, we continue to strengthen our customer relationships by offering wide range of products in Amines & Speciality Chemicals to drive the growth prospects with healthy margins.

Your company has identified some of the new products seeing the potential growth from import substitutes and working towards developing these products in economical way and establishing large scale capacities to cater to the growing markets of Pharma, Agrochemicals, Refineries, Paints, Water treatment chemicals etc.

Your company has been honoured with numerous awards during the year, which is a testimony for our capabilities and competencies developed over the years both in technology and process improvements and contribution to the society.

I take this opportunity to acknowledge all our esteemed customers, suppliers, Banks, Colleagues, Staff members and all the stakeholders in the company and government authorities for their continued support, guidance and hard work and look forward to receive the same ever after.

Regards

**A. Prathap Reddy**

### FORM NO MR-3

### SECRETARIAL AUDIT REPORT

[Pursuant to Section 204(1) of the Companies Act, 2013 and the Rule 9 of the companies (Appointment and remuneration of managerial personnel) Rule, 2014]

To,  
The Members,  
Balaji Amines Limited  
Solapur

We have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by M/s Balaji Amines Limited, (hereinafter called the company). Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts/statutory compliance and expressing our opinion thereon.

Based on our verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, We hereby report that in our opinion, the company has, during the audit period covering the financial year ended on 31st March, 2019 has complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

1. We have examined the books, papers, minute books, forms and returns filed and other records maintained by the company for the financial year ended on 31st March, 2019 according to the provisions of:

- (i) The Companies Act, 2013 (the Act) and the rules made thereunder;
- (ii) The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made thereunder;
- (iii) The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;
- (iv) Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings;
- (v) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'):-
  - (a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;

(b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;

2. Provisions of the following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act') were not applicable to the Company under the financial year under report:-

- (a) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018;
- (b) The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008;
- (c) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client;
- (d) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009; and
- (e) The Securities and Exchange Board of India (Buyback of Securities) Regulations, 2018;
- (f) Securities and Exchange Board of India (Share Based Employee Benefits) Regulations, 2014;

3. The industry specific major laws that applicable to the company are

- a) Hazardous and Other Wastes (Management and Transboundary Movement) Rules, 2016 under the Environment (Protection) Act, 1986;
- b) Food Safety And Standards Act, 2006
- c) Petroleum Act 1934
- d) Poisons Act 1919
- e) The Indian Copyright Act, 1957
- f) The Patents Act, 1970
- g) The Trade Marks Act, 1999
- h) The Indian Boilers Act, 1923
- i) The Explosives Act 1983
- j) Manufacture Storage & Import of Hazardous Chemical Rules, 1989
- k) Public Liability Insurance Act, 1991

4. We have also examined compliance with the applicable clauses of the following:

- (a) SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015
- (b) Secretarial Standards issued by the Institute of Company Secretaries of India and notified under the Act.

During the period under review the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. mentioned above.

**We further report that**

The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors. There were no changes in the composition of the Board of Directors during the period under review.

Adequate notice is given to all directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

Majority decision is carried through while the dissenting members' views are captured and recorded as part of the minutes.

**We further report that** there are adequate systems and processes in the company commensurate with the size and operations of the company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

Company has not undertaken any event / action having a major bearing on the Company's affairs in pursuance of the above referred laws, rules, regulations, guidelines, standards, etc.

## ANNEXURE-V

### CONSERVATION OF ENERGY, TECHNOLOGY ABSORPTION AND FOREIGN EXCHANGE EARNINGS AND OUTGO

[Pursuant to section 134 (3) (m) of The Companies Act, 2013, read with Rule 8 (3) of The Companies (Accounts) Rules, 2014]

#### A. Conservation of Energy

##### (a) The steps taken or impact on conservation of energy:

The Company has an excellent team of professionals and Industry specialists as retainers who are responsible for improving energy conservation. The team implements the latest trends, developments and technologies available in conserving energy across all the units. The areas of conservation of energy are:

1. Low cost of power and Steam generation & optimum recovery of energy by synchronization.
2. Water conservation and waste water utilization by various methods.
3. Recovery of energy from the process.
4. Use of Dry Air Cooled Condensers and Chillers.
5. Power generation turbine that generates power while reducing pressure in Steam.
6. Concentration of Effluent using high pressure RO system that has reduced effective effluent load to multiple effect evaporator.
7. Deployment of dry vacuum pumps that have helped reduced steam consumption as well as reduced overall effluent load at the plants. This replacement activity is being continued at all sites.
8. Reclaim of and purification of Hydrogen for reuse in plant from waste gases.
9. Deployment of cooling tower protective coating to reduce dosing chemicals.

##### (b) Steps taken by the Company for utilizing alternate sources of energy

The company has completed off grid solar power generation system setup at Solapur Administrative office that has been responsible for partially fulfilling power requirements of the office. The company has also kicked off a similar initiative for deployment of Solar Panels at Unit 3, Chincholi which is under commissioning. The company continues to explore additional opportunities for alternative sources of energy in other areas that have both environmental as well as financial improvements.

##### (C) The capital investment on energy conservation equipment

The company has implemented various energy conservative measures

1. Optimizing the usage of energy efficient pumping systems.
2. Waste water recovery system through R.O. unit.

3. Deployment of equipment that has allowed us to use Raw Water instead of R.O. Water in cooling towers. This has helped save large quantities of RO reject water.
4. Deployment of more efficient Effluent processing system(30% lower cost of processing using Multiple Effect Evaporator system).
5. Biological treatment facilities pilot and full-fledged plant setup at Unit 1, Tamalwadi. The same will allow for lower cost of effluent processing cost and is scheduled for commissioning in the current year.
6. Replacement of steam ejectors with Dry Vacuum pumps
7. Use of high pressure RO systems for reduction of effluent quantity

Impact of the above measures are:

1. Free power to part of the offices as well as Chincholi Manufacturing site through solar unit. Sustainable usage of water resources.
2. The overall reduction of energy costs and also efficiency of various plants have been Improved.
3. Reduced cost of effluent treatment at Chincholi Site and Tamalwadi Site.
4. Lower wastage of water via RO reject (And subsequent processing in Multiple effect evaporator).
5. Lower cost of cooling due to use of Dry Air Cooled Condensers and Chillers.

#### B. Technology Absorption

- i. Efforts made towards technology absorption: Through the R&D initiatives new products/processes developed, involves usage of latest technology, process and methods. The R&D team has been continuously working on improving existing manufacturing processes and changes proposed have been implemented in production in discussion with process teams.
- ii. The Benefits derived like product improvement, cost reduction, product development or import substitution:
  - a) Impact on Environment is minimized
  - b) Process Time and cost reduced substantially.
- iii. In case of imported technology (imported during the last three years reckoned from the beginning of the financial year) - Not Applicable

**iv. Particulars with Respect to Research and Development**

**1. Specific Areas in which the Company Carries out R & D**

- a) New Products Acetonitrile, MIPA, Improved process of Aliphatic Amines manufacture.
- b) Backward and forward integration of products to improve value chain.
- c) Improvement of processes in existing plants.

**2. Benefits Derived**

- a) Impact on Environment is minimized
- b) Process Time and cost reduced substantially.
- c) Overall performance of the company has been satisfactory and operating at a high scale of operations and optimum utilization of resources.

**3. Future Course of Action**

- a) Continuous improvement of processes and fine tuning process parameters to optimize utilization of energy, utilities and consumption of raw materials.
- b) Greater importance for both Backward & Forward integration of product lines for better realization and value addition.

- c) Continued emphasis on identifying new products / processes through in house R&D center.

**4. Expenditure on R&D**

- a) Capital in nature 833.77 Lakhs.
- b) Revenue 0.49 Lakhs

**5. Technology Absorption, Adoption and Innovation Efforts Made**

Through the R&D initiatives new products/processes developed, involves usage of latest technology, process and methods.

**C. Foreign Exchange Earnings and Outgo (Rs. in Lakhs)**

## MANAGEMENT DISCUSSION AND ANALYSIS REPORT

### Global Economy

The global economy has slowed down to its lowest pace in three years. It is on track to stabilize, International trade and investments have been weaker than projected at the start of the year, and economic activity in major advanced economies, particularly the Euro Area, and some large emerging markets and developing economies have been weaker than previously anticipated. As per one of the report, growth in the emerging and developing markets is expected to pick up next year as the turbulence and uncertainty that afflicted a number of countries late last year has receded.

### Indian Economy

India's GDP grew by 7.2% in FY 2018-19. According to World Bank report, India's growth forecasts are projected to be 7.5% per annum in 2019, 2020 and 2021 — not having been downgraded from their January '19 estimates. In India, growth is expected to remain stable, on account of stable government, support from monetary and fiscal policies, improved confidence, slowing inflation, and robust investment plans. Private consumption and investment will also benefit from strengthening credit growth amid more accommodative monetary policy, with inflation having fallen below the Reserve Bank of India's target.

### Indian Chemical Industry

Market size of the Chemical industry in India stood at \$163 bn in 2017-18 and is projected to reach \$304 bn. by 2025. Total production of chemicals and petrochemicals stood at 47,882,000 MT during 2017-18, a 2.62% increase over 2016-17. Chemical industry in India is highly diversified, covering more than 80,000 commercial products. It is broadly classified into Basic chemicals, Specialty chemicals, and Agrochemicals. India's proximity to the Middle East, the world's source of petrochemicals feedstock, being geographically close by which enables timely supplies with low inventory levels and assists in achieving economies of scale.

Few Highlights of the Indian Chemical Industry are as follows: -

- ♦ Indian chemicals industry (excluding pharmaceutical products) ranks 14<sup>th</sup> in exports globally
- ♦ Demand of chemical products is expected to grow at approximately 9% p.a. over the next 5 years
- ♦ Indian chemical industry employs directly and indirectly more than 2 million people
- ♦ India accounts for approximately 16% of the world's production of dyestuff and dye intermediates.
- ♦ Chloro Alkali chemicals have the largest share in the Chemical industry in India with approximately 69% share in the total production.
- ♦ Chemical sector constitutes 10.3% of total Indian export share and
- ♦ Indian Chemical industry contributes 3.4% of Global chemical production

### Amines Chemical Industry

Amines are a large class of nitrogen-containing organic compounds derived from Ammonia (NH<sub>3</sub>) by displacement of H<sub>2</sub> in the ammonia molecule by other radicals such as Methyl, Ethyl and Propanol. Structurally, three types of amines are formed – Primary/Secondary/Tertiary based on the number of hydrogen atoms displaces.

The size of aliphatic amines industry globally is \$4.1 billion, which represents just ~0.1% of the ~\$4,100bn global chemical industry. Globally, the Aliphatic Amines industry is oligopolistic with two-three producers catering to the majority of demand in a region. Eastman Chemical Company and BASF are the largest players globally with the top six companies controlling around 50% of the global capacities. China is the largest consumer and producer of aliphatic amines accounting for almost 60% of the global production.

There are multiple entry barriers into this Aliphatic Amines industry due to which the industry is very concentrated, such as:-

- ♦ high Capital intensive projects
- ♦ process of producing aliphatic amines is a complex one and the know-how of the process is closely guarded.
- ♦ significant investments required in research and development (R&D) to develop set of products to be offered
- ♦ absolute size of the industry is very small making it unattractive for any new player to enter the market

Globally, ~61% of aliphatic amines and amine-based chemicals get consumed in the pharmaceutical sector, 16% gets consumed in the chemicals industry (i.e. agro chemicals, foundry chemicals, specialty chemicals, fine chemicals and rubber chemicals) and ~23% finds application in other industries like water treatment, dyes, etc. In terms of the usage, aliphatic amines and their derivatives primarily find application as solvents (44%) which are essentially used to dissolve a solute, followed by pesticides (15%) and animal/poultry feed additives (8%).

Aliphatic amines are hazardous in nature when not handled with proper safety during transportation and hence reduces the threat of imports. Specialised vehicles are required for movement of these chemicals which restricts the distances over which they can be transported. As a result, consumers prefer to source locally. Moreover, safety is a critical factor and hence end-users prefer to work with only 2-3 credible suppliers. Only 5% of the Indian demand for methyl amines is catered by imports.

Secondly, freight is a big element of cost, which makes imports uncompetitive. High shipping cost and hazardous nature of the chemical, which prevents high inventory levels, force customers to source locally rather than import it. So, the industry will remain an oligopoly and threat from new competitors would be limited. Aliphatic amines and its derivatives are extensively utilised as

solvents and feed additives in pharma, agro-chemicals and specialty chemicals. Solvents can be used as reaction agents or even extraction agents. Their high boiling points and varying densities are used for facilitating multiple reactions. Solvents account for 80%-90% of the mass utilised in a typical pharmaceutical chemical operation. Hence, given the consumable nature of demand and the oligopolistic nature of the industry, there is a strong correlation between revenue growth of aliphatic amines and that of end-user industries.

Ammonia, methanol and denatured ethyl alcohol are the key raw materials used to manufacture aliphatic amines such as methylamine and ethylamine. While ammonia and methanol are used to manufacture methylamines (such as MMA, DMA or TMA), ethylamine (such as MEA, DEA or TEA) are derived by displacing the hydrogen (H) atom in ammonia with ethyl (that is derived from denatured ethyl alcohol).

Methanol is primarily imported from countries in the Middle East such as Saudi Arabia. Given ammonia is difficult to transport, it is largely sourced indigenously. Denatured ethyl alcohol is mainly sourced from sugar factories and distilleries besides being imported from the US and Latin American countries.

Of the three raw materials, while prices of ethyl alcohol are relatively more stable, both ammonia and methanol have historically been volatile. Your company passes on any volatility in raw material prices to the end customers.

With the scope of demand for each of our products increasing, your company is expanding into higher derivatives and specialty chemicals.

Europe is the single-largest export market for Indian amine manufacturers as 45-55% of the export revenue comes from Europe alone. USA and Japan are the other key export markets for your company. Your company has received REACH certification for four of its products - Triethylamine (TEA), Gamma-butyrolactone (GBL), NEP and NMP.

REACH certification enables your company to export its products to the regulated markets in Europe. Exports are more product-specific and company-specific and are largely being driven by certain amine derivatives and valued-added products (such as specialty chemicals).

With most of its methylamines and derivatives capacity at near optimal utilisation levels, your company is now expanding its key derivative products alongside entering newer specialty chemicals to gain from both vertical integration and operating efficiencies. Your company's endeavour is to produce high-quality products which can substitute imports.

### **Performance of your company for FY19**

- ◆ Your company reported revenue of Rs. 949.83 crore in FY19, up from Rs. 861.23 crore in the last year, i.e. a growth of 10.29% YoY
- ◆ Your company reported EBITDA of Rs. 198.62 crore in FY19, up from Rs. 193.57 crore in the last year, i.e. a growth of 2.61% YoY.
- ◆ Profit before tax (PBT) came in at Rs. 169.60 crore during the year, up from Rs. 165.84 crore in the last year, i.e. a growth of 2.27%.
- ◆ Your company reported Profit after Tax of Rs. 118.08 crore in FY19, up from Rs. 113.18 crore in the last year, i.e. a growth of 4.33% YoY
- ◆ The revenue mix for exports to imports stands at 64.47%.
- ◆ Total Capex spend during FY19 is Rs. 22.07 crore
- ◆ The capex has been towards Expansion Plants of Amines & Speciality Chemicals.
- ◆ We are pleased to have maintained EBITDA margins at 20.5% in FY19, in spite of sharp & frequent volatility in prices of our key raw material – methanol
- ◆ For FY19 The Board of Directors have recommended a final Dividend of Rs. 2.8/- equity share on F.V. of Rs. 2 per equity shares subject to approval of shareholders at the Annual General Meeting
- ◆ Our performance for FY19 remained subdued on account of various factors as enumerated below:
  - ◆ There has been major volatility in methanol prices and that too on very frequent bases, which did not permit time to pass on the increase in the prices to end-customers. But this is not expected to be an issue in FY20.
  - ◆ Our DMF capacity is about 30,000 tons p.a. In FY19, the production was only about 8,000 tons. Your company had applied for anti-dumping duty for DMF, which was denied by the respective department. Your company has appealed against the order and the same may come for hearing in due course of time.

### **Business Outlook**

#### **Morpholine, Acetonitrile and DMAHCL plant**

- ◆ Your company has got the wildlife clearance for the plants of Morpholine, Acetonitrile and DMAHCL and other small products. The key highlights are:-
  - ◆ Both the Plants of Morpholine & Acetonitrile are ready for operations
  - ◆ Your company has already started manufacturing of Morpholine.
  - ◆ In the Acetonitrile plant, your company is developing a new product, namely THF, for which the trials are going on. Your company will be able to manufacture THF in the same plant as Acetonitrile.
  - ◆ In FY20, your company will be able to manufacture 6,500 tons of Morpholine and 6,000 tons of Acetonitrile. The total capacity of Acetonitrile is 9,000 tons p.a.

**Greenfield Project (Mega Project)**

- ♦ The environmental clearance for 90-acre Greenfield project is expected in some time, post which your company will start its construction from the first week of Q2FY20. The highlights of the project are as follows: -
  - ♦ The capex involved in the first phase of the project will be about Rs. 200 crore, out of which Rs. 120 crore would be in form of loan and the rest from internal accruals. The peak asset turnover achievable is 2x.
  - ♦ The Greenfield project will commence manufacturing of two products – about 50 tons of ethylamine per day and 50 tons of either IPA (Iso Propyl Alcohol) or MIPA (Mono Iso-propyl Amine) per day – from about 15 months after the start of construction.
  - ♦ With this Greenfield project, your company's production capacity for ethylamine will increase from 20 tons per day to 70 tons per day. Your company has adopted new technology for manufacturing ethylamine, through which your company will enjoy a price advantage.
  - ♦ Also, the MIPA plant will be able to manufacture either of the products – IPA and MIPA.
  - ♦ The demand for IPA is 150,000 tons p.a. in India, out of which the demand is met by one player who manufactures about 80,000 tons p.a. while the rest is imported. Also, for MIPA, there is demand for 8000 tons p.a. in India. MIPA also has good export potential. Your company plans to initially produce 20,000 tons of IPA or MIPA.
  - ♦ Your company is going to manufacture MIPA and IPA using different technology, where your company will have price advantage.
  - ♦ In the Greenfield project, your company will also manufacture another product (whose name the management will disclose at later date) which will be manufactured in India for the first time.
  - ♦ Also, the plant is strategically located, at equidistance to the markets in western India and southern India.
  - ♦ The full year revenue from the Greenfield project will be visible in FY22, while FY21 will have revenue trickling in for only about a quarter.
  - ♦ In the second phase, your company plans to manufacture many other value added products.

**Balaji Speciality Chemicals Private Limited (BSCPL)**

- ♦ Your company is awaiting consent to operate from MPCB for the BSCPL, subsidiary which may come in couple of weeks
- ♦ Your company has already done the capex of Rs. 240 Crore. Loan of Rs. 120 crore was taken from banks
- ♦ Your company had applied and has received mega project status for this project as well
- ♦ The facility has already been visited by two of the three major customers and approval process is in advance stages

Once both, Greenfield project and Balaji Speciality Chemicals Private Limited are fully operational, your company will have incremental revenue inflow of about Rs. 700 crore per annum.

**Hotel Business**

Your company had started a 5 star hotel in Solapur (only 5 star hotel till date) in Oct'13 with an investment of Rs. 110 crore. It is a 129 room facility. Your company has tied up with Sarovar group for the management of the Hotel on management fee plus nominal revenue sharing basis. Solapur is located on major road and rail routes between Mumbai and Hyderabad and is an important hub for Pandharpur, Tuljapur, Siddheshwar temple, Ganagapur, Bijapur and Akkalkot. All these destinations attract millions of pilgrims and tourist every year to Solapur.

In addition, various corporates are coming up like NTPC, HPCL (HP Gas) it will drive corporate and tourist traffic. There are other corporates also present like Precision Camshafts, Smruthi Organics, Thermax etc. Solapur is a city with multi-linguistic and multi-cultural features and getting popular as a destination for weddings and other conferences, as a result of which BAL's hotel's banquets are doing very well. IN FY19, the occupancy rate of the Hotel was 63%. In FY19, Average Room Rate (ARR) and Revenue per Available Room (RevPAR) was Rs. 3375/- and Rs. 2133/- respectively. Hotel division did sales of Rs 20.94 crore in FY19 with Cash Profit of Rs. 4.34 crore.

## INDEPENDENT AUDITOR'S REPORT

To,  
 The Members of  
 Balaji Amines Limited  
 Solapur, Maharashtra

### Report on the Audit of the Standalone Financial Statements

#### Opinion

We have audited the standalone financial statements of Balaji Amines Limited ("the Company"), which comprise the balance sheet as at March 31, 2019, and the statement of profit and loss, and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Companies Act 2013, read with Companies (Indian Accounting Standards) Rules 2015, as amended, (Ind AS) and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2019, and its profit, and its cash flows for the year ended on

that date.

#### Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Sl.No.	Key Audit Matter	Auditor's Response
1.	<p><b>Land allotted by MIDC to the company at Chicholi, Maharashtra.</b></p> <p>The company has made a payment of Rs.16.56 Crores towards upfront lease premium to MIDC, against a 95 years' lease. The company has started incurring capital expenditure on the land. However, the lease agreement is yet to be entered and registered with the concerned registering authority. The land has been handed over to the company through a possession letter.</p>	<p>We have ascertained the land allotment procedure of MIDC and also perused the land allotment and possession documents.</p> <p>We have obtained an opinion that the allotment of the land and subsequent issue of the 'possession letter' is confirming the lease for the specified period.</p>
2.	<p><b>Disputed Tax Demands</b></p> <p>The company is in dispute in respect of Income Tax Assessments for three years and the aggregate of the tax demand in respect of these three years is Rs. 258.93 lakhs. The matter is in appeal before the first appellate authority, i.e., Commissioner of Income Tax (Appeals). The company has made a payment of part of the amount pending outcome of the appeal and the same is accounted for as an advance (Current Assets). This position involves uncertainty about the possible outcome of these disputes and consequent recovery of the part payments so made.</p>	<p>We have obtained and considered an expert opinion on the matters involved in these appeals and also the judicial precedents. We have evaluated the same to assess whether there should be a change in the management's position on the sustainability and recoverability of the amounts paid against the disputed demands.</p>

#### Information Other than the Standalone Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate

Governance and Shareholder's Information, but does not include the standalone financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

### **Responsibilities of Management and Those Charged with Governance for the Standalone Financial Statements**

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the

economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- a. Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- b. Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- c. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- d. Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- e. Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements

regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication

#### **Report on Other Legal and Regulatory Requirements**

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the Annexure 'A' a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable
2. As required by Section 143(3) of the Act, we report that:
  - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
  - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books
  - (c) The Balance Sheet, the Statement of Profit and Loss, and the Cash Flow Statement dealt with by this Report are in agreement with the books of account
  - (d) In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
  - (e) On the basis of the written representations received from the directors as on 31st March, 2019 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2019 from being appointed as a director in terms of Section 164(2) of the Act.
  - (f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B".

- (g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
  - i. the Company has disclosed the impact of pending litigations on its financial position in its financial statements – Refer Note 1. – V – 16 to the financial statements;
  - ii. the Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses
  - iii. there were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.

**ANNEXURE "B" TO THE INDEPENDENT AUDITOR'S REPORT (Referred to in paragraph 2(f) under 'Report on Other Legal and Regulatory Requirements' section of our report to the Members of Balaji Amines Limited, of even date)****Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")**

We have audited the internal financial controls over financial reporting of BALAJI AMINES LIMITED ("the Company") as of March 31, 2019 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

**Management's Responsibility for Internal Financial Controls**

The Board of Directors of the Company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

**Auditor's Responsibility**

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including

the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. We believe that the audit evidence we have obtained, is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting of the company.

**Meaning of Internal Financial Controls Over Financial Reporting**

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

**Limitations of Internal Financial Controls Over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

**Opinion**

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2019, based on the internal control over financial reporting criteria established

by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

#### **11. Borrowing Costs:**

Interest and other costs in respect of borrowings for expansion / additional fixed investments including R & D projects are capitalized to such investments. Borrowing costs relating to period after the commencement of operations of these projects are charged to revenue.

#### **12. Foreign Currency Transactions:**

Foreign Exchange Transactions are recorded at pre-determined standard exchange rates which are reviewed periodically. Gains or losses arising out of such periodic revisions of such standard rates and also on realization/settlement are accounted for accordingly. No effect is determined in respect of the repayment and balances in respect of Foreign Currency Loans as the same are paid out of the Foreign Exchange earnings through the Exchange Earners Foreign Currency Accounts in respective currencies.

#### **13. Impairment of Assets:**

The carrying amounts of assets are reviewed at each Balance Sheet date, if there is any indication of impairment based on internal / external factors. An impairment loss will be recognized wherever the carrying amount of an asset exceeds its estimated recoverable amount. The recoverable amount is greater of the asset's net selling price and value in use. In assessing the value in use, the estimated future cash flows are discounted to the present value using the weighted average cost of capital. In carrying out such exercise, due effect is given to the requirements of Schedule II of the Companies Act, 2013.

#### **14. Earnings Per Share (EPS):**

This is calculated by dividing the net profit after tax (PAT) for the period attributable to equity shareholders, by number of shares outstanding at the end of the year. In case there are any changes in the equity during the year, EPS would be calculated on the weighted average number of shares outstanding during the period including adjustments of bonus issue, if any.

### 15. Corporate Social Responsibility

The company computes the amount required to be spent on Corporate Social Responsibility in accordance with the provisions of Section 135 of the Companies Act, 2013. ## INDEPENDENT AUDITOR'S REPORT

To,  
The Members of  
Balaji Amines Limited  
Solapur, Maharashtra

31, 2019, of consolidated profit, and its consolidated cash flows for the year then ended.

### Report on the Audit of the Consolidated Financial Statements

#### Opinion

We have audited the accompanying consolidated financial statements of Balaji Amines Limited (hereinafter referred to as the 'Holding Company') and its subsidiary Balaji Speciality Chemicals Private Limited (Holding Company and its subsidiary together referred to as "the Group"), which comprise the consolidated Balance Sheet as at March 31, 2019, and the consolidated statement of Profit and Loss, and the consolidated cash flows Statement for the year then ended, and notes to the consolidated financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the consolidated financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Group, as at March

#### Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Consolidated Financial Statements* section of our report. We are independent of the Group, its associates and jointly controlled entities in accordance with the ethical requirements that are relevant to our audit of the consolidated financial statements in India in terms of the Code of Ethics issued by ICAI and the relevant provisions of the Companies Act, 2013, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Sl.No.	Key Audit Matter	Auditor's Response
1.	<p><b>Land allotted by MIDC to the holding company at Chicholi, Maharashtra.</b> The company has made a payment of Rs.16.25 Crores towards upfront lease premium to MIDC, against a 95 years' lease. The company has started incurring capital expenditure on the land. However, the lease agreement is yet to be entered and registered with the concerned registering authority. The land has been handed over to the company through a possession letter.</p>	<p>We have ascertained the land allotment procedure of MIDC and also perused the land allotment and possession documents. We have obtained an opinion that the allotment of the land and subsequent issue of the 'possession letter' is confirming the lease for the specified period.</p>
2.	<p><b>Disputed Tax Demands in case of holding company</b> The company is in dispute in respect of Income Tax Assessments for three years and the aggregate of the tax demand in respect of these three years is Rs. 258.93 lakhs. The matter is in appeal before the first appellate authority, i.e., Commissioner of Income Tax (Appeals). The company has made a payment of part of the amount pending outcome of the appeal and the same is accounted for as an advance (Current Assets). This position involves uncertainty about the possible outcome of these disputes and consequent recovery of the part payments so made.</p>	<p>We have obtained and considered an expert opinion on the matters involved in these appeals and also the judicial precedents. We have evaluated the same to assess whether there should be a change in the management's position on the sustainability and recoverability of the amounts paid against the disputed demands.</p>

#### Information other than the consolidated financial statements and Auditors Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to

Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the consolidated financial statements and our auditor's report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

### **Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements**

The Holding Company's Board of Directors is responsible for the preparation and presentation of these consolidated financial statements in term of the requirements of the Companies Act, 2013 (the Act) that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows of the Group including its associates and jointly controlled entities in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under section 133 of the Act. The respective Board of Directors of the companies included in the Group and of its associates and jointly controlled entities are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

In preparing the consolidated financial statements, the respective Board of Directors of the companies included in the Group and of its associates and jointly controlled entities are responsible for assessing the ability of the Group and of its associates and jointly controlled entities to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group and of its associates and jointly controlled entities are

responsible for overseeing the financial reporting process of the Group and of its associates and jointly controlled entities.

### **Auditor's Responsibilities for the Audit of the Consolidated Financial Statements**

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- a. Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- b. Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- c. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- d. Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group and its associates and jointly controlled entities to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group and its associates and jointly controlled entities to cease to continue as a going concern.
- e. Evaluate the overall presentation, structure and content of the

consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

- f. Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group and its associates and jointly controlled entities to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the consolidated financial statements of which we are the independent auditors. For the other entities included in the consolidated financial statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

We communicate with those charged with governance of the Holding Company and such other entities included in the consolidated financial statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

#### **Other Matters**

We did not audit the financial statements / financial information of Balaji Speciality Chemicals Private Limited, whose financial statements / financial information reflect total assets of Rs.265.01 Crores as at 31st March, 2019, total revenues of Rs.Nil and net cash flows amounting to Rs.143.35 Crores for the year ended on that date, as considered in the consolidated financial statements. These financial statements / financial information have been audited by other auditors whose reports have been furnished to us by the Management and our opinion on the consolidated financial

statements, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries, jointly controlled entities and associates, and our report in terms of sub-section (3) of Section 143 of the Act, in so far as it relates to the aforesaid subsidiaries, jointly controlled entities and associates, is based solely on the reports of the other auditors.

Our opinion on the consolidated financial statements, and our report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditors and the financial statements / financial information certified by the Management.

#### **Report on Other Legal and Regulatory Requirements**

As required by Section 143(3) of the Act, we report, to the extent applicable, that:

- a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements.

**ANNEXURE TO THE INDEPENDENT AUDITOR'S REPORT (Referred to in paragraph (f) under 'Report on Other Legal and Regulatory Requirements' section of our report to the Members of Balaji Amines Limited, of even date, on the Consolidated Financial Statements)**

**Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")**

We have audited the internal financial controls over financial reporting of BALAJI AMINES LIMITED ("the Company") as of March 31, 2019 in conjunction with our audit of the consolidated financial statements of the Company for the year ended on that date.

**Management's Responsibility for Internal Financial Controls**

The Board of Directors of the Company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

**Auditor's Responsibility**

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the

financial statements, whether due to fraud or error. We believe that the audit evidence we have obtained, is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting of the Company.

**Meaning of Internal Financial Controls Over Financial Reporting**

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

**Limitations of Internal Financial Controls Over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

**Opinion**

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2019, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial

Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

**3. Property, plant and equipment:**

Property, plant and equipment acquired by the company are reported at acquisition value. The acquisition cost for this purpose includes the purchase price (net of duties and taxes which are recoverable in future) and expenses directly attributable to the asset to bring it to the site and in the working condition for its intended use. Interest during construction period up to the date of commencement of operations, indirect project expenditure and trial run expenditure (net of trial run income, if any) incurred in respect of projects under implementation are capitalized to the asset constructed / created. Spares and tools that are not in the nature of 'Property, Plant & Equipment' are treated as part of inventories. The costs incurred for the repairs and maintenance of these assets are charged to revenue.

The cost of assets under construction as on the Balance Sheet date, are classified under the head "capital work in progress" and will be capitalized as and when put to use.

Land allotted by MIDC on long lease basis is treated as "Lease Hold Land" on the basis of possession letter from MIDC (the Lessor), pending execution of lease agreement. The one-time lump sum premium paid at the time of allotment is amortized over the period of the 95-year lease. The lease amortization relating to the period prior to the commencement of commercial operations on the land so allotted will be capitalized as part of 'indirect project expenditure'. In respect of the land allotted in an earlier year the company has amortized the lease premium for the earlier years in the current year. The amount pertaining to the earlier year debited to the current year statement of profit and loss is Rs.27.82 lakhs.

**4. Depreciation**

Depreciation / amortization on fixed assets is provided on straight line method in accordance with Schedule II of the Companies Act, 2013 in

respect of the remaining useful life. The management estimates the useful lives of the assets based on the indicative life span prescribed in Schedule II of the Companies Act, 2013. The useful life of the assets and their respective residual values are reviewed at the end of each financial year and adjusted accordingly.

**5. Investments:** Investments are stated at cost of acquisition.

**6. Inventories :**

- a) Finished goods are valued at lower of cost or Net Realizable Value. Cost for this purpose is arrived at on Absorption Costing basis.
- b) Stock in process/plant is valued at cost.
- c) Stock of raw materials, Stores and Spares and packing materials are valued at cost. Cost for this purpose, does not include duties/taxes that are recoverable in future.
- d) Food & Beverages:
  1. Groceries: Groceries are valued at cost arrived at on weighted average basis.
  2. Beverages: Valued at cost.

**7. Trade Receivables**

Trade receivables are stated at the recoverable values. Assessment is made on a periodical basis to assess the credit risk in respect of the credit extended to the customers and adjustments are carried out where necessary and found expedient. Provision, if any, made for the doubtful debts is charged to revenue.

**8. Staff Benefits:**

- a. Provident Fund Contributions are accounted on accrual basis.
- b. To cover the benefits payable to the employees on retirement, the company has subscribed to a policy of Group Gratuity Scheme of Life Insurance Corporation of India. All contributions made towards the policy premiums are charged to revenue.

**9. Research and Development:**

Revenue expenditure on research and development is charged to Statement of profit and loss in the year in which it is incurred. Capital expenditure on research and development is treated at par with other comparable tangible assets and depreciated accordingly.

**10. Tax expense:**

Accounting treatment in respect of deferred taxation and current tax is in accordance with Indian Accounting Standard 12 (Ind AS 12) - "Income Taxes".

**11. Borrowing Costs:**

Interest and other costs in respect of borrowings for expansion / additional fixed investments including R & D projects are capitalized to such investments. Borrowing costs relating to period after the commencement of operations of these projects are charged to revenue.

**12. Foreign Currency Transactions:**

Foreign Exchange Transactions are recorded at pre-determined standard exchange rates which are reviewed periodically. Gains or losses arising out of such periodic revisions of such standard rates and also on realization/settlement are accounted for accordingly. No effect is

determined in respect of the repayment and balances in respect of Foreign Currency Loans as the same are paid out of the Foreign Exchange earnings through the Exchange Earners Foreign Currency Accounts in respective currencies.

**13. Impairment of Assets:**

The carrying amounts of assets are reviewed at each Balance Sheet date, if there is any indication of impairment based on internal / external factors. An impairment loss will be recognized wherever the carrying amount of an asset exceeds its estimated recoverable amount. The recoverable amount is greater of the asset's net selling price and value in use. In assessing the value in use, the estimated future cash flows are discounted to the present value using the weighted average cost of capital. In carrying out such exercise, due effect is given to the requirements of Schedule II of the Companies Act, 2013.

**14. Earnings Per Share (EPS):**

This is calculated by dividing the net profit after tax (PAT) for the period attributable to equity shareholders, by number of shares outstanding at the end of the year. In case there are any changes in the equity during the year, EPS would be calculated on the weighted average number of shares outstanding during the period including adjustments of bonus issue, if any.

**15. Corporate Social Responsibility**
