Sub: Intimation about participation in FalconX's Technology day at Meta Platforms Inc. HQ - Disclosure under Regulation 30 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015

With reference to the above mentioned subject, We are pleased to announce that **EQUIPPP was presented in Meta Platforms Inc.** (formerly known as Facebook Inc.) HQ as part of **FalconX's technology day** to a diverse audience of 300+ people, including VCs from Menlo Park and Silicon Valley, corporate executives, government representatives, and industry leaders. This was a fantastic opportunity for EQUIPPP to showcase its expertise and connect with potential partners and investors

FalconX is a leading technology accelerator based out of the USA and has several partnerships with global companies like Meta platforms Inc. EQUIPPP has been selected as one of the companies in FalconX's Global Immersion Program Cohort 2

This three-week program from 8 th May 2023 to 26 th May 2023 includes masterclasses and expert mentor sessions with some of the most talented serial entrepreneurs and CXOs in the business world, such as B V Jagadeesh, founding investor and CEO of Netscaler, 15 year Venture Angel with 40 Investments resulting in Five 10X+ exits including 100X+ Unicorn IPO and Ashish Gupta, co-founder of Helion Venture Partners and invested in unicorns such as Flipkart, MuSigma , Redbus etc

In this ongoing program, EQUIPPP is having an opportunity to present and discuss with multiple leaders from **the technology and social impact space**, as well as with VCs. This experience has been incredibly helpful, and the insights gained from these interactions are sure to be invaluable as EQUIPPP moves forward

Backed by the insights gained from the events and interactions in this program, **EQUIPPP Inc.** is now being revived to **begin operations in the USA**. This decision is in line with the outcome of the December 5th, 2023 board meeting regarding EQUIPPP's US operations. The company is excited to pursue business leads generated from these events and other new initiatives

We are thrilled to have been given this incredible opportunity, and we look forward to seeing what the future holds for EQUIPPP

About FalconX :

FalconX is a leading technology accelerator based out of USA that offers an array of invaluable services to support and empower startups and early-stage companies in their business development and growth co-founded by serial entrepreneurs and global technology leaders

About Global Immersion Program :

This program is designed to help global entrepreneurs grow and scale their companies in the US with the help of industry experts and corporate partners in Silicon Valley. It is a 3-week program starting from **8 th May 2023 to 26 th May 2023** covering the topics such as product development, marketing, fundraising, and business strategy and a technology day 19th May at Meta Platforms Inc HQ in Silicon Valley. Admission into the program is highly competitive

and hundreds of companies apply to the program every year. Companies are selected based on their Uniqueness, Scalability, and Problem-solving capacity. Companies will be provided with logistics support to enter into US markets like office space, virtual mailbox and ongoing administrative services for 6 months. During the Global Immersion program, selected entities will get an opportunity to participate in networking events, CXOs and VCs/Investor pitch sessions, Masterclass by experts, access to 200+ mentors and subject matter experts.

This is for your information and record.

Yours faithfully
For EquiPPP Social Impact Technologies Limited
