Dear Sirs,

Sub: Update on the Fire Accident that took place in our unit in Sarigam on January 28, 2019

This has reference to our earlier letters dated January 29, 2019 and January 30, 2019 informing you about a fire accident that took place at the product godown in one of our manufacturing units at Sarigam, Gujarat, and the closure notice issued by Gujarat State Pollution Control Board (GPCB) consequent to the said incident.

We wish to inform you that we have received letter from GPCB dated June 14, 2019 revoking its earlier closure notice. The revocation is for a period of three months, and the Company would be submitting the action taken report as required by GPCB within the stipulated 3 months period to obtain permanent revocation of the closure notice.

The Company is taking necessary steps to resume operations at its Sarigam unit shortly.

We request you to take note of the same.

Thanking you,

Yours faithfully,
For **Coromandel International Limited**
