64.6% students clear GSHSEB Class 10 exam

AHMEDABAD: The Gujarat Secondary and Higher Secondary Education Board (GSHSEB) on Thursday declared 64.62% result, marginally lesser than the previous year. While there was no major dip in the pass percentage as compared to the last year, the long shadow of Covid on school education reflected in the result as the number of students who got A1 grades dropped sharply by 50%. In 2022, 12,090 students had got A1 grade while only 6,111 students got the coveted grade this year. More girls -- 70.62% -- cleared the exam as compared to 59.58% boys. Science, mathematics and even languages played spoilsport for lakhs of Class X students this year. The highest number of failures, 2.37 lakh, was reported in science followed by 1.97 lakh flunking standard and basic maths. The results of the Gujarat Secondary and Higher Secondary Education Board (GSHSEB) Class 10 exams were declared on Thursday, and showed that pandemic continues to hurt students' academic performances. The success rate of Class 10 students this year was 64.62%, which is 0.56 percentage point than in 2022. The number of students scoring over 90% in 2022, 111 students got A1 grade fell drastically. This year, 6,111 students got A1 grade by scoring 90%, which was half the number in 2022. A total of 12,090 students had got the A1 grade in 2022. Experts said that as seen in the Class 12 science stream results, the worse showing was the effect of learning loss due to online education during the Covid lockdowns.

621 RTE admissions cancelled, says minister

GANDHINAGAR: Admissions given to 621 students under the Right to Education (RTE) Act were cancelled after it was found that they had allegedly employed fraudulent means to obtain seats in private schools. The Act requires private schools to set aside 25 per cent free seats for students from economically weaker sections. However, private schools have expressed dissatisfaction over the way in which RTE admissions are being conducted. At least half a dozen private schools have complained that they have been several instances where incorrect income certificates have been issued by government authorities to the students.

Minor girl with learning disability sold, tortured

AHMEDABAD: In one more revelation in the Kanbha human trafficking ring, it has been found that a 14-year-old girl was abducted from the Shahibaug area by the prime accused Ashok Patel as she was a vulnerable target due to her learning disability. The girl's uncle narrated her ordeal to her. "We had approached the Shahibaug police when she went missing. Around a year later, we got her back when the police were probing the Kanbha case. She was tortured, raped repeatedly by several men and later sold in marriage." He said that she had also faced violence at the house of her "in-laws" in Surendranagar. "She could not speak or communicate properly. She could not adapt to the culture and lifestyle of the family where she was sold. This irked her "in-laws"
