**Trigyn Awarded – New York Power Authority (NYPA) – Contingent Staffing Contract**

We are pleased to inform you that the wholly owned subsidiary of the Company Trigyn Technologies, Inc., has been awarded a contract by the New York Power Authority (NYPA) to provide authority-wide contingent staffing. The award is for a period of five (5) years (October 20, 2021 to October 19, 2026).

The Power Authority is the largest state public power organization in the United States, operating 16 generating facilities and more than 1,400 circuit-miles of transmission lines. Its main administrative offices are in White Plains, NY. NYPA uses no tax money or state credit, financing its operations through the sale of bonds and revenues earned in large part through sales of electricity.

Trigyn employees serve as contingent workers supporting many initiatives undertaken by authority-wide business units. NYPA aims to lead the transition to a carbon-free, economically vibrant New York through customer partnerships, innovative energy solutions, and the responsible supply of affordable, clean and reliable electricity.

The award covers contingent workers supplied to departments or areas including Administrative and Project Coordination, Audit, Risk Management and Business Process Review, Engineering, Capital Project Management, Communications, Finance, Budget and Accounting, Human Resources, Knowledge Management, Strategic Supply Management or Procurement and other specialists.

This award facilitates the continued expansion of Trigyn's public sector business.

Trigyn also holds a contract with the U.S. General Services Administration (GSA) - Information Technology Schedule 70 - General Purpose Commercial Information Technology Equipment, Software and Services (GS-35F-139A) SIN 132-51 (Information Technology Professional Services). This contract vehicle covers a broad range of Labor Categories and enables Trigyn to respond to U.S. Federal as well as State and Local Government opportunities.
