Dear Sir/s,

Sub: Intimation about formatted the hard disk containing SDD Software data as per Regulation 30 of the SEBI (LODR) Regulation.

Effective from 11.11.2023, our company has successfully relocated its registered office. Regrettably, during the course of this relocation, we encountered an unforeseen incident in the handling of our computer systems. The hard disk containing the SDD Software faced a corruption issue, aggravated by pre-existing slowdown problems. This compelled us to take the necessary step of formatting the hard disk. Unfortunately, this action resulted in the unintentional deletion of our backup for the SDD Software up to the mentioned date.

Despite deploying our best efforts, we regret to inform you that we have been unable to retrieve the lost data. We recognize the importance of this information in the context of regulatory compliance and are committed to providing transparency about such developments to all stakeholders.

Kindly take the above information on record.

Thanking you,
Yours Truly,
