Strides announces successful completion of UK MHRA inspection at Puducherry facility

Continued GMP status for the facility from UK MHRA

Bengaluru, August 19, 2020 – Strides Pharma Science Limited (Strides) today announced the successful completion of the inspection carried out by the UK Medicines and Healthcare products Regulatory Agency (UK MHRA) at its Puducherry facility between 15-18 October 2019. The Company has now received the renewed GMP (Good Manufacturing Practices) certificate thereby confirming the successful closure of the inspection. The Puducherry facility caters to the U.S., Other Regulated Markets and Institutional businesses and has capabilities to produce finished dosage formulation products across multiple dosage formats.

Commenting on the development, **Dr. R. Ananthanarayanan, Managing Director & CEO**, remarked *“We are pleased with the positive outcome of the inspection by the UK MHRA at our Puducherry facility. The inspection was conducted a few months after the USFDA inspection that resulted in the Warning Letter. We stay focused on getting the facility reclassified with the USFDA. We are committed to upholding the highest levels of quality compliance and integrity across all our manufacturing sites”*

About Strides

Strides, listed on the BSE (532531) and National Stock Exchange of India Limited (STAR), is a global pharmaceutical company headquartered in Bengaluru, India. The Company mainly operates in the regulated markets and has an “in Africa for Africa” strategy along with an institutional business to service donor-funded markets. The Company’s global manufacturing sites are located in India (Chennai, Puducherry and two locations in Bengaluru), Singapore, Italy (Milan), Kenya (Nairobi) and the United States (Florida). The Company focusses on “difficult to manufacture” products that are sold in over 100 countries. Additional information is available at the Company’s website at www.strides.com
