ANNEXURE: B

EXPLANATORY STATEMENT PURSUANT TO SECTION 102 OF THE COMPANIES ACT, 2013 (ITEM No. 4, 5, 6 and 7)

ITEM No.4: REVISION IN TERMS OF APPOINTMENT OF STATUTORY AUDITORS

M/s. Dhirubhai Shah & Co. LLP, Chartered Accountants, Ahmedabad were appointed by the members as Statutory Auditors in the Annual General Meeting (AGM) every year. However, pursuant to provisions of Section 139 of the Companies Act, 2013, the Company is required to appoint the Statutory Auditors for a term of five consecutive years and therefore, it is proposed to revise the term of appointment of M/s. Dhirubhai Shah & Co. LLP, Firm Registration No. 102511 was Statutory Auditors of the Company for a period of five years i.e. to hold the office as Statutory Auditors till the conclusion of 86th AGM.

The Board recommends the Ordinary Resolution set out at Item No. 4 of the Notice.

None of the Director, Key Managerial Personnel and relatives thereof has any concern or interest, financial or otherwise in the Resolution at Item No. 4 of the Notice.

ITEM No.5: RE-APPOINTMENT OF SHRI T. M. PATEL AS AN INDEPENDENT DIRECTOR

Shri T. M. Patel has been rendering his services as Director of the Company since 20th September, 1984. Brief Profile of Shri T. M. Patel is given in the Annexure 'A' to this Notice pursuant to SEBI (Listing Obligations & Disclosure Requirements) Regulations, 2015. He is an Independent Non-Executive Director of the Company. He is also a member of Audit Committee, Nomination, Remuneration & Compensation Committee and Stakeholders Relationship Committee of the Board of Directors of the Company. As the first term of five years of Shri T. M. Patel as an Independent Director would expire on conclusion of this 84th Annual General Meeting (AGM) and pursuant to Section 149(10) of the Companies Act, 2013, Special Resolution is required for his re-appointment for a further period of five years from the conclusion of this 84th AGM till conclusion of 89th AGM.

In terms of Section 149 and any other applicable provisions of the Companies Act, 2013 read with SEBI (Listing Obligations & Disclosure Requirements) Regulations, 2015, Shri T. M. Patel, being eligible, offers himself for appointment, is proposed to be reappointed as an Independent Director for five consecutive years for a term upto the conclusion of 89th AGM of the Company. The Company has received a declaration that he meets the criteria of Independence pursuant to Section 149(6) of the Companies Act, 2013 read with SEBI (Listing Obligations & Disclosure Requirements) Regulations, 2015.

In the opinion of the Board, Shri T. M. Patel fulfills the conditions specified in the Companies Act, 2013 and Rules made thereunder read with SEBI (Listing Obligations & Disclosure Requirements) Regulations, 2015 for his re-appointment as an Independent Director of the Company and accordingly, the Board of Directors of the Company at their meeting held on 25th May, 2019 re-appointed him as an Independent Director as recommended by Nomination, Remuneration & Compensation Committee subject to approval of shareholders of the Company. The copy of the draft letter for re-appointment of Shri T. M. Patel as an Independent Director setting out the terms & conditions is available for inspection by members at the Registered Office of the Company.

The Board considers that his continued association would be beneficial to the Company and it is desirable to continue to avail services of Shri T. M. Patel as an Independent Director and accordingly, the Board recommends the Special Resolution set out at Item No. 5 of the Notice.

Except Shri T. M. Patel, no other Director, Key Managerial Personnel and relatives thereof has any concern or interest, financial or otherwise in the Resolution at Item No. 5 of the Notice.

ITEM No.6: RE-APPOINTMENT OF SHRI RAKESH AGRAWAL AS AN INDEPENDENT DIRECTOR

Shri Rakesh Agrawal has been rendering his services as Director of the Company since 10th February, 2011. Brief Profile of Shri Rakesh Agrawal is given in the Annexure 'A' to this Notice pursuant to SEBI (Listing Obligations & Disclosure Requirements) Regulations, 2015. He is an Independent Non-Executive Director of the Company. He is also a member of Audit Committee, Nomination, Remuneration & Compensation Committee and Stakeholders Relationship Committee of the Board of Directors of the Company. As the first term of five years of Shri Rakesh Agrawal as an Independent

SHRI DINESH MILLS LTD.

Director would expire on conclusion of this 84th Annual General Meeting (AGM) and pursuant to Section 149(10) of the Companies Act, 2013, Special Resolution is required for his re-appointment for a further period of five years from the conclusion of this 84th AGM till conclusion of 89th AGM. During this second term of five years, he will cross the age of 75 years and therefore, Special Resolution is also required pursuant to Regulation 17(1A) of SEBI (Listing Obligations & Disclosure Requirements) (Amendment) Regulations, 2018 so as to make him eligible to continue as an Independent Director of the Company during the second term.

In terms of Section 149 and any other applicable provisions of the Companies Act, 2013 read with SEBI (Listing Obligations & Disclosure Requirements) Regulations, 2015, Shri Rakesh Agrawal, being eligible, offers himself for appointment, is proposed to be reappointed as an Independent Director for five consecutive years for a term upto the conclusion of 89th AGM of the Company. The Company has received a declaration that he meets the criteria of Independence pursuant to Section 149(6) of the Companies Act, 2013 read with SEBI (Listing Obligations & Disclosure Requirements) Regulations, 2015.

In the opinion of the Board, Shri Rakesh Agrawal fulfills the conditions specified in the Companies Act, 2013 and Rules made thereunder read with SEBI (Listing Obligations & Disclosure Requirements) Regulations, 2015 for his re-appointment as an Independent Director of the Company and accordingly, the Board of Directors of the Company at their meeting held on 25th May, 2019 re-appointed him as an Independent Director as recommended by Nomination, Remuneration & Compensation Committee subject to approval of shareholders of the Company. The copy of the draft letter for re-appointment of Shri Rakesh Agrawal as an Independent Director setting out the terms & conditions is available for inspection by members at the Registered Office of the Company.

The Board considers that his continued association would be beneficial to the Company and it is desirable to continue to avail services of Shri Rakesh Agrawal as an Independent Director and accordingly, the Board recommends the Special Resolution set out at Item No. 6 of the Notice.

Except Shri Rakesh Agrawal, no other Director, Key Managerial Personnel and relatives thereof has any concern or interest, financial or otherwise in the Resolution at Item No. 6 of the Notice.

ITEM No.7: DISPOSAL OF IMMOVABLE PROPERTIES OF THE COMPANY SITUATED AT ITS ANKLESHWAR UNIT

Since the Company has discontinued the manufacturing of Woolen & Worsted fabrics phase wise and as a result thereof, the immovable properties situated at its Ankleshwar unit will no longer be required and therefore, the Board of Directors of the Company based on the recommendation of Audit Committee at their respective meetings held on 25th May, 2019 decided to dispose the immovable properties situated at its Ankleshwar unit in one or more tranche to the prospective buyer(s) upon such terms & conditions as they deem fit in the best interest of the Company subject to approval of shareholders of the Company.

As per the provision of Section 180(1)(a) of the Companies Act, 2013 approval of shareholders is required by way of Special Resolution for disposal of the immovable properties situated at Ankleshwar unit of the Company and accordingly, the Board recommends the Special Resolution set out at Item No. 7 of the Notice.

None of the Directors, Key Managerial Personnel and relatives thereof has any concern or interest, financial or otherwise in the Resolution at Item No. 7 of the Notice.

Your Directors have recommended Dividend of Rs. 1.80 per Equity share (18%) (Previous year Rs.1.50 per Equity share i.e. 15%) on 52,00,582 equity shares of Rs.10/- each amounting to Rs. 93,61,047.60 plus applicable Dividend Distribution Tax thereon subject to approval of shareholders of the Company at their ensuing 84th Annual General Meeting.

3. TRANSFER TO RESERVES

The Company has not transferred any amount to General Reserve.

4. TRANSFER OF UNCLAIMED DIVIDEND & EQUITY SHARES TO INVESTOR EDUCATION AND PROTECTION FUND AUTHORITY (IEPF AUTHORITY)

During the year under review, the Company has transferred unclaimed dividend for the financial year 2010- 11 and also transferred 7,660 equity shares of Rs.10/- each to the IEPF Authority.

5. CHANGES IN THE NATURE OF BUSINESS

During the year under review, Board of Directors of the Company has decided to discontinue manufacturing of Yarns, Tops and Grey Fabrics at Ankleshwar unit and Woolen & Worsted fabrics at Vadodara unit which is expected to be completed by 31st May, 2019.

6. MANAGEMENT DISCUSSION AND ANALYSIS

A. OVERALL REVIEW OF OPERATIONS

We are a composite textile sector company manufacturing woolen / worsted suiting and industrial fabrics. There are few organized sector companies and many companies are in un-organized sector and the Company has to face cut throat competition in the domestic and international markets. The Textile Industry is labour & capital intensive and one of the largest employers in India and the industry has to face various internal & external challenges and our Company is not an exception to these challenges and therefore, the Board of Directors have decided to discontinue manufacturing Yarns, Tops and Grey Fabrics at Ankleshwar unit and Woolen & Worsted fabrics at Vadodara unit. However, manufacturing of Industrial Fabrics (i.e. felt) will continue at Vadodara Unit. Due to continued sluggish domestic & international markets, intense competition on prices, cheaper imports from China and preference to the readymade garments, the revenue from Operations has also been adversely affected but the Company has made marginal profit during the year under review despite exceptional cost incurred towards VRS to the employees of the Company.

In view of the above, during the year under review, the revenue from Operations has been reduced from Rs.7814/- Lakhs to Rs.6876/- Lakhs but the Company has made a marginal profit of Rs. 19/- Lakhs as compared to the loss of Rs. 565/- Lakhs of the previous financial year.

B. DISCUSSION ON FINANCIAL PERFORMANCE WITH RESPECT TO OPERATIONAL PERFORMANCE
Highlights

(Rs. in Lakhs)

Sr. No.	Particulars	2018 - 2019	2017 - 2018
1	Revenue from Operations	6876	7814
2	Operating profit (PBDIT)	692	209
3	Depreciation	662	709
4	Interest	115	150
5	Profit before Tax / (Loss)	(85)	(650)
6	Provision for Taxation	(104)	(85)
7	Net Profit / (Loss)	19	(565)

C. OVERALL OUTLOOK

During the current financial year, the sales turnover of the Industrial fabrics (i.e. felt) is likely to be marginally increased whereas sales turnover of Woolen & Worsted fabrics would be drastically reduced due to phase wise discontinuation of the manufacturing of the same and as a result thereof, the Company would be in a position to make reasonable profit.

The Company assumes no responsibility in respect of forward looking statements made herein above which may substantially change based on subsequent developments, events, change in the Government policies, exchange rate etc. over the globe.

D. INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY

The Internal Audit Department conducts audit of all departments of the Company and places Audit reports/plans before the Audit Committee which reviews adequacy of internal audit functions, audit procedures and its coverage periodically. The minutes of the Audit Committee meetings are placed at the meetings of the Board of Directors from time to time. The Company has adopted the concept of pre-audit and therefore, the mistakes, if any are rectified before the transactions are finally booked in the Books of Accounts of the Company.

E. INDUSTRIAL RELATIONS

During the year under review, the industrial relations both at Baroda and Ankleshwar units have remained cordial. As on 31st March, 2019, there were 404 employees in the Company. Due to the implementation of Voluntary Retirement Scheme (VRS) since F.Y. 2017 - 2018, the number of employees has been reduced substantially.

7. MATERIAL CHANGES AND COMMITMENT, IF ANY

Except as disclosed in para no.5 herein above, there are no other material changes and commitments affecting the financial position of the Company occurred from 1st April, 2019 to the date of this Report.

8. SIGNIFICANT AND MATERIAL ORDERS, IF ANY

During the year under review, no significant and material orders passed by the regulators or Courts or Tribunals impacting the going concern status of the Company.

10. RISK MANAGEMENT

The Company has been taking appropriate actions pursuant to Risk Management Policy from time to time to mitigate adverse impact of various Risks which may adversely affect the performance of the Company and may threaten the very existence of the Company. The provisions relating to Risk Management Committee is not applicable to the Company.

11. THE CORPORATE SOCIAL RESPONSIBILITY

As the provisions relating to the Corporate Social Responsibility (CSR) as prescribed u/s. 135 of the Companies Act, 2013 along with Rules made thereunder are not applicable to our Company and therefore, neither the CSR Committee nor the CSR Policy are required to be framed by the Company.

12. PARTICULARS OF LOANS, GUARANTEES OR INVESTMENTS

During the year under review, the Company has not given any loans, guarantees or made any investments pursuant to Section 186 of the Companies Act, 2013.

13. CREDIT RATING

During the year under review, rating has been revised by CARE from "A" to "A- (A minus)" for Long Term Bank Facilities and From "A1 Plus" to "A1" for Short Term Bank Facilities due to continued weakness in the business, financial profile and dependency on single product (i.e Felt) after discontinuation of manufacturing of woolen & worsted fabrics.

14. AUDITORS REPORTS

The Auditors' Report issued by M/s. Dhirubhai Shah & Co. LLP on the Accounts is self-explanatory and therefore, does not call for any explanation. There were no qualifications, reservations or adverse remarks made by the above referred Statutory Auditors.

Independent Auditor's Report

To the Members of Shri Dinesh Mills Limited

Report on the Standalone Ind As Financial Statements

Opinion

We have audited the accompanying standalone financial statements of Shri Dinesh Mills Limited ("the Company"), which comprises of the balance sheet as at 31st March 2019, and the statement of Profit and Loss (including other comprehensive income), and the Statement of changes in equity and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31 March 2019, and its profit, total comprehensive income, its cash flows and the changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the standalone financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate implementation and maintenance of accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so. Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that

is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the Annexure A, a statement on the matters specified in the paragraph 3 and 4 of the order.
2. As required by Section 143 (3) of the Act, we report that:
 - a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b. In our opinion proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
 - c. The balance sheet, the statement of profit and loss and the cash flow statement dealt with by this Report are in agreement with the books of account;
 - d. In our opinion, the aforesaid standalone financial statements comply with the Indian Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014;

SHRI DINESH MILLS LTD.

- e. On the basis of the written representations received from the directors as on 31st March 2019 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March 2019 from being appointed as a director in terms of Section 164 (2) of the Act;
- f. With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in "Annexure B"; and
- g. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. the Company has disclosed the impact, wherever necessary, of pending litigations on its financial position in its financial statements;
 - ii. the Company has made provision, as required under the applicable law or Indian Accounting Standards, for material foreseeable losses, if any, on long-term contracts including derivative contracts;
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.

ANNEXURE - A TO THE AUDITOR'S REPORT

The Annexure referred to in Independent Auditors' Report to the members of the Company on the standalone financial statements for the year ended 31st March 2019, we report that:

- (i) a. The Company has maintained proper records showing full particulars, including quantitative details and situation of fixed assets.
- b. The Company has a regular program of physical verification of its fixed assets. In accordance with this program, fixed assets were verified during the year and no material discrepancies were noticed on such verification. In our opinion, this periodicity of physical verification is reasonable having regard to the size of the Company and the nature of its assets.
- c. According to the information and explanations given to us and on the basis of our examination of the records of the Company, the title deeds of immovable properties are held in the name of the Company.
- (ii) As explained to us, the inventories have been physically verified during the year by the management. In our opinion, the frequency of verification is reasonable. Discrepancies noticed on physical verification of inventory as compared to book records were not material.
- (iii) The Company has not granted any loans secured or unsecured to companies, firms or other parties covered in the register maintained under section 189 of the Companies Act, and therefore, the provisions of clauses (iii)(a) & (iii)(b) of the Order are not applicable to the Company.
- (iv) In our opinion and according to the information and explanations given to us, the Company has complied with the provisions of section 185 and 186 of the Act, with respect to the loans and investments made.
- (v) In our opinion and according to the information and explanations given to us, the Company has not accepted any deposits covered by the provisions of Sections 73 to 76 or any other relevant provisions of the Companies Act, 2013 and the rules framed there under.
- (vi) In our opinion and according to the information and explanations given to us and based on books of account, maintenance of cost records under section 148(1) of the Companies Act, 2013 is not applicable to the company and hence paragraph 3(vi) of the Order is not applicable.
- (vii) (a) The Company is regular in depositing undisputed statutory dues including provident fund, employees' state insurance, income tax, sales tax, service tax, duty of customs, duty of excise, value added tax, cess, Goods and Service Tax and any other statutory dues with the appropriate authorities.
- According to the information and explanations given to us, in our opinion no undisputed amounts payable in respect of statutory dues including Provident Fund, Employees' State Insurance, Income Tax, Value Added Tax, Central Sales Tax, Wealth Tax, Service Tax, Custom Duty, Excise Duty, Cess, Goods and Service Tax and other statutory dues applicable to it were in arrears as at the balance sheet date for a period of more than six months from the date they became payable.
- (b) According to the information and explanations given to us and records of the company examined by us, the following dues of income tax and duty of excise as at March 31, 2019 which have not been deposited by the Company on account of any disputes.

ANNEXURE - B to the Auditor's Report

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of Shri Dinesh Mills Limited ("the Company") as of 31st March 2019 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

SHRI DINESH MILLS LTD.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2019, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

*** 17.1 Share Option Outstanding Account**

"The company during previous year, after taking requisite approvals of the governing body and shareholders, approved grant of up to 54,000 options to eligible employees of the Company. In terms of the said approval, the eligible employees were entitled against each option to subscribe for one equity share of face value of Rs. 10 each at a price of Rs. 10 per share. Market value per share of the company as on grant date is Rs. 134.70 against which the eligible employees shall subscribe each share at a price of Rs. 10 per share. "The holders of the Employee Stock Options are entitled to exercise the option within a period of three years from the date of first vesting, failing which they stand cancelled. In the case of termination of employment by the Company, all options, vested or not, stand cancelled immediately. In case of voluntary resignation, all un-vested options stand cancelled. Please refer below table for details on vesting period. There are no other vesting conditions, apart from service condition."

[^]16,200 stock options were allotted to employees on 28.05.2018. The said warrants were subsequently converted into equity shares.

The stock options granted during the period has been measured using the Black-Scholes option pricing model at the date of the grant. The Black-Scholes option pricing model considers assumptions regarding dividend yields, expected volatility, expected terms and risk free interest rates. The key inputs and assumptions used are as follows:

Share price: The closing price on stock exchange as on the date of grant has been considered for valuing the options granted.

Exercise Price: Exercise Price is the price as determined by the Committee of the Directors

Risk free interest rate: The risk free interest rate on the date of grant considered for the calculation is the interest rate applicable for a maturity equal to the expected life of the options based on the yield curve for Government bonds.

40 - DISCLOSURES AS REQUIRED BY INDIAN ACCOUNTING STANDARD (IND AS) 19 EMPLOYEE BENEFITS

The Company has classified the various benefits provided to employees as under:-

(a) **Defined contribution plans**

- Provident fund

The Company has recognized the following amounts in the statement of profit and loss:

Employers' contribution to provident fund :- Current Year Rs. 85.79 Lakhs (Previous Year Rs. 97.02 Lakhs)

(b) **Defined benefit plans**

- Gratuity

In accordance with Indian Accounting Standard 19, actuarial valuation was done in respect of the aforesaid defined benefit plans based on the following assumptions-

Economic Assumptions

The discount rate and salary increases assumed are the key financial assumptions and should be considered together; it is the difference or 'gap' between these rates which is more important than the individual rates in isolation.

Discount Rate

The discounting rate is based on the gross redemption yield on medium to long term risk free investments. The estimated term of the benefits/obligations works out to zero years. For the current valuation a discount rate of 7.73% p.a. (Previous Year 7.27% p.a.) compound has been used.

Salary Escalation Rate

The salary escalation rate usually consists of at least three components, viz. regular increments, price inflation and promotional increases. In addition to this any commitments by the management regarding future salary increases and the Company's philosophy towards employee remuneration are also to be taken into account. Again a long-term view as to trend in salary increase rates has to be taken rather than be guided by the escalation rates experienced in the immediate past, if they have been influenced by unusual factors.

43. FINANCIAL INSTRUMENTS - ACCOUNTING CLASSIFICATIONS AND FAIR VALUE MEASUREMENTS

The fair values of the financial assets and liabilities are included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale.

The following methods and assumptions were used to estimate the fair values:

1. Fair values of cash and short term deposits, trade and other short term receivables, trade payables, other current liabilities, short term loans from banks and other financial institutions approximate their carrying amounts largely due to short-term maturities of these instruments.
2. Financial instruments with fixed and variable interest rates are evaluated by the Company based on parameters such as interest rates and individual credit worthiness of the counterparty. Based on the evaluation, allowances are taken to account for the expected losses of these receivables.

The company uses the following hierarchy for determining and disclosing the fair values of financial instruments by valuation technique:

Level 1 : Quoted (unadjusted) prices in active markets for identical assets or liabilities.

Level 2 : Other techniques for which all inputs which have a significant effects on the recorded fair value are observable, either directly or indirectly.

Level 3 : Techniques which use inputs that have a significant effects on the recorded fair value that are not based on observable market data.

44. FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES

The Company's principal financial liabilities comprise of borrowings and trade & other payables. The main purpose of these financial liabilities is to finance the Company's operations and to support its operations. The Company's principal financial assets include Investments, loans given, trade and other receivables and cash & short-term deposits that derive directly from its operations

The Company's risk management is carried out based on the policies approved by the Board of directors. Based on that policy, company identifies and evaluates financial risks in close co-operation with the Company's operating unit. The board overviews policy related to overall risk management, as well as policies covering specific areas, such as foreign exchange risk, interest rate risk, credit risk and non-derivative financial instruments along with investment of excess liquidity.

Market risk

Market risk is the risk of loss of future earnings, fair values or future cash flows that may result from a change in the price of a financial instrument. The value of a financial instrument may change as a result of changes in the interest rates, foreign currency exchange rates, equity and mutual fund prices and other market changes that affect market risk sensitive instruments. Market risk is attributable to all market risk sensitive financial instruments including investments and deposits, foreign currency receivables, payables and loan borrowings.

The Company is manufacturing woolen & worsted fabrics and felts. The environment in which the Company operates has changed significantly over the past decade, predominantly as a result of introduction of new competitive markets, globalization and changes in the Laws. This, in turn, has resulted in to considerable changes in internal operations, including our risk profile. As the company's operating environment continues to be transformed, embedding risk management principles and practices into strategy development and day to day business processes is critical to achieve robust and proactive commercial outcomes – a balance between mitigation threats and exploiting opportunity; creating and protecting value. Overall, the company expects to strengthen its current position in coming years.

Interest rate risk

Interest rate risk is the risk that fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. In order to optimize the company's position with regards to the interest income and interest expenses and to manage the interest rate risk, treasury performs a comprehensive corporate interest rate risk management by balancing the proportion of fixed rate and floating rate financial instruments in its total portfolio.

The company is not exposed to significant interest rate risk as at the specified reporting date on account absence of any instruments whose interest rate is dependent on foreign exchange fluctuation. Refer Notes to account for interest rate profile of the Company's interest-bearing financial instrument at the reporting date.

Foreign currency risk

The Company operates in domestic as well as international market, however, the nature of its operations requires it to transact in several currencies and consequently the Company is exposed to foreign exchange risk in certain categories of foreign currencies. In current year, about 10 % of the Company's revenue is from export. The Company has laid down certain procedures to de-risk itself against currency volatility. It also out sources expert advice whenever required.

The Company evaluates exchange rate exposure arising from foreign currency transactions and the Company follows established risk management policies

I Foreign Currency Exposure

Refer Note 41 for foreign currency exposure as at March 31, 2019 and March 31, 2018.

II Foreign Currency Sensitivity

1% increase or decrease in foreign exchange rates will have the following impact on the profit before tax

Credit risk

Credit risk arises from the possibility that counter party may not be able to settle their obligations as agreed. To manage this, the Company periodically assesses the financial reliability of customers, taking into account the financial condition, current economic trends, and analysis of historical bad debts and ageing of accounts receivable. Individual risk limits are set accordingly.

The Company considers the probability of default upon initial recognition of asset and whether there has been a significant increase in credit risk on an ongoing basis throughout each reporting period. To assess whether there is significant increase in credit risk the company compares the risk of a default occurring on the asset at the reporting date with the risk of default as the date of initial recognition. It considers reasonable and supportive forwarding-looking information such as:

- (i) Actual or expected significant adverse changes in business,
- (ii) Actual or expected significant changes in the operating results of the counterparty.
- (iii) Financial or economic conditions that are expected to cause a significant change to the counterparty's ability to meet its obligation,
- (iv) Significant increase in credit risk on other financial instruments of the same counterparty.
- (v) Significant changes in the value of the collateral supporting the obligation or in the quality of third-party guarantees or credit enhancements.

Financial assets are written off when there is no reasonable expectation of recovery, such as a debtor failing to engage in a repayment plan with the Company. The Company categorises a loan or receivable for write off when a debtor fails to make contractual payments greater than reasonable period of time decided by the Management. Where loans or receivables have been written off, the Company continues to engage in enforcement activity to attempt to recover the receivable due. Where recoveries are made, these are recognised in profit or loss.

SHRI DINESH MILLS LTD.

NOTES ANNEXED TO AND FORMING PART OF THE STANDALONE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31ST MARCH 2019

1. CORPORATE INFORMATION

Shri Dinesh Mills Limited (SDML) is a company having composite textile mill with a very strong presence in the textile industry for more than 60 years; manufacturing worsted fabrics (menswear), paper makers felts and industrial textiles. For International market, it has been manufacturing and exporting worsted fabrics to various overseas markets since last 30 Years. It maintains the highest standards of quality to meet the requirements of its discerning customers.

2. BASIS OF PREPARATION AND SIGNIFICANT ACCOUNTING POLICIES

a) Basis of preparation

In accordance with the notification issued by the Ministry of Corporate Affairs, the Company has adopted Ind AS notified under the Companies (Indian Accounting Standards) Rules, 2015 with effect from April 1, 2017.

b) Functional and presentation currency

These financial statements are presented in Indian rupee, which is the Company's functional currency. All amounts have been rounded to the nearest lakh, unless otherwise indicated.

c) Basis of measurement

The financial statements have been prepared on historical cost basis, except certain financial assets and liabilities which have been measured at fair value (refer accounting policy regarding financial instruments), defined benefits plans - plan assets and contingent consideration. The accounting policies have been consistently applied by the Company and are consistent with those used in the previous year.

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out in the Schedule III to the Act. Based on the nature of products and the time between acquisition of assets for processing and their realization in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purposes of current / non-current classification of assets and liabilities.

Current versus non-current classification

The Company presents assets and liabilities in the balance sheet based on current/ non-current classification.

An asset is treated as current when it is:

- a. Expected to be realized or intended to be sold or consumed in normal operating cycle
- b. Held primarily for the purpose of trading
- c. Expected to be realized within twelve months after the reporting period, or
- d. Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period

All other assets are classified as non-current.

A liability is current when:

- a. It is expected to be settled in normal operating cycle
- b. It is held primarily for the purpose of trading
- c. It is due to be settled within twelve months after the reporting period, or
- d. There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period

All other liabilities are classified as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

2A. USE OF ESTIMATES

The preparation of financial statements requires the use of accounting estimates which, by definition, will seldom equal the actual results. Management also needs to exercise judgment in applying the group's accounting policies. This note provides an overview of the areas that involved a higher degree of judgment or complexity, and of items which are more likely to be adjusted due to estimates and assumptions turning out to be different from those originally assessed. Detailed information about each of these estimates and judgments is included in relevant notes together with information about the basis of calculation for each affected line item in the financial statements.

Critical estimates and judgments

The areas involving critical estimates or judgments are:

- a) Estimation of current tax expense and payable - Refer accounting policies - 3.9
- b) Estimated useful life of property, plant & equipment and intangible assets - Refer accounting policies - 3.1
- c) Estimation of defined benefit obligation - Refer accounting policies - 3.8
- d) Estimation of fair values of contingent liabilities - Refer accounting policies - 3.12
- e) Recognition of revenue - Refer accounting policies - 3.4
- f) Recognition of deferred tax assets for carried forward tax losses - Refer accounting policies - 3.9
- g) Impairment of financial assets - Refer accounting policies - 3.2 & 3.5

Estimates and judgments are continually evaluated. They are based on historical experience and other factors, including expectations of future events that may have a financial impact on the group and that are believed to be reasonable under the circumstances.

3. SIGNIFICANT ACCOUNTING POLICIES

3.1 Property, plant and equipment:

Property, plant and equipment are stated at original cost (including any revaluation in previous years) net of tax / duty credit availed, less accumulated depreciation and accumulated and accumulated impairment losses, if any. Costs include financing costs of borrowed funds attributable to acquisition or construction of fixed assets, up to the date the assets are put-to-use.

When significant parts of property, plant and equipment are required to be replaced at intervals, the Company derecognizes the replaced part, and recognizes the new part with its own associated useful life and it is depreciated accordingly. Where components of an asset are significant in value in relation to the total value of the asset as a whole, and they have substantially different economic lives as compared to principal item of the asset, they are recognized separately as independent items and are depreciated over their estimated economic useful lives.

All other repair and maintenance costs are recognized in the statement of profit and loss as incurred unless they meet the recognition criteria for capitalization under Property, Plant and Equipment

Tangible Fixed Assets:

- (a) Premium on leasehold land is being amortized over the period of lease.
- (b) Depreciation on all other fixed asset is provided on written down value method except for plant & machinery, wherein straight-line method is followed. Rate of depreciation is accordance with the provisions of section 123 of the Companies Act, 2013 considering the useful life provided in part "C" of the schedule II. Depreciation on additions to the assets during the year is being provided on pro-rata basis with reference to the month of acquisition /installation. Depreciation on assets sold, discarded, demolished or scrapped during the year is being provided up to the month in which such assets are sold, discarded, demolished or scrapped.

Intangible Assets:

Intangible assets acquired separately are measured on initial recognition at cost. Following initial recognition, intangible assets are carried at cost less any accumulated amortization and accumulated impairment losses (if any).

An item of intangible asset initially recognized is derecognized upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on de-recognition of the asset [calculated as the difference between the net disposal proceeds and the carrying amount of the asset] is included in the income statement when the asset is derecognized. Intangible fixed assets are amortized on straight line basis over their estimated useful economic life.

Capital Work- in- progress

Capital work- in- progress represents directly attributable costs of construction to be capitalized. All other expenses including interest incurred during construction period are capitalized as a part of the construction cost to the extent to which these expenditures are attributable to the construction as per Ind AS-23 "Borrowing Costs". Interest income earned on temporary investment of funds brought in for the project during construction period are set off from the interest expense accounted for as expenditure during the construction period.

3.2 Impairment of non-financial assets

The carrying amounts of assets are reviewed at each balance sheet date if there is any indication of impairment based on internal/external factors. An impairment loss is recognized wherever the carrying amount of an asset exceeds its recoverable amount. The recoverable amount is the greater of the asset's net selling price and value in use. In assessing value in use, the Company measures it on the basis of discounted cash flows for the remaining year's (remaining useful life) projections estimated based on current prices. Assessment is also done at each Balance Sheet date as to whether there is any indication that an impairment loss recognized for an asset in prior accounting periods may no longer exist or may have decreased. After impairment, depreciation is provided on the revised carrying amount of the asset over its remaining useful life.

3.3 Foreign Currency Transactions

The Company's financial statements are presented in INR, which is also the Company's functional currency.

Initial Recognition

Foreign currency transactions are recorded in the reporting currency, by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency at the date of transaction.

Conversion

Foreign currency monetary items are reported using the closing rate. Non-monetary items, which are measured in terms of historical costs denominated in foreign currency, are reported using the exchange rate at the date of the transaction. Non-monetary items, which are measured at fair value or other similar valuation denominated in a foreign currency, are translated using the exchange rate at the date when such value was determined.

Exchange Differences

Exchange differences arising on the settlement of monetary items or on reporting Company's monetary items at rates different from those at which they were initially recorded during the year or reported in previous financial statements including receivables and payables which are likely to be settled in foreseeable future, are recognized as income or as expenses in the year in which they arise. All other exchange differences are recognized as income or as expenses in the period in which they arise.

Transactions covered under forward contracts are accounted for at the contracted rate. All export proceeds have been accounted for at a fixed rate of exchange at the time of raising invoices. Foreign exchange fluctuations as a result of the export sales have been adjusted in the statement of profit and loss account and export proceeds not realized at the balance sheet date are restated at the rate prevailing as at the balance sheet date.

3.4 Revenue recognition

Effective 01 April 2018, the Company has adopted Indian Accounting Standard 115 (Ind AS 115) 'Revenue from contracts with customers' using the cumulative catch-up transition method, applied to contracts that were not completed as on the transition date i.e. 01 April 2018. Accordingly, the comparative amounts of revenue and the corresponding contract assets / liabilities have not been retrospectively adjusted. The effect on adoption of Ind-AS 115 was insignificant. Revenue is recognized on satisfaction of performance obligation upon transfer of control of promised products or services to customers in an amount that reflects the consideration the Company expects to receive in exchange for those products or services. The Company does not expect to have any contracts where the period between the transfer of the promised goods or services to the customer and payment by the customer exceeds one year. As a consequence, it does not adjust any of the transaction prices for the time value of money. Revenue is recognized to the extent it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured. Specifically,

- (i) Domestic Sales are recognized as revenue on transfer of significant risk, rewards and control of ownership which is generally on dispatch of products to the customers.
- (ii) Export Sales are recognized as revenue on transfer of significant risk, rewards and control of ownership which is generally on the basis of the dates of Bill of Lading and / or Air Way Bill.
- (iii) Export incentives benefits under "Duty Entitlement Pass Book under the Duty Exemption Scheme" and "Duty Draw back scheme" are accounted in the year of exports.
- (iv) Dividend income is accounted for in the year in which the right to receive the same is established
- (v) Interest income is recognized on a time proportion basis taking into account the amount outstanding and the rate applicable

3.5 Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

A. Financial Assets

a. Initial recognition and measurement:

All financial assets are recognized initially at fair value (FVOCI / amortized cost / FVTPL). Purchases or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the market place [regular way trades] are recognized on the settlement date, trade date, i.e., the date that the Company commits to purchase or sell the asset.

b. Subsequent measurement:

For purposes of subsequent measurement, financial assets are classified in four categories:

i. Debt instruments at amortized cost:

A 'debt instrument' is measured at the amortized cost if both the following conditions are met:
- The asset is held with an objective of collecting contractual cash flows

- Contractual terms of the asset give rise on specified dates to cash flows that are "solely payments of principal and interest" [SPPI] on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortized cost using the effective interest rate [EIR] method. Amortized cost is calculated by taking into account any discount or premium on acquisition (if any) and fees or costs that are an integral part of the EIR. The EIR amortization is included in finance income in the Statement of Profit and Loss. The losses arising from impairment are recognized in the profit or loss. This category generally applies to trade and other receivables.

ii. Debt instruments at fair value through other comprehensive income [FVTOCI]:

A 'debt instrument' is classified as at the FVTOCI if both of the following criteria are met:

- The asset is held with objective of both - for collecting contractual cash flows and selling the financial assets

- The asset's contractual cash flows represent SPPI.

Debt instruments included within the FVTOCI category are measured initially as well as at each reporting date at fair value. Fair value movements are recognized in the other comprehensive income [OCI]. However, the Company recognizes interest income, impairment losses & reversals and foreign exchange gain or loss in the Statement of Profit and Loss. On derecognition of the asset, cumulative gain or loss previously recognized in OCI is reclassified from the equity to Statement of Profit and Loss.

iii. Debt instruments, derivatives and equity instruments at fair value through profit or loss [FVTPL]:

FVTPL is a residual category for debt instruments. Any debt instrument, which does not meet the criteria for categorization as at amortized cost or as FVTOCI, is classified as at FVTPL. Debt instruments included within the FVTPL category are measured at fair value with all changes recognized in the P&L.

iv. Equity instruments measured at fair value through other comprehensive income [FVTOCI]:

All equity investments in scope of Ind AS 109 are measured at fair value. Equity instruments which are held for trading and contingent consideration recognized by an acquirer in a business combination to which Ind AS103 applies are classified as at FVTPL. For all other equity instruments, the Company may make an irrevocable election to present in other comprehensive income subsequent changes in the fair value. The Company has made such election on an instrument by instrument basis. The classification is made on initial recognition and is irrevocable. If the Company decides to classify an equity instrument as at FVTOCI, then all fair value changes on the instrument, excluding dividends, are recognized in the OCI. There is no recycling of the amounts from OCI to Statement of Profit and Loss, even on sale of investment. However, the Company may transfer the cumulative gain or loss within equity. Equity instruments included within the FVTPL category are measured at fair value with all changes recognized in the Statement of Profit and Loss.

c. Derecognition:

A financial asset is primarily derecognized when:

- i. The Company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement and either [a] the Company has transferred substantially all the risks and rewards of the asset, or [b] the Company has neither transferred nor retained substantially all the risks and rewards of the asset but has transferred control of the asset.

B. Financial liabilities:**a. Initial recognition and measurement:**

Financial liabilities are classified, at initial recognition, as financial liabilities at fair value through profit or loss, loans and borrowings, payables, or as over the counter derivatives designated as hedging instruments in an effective hedge, as appropriate. All financial liabilities are recognized initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

b. Subsequent measurement:

The measurement of financial liabilities depends on their classification, as described below:

i. Financial liabilities at fair value through profit or loss:

Financial liabilities at fair value through profit or loss include financial liabilities held for trading and financial liabilities designated upon initial recognition as at fair value through profit or loss. This category also includes over the counter derivative financial instruments entered into by the Company that are not designated as hedging instruments in hedge relationships as defined by Ind AS 109.

Financial liabilities designated upon initial recognition at fair value through profit or loss are designated as such at the initial date of recognition, and only if the criteria in Ind AS 109 are satisfied for liabilities designated as FVTPL, fair value gains/ losses attributable to changes in own credit risk are recognized in OCI. These gains/ losses are not subsequently transferred to P&L. However, the Company may transfer the cumulative gain or loss within equity. All other changes in fair value of such liability are recognized in the statement of profit or loss. The Company has not designated any financial liability as at fair value through profit and loss.

ii. Loans and borrowings:

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortized cost using the EIR method. Gains and losses are recognized in profit or loss when the liabilities are derecognized as well as through the EIR amortization process. Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortization is included as finance costs in the statement of profit and loss.

c. Derecognition:

A financial liability is derecognized when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognized in the statement of profit or loss.

C. Reclassification of financial assets:

The Company determines classification of financial assets and liabilities on initial recognition. After initial recognition, no reclassification is made for financial assets which are equity instruments and financial liabilities. For financial assets which are debt instruments, a reclassification is made only if there is a change in the business model for managing those assets. Changes to the business model are expected to be infrequent. If the Company reclassifies financial assets, it applies the reclassification prospectively from the reclassification date which is the first day of the immediately next reporting period following the change in business model. The Company does not restate any previously recognized gains, losses [including impairment gains or losses] or interest.

D. Offsetting of financial instruments:

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognized amounts and there is an intention to settle on a net basis, to realize the assets and settle the liabilities simultaneously.

3.6 Fair Value Measurement

The Company measures financial instruments at fair value at each balance sheet date. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- a. In the principal market for the asset or liability, or
- b. In the absence of a principal market, in the most advantageous market for the asset or liability

The principal or the most advantageous market must be accessible by the Company. The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

Level 1 - Quoted [unadjusted] market prices in active markets for identical assets or liabilities

Level 2 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable

Level 3 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

3.7 Inventories

- i. Stores, Machinery Spares, Coal, etc. are valued at cost or net realizable value whichever is lower. Cost is arrived at on 'Moving Weighted Average Cost basis';
- ii. Raw Materials are valued at cost or net realizable value whichever is lower. Cost is arrived at on 'Specific Identification cost basis'
- iii. Materials in Process and Finished Goods are valued at cost or net realizable value, whichever is lower. Cost comprises all cost of purchase, cost of conversion and other costs incurred in bringing the inventories to their present location and condition.
- iv. Materials in Customs Bonded Warehouse and in transit are stated at cost, up to the date of Balance Sheet.
- v. Due allowance is estimated and provided for defective and obsolete items, wherever necessary, based on the past experience of the Company.

3.8 Retirement benefits

Retirement benefit costs for the year are determined on the following basis:

- i. Defined Contribution Plan:

Company's contribution paid/payable during the period to Provident Fund, Employee Deposit Linked Insurance Plan, Super Annuation Fund, Employee State Insurance Plan and Labour Welfare Fund are recognized as an expense in the Profit and Loss Account.

- ii. Defined Benefit Plan:

Provision for payments to the Employees Gratuity Fund after taking into account the funds available with the Trustees of the Gratuity Fund is based on actuarial valuation done at the close of each financial year.

At the reporting date Company's liabilities towards gratuity is determined by independent actuarial valuation using the projected unit credit method as per Ind AS 19. Re-measurements, comprising of actuarial gains and losses, the effect of the asset ceiling, excluding amounts included in net interest on the net defined benefit liability and the return on plan assets (excluding amounts included in net interest on the net defined benefit liability), are recognized immediately in the balance sheet with a corresponding debit or credit to other comprehensive income in the period in which they occur. Re-measurements are not classified to the statement of profit and loss in subsequent periods.

iii. Other defined benefits

Provision for other defined benefits for long term leave encashment is made based on an independent actuarial valuation on projected unit credit method at the end of each financial year. Actuarial gain and losses are recognized as give in (ii) above.

iv. Company recognizes the undiscounted amount of short term employee benefits during the accounting period based on service rendered by employees.

v. Compensation and gratuity paid on account of Voluntary Retirement Scheme (VRS) is treated as revenue expenditure as and when the scheme is announced by the company which is in line with the provisions related to constructive obligations as stated in Ind AS 37.

Net interest is calculated by applying the discount rate to the net defined benefit liability or asset.

3.9 Taxes on Income

Tax expense comprises current and deferred tax. Current income tax is measured at the amount expected to be paid to the tax authorities in accordance with the Income Tax Act, 1961 and tax laws prevailing in the respective tax jurisdictions where the Company operates. Current tax items are recognized in correlation to the underlying transaction either in P&L, OCI or directly in equity.

Deferred tax is provided using the liability method on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

Deferred tax liabilities are recognized for all taxable temporary differences. Deferred tax assets are recognized for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses. Deferred tax assets are recognized on the basis of reasonable certainty that the company will be having sufficient future taxable profits and based on the same the DTA has been recognized in the books.

The carrying amount (if any) of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilized. Unrecognized deferred tax assets are re-assessed at each reporting date and are recognized to the extent the management estimates that it has become reasonable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates [and tax laws] that have been enacted or substantively enacted at the reporting date.

Deferred tax items are recognized in correlation to the underlying transaction either in OCI or directly in equity. Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities.

3.10 Borrowing costs

Borrowing cost includes interest, amortization of ancillary costs incurred in connection with the arrangement of borrowings and exchange differences arising from foreign currency borrowings to the extent they are regarded as an adjustment to the interest cost.

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalized as part of the cost of the respective asset. All other borrowing costs are expensed in the period they occur.

Borrowing costs which are not specifically attributable to the acquisition, construction or production of a qualifying asset, the amount of borrowing costs eligible for capitalization is determined by applying a weighted average capitalization rate. The weighted average rate is taken of the borrowing costs applicable to the outstanding borrowings of the company during the period, other than borrowings made specifically for the purpose of obtaining a qualifying asset. The amount of borrowing costs capitalized cannot exceed the amount of borrowing costs incurred during that period.

3.11 Earnings per equity share

Basic earnings per share is calculated by dividing the net profit or loss from continuing operation and total profit, both attributable to equity shareholders of the Company by the weighted average number of equity shares outstanding during the period.

3.12 Provisions, Contingent Liabilities and Contingent Assets:

Provision is recognized when the Company has a present obligation (legal or constructive) as a result of past events and it is probable that the outflow of resources will be required to settle the obligation and in respect of which reliable estimates can be made.

A disclosure for contingent liability is made when there is a possible obligation, that may, but probably will not require an outflow of resources. When there is a possible obligation or a present obligation in respect of which the likelihood of outflow of resources is remote, no provision/ disclosure is made. The Company does not recognize a contingent liability but discloses its existence in the financial statements.

Contingent assets are not recognized in the financial statements. Provisions and contingencies are reviewed at each balance sheet date and adjusted to reflect the correct management estimates.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. Commitments include the amount of purchase order (net of advances) issued to parties for completion of assets. Provisions, contingent liabilities, contingent assets and commitments are renewed at each balance sheet date.

3.13 Cash and Cash Equivalents

Cash and cash equivalent comprise cash on hand and demand deposits with banks which are short-term, highly liquid investments that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value.

3.14 Provisions

Provisions are recognized when the Company has a present obligation (legal or constructive) as a result of a past event, and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost.

3.15 Government Subsidies

The Company recognizes government subsidies / grant as per the criteria given under Ind AS 20.

- i. Government subsidies are recognized when there is reasonable assurance that the same will be received.
- ii. Revenue subsidies (for expenses that are already incurred) are reduced from the respective expenditure presented in the profit and loss account.
- iii. Capital subsidies relating to specific fixed assets are recognized in statement of profit and loss on a systematic basis over the useful life of the assets.

3.16 Exceptional items

Certain occasions, the size, type or incidence of an item of income or expense, pertaining to the ordinary activities of the Company is such that its disclosure improves the understanding of the performance of the Company, such income or expense is classified as an exceptional item and accordingly, disclosed in the notes accompanying to the financial statements.

SHRI DINESH MILLS LTD.

Independent Auditor's Report

To the Members of Shri Dinesh Mills Limited

Report on the Consolidated Financial Statements

Opinion

We have audited the accompanying consolidated financial statements of Shri Dinesh Mills Limited ("the Holding Company") and its subsidiaries (the Holding Company and its subsidiaries together referred to as 'the Group'), which comprises of the consolidated balance sheet as at 31st March 2019, and the consolidated statement of Profit and Loss (including other comprehensive income), and the consolidated statement of changes in equity and consolidated statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the consolidated state of affairs of the Group as at 31 March 2019, and its consolidated loss, total consolidated comprehensive income, its consolidated cash flows and the consolidated changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit of the consolidated financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the consolidated financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Management's Responsibility for the Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these consolidated financial statements that give a true and fair view of the consolidated financial position, consolidated financial performance, consolidated changes in equity and consolidated cash flows of the Group in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate implementation and maintenance of accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, Holding Company's management is responsible for assessing the Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless Holding Company's management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so. Those Holding Company's Board of Directors are also responsible for overseeing the Group's financial reporting process.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of Holding Company management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial

SHRI DINESH MILLS LTD.

statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the consolidated financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the consolidated financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the consolidated financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143 (3) of the Act, we report that:
 - a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b. In our opinion proper books of account as required by law have been kept by the Group so far as it appears from our examination of those books;
 - c. The consolidated balance sheet, the consolidated statement of profit and loss and the consolidated cash flow statement dealt with by this Report are in agreement with the books of account maintained by the Group;
 - d. In our opinion, the aforesaid consolidated financial statements comply with the Indian Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014;
 - e. On the basis of the written representations received from the directors of the Holding Company as on 31st March 2019 taken on record by the Board of Directors of the Holding Company, none of the directors of Holding Company is disqualified as on 31st March 2019 from being appointed as a director in terms of Section 164 (2) of the Act;
 - f. With respect to the adequacy of the internal financial controls over financial reporting of the Holding Company and the operating effectiveness of such controls, refer to our separate report in "Annexure A"; and
 - g. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. the consolidated financial statements disclose the impact of pending litigations on the consolidated financial position of the Group.
 - ii. the Group has made provision, as required under the applicable law or Indian Accounting Standards, for material foreseeable losses, if any, on long-term contracts including derivative contracts;
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Holding Company.

Annexure - A to the Auditors' Report

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of Shri Dinesh Mills Limited ("the Company") as of 31st March 2019 in conjunction with our audit of the consolidated financial statements of the Group for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Holding Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Holding Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Group's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Holding Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Holding Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

SHRI DINESH MILLS LTD.

Opinion

In our opinion, the Holding Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2019, based on the internal control over financial reporting criteria established by the Holding Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

[^] 16,200 stock options were allotted to employees on 28.05.2018. The said warrants were subsequently converted into equity shares.

The stock options granted during the period has been measured using the Black-Scholes option pricing model at the date of the grant. The Black-Scholes option pricing model considers assumptions regarding dividend yields, expected volatility, expected terms and risk free interest rates. The key inputs and assumptions used are as follows:

Share price: The closing price on stock exchange as on the date of grant has been considered for valuing the options granted.

Exercise Price: Exercise Price is the price as determined by the Committee of the Directors of Holding Company.

Risk free interest rate: The risk free interest rate on the date of grant considered for the calculation is the interest rate applicable for a maturity equal to the expected life of the options based on the yield curve for Government bonds.

40 - DISCLOSURES AS REQUIRED BY INDIAN ACCOUNTING STANDARD (IND AS) 19 EMPLOYEE BENEFITS

The Company has classified the various benefits provided to employees as under:-

(a) Defined contribution plans

- Provident fund

The Company has recognized the following amounts in the statement of profit and loss:

(b) Defined benefit plans

- Gratuity

In accordance with Indian Accounting Standard 19, actuarial valuation was done in respect of the aforesaid defined benefit plans based on the following assumptions-

Economic Assumptions

The discount rate and salary increases assumed are the key financial assumptions and should be considered together; it is the difference or 'gap' between these rates which is more important than the individual rates in isolation.

Discount Rate

The discounting rate is based on the gross redemption yield on medium to long term risk free investments. The estimated term of the benefits/obligations works out to zero years. For the current valuation a discount rate of 7.73% p.a. (Previous Year 7.27% p.a.) compound has been used.

Salary Escalation Rate

The salary escalation rate usually consists of at least three components, viz. regular increments, price inflation and promotional increases. In addition to this any commitments by the management regarding future salary increases and the Company's philosophy towards employee remuneration are also to be taken into account. Again a long-term view as to trend in salary increase rates has to be taken rather than be guided by the escalation rates experienced in the immediate past, if they have been influenced by unusual factors.

43. FINANCIAL INSTRUMENTS - ACCOUNTING CLASSIFICATIONS AND FAIR VALUE MEASUREMENTS

The fair values of the financial assets and liabilities are included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale.

The following methods and assumptions were used to estimate the fair values:

1. Fair values of cash and short term deposits, trade and other short term receivables, trade payables, other current liabilities, short term loans from banks and other financial institutions approximate their carrying amounts largely due to short-term maturities of these instruments.
2. Financial instruments with fixed and variable interest rates are evaluated by the Company based on parameters such as interest rates and individual credit worthiness of the counterparty. Based on the evaluation, allowances are taken to account for the expected losses of these receivables.

The company uses the following hierarchy for determining and disclosing the fair values of financial instruments by valuation technique:

Level 1: Quoted (unadjusted) prices in active markets for identical assets or liabilities.

Level 2: Other techniques for which all inputs which have a significant effects on the recorded fair value are observable, either directly or indirectly.

Level 3: Techniques which use inputs that have a significant effects on the recorded fair value that are not based on observable market data.

NOTES ANNEXED TO AND FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2019

44. FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES

The Group's principal financial liabilities comprise of borrowings and trade & other payables. The main purpose of these financial liabilities is to finance the Group's operations and to support its operations. The Group's principal financial assets include Investments, loans given, trade and other receivables and cash & short-term deposits that derive directly from its operations

The Group's risk management is carried out based on the policies approved by the Board of directors. Based on that policy, Group identifies and evaluates financial risks in close co-operation with the Group's operating unit. The board overviews policy related to overall risk management, as well as policies covering specific areas, such as foreign exchange risk, interest rate risk, credit risk and non-derivative financial instruments along with investment of excess liquidity.

Market risk

Market risk is the risk of loss of future earnings, fair values or future cash flows that may result from a change in the price of a financial instrument. The value of a financial instrument may change as a result of changes in the interest rates, foreign currency exchange rates, equity and mutual fund prices and other market changes that affect market risk sensitive instruments. Market risk is attributable to all market risk sensitive financial instruments including investments and deposits, foreign currency receivables, payables and loan borrowings.

"The Holding company is manufacturing woolen & worsted fabrics and felts. The environment in which the Company operates has changed significantly over the past decade, predominantly as a result of introduction of new competitive markets, globalization and changes in the Laws. This, in turn, has resulted in to considerable changes in internal operations, including our risk profile. As the company's operating environment continues to be transformed, embedding risk management principles and practices into strategy development and day to day business processes is critical to achieve robust and proactive commercial outcomes – a balance between mitigation threats and exploiting opportunity; creating and protecting value. Overall, the company expects to strengthen its current position in coming years." "One of the group's subsidiaries, i.e., Dinesh Remedies Limited, is a company that is expecting to derive a good part of its revenues from outside India. Within India, the Company' have an extensive marketing network and goodwill among the customers. The Company is optimistic that with its quality product and good customer relations will enable it to enhance its presence in its chosen markets. The Company is concentrating on serving a rationalized customer base in the domestic market accompanied by higher satisfaction and retention levels as an effective counter to the new entrant in the business."

Interest rate risk

Interest rate risk is the risk that fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. In order to optimize the group's position with regards to the interest income and interest expenses and to manage the interest rate risk, treasury performs a comprehensive corporate interest rate risk management by balancing the proportion of fixed rate and floating rate financial instruments in its total portfolio.

The group is not exposed to significant interest rate risk as at the specified reporting date on account absence of any instruments whose interest rate is dependent on foreign exchange fluctuation.

Refer Notes to account for interest rate profile of the group's interest-bearing financial instrument at the reporting date.

Foreign currency risk

The group operates in domestic as well as international market, however, the nature of its operations requires it to transact in in several currencies and consequently the group is exposed to foreign exchange risk in certain categories of foreign currencies. In current year, about 15 % of the group's revenue is from export. The group has laid down certain procedures to de-risk itself against currency volatility. It also out sources expert advice whenever required. The group evaluates exchange rate exposure arising from foreign currency transactions and the group follows established risk management policies.

I. Foreign Currency Exposure

Refer Note 41 for foreign currency exposure as at March 31, 2019 and March 31, 2018.

II. Foreign Currency Sensitivity

1% increase or decrease in foreign exchange rates will have the following impact on the profit before tax

Currency	2018-19		2017-18	
	1% Increase	1% Decrease	1% Increase	1% Decrease
USD	5.88	(5.88)	1.87	(1.87)

Total	5.88	(5.88)	1.90	(1.90)

NOTES ANNEXED TO AND FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH 2019

Credit risk

Credit risk arises from the possibility that counter party may not be able to settle their obligations as agreed. To manage this, the Group periodically assesses the financial reliability of customers, taking into account the financial condition, current economic trends, and analysis of historical bad debts and ageing of accounts receivable. Individual risk limits are set accordingly.

The Group considers the probability of default upon initial recognition of asset and whether there has been a significant increase in credit risk on an ongoing basis throughout each reporting period. To assess whether there is significant increase in credit risk the Group compares the risk of a default occurring on the asset at the reporting date with the risk of default as the date of initial recognition. It considers reasonable and supportive forward-looking information such as:

- (i) Actual or expected significant adverse changes in business,
- (ii) Actual or expected significant changes in the operating results of the counterparty.
- (iii) Financial or economic conditions that are expected to cause a significant change to the counterparty's ability to meet its obligation,
- (iv) Significant increase in credit risk on other financial instruments of the same counterparty.
- (v) Significant changes in the value of the collateral supporting the obligation or in the quality of third-party guarantees or credit enhancements.

Financial assets are written off when there is no reasonable expectation of recovery, such as a debtor failing to engage in a repayment plan with the Group. The Group categorises a loan or receivable for write off when a debtor fails to make contractual payments greater than reasonable period of time decided by the Management. Where loans or receivables have been written off, the Group continues to engage in enforcement activity to attempt to recover the receivable due. Where recoveries are made, these are recognised in profit or loss.

44. FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES (Contd..)

2. BASIS OF PREPARATION AND SIGNIFICANT ACCOUNTING POLICIES

a) Basis of preparation

In accordance with the notification issued by the Ministry of Corporate Affairs, the Group has adopted Ind AS notified under the Companies (Indian Accounting Standards) Rules, 2015 with effect from April 1, 2017.

b) Functional and presentation currency

These financial statements are presented in Indian rupee, which is the Group's functional currency. All amounts have been rounded to the nearest lakh, unless otherwise indicated.

c) Basis of measurement

The financial statements have been prepared on historical cost basis, except certain financial assets and liabilities which have been measured at fair value (refer accounting policy regarding financial instruments), defined benefits plans - plan assets and contingent consideration. The accounting policies have been consistently applied by the Group and are consistent with those used in the previous year.

All assets and liabilities have been classified as current or non-current as per the Group's normal operating cycle and other criteria set out in the Schedule III to the Act. Based on the nature of products and the time between acquisition of assets for processing and their realization in cash and cash equivalents, the Group has ascertained its operating cycle as 12 months for the purposes of current / non-current classification of assets and liabilities.

Current versus non-current classification

The Group presents assets and liabilities in the balance sheet based on current/ non-current classification.

An asset is treated as current when it is:

- a. Expected to be realized or intended to be sold or consumed in normal operating cycle
- b. Held primarily for the purpose of trading
- c. Expected to be realized within twelve months after the reporting period, or
- d. Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period

All other assets are classified as non-current.

A liability is current when:

- a. It is expected to be settled in normal operating cycle
- b. It is held primarily for the purpose of trading
- c. It is due to be settled within twelve months after the reporting period, or
- d. There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period

All other liabilities are classified as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

SHRI DINESH MILLS LTD.

NOTES ANNEXED TO AND FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH 2019

2A Principles of Consolidation

These consolidated financial statements have been prepared in accordance with Indian Accounting Standard 110 (Ind AS 110) - "Consolidated Financial Statements". These consolidated financial statements comprise the financial statements of the Company and its following subsidiaries: -

Name of the Company	Country of Incorporation	Effective % of holding as at 31st March, 2019	Effective % of holding as at 31st March, 2018
Dinesh Remedies Limited	India	55.52%	55.52%
Fernway Textiles Limited	India	100.00%	100.00%
Fernway Technologies Limited	India	100.00%	100.00%

These consolidated financial statements have been prepared on the following basis:

- the financial statements of the Holding Company and its Indian Subsidiaries have been combined on a line by line basis by adding together the book value of like items of assets, liabilities, income and expenses after fully eliminating intra-group balances and intra-group transactions, if any, based on the audited financial statements received from the Indian Subsidiaries for the year ended 31st March 2019, in Indian Rupees as per the Ind AS provisions.
- These consolidated financial statements have been prepared using uniform accounting policies for like transactions and other events in similar circumstances and are presented, to the extent possible, in the same manner as the Company's standalone financial statements.
- The difference between the cost of investment in the subsidiaries and the Holding Company's share of net assets at the time of acquisition of shares in the subsidiaries is recognized in the consolidated financial statements as Goodwill or Capital Reserve as the case may be.
- Goodwill arising out of consolidation is tested for impairment at each balance sheet date.
- Non-controlling interest in the net assets of consolidated subsidiaries is identified and presented in the consolidated Balance Sheet separately from liabilities and equity of the Holding Company's shareholders.

Non-controlling interest in the net assets of consolidated subsidiaries consists of: -

- the amount of equity attributable to non-controlling interest at the date on which investment in Subsidiary is made; and
- the noncontrolling' share of movements in equity since the date the parent - subsidiary relationship came into existence.

Minority interests share of Net Profit / (Loss) of consolidated subsidiaries for the relevant period is identified and adjusted against the profit after tax of the group.

2B. USE OF ESTIMATES

The preparation of financial statements requires the use of accounting estimates which, by definition, will seldom equal the actual results. Management also needs to exercise judgment in applying the group's accounting policies. This note provides an overview of the areas that involved a higher degree of judgment or complexity, and of items which are more likely to be adjusted due to estimates and assumptions turning out to be different from those originally assessed. Detailed information about each of these estimates and judgments is included in relevant notes together with information about the basis of calculation for each affected line item in the financial statements.

Critical estimates and judgments

The areas involving critical estimates or judgments are:

- Estimation of current tax expense and payable - Refer accounting policies - 3.9
- Estimated useful life of property, plant & equipment and intangible assets - Refer accounting policies - 3.1
- Estimation of defined benefit obligation - Refer accounting policies - 3.8
- Estimation of fair values of contingent liabilities - Refer accounting policies - 3.12
- Recognition of revenue - Refer accounting policies - 3.4
- Recognition of deferred tax assets for carried forward tax losses - Refer accounting policies - 3.9
- Impairment of financial assets - Refer accounting policies - 3.2 & 3.5

NOTES ANNEXED TO AND FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH 2019

Estimates and judgments are continually evaluated. They are based on historical experience and other factors, including expectations of future events that may have a financial impact on the group and that are believed to be reasonable under the circumstances.

3. SIGNIFICANT ACCOUNTING POLICIES

3.1 Property, plant and equipment:

Property, plant and equipment are stated at original cost (including any revaluation in previous years) net of tax / duty credit availed, less accumulated depreciation and accumulated and accumulated impairment losses, if any. Costs include financing costs of borrowed funds attributable to acquisition or construction of fixed assets, up to the date the assets are put-to-use.

When significant parts of property, plant and equipment are required to be replaced at intervals, the Group derecognizes the replaced part, and recognizes the new part with its own associated useful life and it is depreciated accordingly. Where components of an asset are significant in value in relation to the total value of the asset as a whole, and they have substantially different economic lives as compared to principal item of the asset, they are recognized separately as independent items and are depreciated over their estimated economic useful lives.

All other repair and maintenance costs are recognized in the statement of profit and loss as incurred unless they meet the recognition criteria for capitalization under Property, Plant and Equipment

Tangible Fixed Assets:

- (a) In case of Holding Company, premium on leasehold land is being amortized over the period of lease.
- (b) In case of Holding Company, depreciation on all other fixed asset is provided on written down value method except for plant & machinery, wherein straight-line method is followed. Rate of depreciation is accordance with the provisions of section 123 of the Companies Act, 2013 considering the useful life provided in part "C" of the schedule II. Depreciation on additions to the assets during the year is being provided on pro-rata basis with reference to the month of acquisition /installation. Depreciation on assets sold, discarded, demolished or scrapped during the year is being provided up to the month in which such assets are sold, discarded, demolished or scrapped.
- (c) In case of Subsidiary Company i.e. DRL, Depreciation on all the assets is being provided on straight line method in accordance with the provisions of section 123 of the companies Act, 2013 considering the useful life provided in part "C" of the schedule II. The useful life of Continuous process plants and electrical installations are considered based on the technical assessment by the management (20 years life is considered). Depreciation on additions to the assets during the year is being provided on pro rata basis at their respective rates derived from useful life from the date of such addition or as the case may be as provided in section 123 of the Companies Act, 2013. On transition to Ind AS as on April 1, 2016, the Company has elected to measure its Property, Plant and Equipment at cost as per Ind AS.

Intangible Assets:

Intangible assets acquired separately are measured on initial recognition at cost. Following initial recognition, intangible assets are carried at cost less any accumulated amortization and accumulated impairment losses (if any).

An item of intangible asset initially recognized is derecognized upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on de-recognition of the asset [calculated as the difference between the net disposal proceeds and the carrying amount of the asset] is included in the income statement when the asset is derecognized. Intangible fixed assets are amortized on straight line basis over their estimated useful economic life.

Capital Work- in- progress

Capital work- in- progress represents directly attributable costs of construction to be capitalized. All other expenses including interest incurred during construction period are capitalized as a part of the construction cost to the extent to which these expenditures are attributable to the construction as per Ind AS-23 "Borrowing Costs". Interest income earned on temporary investment of funds brought in for the project during construction period are set off from the interest expense accounted for as expenditure during the construction period.

3.2 Impairment of non-financial assets

The carrying amounts of assets are reviewed at each balance sheet date if there is any indication of impairment based on internal/external factors. An impairment loss is recognized wherever the carrying amount of an asset

SHRI DINESH MILLS LTD.

NOTES ANNEXED TO AND FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH 2019

exceeds its recoverable amount. The recoverable amount is the greater of the asset's net selling price and value in use. In assessing value in use, the Group measures it on the basis of discounted cash flows for the remaining year's (remaining useful life) projections estimated based on current prices. Assessment is also done at each Balance Sheet date as to whether there is any indication that an impairment loss recognized for an asset in prior accounting periods may no longer exist or may have decreased. After impairment, depreciation is provided on the revised carrying amount of the asset over its remaining useful life.

3.3 Foreign Currency Transactions

The Group's financial statements are presented in INR, which is also the Group's functional currency.

Initial Recognition

Foreign currency transactions are recorded in the reporting currency, by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency at the date of transaction.

Conversion

Foreign currency monetary items are reported using the closing rate. Non-monetary items, which are measured in terms of historical costs denominated in foreign currency, are reported using the exchange rate at the date of the transaction. Non-monetary items, which are measured at fair value or other similar valuation denominated in a foreign currency, are translated using the exchange rate at the date when such value was determined.

Exchange Differences

Exchange differences arising on the settlement of monetary items or on reporting Group's monetary items at rates different from those at which they were initially recorded during the year or reported in previous financial statements including receivables and payables which are likely to be settled in foreseeable future, are recognized as income or as expenses in the year in which they arise. All other exchange differences are recognized as income or as expenses in the period in which they arise.

Transactions covered under forward contracts are accounted for at the contracted rate. All export proceeds have been accounted for at a fixed rate of exchange at the time of raising invoices. Foreign exchange fluctuations as a result of the export sales have been adjusted in the statement of profit and loss account and export proceeds not realized at the balance sheet date are restated at the rate prevailing as at the balance sheet date.

3.4 Revenue recognition

Effective 01 April 2018, the Group has adopted Indian Accounting Standard 115 (Ind AS 115) 'Revenue from contracts with customers' using the cumulative catch-up transition method, applied to contracts that were not completed as on the transition date i.e. 01 April 2018. Accordingly, the comparative amounts of revenue and the corresponding contract assets / liabilities have not been retrospectively adjusted. The effect on adoption of Ind-AS 115 was insignificant. Revenue is recognized on satisfaction of performance obligation upon transfer of control of promised products or services to customers in an amount that reflects the consideration the Group expects to receive in exchange for those products or services. The Group does not expect to have any contracts where the period between the transfer of the promised goods or services to the customer and payment by the customer exceeds one year. As a consequence, it does not adjust any of the transaction prices for the time value of money. Revenue is recognized to the extent it is probable that the economic benefits will flow to the Group and the revenue can be reliably measured. Specifically,

- (i) Domestic Sales are recognized as revenue on transfer of significant risk, rewards and control of ownership which is generally on dispatch of products to the customers.
- (ii) Export Sales are recognized as revenue on transfer of significant risk, rewards and control of ownership which is generally on the basis of the dates of Bill of Lading and / or Air Way Bill.
- (iii) Export incentives benefits under "Duty Entitlement Pass Book under the Duty Exemption Scheme" and "Duty Draw back scheme" are accounted in the year of exports.
- (iv) Dividend income is accounted for in the year in which the right to receive the same is established
- (v) Interest income is recognized on a time proportion basis taking into account the amount outstanding and the rate applicable
- (vi) Claims receivable on account of Insurance are accounted for to the extent the Group is reasonably certain of their ultimate collection.

3.5 Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

A. Financial Assets

a. Initial recognition and measurement:

All financial assets are recognized initially at fair value (FVOCI / amortized cost / FVTPL). Purchases or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the market place [regular way trades] are recognized on the settlement date, trade date, i.e., the date that the Group commits to purchase or sell the asset.

b. Subsequent measurement:

For purposes of subsequent measurement, financial assets are classified in four categories:

i. Debt instruments at amortized cost:

A 'debt instrument' is measured at the amortized cost if both the following conditions are met:

- The asset is held with an objective of collecting contractual cash flows
- Contractual terms of the asset give rise on specified dates to cash flows that are "solely payments of principal and interest" [SPPI] on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortized cost using the effective interest rate [EIR] method. Amortized cost is calculated by taking into account any discount or premium on acquisition (if any) and fees or costs that are an integral part of the EIR. The EIR amortization is included in finance income in the Statement of Profit and Loss. The losses arising from impairment are recognized in the profit or loss. This category generally applies to trade and other receivables.

ii. Debt instruments at fair value through other comprehensive income [FVTOCI]:

A 'debt instrument' is classified as at the FVTOCI if both of the following criteria are met:

- The asset is held with objective of both - for collecting contractual cash flows and selling the financial assets
- The asset's contractual cash flows represent SPPI.

Debt instruments included within the FVTOCI category are measured initially as well as at each reporting date at fair value. Fair value movements are recognized in the other comprehensive income [OCI]. However, the Group recognizes interest income, impairment losses & reversals and foreign exchange gain or loss in the Statement of Profit and Loss. On derecognition of the asset, cumulative gain or loss previously recognized in OCI is reclassified from the equity to Statement of Profit and Loss.

iii. Debt instruments, derivatives and equity instruments at fair value through profit or loss [FVTPL]:

FVTPL is a residual category for debt instruments. Any debt instrument, which does not meet the criteria for categorization as at amortized cost or as FVTOCI, is classified as at FVTPL. Debt instruments included within the FVTPL category are measured at fair value with all changes recognized in the P&L.

iv. Equity instruments measured at fair value through other comprehensive income [FVTOCI]:

All equity investments in scope of Ind AS 109 are measured at fair value. Equity instruments which are held for trading and contingent consideration recognized by an acquirer in a business combination to which Ind AS103 applies are classified as at FVTPL. For all other equity instruments, the Group may make an irrevocable election to present in other comprehensive income subsequent changes in the fair value. The Group has made such election on an instrument by- by instrument basis. The classification is made on initial recognition and is irrevocable. If the Group decides to classify an equity instrument as at FVTOCI, then all fair value changes on the instrument, excluding dividends, are recognized in the OCI. There is no recycling of the amounts from OCI to Statement of Profit and Loss, even on sale of investment. However, the Group may transfer the cumulative gain or loss within equity. Equity instruments included within the FVTPL category are measured at fair value with all changes recognized in the Statement of Profit and Loss.

SHRI DINESH MILLS LTD.

NOTES ANNEXED TO AND FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH 2019

c. Derecognition:

A financial asset is primarily derecognized when:

- i. The Group has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement? and either [a] the Group has transferred substantially all the risks and rewards of the asset, or [b] the Group has neither transferred nor retained substantially all the risks and rewards of the asset but has transferred control of the asset.

B. Financial liabilities:

a. Initial recognition and measurement:

Financial liabilities are classified, at initial recognition, as financial liabilities at fair value through profit or loss, loans and borrowings, payables, or as over the counter derivatives designated as hedging instruments in an effective hedge, as appropriate. All financial liabilities are recognized initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

b. Subsequent measurement:

The measurement of financial liabilities depends on their classification, as described below:

- i. Financial liabilities at fair value through profit or loss:

Financial liabilities at fair value through profit or loss include financial liabilities held for trading and financial liabilities designated upon initial recognition as at fair value through profit or loss. This category also includes over the counter derivative financial instruments entered into by the Group that are not designated as hedging instruments in hedge relationships as defined by Ind AS 109.

Financial liabilities designated upon initial recognition at fair value through profit or loss are designated as such at the initial date of recognition, and only if the criteria in Ind AS 109 are satisfied for liabilities designated as FVTPL, fair value gains/ losses attributable to changes in own credit risk are recognized in OCI. These gains/ losses are not subsequently transferred to P&L. However, the Group may transfer the cumulative gain or loss within equity. All other changes in fair value of such liability are recognized in the statement of profit or loss. The Group has not designated any financial liability as at fair value through profit and loss.

- ii. Loans and borrowings:

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortized cost using the EIR method. Gains and losses are recognized in profit or loss when the liabilities are derecognized as well as through the EIR amortization process. Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortization is included as finance costs in the statement of profit and loss.

c. Derecognition:

A financial liability is derecognized when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognized in the statement of profit or loss.

C. Reclassification of financial assets:

The Group determines classification of financial assets and liabilities on initial recognition. After initial recognition, no reclassification is made for financial assets which are equity instruments and financial liabilities. For financial assets which are debt instruments, a reclassification is made only if there is a change in the business model for managing those assets. Changes to the business model are expected to be infrequent. If the Group reclassifies financial assets, it applies the reclassification prospectively from the reclassification date which is the first day of the immediately next reporting period following the change in business model. The Group does not restate any previously recognized gains, losses [including impairment gains or losses] or interest.

NOTES ANNEXED TO AND FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH 2019

D. Offsetting of financial instruments:

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognized amounts and there is an intention to settle on a net basis, to realize the assets and settle the liabilities simultaneously.

3.6 Fair Value Measurement

The Group measures financial instruments at fair value at each balance sheet date. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- a. In the principal market for the asset or liability, or
- b. In the absence of a principal market, in the most advantageous market for the asset or liability

The principal or the most advantageous market must be accessible by the Group. The Group uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- Level 1 - Quoted [unadjusted] market prices in active markets for identical assets or liabilities
- Level 2 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable
- Level 3 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

3.7 Inventories

- i. Stores, Machinery Spares, Coal, etc. are valued at cost or net realizable value whichever is lower. Cost is arrived at on 'Moving Weighted Average Cost basis';
- ii. Raw Materials are valued at cost or net realizable value whichever is lower. Cost is arrived at on 'Specific Identification cost basis'
- iii. Materials in Process and Finished Goods are valued at cost or net realizable value, whichever is lower. Cost comprises all cost of purchase, cost of conversion and other costs incurred in bringing the inventories to their present location and condition.
- iv. Materials in Customs Bonded Warehouse and in transit are stated at cost, up to the date of Balance Sheet.
- v. Due allowance is estimated and provided for defective and obsolete items, wherever necessary, based on the past experience of the Group.

3.8 Retirement benefits

Retirement benefit costs for the year are determined on the following basis:

i. Defined Contribution Plan:

Group's contribution paid/payable during the period to Provident Fund, Employee Deposit Linked Insurance Plan, Super Annuation Fund, Employee State Insurance Plan and Labour Welfare Fund are recognized as an expense in the Profit and Loss Account.

ii. Defined Benefit Plan:

Provision for payments to the Employees Gratuity Fund after taking into account the funds available with the Trustees of the Gratuity Fund is based on actuarial valuation done at the close of each financial year.

At the reporting date Group's liabilities towards gratuity is determined by independent actuarial valuation using the projected unit credit method as per Ind AS 19. Re-measurements, comprising of actuarial gains and losses, the effect of the asset ceiling, excluding amounts included in net interest on the net defined benefit liability and the return on plan assets (excluding amounts included in net interest on the net defined benefit liability), are recognized immediately in the balance sheet with a corresponding debit or credit to other comprehensive income in the period in which they occur. Re-measurements are not classified to the statement of profit and loss in subsequent periods.

SHRI DINESH MILLS LTD.

NOTES ANNEXED TO AND FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH 2019

iii. Other defined benefits

Provision for other defined benefits for long term leave encashment is made based on an independent actuarial valuation on projected unit credit method at the end of each financial year. Actuarial gain and losses are recognized as give in (ii) above.

- iv. Group recognizes the undiscounted amount of short term employee benefits during the accounting period based on service rendered by employees.
- v. Compensation and gratuity paid on account of Voluntary Retirement Scheme (VRS) is treated as revenue expenditure as and when the scheme is announced by the Group which is in line with the provisions related to constructive obligations as stated in Ind AS 37.

Net interest is calculated by applying the discount rate to the net defined benefit liability or asset.

3.9 Taxes on Income

Tax expense comprises current and deferred tax. Current income tax is measured at the amount expected to be paid to the tax authorities in accordance with the Income Tax Act, 1961 and tax laws prevailing in the respective tax jurisdictions where the Group operates. Current tax items are recognized in correlation to the underlying transaction either in P&L, OCI or directly in equity.

Deferred tax is provided using the liability method on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

Deferred tax liabilities are recognized for all taxable temporary differences. Deferred tax assets are recognized for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses. Deferred tax assets are recognized on the basis of reasonable certainty that the Group will be having sufficient future taxable profits and based on the same the DTA has been recognized in the books.

The carrying amount (if any) of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilized. Unrecognized deferred tax assets are re-assessed at each reporting date and are recognized to the extent the management estimates that it has become reasonable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates [and tax laws] that have been enacted or substantively enacted at the reporting date.

Deferred tax items are recognized in correlation to the underlying transaction either in OCI or directly in equity. Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities.

3.10 Borrowing costs

Borrowing cost includes interest, amortization of ancillary costs incurred in connection with the arrangement of borrowings and exchange differences arising from foreign currency borrowings to the extent they are regarded as an adjustment to the interest cost.

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalized as part of the cost of the respective asset. All other borrowing costs are expensed in the period they occur.

Borrowing costs which are not specifically attributable to the acquisition, construction or production of a qualifying asset, the amount of borrowing costs eligible for capitalization is determined by applying a weighted average capitalization rate. The weighted average rate is taken of the borrowing costs applicable to the outstanding borrowings of the Group during the period, other than borrowings made specifically for the purpose of obtaining a qualifying asset. The amount of borrowing costs capitalized cannot exceed the amount of borrowing costs incurred during that period.

3.11 Earnings per equity share

Basic earnings per share is calculated by dividing the net profit or loss from continuing operation and total profit, both attributable to equity shareholders of the Group by the weighted average number of equity shares outstanding during the period.

3.12 Provisions, Contingent Liabilities and Contingent Assets:

Provision is recognized when the Group has a present obligation (legal or constructive) as a result of past events

NOTES ANNEXED TO AND FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH 2019

and it is probable that the outflow of resources will be required to settle the obligation and in respect of which reliable estimates can be made.

A disclosure for contingent liability is made when there is a possible obligation, that may, but probably will not require an outflow of resources. When there is a possible obligation or a present obligation in respect of which the likelihood of outflow of resources is remote, no provision/ disclosure is made. The Group does not recognize a contingent liability but discloses its existence in the financial statements.

Contingent assets are not recognized in the financial statements. Provisions and contingencies are reviewed at each balance sheet date and adjusted to reflect the correct management estimates.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. Commitments include the amount of purchase order (net of advances) issued to parties for completion of assets. Provisions, contingent liabilities, contingent assets and commitments are renewed at each balance sheet date.

3.13 Cash and Cash Equivalents

Cash and cash equivalent comprise cash on hand and demand deposits with banks which are short-term, highly liquid investments that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value.

3.14 Provisions

Provisions are recognized when the Group has a present obligation (legal or constructive) as a result of a past event, and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost.

3.15 Government Subsidies

The Group recognizes government subsidies / grant as per the criteria given under Ind AS 20.

- i. Government subsidies are recognized when there is reasonable assurance that the same will be received.
- ii. Revenue subsidies (for expenses that are already incurred) are reduced from the respective expenditure presented in the profit and loss account.
- iii. Capital subsidies relating to specific fixed assets are recognized in statement of profit and loss on a systematic basis over the useful life of the assets.

3.16 Exceptional items

Certain occasions, the size, type or incidence of an item of income or expense, pertaining to the ordinary activities of the Group is such that its disclosure improves the understanding of the performance of the Group, such income or expense is classified as an exceptional item and accordingly, disclosed in the notes accompanying to the financial statements.
