Dear Sirs/Madam,

**Sub: Disclosure under Regulation 30 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015**

Pursuant to the Regulation 30 read with Schedule III of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 and Circular Ref no. CIWCFDICMD/4/2015 dated 9<sup>th</sup> September 2015 issued by SEBI, it is hereby informed that a fire occurred at one of the VSF manufacturing Unit of the Company at Harihar, Karnataka, India ("Unit") (installed capacity – 95K TPA) on 30<sup>th</sup> April 2023 at around 19:30 pm (IST), which was put off in around ~ 2 hours. This has led to stoppage of Unit operations temporarily. The fire incident has not resulted into any human injury or casualty. The loss of the material / equipment is being assessed, which is adequately covered by the appropriate Insurance policy.

The management has initiated steps for early restart of the operations, which may take about 3-4 weeks' time. However, the product supply to the customers will not get impacted as the demand will be met from inventory at Harihar / other VSF Units of the Company. As a result, this is not likely to have material impact on the Company's profitability.

The above is for your information and record.

Thanking you,

Yours sincerely,

**For Grasim Industries Limited**
