# Met Shah over farm laws: Captain amid switch buzz

PRESS TRUST OF INDIA  
New Delhi, 29 September

Former Punjab chief minister Amarinder Singh met Union Home Minister Amit Shah at his residence in New Delhi on Wednesday, triggering speculation over his future plans ahead of the Assembly polls in the state.

After his meeting that lasted for about 45 minutes, Singh tweeted "met Union Home Minister Amit Shah ji in Delhi. Discussed the prolonged farmers' agitation against #FarmLaws & urged him to resolve the crisis urgently with the repeal of the laws & guarantee MSP, besides supporting Punjab in crop diversification. #NoFarmersNoFood." However, the politically significant meeting, which came days after Singh resigned as Punjab chief minister, raised speculation over his future plans ahead of the assembly polls with some political analysts viewing it as an indication that Singh may be seeking the support of the Bharatiya Janata Party (BJP).

Sources said the former Punjab chief minister is learnt to have also discussed the internal security situation in Punjab with Shah. Singh has been claiming that instability in Punjab may give Pakistan a handle to create disturbance in the border state. He has also accused Congress leader Navjot Singh Sidhu of being "close

to (Pakistani Prime Minister) Imran Khan" and alleged that he is "dangerous" for the border state. Singh arrived in the national capital on Tuesday.

There are reports that Amarinder may call on Prime Minister Narendra Modi, but there is no official confirmation.

According to the sources, the veteran Congress leader may also meet some of the 'Group of 23' leaders, including Kapil Sibal and Ghulam Nabi Azad.

Singh's meeting with Shah assumes significance as the Congress leader has not divulged his future plans but had asserted that he has not quit politics and would fight till the end. Singh has also said that there were several options before him. He had also launched a scathing attack on his bete noire, Sidhu, who was appointed as the president of the Punjab unit of the Congress.

Sidhu quit as the Punjab Congress chief on Tuesday.

# MoD approves procurement of ₹13,165-cr military hardware

PRESS TRUST OF INDIA  
New Delhi, 29 September

The defence ministry on Wednesday approved the procurement of military platforms and hardware worth ₹13,165 crore that included 25 indigenously-developed ALH Mark-III helicopters for the Indian Army to boost its combat capabilities.

The cost of acquiring the advanced light helicopters from the state-run Hindustan Aeronautics Ltd (HAL) has been estimated at ₹3,850 crore while a batch of rocket ammunition will cost ₹4,962 crore, the defence ministry said.

The approval for procurement of the helicopters for the Army came six days after the ministry firmed up another big-ticket deal under which 118 Main Battle Tanks (MBTs) Arjun are being acquired for the force for ₹7,523 crore.

The indigenously designed and developed ALH Mark-III is a twin-engine, multi-role, multi-mission new generation helicopter in the 5.5-ton weight category.

The procurement proposals were

approved at a meeting of the Defence Acquisition Council (DAC) that was chaired by Defence Minister Rajnath Singh.

Out of the total procurements, equip-

ment and platforms worth ₹11,486 crore will be sourced from domestic entities, the ministry said.

"The DAC accorded Acceptance of Necessity (AoN) for capital acquisitions proposals for modernisation and operational needs of the Indian Armed Forces amounting to approximately ₹13,165 crore. Of the total amount approved, procurement worth ₹11,486 crore (87 per cent) is from the domestic sources," the ministry said in a statement.

The proposals approved by the DAC also included procurement of guided munition. The DAC is the highest decision-making body of the defence ministry on procurement.

"Looking into the need of the Indian Army for an Advanced Light Helicopters (ALH) Squadron, to improve its integral lift capability ensuring its operational preparedness, the DAC accorded approval of procurement of 25 ALH Mark III helicopters from the HAL," the ministry said.

The Indian Army has been pressing for procurement of the ALH to strengthen its lift capabilities.

## Invesco moves...

Kurien and Chokhani resigned just a day before the company's annual general meeting of shareholders on September 14.

Within days, ZEEL announced a merger proposal with rival Sony Pictures. The deal would give a majority stake to Sony shareholders and dilute the stake of Zee shareholders. The Subhash Chandra family, however, would receive an extra 2 per cent stake in the merged entity as non-compete fee, taking

their total stake to 4 per cent.

According to law, the ZEE board has to take a decision on the EGM within three weeks and the deadline is not over yet. In a letter dated September 23, Invesco and Oppenheimer Fund asked the ZEEL board again to adhere to its fiduciary duties and not violate its statutory obligations to convene the EGM, as requisitioned earlier.

## Term insurance...

In addition, there was a rise in mortality rates due to the Covid-19 pandemic, particularly after the second wave.

The increase in reinsurance rates will be passed on to customers. The extent of premium hike will, however, vary from one insurer to another.

"Most insurance companies will have to pass on the rate hike. They will not be able to absorb a rate hike of 30-40 per cent. Some insurers may postpone it for a few months, but it will always come to customers, sooner or later," said Naval Goel, founder and chief executive officer, PolicyX.com - an online insurance aggregator.

How much of the reinsurance rate hike will be passed on by each insurer will depend on the quality of book, the claim ratio, etc.

## DHFL buy...

On the retail side, it will also look at offering used cars and two-wheeler loans, education loans for vocational and online courses, small builder finance to meet construction finance requirements, unsecured business loans, personal loans, and loans against securities.

With the completion of the acquisition, Piramal Capital & Housing Finance will be merged with DHFL in the weeks to come. The merged entity will focus on affordable housing with a smaller ticket size. "The merger will happen in the next two weeks. It will serve the market in tier I-III cities," he said.

There will be significant improvement in the number of branches, as well as geographical locations Piramal has footprint in after the acquisition. From 10 states and 40 cities, the presence of the merged entity will increase to 24 states and 236 cities and towns. The customer base will increase to nearly 1 million, making it one of the most dominant players in the affordable housing market.

The merged entity will have a book size of around ₹60,000-65,000 crore, with

301 branches and 2,338 employees.

The total consideration paid by Piramal Group for acquiring DHFL in the corporate insolvency resolution process is ₹34,250 crore, which includes an upfront cash component of ₹14,700 crore and issuance of debt instruments of ₹19,550 crore (10-year non-convertible debentures at 6.75 per cent per annum on a half-yearly basis).

In a statement to the exchanges, Piramal Enterprises said the creditors of DHFL will recover an aggregate amount of ₹38,000 crore from DHFL's resolution, which includes ₹34,250 crore paid by Piramal Enterprises and ₹3,800 crore from the cash balance of DHFL.

## AI reserve...

Tatas have done extensive due diligence involving three teams from Air Asia India, Tata Consultancy Services and external consultants Seabury, Bain, Alvarez & Marshall and law firm AZB & Partners. The group has also formed a separate company Talace to participate in the AI process.

The government has changed a bidding parameter for state-owned airline AI, allowing potential buyers to quote enterprise value instead of equity value. However, the government has mandated that a willing bidder will have to pay 15 per cent of his quote as upfront cash payment.

"AI's current earnings were not the benchmark for the valuation exercise as the company's abilities are not being used in full. The future earning potential of the airline and financial forecast has been provided after considering full utilisation of all assets of the company including current unused slots, frequent flyers and bilateral rights," said a person involved in the process.

CONCEPT

and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Bank's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Bank or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Bank's financial reporting process.

#### Auditor's Responsibilities for the Audit of the Financial Statements

6 Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Bank's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the bank's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the bank to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

#### Report on Other Legal and Regulatory Requirements:

- The Balance Sheet, the Profit and Loss Account have been drawn up in Forms "A" and "B" respectively of the Third Schedule read with Section 29 to the Banking Regulation Act, 1949 as applicable to Co-operative Societies and the provisions of Maharashtra Co-operative Societies Act, 1960 and Maharashtra Co-operative Societies Rules 1961 except as stated in Note No. 9(j).
- Subject to the foregoing and as required by Section 30 of the Banking Regulation Act, 1949 as applicable to the Co-Operative societies read with the provisions of section 81 of the Maharashtra Co-Operative societies Act, 1960. We report that:
  - We have obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of the audit and have found them to be satisfactory;
  - The transactions of the Bank, which have come to our notice, have been within the powers of the Bank;
  - In our opinion, proper books of accounts as required by law have been kept by the Bank so far as it appears from our examination of those books and proper returns adequate for the purpose of our audit have been received from the branches;
  - The Balance Sheet and Profit and Loss account dealt with by this report are in agreement with the Books of account.
  - The accounting standards adopted by the Bank are consistent with those laid down by accounting principles generally accepted in India so far as applicable to Banks except as stated in Part 2(c) hereinabove.
- The details as required by the Rule 69(6) of Maharashtra Co-operative Societies Rules 1961 are given in the audit memorandum separately.
