Sub: Newspaper Publication of Unaudited Financial Results for the quarter and nine months ended 31st December, 2022

Dear Sir,

In terms of Regulations 47 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, Unaudited Financial Results of POWERGRID for the quarter and nine months ended 31st December, 2022 published in newspapers are submitted please.

Thanking You,

Yours faithfully,

(Mrinal Shrivastava)
Company Secretary &
Compliance Officer

However, around 80% of consumers have already linked their power connection with PPP, according to power discom DHBVN.

In April 2022, the state government made PPP mandatory for power consumers, both existing and new ones.

PPP is basically a family identity card that contains details of all members, including their bank accounts. Those who aren't natives of the state shall also be required to get themselves enrolled for PPP. They will get a nine-digit temporary ID that starts with the letter 'T'.

However, of a total of 40.39 lakh DHBVN connections, around 26.41 lakh have been linked with family IDs to date. In the urban areas of Gurgaon and Faridabad, people are still hesitant to enroll for PPP. DHBVN area covers districts like Bhiwani, Faridabad, Fatehabad, Gurgaon,

Hisar, Jind, Narnaul, Palwal, Rewari and Sirsa.

"All the existing customers need to be linked with the PPP," DHBVN's MD Amit Khatri told the superintendent engineers. Consumers can link their PPP online as well on the discom's website — <https://epayment.dhbvn.org.in/update-KYC.aspx> — by updating their KYC.

Rewari has the maximum mapping, wherein around 80.75% of consumers have linked their PPP with their electricity connection. This is followed by Palwal at 79.85%, Jind at 75.07% and Narnaul at

72.49%. In Fatehabad, Bhiwani, Hisar and Sirsa, around 60-70% of consumers have completed the formalities.

However, the biggest resistance for the drive comes from Gurgaon, where around 50% of over 3.5 lakh existing consumers have so far opted to link their electricity account with PPP. "Till now, there is no penal provision. But sooner or later, everyone will have to get PPP and link it with their connection," said an official.

In Gurgaon, some residents have reservations about PPP as they will have to disclose their

family income. "We don't want any government benefits and schemes, so why should we enroll for PPP?" said Suman Prakash, a resident of Sector 50. "There's Aadhaar card, what is the need for PPP?"

The Haryana Parivar Pehchan Act was notified by the state government on September 6, 2021. Under the provisions of the act, all the benefits, schemes, subsidies and services will have to be linked to the PPP number. In order to map the existing electricity consumers in Haryana, a mobile application has been developed.

minimum temperature was recorded at 11.4°C on the previous day. The temperature according to the India Meteorological Department, likely to rise by 2-3°C in the next 48 hours as a fresh western disturbance is likely to affect the western Himachal region from Thursday.

"As a western disturbance is likely to move in the region, dry weather will prevail over Punjab, Haryana and Chandigarh for the next five days. Windy conditions will prevail during the next three days. Also, foggy conditions are expected to reduce owing to strong winds in the region. There will not be a major change in the minimum temperature for the next 24 hours. It will gradually rise thereafter," said an IMD official, adding that the region may not witness cold wave conditions, while fog-like conditions are likely on Thursday.

विशेषज्ञ की राय

डॉ. के. श्रीनाथ रेड्डी, प्रोफेसर, पब्लिक हेल्थ
फाउंडेशन ऑफ इंडिया

निजी मेडिकल कॉलेज के शोधार्थियों को लाभ मिलेगा

बजट में दो पहलू बेहद महत्वपूर्ण हैं। एक इसमें अनुसंधान को बढ़ावा देने के लिए नई पहल की गई है। निजी मेडिकल कॉलेज के शोधकर्ता एवं निजी कंपनियों के शोधकर्ताओं को भी आईसीएमआर की प्रयोगशालाओं के नेटवर्क का लाभ मिलेगा। फायदा यह होगा कि दवा एवं टीकों के अनुसंधान के लिए सिर्फ सरकारी

क्षेत्रों पर निर्भरता नहीं रहेगी, बल्कि निजी क्षेत्र की भी हिस्सेदारी बढ़ेगी। दरअसल, कोविड काल में टीकों के निर्माण से दुनिया में भारत की जो प्रतिष्ठा बढ़ी है, यह फैसला भविष्य में उसे आगे बढ़ाएगा। इसी प्रकार आदिवासी इलाकों में सिकल सेल एनीमिया की बीमारी के उन्मूलन की पहल भी महत्वपूर्ण है।

लोगों की उम्मीदों संग विश्वासघात'

विपक्ष का वार

दिल्ली, विशेष संवाददाता। कांग्रेस ने आम बजट को ज्यादातर लोगों की उम्मीदों के साथ विश्वासघात कर दिया है। पार्टी का कहना है कि सरकार को जनता, महंगाई, बेरोजगारी और अमीर और गरीब के बीच बढ़ती है की कोई चिंता नहीं है। पार्टी के पूर्व अध्यक्ष राहुल गांधी ने मित्रकाल का बजट करार दिया। उन्होंने ट्वीट कर कहा कि बजट में

नौकरियां पैदा करने, महंगाई से निपटने और असमानता को दूर करने का कोई विजन नहीं है। देश में 42 फ्रीसदी युवा बेरोजगार है, पर प्रधानमंत्री को परवाह नहीं है।

पार्टी अध्यक्ष मल्लिकार्जुन खड़गे ने आम बजट को नाम बढ़े और दर्शन छोटे बजट बताया। उन्होंने ट्वीट कर कहा कि बजट भाजपा पर जनता का लगातार गिरते विश्वास का सबूत है। बजट में बेरोजगारी और महंगाई का हल ढूंढने की कोई भी कोशिश नहीं की है। बजट में महात्मा गांधी ग्रामीण

रोजगार गारंटी योजना (मनरेगा) में 38,468 करोड़ कम कर दिए गए हैं। कांग्रेस के वरिष्ठ नेता एवं पूर्व वित्त मंत्री पी. चिदंबरम ने बजट के जरिए केंद्र सरकार पर निशाना साधते हुए कहा कि केंद्रीय बजट देश के ज्यादातर लोगों की उम्मीदों के साथ विश्वासघात है। उन्होंने कहा कि वित्तमंत्री निर्मला सीतारमण का बजट भाषण यह प्रदर्शित करता है कि जनता, उसके जीवन, आजीविका तथा अमीर और गरीब के बीच बढ़ती खाई से सरकार कितनी अनजान है।

2023-24 GTR numbers that the slowdown in tax collections is of a smaller magnitude than nominal growth. Growth, which was 12.3% in 2022-23 has been pegged at 10% in 2023-24. The 2023-24 budget has been able to achieve by assuming a higher tax

to increase tax buoyancy in indirect taxes, most of which will have to be driven by Goods and Services Tax (GST).

This could be a result of the government's confidence that its efforts to improve compliance in the GST system have brought in long-term gains.

India's per capita income exponentially from 1.97 lakh (2400\$). True to its name: 1st budget from Amrit Kaal." Under the new tax regime, the rebate limit has been increased to ₹7 lakh from ₹5 lakh earlier. Additionally, the number tax slabs will be cut to 5 instead of 7 in the new regime.

or allocated for the specific purposes.

These include: Scrapping old government vehicles, urban planning reforms and actions, financing reforms in urban local bodies to make them credit-worthy for municipal bonds, housing for police per-

states has reduced from 31.7% to 29.5% of the GDP in the wake of the 20% threshold set by the FRBM (fiscal responsibility and budget management) committee in 2018 and states put more money into capital expenses in FY22-23 compared to the previous three years.
