- The above results have been reviewed by the Audit Committee and approved by the Board of Directors at the meeting held on August 13, 2019. The Statutory Auditors have carried out Limited Review of the Standalone Unaudited Financial Results of the Company as per the requirements of SEBI (Listing and Other Disclosure requirements) Regulations, 2015, as amended.
- The Company carries out its business ventures through various entities. The funds required for projects in those entities are secured through financial guarantees of the Company. The bankers / financial Institutions provide a restrictive covenant while lending, not to charge guarantee commission for the financial guarantees provided by the Company. As per Ind AS 109 – "Financial Instruments", there has to be fair valuation of the financial guarantees and subsequent measurements thereof as per expected credit loss method. However, considering the restrictive covenants and its model of execution of the projects through such entities, the Management is of the opinion that there cannot be fair valuation of the financial guarantees issued aggregating Rs. 293,552.00 lacs as on June 30, 2019.

4 Note on "Control" of the Company in Marine Drive Hospitality and Realty Private Limited (MDHRPL):

a) Total 2,470,600 numbers of Redeemable optionally cumulative convertible preference shares ("ROCCPS") Series A and 29,415 numbers of ROCCPS Series C of MDHRPL held by the Company amounting to Rs 2,180.74 lacs has been attached by an attachment order issued by adjudicating authority under Prevention of Money Laundering Act (PMLA) and therefore, all the rights of the Company as a shareholder have been suspended till the time attachment continues. Hence, there is no impact on current financial results due to change in accounting policies on account of adoption of Ind AS 116.

D B Realty Limited

1. We have reviewed the accompanying Statement of Unaudited Standalone Financial Results of D B Realty Limited ("the Company") for the quarter ended June 30, 2019 ("the Statement"), being submitted by the Company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended.
2. This Statement, which is the responsibility of the Company's Management and approved by the Board of Directors, has been prepared in accordance with recognition and measurement principles laid down in Indian Accounting Standard 34 "Interim Financial Reporting" as prescribed under Section 133 of Companies Act, 2013 ("the Act") read with relevant rules issued there under and other accounting principles generally accepted in India. Our responsibility is to issue a report on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagement (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review is limited primarily to inquiries of the company personnel and analytical procedures applied to financial data and thus provide less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.
4. Basis of qualification
 - a. As stated in Note 2 to the Statement regarding non recognition/ re-measurement of financial guarantees aggregating Rs. 293,552.00 lakhs issued to banks/ financial institutions on behalf of various entities at fair value as required under Ind AS 109 - Financial Instruments. In absence of measurement of financial guarantees at fair value, we are unable to comment on the effects on the loss for the quarter ended June 30, 2019.

- b. As stated in Note 3 to the Statement regarding non-evaluation of impairment provision in accordance with Ind AS 109 - Financial Instruments and Ind AS 36 - Impairment of Assets, for loans and receivables aggregating Rs. 51,646.14 lakhs and Investments aggregating Rs. 128,236.58 lakhs respectively on June 30, 2019 to certain subsidiaries and related parties which have incurred significant losses or have negative net worth. - c. As stated in Note 4 to the Statement regarding measurement of its investments in equity instruments of one of its subsidiary company at fair value through other comprehensive income which the Management has not considered as a subsidiary. Had it been treated as a subsidiary, then as per accounting policy, it should be measured at cost. Consequently, investments in these instruments and other comprehensive income are higher by Rs. 14,967.01 lakhs and Rs. 11,853.87 lakhs (net of tax) respectively as on June 30, 2019.
5. Based on our review conducted and procedures performed as stated in paragraph 3 above and subject to the possible effects of the matters described in paragraph 4 above, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the recognition and measurement principles laid down in the aforesaid Indian Accounting Standard and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended, including the manner in which it is to be disclosed, or that it contains any material misstatement.
6. We draw attention to :
- a. As regards security deposits aggregating Rs. 6,918.10 lakhs as on June 30, 2019, given to various parties for acquisition of development rights, as explained by the Management, the Company is in process of obtaining necessary approvals with regard to these properties and that their current market values are significantly in excess of their carrying values and are expected to achieve adequate profitability on substantial completion of such projects.
- b. As regards return on investments of Rs. 81,286.38 lakhs in preference shares in a subsidiary company as on June 30, 2019. As explained by the Management, such investments are considered strategic and long term in nature and the current market value and future prospects of such investments are significantly in excess of Company's investment in the investee company.
- c. As regards status of inventory consisting of projects having aggregate value of Rs. 28,390.56 lakhs as on June 30, 2019 and the opinion framed by the Management about realizable value of the cost incurred, being a technical matter, has been relied upon by us.

- d. As regards certain allegations made by the Enforcement Directorate against the Company and its two Key Managerial Persons, in a matter relating to Prevention of Money Laundering Act, 2002, this matter is sub-judice and the impact, if any, of the outcome is unascertainable at this stage.
- e.
