INDEPENDENT AUDITOR'S REVIEW REPORT ON REVIEW OF INTERIM STANDALONE FINANCIAL RESULTS

TO THE BOARD OF DIRECTORS OF AMBUJA CEMENTS LIMITED

1. We have reviewed the accompanying Statement of Standalone Unaudited Financial Results of **AMBUJA CEMENTS LIMITED** ("the Company"), which includes a joint operation consolidated on a proportionate basis for the quarter ended March 31, 2022 ("the Statement"), being submitted by the Company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended.
2. This Statement, which is the responsibility of the Company's Management and approved by the Company's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in the Indian Accounting Standard 34 "Interim Financial Reporting" ("Ind AS 34"), prescribed under Section 133 of the Companies Act, 2013 read with relevant rules issued thereunder and other accounting principles generally accepted in India. Our responsibility is to express a conclusion on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 'Review of Interim Financial Information Performed by the Independent Auditor of the Entity', issued by the Institute of Chartered Accountants of India (ICAI). A review of interim financial information consists of making inquiries, primarily of the Company's personnel responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing specified under section 143(10) of the Companies Act, 2013 and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
4. Based on our review conducted as stated in paragraph 3 above, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the recognition and measurement principles laid down in the aforesaid Indian Accounting Standard and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended, including the manner in which it is to be disclosed, or that it contains any material misstatement.
5. We draw attention to Note 2 to the Statement which describes the following matters:
 - a. In terms of the order dated 31st August, 2016, the Competition Commission of India (CCI) had imposed a penalty of Rs.1,163.91 crores for alleged contravention of the provisions of the Competition Act, 2002 (the Competition Act) by the Company. On the Company's appeal, National Company Law Appellate Tribunal (NCLAT), which replaced the Competition Appellate Tribunal (COMPAT) effective 26th May, 2017, in its order passed on 25th July, 2018 had upheld the CCI's Order. The Company's appeal against

Deloitte Haskins & Sells LLP

the said judgement of NCLAT before the Hon'ble Supreme Court was admitted vide its order dated 5th October, 2018 with a direction that the interim order passed by the Tribunal would continue.

b. In a separate matter, pursuant to a reference filed by the Government of Haryana, the CCI vide its order dated 19th January, 2017, had imposed a penalty of Rs.29.84 crores for alleged contravention of the provisions of the Competition Act. On Company's filing an appeal together with the application for interim stay against payment of penalty, COMPAT has stayed the penalty pending hearing of the application. The matter is listed before the NCLAT for hearing.

Based on the Company's assessment on the outcome of these appeals supported by the advice of external legal counsel, the Company is of the view that no provision is necessary in respect of these matters in the Standalone Financial Results.

Our conclusion on the Statement is not modified in respect of these matters.

The January to March 2022 quarter was impacted by rising fuel prices due to which EBITDA during the quarter was lower by 19%. The ongoing and new investments in the Waste Heat Recovery Systems approved by the Board will support our efficiency initiatives and lead to the delivery of our sustainability goals.”
