Independent Auditor's Review Report on Standalone Unaudited Quarterly Financial Results and year –to-date of the Standard Industries Limited pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure requirements) Regulations 2015.

To
Board of Directors
Standard Industries Limited
Mumbai.

We have reviewed the accompanying statement of unaudited financial results of STANDARD INDUSTRIES LIMITED for the quarter ended and to year to date results for the period from 1st April 2019 to 30th September, 2019 ("the statement"). This statement is the responsibility of the Company's Management and has been approved by the Board of Directors, has been prepared in accordance with the recognition and measurement principals laid down in Indian Accounting Standard 34 "Interim Financial Reporting" ("Ind AS 34"), prescribed under Section 133 of the Companies Act, 2013, and other accounting principles generally accepted in India and in compliance with Regulation 33 of the listing Regulation. Our responsibility is to issue a report on these financial statements based on our review.

We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying statement of unaudited financial results prepared in accordance with applicable accounting standards and other recognized accounting practices and policies has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 including the manner in which it is to be disclosed, or that it contains any material misstatement.

Attention is invited to Note No. 4 to the unaudited Financial Statement regarding Company's equity investments of ₹ 5969.82 lakhs in Standard Salts Works Limited, a wholly owned subsidiary company. The Company considers no provision for any loss is currently necessary in the Financial Statements for the reason stated in the above.

Our conclusion is not modified in respect of this matter.

Notes:

- 1 The above results have been reviewed by the Audit Committee and are approved by the Board of Directors of the Company at their meeting held on October 19, 2019 and have been subjected to limited review by the statutory auditors of the Company.
- 2 The above financial results have been prepared in accordance with the Indian Accounting Standards (referred to as "Ind AS ") as prescribed under section 133 of the Companies Act, 2013 read with Companies (Indian Accounting Standards) Rules as amended from time to time.
- 3 Effective April 01, 2019, the Company adopted Ind AS 116 "Leases" and applied the standard to all lease contracts existing on April 01, 2019 using the 'retrospective approach with the cumulative effect at the date of initial application'. Accordingly, previous period information has not been restated. However, there is no impact on transition to Ind AS 116 as at April 01, 2019 but there is an impact on the financial statements of the Company during the quarter ended September 30, 2019. This has resulted in recognition of Right-of-use asset (ROU) of ₹ 241.36 Lakhs and a lease liability of ₹ 242.56 Lakhs. The effect of this adoption is insignificant on Statement of Profit and loss.
- 4 The Company had in earlier year given unsecured loan and business advances to its subsidiary Standard Salt Works Limited (SSWL) amounting to ₹ 5969.82 lakhs (including accrued interest), which was converted into equity shares. The net worth of SSWL post such conversion had become positive and continued to remain as such during the period.
Further, in view of the long-term strategic nature of the investment in leasehold rights to salt pans and the growth prospects of the subsidiary which is engaged in the manufacture of salt from the significant leased salt pans that it is holding, no provision for diminution in the value of the investment is considered necessary at this stage.
- 5 The Company has created an e-mail ID viz.,standardgrievances@rediffmail.com exclusively for the purpose of registering complaints by investors.
- 6 Corresponding figures for the previous year/period have been regrouped/rearranged wherever necessary.
