PRIME FRESH BULLETIN
LET'S GET BACK TO FRESH FRUITS

Fruit juices aren't much better than aerated or soft drinks. Stop pretending otherwise! "Soda/Aerated drinks" remains a big public health threat. We might think fruit juice is inherently healthier than aerated drinks/sodas because it comes from fruit. But that's not always the case. When it comes to choosing between sodas and juices in the beverage aisle, the juice industry has long benefited from a health halo.

with artificial flavors and little nutritional benefit. Fruit juices contain more sugar and less vitamins than the actual whole fibrous fruits. There are sometimes added color and flavors to make it better in taste and appearance, which loses the nutritional value of fruit during processing. Therefore, of all, whole fresh fruits should be consumed in maximum proportion for the actual benefit. Although it is not suggested to avoid fruit juice entirely. Juices, like any other source of liquid sugars and added flavors are best consumed in small amounts. Real fruit juices are nutritionally superior to sodas and can be part of a diet but in little amount and whole fresh fruits in large amount.

We know that juice comes from fruit, while soda is artificial. In particular, the sugars in juice seem more "natural" than high fructose corn syrup – the main sweetener in so many sodas. "Fruit drinks" refer to processed juices with added sugars. The sugar in fruit juice is more concentrated than it is in "whole fruits". When we drink fruit juice, we get a mega dose of sugar the same way you do when you drink soda. Juices have some nutritional value when the sugars are not added. But we don't drink all that much of natural fruit juice as it's too expensive and drink juice drinks with added sugars.

These juices drinks like bottled fruit juices are basically sugar water

Fruits For Diabetics

Many of us know that diabetic patients should not eat fruits. Is it right?

Let's know what medical science reveals. When diabetes runs out of sufficient insulin then we bring up Diabetes mellitus, commonly known as Diabetes. In a home to approximately 52 million diabetics and the count goes on....

Medical science has proved that fruits have carbohydrates and natural sugar - Fructose, which can raise our blood sugar level. It also says that fruits are full of essential vitamins, minerals and phytonutrients that our body needs always.

Fruits can lower or prevent our risk of cardiac disease, cancer and stroke as well. For diabetic patients, most important factor is the Glycemic Index (GI). GI is the difference which food or fruits can affect our blood sugar level and how much.

Small Diabetes patients can enjoy from fruits only - that has low Glycemic Index. Our another feature has provided information and enough resources to live a healthy life, we need to meet the specific stage of these natural resources in our daily life.

Tips for diabetics:

- Eat fruits with low Glycemic Index
- Never eat fruits with their seeds, toxic substances such as evening glaucifera
- Consume fresh & seasonal fruits
- Never use fruits only as processed or canned fruits
- Consult physician for personalized diet chart & fruit quantity

Diabetes can eat the fruits mentioned below in a balanced way in their meals

Benefits of proper preservation

Storing fresh fruits and vegetables properly is very important. Safe storage can keep from getting sick from a food borne illness. Fresh fruits and vegetables shelf life can be extended and reduce wastage.

Founders' Vision and Message: "Built & Sustained To Outperform"

Dear Stakeholders,

I'm exhilarated to welcome you to the 14th Annual General Meeting (AGM) of our company "Prime Fresh Limited". It's my honour once again to have the opportunity to deliver my speech in front of you all on the achievements of our company.

I appreciate our associates and stakeholders for being with us diligently and not escaping from performing your roles/duties even when the entire world as well humanity had been fighting against the dreadful Covid-19 pandemic.

World economy got shattered along with our Indian fiscal deficits. India witnessed a sharp drop in GDP due to massive lockdowns to save the lives at stake. Prime Fresh Ltd (Formerly PCSL) farsightedly chose the fruits & vegetables industry more than a decade ago in order to organize the sector, processes, people for a healthier and sustainable growth as long as our humanity can exist on this planet.

From the year of survival to the year of growth & expansion, yet another persistent year of continued growth where the Prime Fresh family came together to get closer to the society at large and accelerated its business operations to new altitude. Despite the after effects of COVID-19 pandemic and the second wave of infections, we have emerged stronger than ever.

Though the notorious virus is resurgent in our country and we may get the heat of 3rd wave this year or next, still our economy is bouncing back gradually by dint of every individual's dedicated efforts & sheer will force to grow.

We know suffering is still be endured in myriad places by millions of people each day due to pandemic, natural calamities, job-loss etc. Our hearts too beat for them. This year we have reasons for optimism which we didn't have a year ago. During our last AGM, world didn't have the vaccine for Covid-19, world had no clue how to fight and bring this pandemic to an end, nor world knew if at all any vaccine would save the humanity.

Our speculations, decade-old expertise and the socio-economic transformation over the last few years have projected a vivid inclination of the Agro Product industry and this trajectory is poised for a tremendous growth in the organized segment whereon your company has been functioning for over 14 years. Being one of the largest producers of agricultural commodities, India is soaring high as an emerging global leader. Moreover, India has got the sharp-edge in domestic technological innovations R&D and manufacturing of gadgets/instruments that propel Indian agriculture and allied businesses by leaps and bounds.

Government of India has been striving to promote innovations and entrepreneurial ventures in agriculture by providing various supports to organized players like us in order to achieve an exponential growth in the Agri-economy of the nation. The landmark decision to amend the APMC law has opened numerous growth possibilities. Other initiatives like Kisan rail, Mega Food Parks, credit facilities to farmers are pushing the agriculture sector on a path of growth.

Prime Fresh Limited is committed to its valuable consumers for bringing nutritious and hygienic fresh produces directly from farm to their dining table. To make our consumers shopping hassle-free & safe, we launched our e-commerce portal this year. They can avoid being exposed to markets and order from the comfort of home to get their fruits & vegetables delivered at doorsteps in a fresh & hygienic manner. Enduring the trend, we are continuously evolving and adapting the current business environment to become the end-to-end Fruit and vegetable supply Chain Company in accordance with our vision.

Our continued backing to farmers has provided us their valuable support and we are able to scale up our business operations to new levels. We have been successful in increasing our farmer network to more than 35000 farmers across India. Our market reach has also been boosted by the efforts of our Sales team and we have a presence in 60 Agriculture markets across the country while collaborating with 1000 trade partners. We have collaborated with Agritech startups and big retailers with huge reach which brings us closer to our goal. Our team is right blend of experienced professionals and enthusiastic young members.

All the efforts are reflected in our FY21 financials as the revenue has increased 25% compared to last Fiscal year FY20. It clearly demonstrates our business and market expansion, which we want to carry forward in the upcoming year.

Before I conclude, all of your relentless participations and guidance are highly commendable in the making of Prime Fresh Limited. On behalf of the PFL family, I do heartily convey our thanks to you all for being an integral part of our extensive journey for our business dynamics, sustainability and societal contributions.

Your inspirations ignite us in building happiness and growth amongst people.

ANNEXURE TO THE DIRECTORS' REPORT**ANNEXURE – 'A'****MANAGEMENT DISCUSSION AND ANALYSIS REPORT****ECONOMIC OVERVIEW**

Economic activity across the world posted a strong recovery in Q3:2020, following a record plunge in Q2 amidst widespread lockdowns. The economic activity remains below the pre-pandemic levels even as GDP contractions ease across major economies. The global economy gradually regained momentum of recovery gathered in Q3:2020, which had encountered headwinds in Q4 as most of the countries had to reimpose lockdowns in the wake of second/third wave of infections. However, the mass vaccination drives are underway in several countries which will boost the economic recovery.

On the domestic front, the rebound from the COVID-19 induced slump has been sharper than anticipated. Real GDP growth turned positive in Q3:2020-21. Going forward, rural demand is likely to remain resilient on good prospects for the agriculture sector. Urban demand and demand for contact-intensive services is also expected to strengthen with the spread of vaccination. While the domestic financial conditions are expected to remain supportive in view of the guidance from RBI that systemic liquidity would continue to remain comfortable over the ensuing year, the risks of spill overs from volatility in global financial markets remain elevated. The fiscal stimulus under Atma Nirbhar 2.0 and 3.0 schemes and increased capital outlays and the investment-enhancing proposals in the Union Budget 2021-22 will likely accelerate public investment and crowd-in private investment.

The Indian government has recommended states to suspend some provisions of the agricultural produce marketing committees (APMCs) Acts to encourage direct marketing by farmers of crops rather than going to rural Mandis. This provides an immense opportunity to the F&V players like Prime Fresh Limited to procure fresh produce directly from the farmers. Initiatives like Kisan rail are going to benefit the Horticulture sector. There is a rising awareness among consumers about the importance of hygienically packed Fruits and vegetables with minimal human touch in the value chain. This can provide a massive boost to the organized sector where your company is emerging as a leading player.

BUSINESS AND FINANCIAL REVIEW

During the year FY 2020-21, your company went from strength to strength in both the procurement aspect as well as increasing the consumer base. We have successfully ramped up the sourcing operations across 50 districts in various states. Your company has made inroads into new territories like Karnataka and Kerala as there is a large market opportunity in Southern India. Company has added new product categories, built networking in global markets, added new buyers in organized segments. In addition to this, our ecommerce portal primefresh.in went live to cater to B2C segment in Mumbai and Ahmedabad and it will further be scaled to other major cities in the country.

All the hard work and relentless efforts are clearly visible in our strong financial performance despite the challenges posed by the lockdowns. On a consolidated basis, your company's net sales for FY 21 have grown by 31.2% YoY to Rs 65.60 Cr. The Profit after Tax (PAT) has also shown a strong jump of 43.9% YoY to Rs. 2.38 Cr. On a standalone basis, your company's net sales for FY21 have grown by 24% to Rs. 58.63 Cr and PAT has shown a strong jump of 40.7% YoY to Rs. 2.28 Cr.

STRONG SOURCING NETWORK

Your Company has progressively built a massive sourcing network that gives it a long-lasting competitive advantage over its peers and provide an excellent bouquet of products & services to its customers. Our outreach and sourcing network includes top F&V producing regions in India:

Our core experience and knowledge lie in the fresh produce category namely, Mangoes, Pomegranate, Apple, Tomatoes, Onion, Orange, Grapes, Imported Fruits and Mix Vegetables and further enhancing the bouquet by adding Banana, Chilli, Lemon.

To augment our procurement bandwidth, we work with 35,000+ Farmers, 60+ Agriculture Markets and 1000+ Traders & Consolidators across 50 districts in Gujarat, Maharashtra, Rajasthan, Andhra Pradesh and Karnataka

We have magnificently established long standing relationships with prestigious national enterprises & retail giants since last 14 years to ensure that they get reliable, consistent, ethical and smooth supply of Fruits & Vegetables.

Your Company is an integral part of the country's agriculture value chain structure.

INDUSTRY STRUCTURE AND DEVELOPMENTS

Production of horticulture crops in India is estimated at record ~320 Million Metric Tonnes (MMT). India ranks second in global production of Fruits & Vegetables and a leading exporter of Mangoes and Bananas.

Exports of agricultural products increased by 28.36 per cent to USD 29.81 billion in 2020-21 as compared to USD 23.23 billion in 2019-20. India's share in the Fruits & Vegetables global market is still only 1%, but there is increasing

acceptance of horticulture produce from the country. This has occurred due to concurrent developments in the areas of state-of-the-art cold chain infrastructure and quality assurance measures.

UNION BUDGET 2021-22

1. The Agriculture Ministry has been allocated Rs 1,31,531 crore in 2021-22, a 14% annual increase over 2019-20.
2. The Agriculture Infrastructure Fund will be made available to the Agriculture Produce Market Committees (APMCs) for augmenting their infrastructure facilities.
3. To ensure higher availability of credit for farmers, the government has increased the target for agricultural credit to ₹16.5 lakh crores in FY 2021-22 from ₹15 lakh crores in the previous year.
4. Operations green has been extended to include 22 perishable products to stabilise the supply and the price of agri commodities throughout the country round the year.
5. The integration of an additional 1,000 mandis with the National Agriculture Market (eNAM) to increase transparency and competitiveness
6. Agriculture infrastructure and development cess has been proposed on specified goods to improve agricultural infrastructure to enable higher production and enhanced remuneration for the farmers

OPPORTUNITIES AND THREATS

Your company’s management has strategically steered the business in FY21 to make it ready to enter a high growth phase. We have taken conscious steps to change the business model so as to reduce costs, widen our offerings and get benefits of Operating leverage.

IMPACT ON STAKEHOLDERS

Farmers

- Sharing knowledge and new innovations to our community of 35,000+ farmers to improve yield and quality.
- Regularly organizing camps for farmers oriented towards enhancing knowledge about best / progressive field cultivation practices, diseases & pest management, harvesting techniques and hygiene procedures which boost productivity.

- Expert guidance programs and best practice awareness for the farmers, improving their quality of life and providing them with fair price.
- Assist farmer to realize 100% value of their produce by providing them sorting & grading facilities and direct / indirect access to the interstate markets.
- Significant factor affecting any business are "Time & Cost". Prime's well thought strategic collection centres takes care of transportations they are built in local proximity of the farms reducing the mishandling of the perishable produce during multiple phases of transition.
- Providing access to multiple markets through dynamic & robust sales channel.

Modern trade

- Delivering expected quality and quantity of produce in timely manner round the year.
- Assured delivery of sorted, graded and packed produce across India.
- We make available both seasonal and imported produce from far-off regions, round the year to enable better planning
- One Stop Shop for multiple varieties of the horticulture produce.

Consumers

- Ecommerce website for the convenience of consumers in times of lockdown.
- Farm to fork delivery of fresh & hygienic produce sourced directly from farms.
- Bypassing multiple intermediaries in the value chain resulting in better pricing.
- Hygienic and well packed produce rich in taste, aroma & nutrition.
- Online transaction for customer convenience.

We help in generating local employment by hiring sorting, grading, loading & unloading teams locally. In FY 21, we had employed 320+ people on direct payroll. Furthermore, having sourced & supplied more than 14,000+ tones of Fruits and vegetables during FY 21 which resulted in an indirect employment generation to the tune of 15000+ man days.

Your Company has created impact to multiple stakeholders such as Farmers, Mother Earth, Government, Unskilled & Semi Skilled individuals, Transporters, Food Processors and society at large by generating opportunities through various channels including to earn a livelihood.

OUTLOOK

Currently, your Company has a very strong presence in Western India with a strong focus on South, North and Eastern regions of the country in core product categories like Pomegranate, Mangoes, Apple, Oranges, Grapes, Imported Fruits, Onion and Tomatoes. The company is consistently expanding and penetrating into new territories in domestic and global markets and venturing into new product categories after sensing a market opportunity. Current focus is on building the right team, boosting ecommerce sales and capitalizing existing relationships with stakeholders. Furthermore, Company's growth & expansion through new Collection Centres and Distribution Centres will support the procurement and Distribution strategies while simultaneously strengthen our brand "PRIMEFRESH" to penetrate deeper with farmers, customers, aggregators, B2B and B2C segment. Innovative packing, consumer packs, use of technology, reach through social media, ecommerce and other online platforms will drive further growth of new categories, geographies, global destinations and multiple avenues of sales expansion.

KEY GROWTH DRIVERS

- Entering into new markets and new product categories after careful analysis by Top Management.
- Increasing disposable income is pushing up the per capita consumption of Fruits and vegetables, which presents a tremendous opportunity for your company.
- Ecommerce segment is rapidly expanding in the wake of covid and your company has ventured into this segment to cater to the rising demands of B2C consumers.
- Foraying into exports of Fruits and Vegetables, as over the last few years, your Company has built massive understanding of Global markets and done multiple trial and error consignments for international buyers and few select Indian exporters.
- Enhancing the contribution of Modern Trade in the Revenue
- B2C engine backed by omni channel distribution, social media and corporate tie-ups in select cities. Your company has carved out a very unique and differentiated growth strategy to build this B2C vertical with low risk and low investments.
- Setting up of additional multi-purpose Collection Centres and Distribution Centres to facilitate all the verticals.
- Collaboration, JVs, Strategic tie-ups in Gujarat, Rajasthan, Maharashtra and Southern states with new age start-ups and large companies for business synergies.

Over the last 14 years PFL has built a strong learning curve and management bandwidth to build, own, operate and transfer CCs and DCs for various large retailers.

The above strategy would help improve the margin profile of overall business and better utilize the strong sourcing and operational capabilities built over the last 14 years.

Currently, your company has established a procurement bandwidth of about 1,20,000 tonnes of fresh produce per annum and looks forward to put in efforts to enhance the value for stakeholders.

RISKS AND CONCERNS

Every business has both Risk and Return and they are inseparable. As a responsible management, the Company's principal endeavour is to maximum returns. INDEPENDENT AUDITOR'S REPORT

To The Members of
Prime Fresh Limited
Formerly Known as **Prime Customer Services Limited**

Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the accompanying standalone financial statements of **Prime Fresh Limited** ("the Company"), which comprise the Balance Sheet as at March 31, 2021, the Statement of Profit and Loss, including the Statement of Other Comprehensive Income, the Statement of Changes in Equity and the Statement of Cash Flows for the year then ended, and notes to the financial statements, including a summary of the significant accounting policies and other explanatory information. (hereinafter referred to as " the Financial Statements")

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Standalone Financial Statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Accounting Standards prescribed under section 133 of the Act read with the Companies (Accounting Standards) Rules, 2006 as amended, ("AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2021, the Profit and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing (SAs), as specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the standalone financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have determined that there are no key audit matters to communicate in our report.

Information Other than the Standalone Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexure to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the Standalone Financial Statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone Financial Statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. We have been provided the aforesaid reports and based on the work we have performed, we did not observe any material misstatement of this other information and accordingly, we have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone Financial Statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant

to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error. In preparing the Standalone Financial Statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibility for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the Standalone Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Standalone Financial Statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Standalone Financial Statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report, where applicable and unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143(3) of the Act, we report that:
 - a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;

Annexure “B” to the Independent Auditor’s Report

(Referred to in paragraph 2(f) under ‘Report on Other Legal and Regulatory Requirements’ section of our report to the members of Prime Fresh Limited of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of Prime Fresh Limited (“the Company”) as of March 31, 2021 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013 (“the Act”) .

Auditor’s Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (‘the Guidance Note’) and the Standards on Auditing, prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2021, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

1.3 Terms/rights attached to the equity shares

The Company has one class of shares referred to as equity shares having a par value of ₹ 10 each. Each shareholder is entitled to one vote per share held. In the event of liquidation, the equity shareholders are eligible to receive the remaining assets of the Company after distribution of all preferential amounts, in proportion to their shareholding.

1.4 Share capital includes

The company had at its extra ordinary general meeting held on 17th May, 2016 issued 15,21,500/- equity shares as fully paid as bonus shares in the ratio of 1:1 share to the shareholders who were shareholders in the company as on the shareholders' register closure period as per the records of the company by capitalizing amounts from the credit balance of Securities Premium Account and Carried Forward Balances of Surplus of Profit & Loss Statement.

Money received against Share Warrants represents amounts received towards warrants which entitles the warrant holders, the option to apply for and be allotted equivalent number of equity shares of the face value of Rs.10 each. During the year 2019-20, the Company has issued to its Promoter Group Entities 4,49,916 Warrants and Non Promoter Group Entity 1,49,972 warrants at a price of Rs.108.02 each entitling them for subscription of equivalent number of Equity Shares of Rs.10 each (including premium of Rs.98.02 each share) in accordance with Chapter VII of SEBI (Issue of Capital & Disclosure Requirements) Regulations, 2018. During the financial year, allottees of 4,49,916 warrants have exercised their right to convert the warrants into equity shares by paying balance 75% of the consideration aggregating Rs.3,64,49,944.74/- and consequently 4,49,916 equity shares were issued to them. During the financial year, the Company has issued and allotted 66,000 equity shares of Rs.10 each at a premium of Rs.98.02 each on October 21, 2020, 41,750 equity shares of Rs.10 each at a premium of Rs.98.02 each on December 02, 2020, 2,00,798 equity shares of Rs.10 each at a premium of Rs.98.02 each on January 02, 2021 and 1,41,368 equity shares of Rs.10 each at a premium of Rs.98.02 each on January 25, 2021 to promoter group entities on preferential basis upon conversion of equivalent number of warrants. Further, the Non promoter group entities have shown their inability to exercise their right to convert the balance 1,49,972 warrants which are required to be converted into equity shares on or before January 25, 2021. Accordingly, 1,49,972 warrants stand cancelled and the upfront subscription money aggregating to Rs. 40,49,994/- received on said warrants at the time of their subscription was forfeited. Consequent upon the above allotments and forfeiture of warrants, there were no pending warrants due for conversion as on March 31, 2021.

NOTE NO. 23: SIGNIFICANT ACCOUNTING POLICIES:**a) Accounting Conventions :**

The Financial Statements of the Company are prepared under the historical cost convention on accrual basis of accounting and in accordance with the mandatory accounting standards issued by the Institute of Chartered Accountants of India and referred to in section 133 of the Companies Act, 2013, read with Rule 7 of the Companies (Accounts) Rules, 2014 and generally accepted accounting principles in India except AS-15 "Employee Benefits" relating to provision for leave encashment and bonus which are accounted as per Note No. 23(g) below. The accounting policies not referred to otherwise have been consistently applied by the Company during the year.

b) Use of Estimates :

The preparation of financial statements in accordance with the GAAP requires management to make estimates and assumptions that may affect the reported amount of assets and liabilities, classification of assets and liabilities into non-current and current and disclosures relating to contingent liabilities as at the date of financial statements and the reported amounts of income and expenses during the reporting period. Although the financial statements have been prepared based on the management's best knowledge of current events and procedures/actions, the actual results may differ on the final outcome of the matter/transaction to which the estimates relates.

c) Property Plant and Equipments :

NOTE No. 24:

All the monies amounting to Rs.2.70 lacs received pursuant to the SME-IPO of the company which was listed on BSE-SME Platform on 31.03.2017, has been utilized for the purposes it was raised for and had been duly reported in the previous audited financial statement and to BSE.

NOTE NO. 25: ADDITIONAL INFORMATION:

- As informed by the management, the company has initiated the process of obtaining confirmations from suppliers as to their status as Micro, Small or Medium Enterprise registered under the applicable category as per the provisions of the Micro, Small and Medium Enterprises (Development) Act, 2006 (MSMED Act, 2006). In absence of the relevant information as to the status of the suppliers, the balance due to Micro, Small and Medium Enterprises and interest due to them if any as per the provision of the Micro, Small and Medium Enterprises (Development) Act, 2006 (MSMED Act, 2006) could not be disclosed or provided.
- In the opinion of the Board of Directors, Current assets, loans and advances have a value on realisation in the ordinary course of business equal to the amount at which they are stated in the balance sheet.

3. The classification of all items of asset and liabilities into non-current and current has been made by the management of the company based on conditions, terms of transactions and other relevant factors at the relevant time as envisaged by the management. In view of the management of the company all assets that are ordinarily realizable in the ordinary course of business have been classified as current assets though there may not have been any realization from such items during the year and may have been outstanding since long. Likewise, all liabilities that are to be settled within one year or in the normal course of business are classified as current liabilities though they may not have been settled during the year since last year.
4. The balances of debtors, creditors, advances to farmers, loans and advances and other assets and liabilities are subject to confirmation and subsequent reconciliations.
5. The books of account have been audited on the basis of such records and documentary evidences as were available with the management and produced before the auditors. Where such documentary evidences have not been made available to the auditors, the auditors have relied upon the entries as authenticated by the management of the company and information and explanations provided to the auditors by the management.

INDEPENDENT AUDITOR'S REPORT

To The Members of
Prime Fresh Limited
Formerly Known as Prime Customer Services Limited

Report on the Audit of the Consolidated Financial Statements

Opinion

We have audited the accompanying Consolidated Financial Statements of Prime Fresh Limited (hereinafter referred to as the "Holding Company") and its subsidiary (Holding Company and its subsidiary together referred to as "the Group"), which comprise the consolidated Balance Sheet as at March 31, 2021, the consolidated Statement of Profit and Loss and the consolidated Statement of Cash Flows for the year ended on that date, and notes to the consolidated financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the Consolidated Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Consolidated Financial Statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Accounting Standards prescribed under section 133 of the Act read with the Companies (Accounting Standards) Rules, 2006 as amended, ("AS") and other accounting principles generally accepted in India, of the consolidated state of affairs of the Group as at March 31, 2021, the consolidated Profit and its consolidated cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the consolidated financial statements in accordance with the Standards on Auditing (SAs), as specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the consolidated financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the consolidated financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have determined that there are no key audit matters to communicate in our report.

Information Other than the Consolidated Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexure to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the Consolidated Financial Statements and our auditor's report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated Financial Statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. We have been provided the aforesaid reports and based on the work we have performed, we did not observe any material misstatement of this other information and accordingly, we have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these consolidated Financial Statements that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows of the Company in accordance with the AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and

completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Consolidated Financial Statements, management is responsible for assessing the Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of companies included in the Group are responsible for overseeing the financial reporting process of the Group.

Auditor's Responsibility for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Financial Statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Consolidated Financial Statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report, where applicable and unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, we report that:
 - a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
 - b. In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
 - c. The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss and the Consolidated Statement of Cash Flow dealt with by this Report are in agreement with the books of account;
 - d. In our opinion, the aforesaid consolidated financial statements comply with the AS specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014 as amended;
 - e. On the basis of the written representations received from the directors as on March 31, 2021 taken on record by the Board of Directors, none of the directors of Group Companies is disqualified as on March 31, 2021 from being appointed as a director in terms of Section 164(2) of the Act;
 - f. With respect to the adequacy of the internal financial controls over financial reporting of the Group and the operating effectiveness of such controls, refer to our separate Report in "Annexure A". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Group's internal financial controls over financial reporting;
 - g. With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197 of the act, as amended in our opinion, the managerial remuneration for the year ended March 31, 2021 has been paid / provided by the Company to its directors in accordance with the provisions of section 197 read with Schedule V to the Act;
 - h. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Group has no pending litigations which has any impact on the consolidated financial position in its consolidated financial statements.
 - ii. The Group did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses;
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Group;

Annexure "A" to the Independent Auditor's Report

(Referred to in paragraph 2(f) under 'Report on Other Legal and Regulatory Requirements' section of our report to the members of Prime Fresh Limited of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

In conjunction with our audit of the consolidated financial statements of the Company as of and for the year ended March 31, 2021, we have audited the internal financial controls over financial reporting of Prime Fresh Limited (hereinafter referred to as "the Holding Company") as of March 31, 2021

Management's Responsibility for Internal Financial Controls

The respective Board of Directors of the Holding company and its subsidiary company, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the

Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013 ("the Act") .

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India ('the Guidance Note') and the Standards on Auditing, prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2021, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

NOTE NO. 23: SIGNIFICANT ACCOUNTING POLICIES:**a) Accounting Conventions :**

The Financial Statements of the Company are prepared under the historical cost convention on accrual basis of accounting and in accordance with the mandatory accounting standards issued by the Institute of Chartered Accountants of India and referred to in section 133 of the Companies Act, 2013, read with Rule 7 of the Companies (Accounts) Rules, 2014 and generally accepted accounting principles in India except AS-15 "Employee Benefits" relating to provision for leave encashment and bonus which are accounted as per Note No. 23(h) below. The accounting policies not referred to otherwise have been consistently applied by the Company during the year.

b) Basis of Consolidation :

The Consolidated Financial Statement (CFS) relates to Prime Fresh Limited (Formerly Known as Prime Customer Services Limited) and its wholly owned subsidiary Florens Farming Private Limited and Florens Fresh Supply Solution Private Limited. The CFS have been prepaid on following basis :

- i. The financial statement of parent company and its subsidiary company have been consolidated on a line by line basis by adding together the book values of the items like assets, liabilities, income and expenses.
- ii. CFS are prepaid after fully eliminating intra group balances, inter group transactions and unrealized profits from the intra group transactions.
- iii. The consolidated financial statements are prepared to the extent possible using uniform accounting policies for like transactions and other events in similar circumstances and are presented to extent possible, in the same manner as the Company's separate financial statements.

c) Use of Estimates :

The preparation of financial statements in accordance with the GAAP requires management to make estimates and assumptions that may affect the reported amount of assets and liabilities, classification of assets and liabilities into non-current and current and disclosures relating to contingent liabilities as at the date of financial statements and the reported amounts of income and expenses during the reporting period. Although the financial statements have been prepared based on the management's best knowledge of current events and procedures/ actions, the actual results may differ on the final outcome of the matter/transaction to which the estimates relates.

d) Property Plant and Equipments :

Property Plant and Equipments are stated at cost of acquisition/construction (less Accumulated Depreciation, if any). The cost of Property Plant and Equipments comprises of their purchase price, including freight, duties, taxes or levies and directly attributable cost of bringing the assets to their working conditions for their intended use

e) Intangible Assets :

The Intangible Assets of Accounting Software has been recognised at their cost of acquisition. On the basis of the availability of this asset for its intended use, relevant contractual agreements and technological changes that may affect the usefulness of these assets, the useful lives of these assets have been assumed to be of five years from the date of their acquisition.

f) Depreciation :

The Depreciation on Tangible Fixed Assets is provided on written down value method (WDV) for the period of acquisition/construction i.e. from the period from which such assets were available for their intended use on pro-rata basis on the basis of useful life of each of the fixed assets as per Schedule II of the Companies Act, 2013 and in the manner specified in Schedule II of the Companies Act, 2013.

The intangible assets have been depreciated on pro-rata basis over period of their estimated useful lives on straight line basis i.e. @ 20.00%.

g) Inventories :

The company trades in fruits, vegetables and other perishable items which are purchased from the market as well as farmers. At times the trading inventories are stored/located at various locations including with farmers, traders, warehouse, cold storage etc. The fruits, vegetables and other perishable items due their nature, storage facilities and other affecting factors are subject to environmental and other effects and hence the quality and quantity of such items may change from time to time. The valuation of inventories of fruits, vegetables and other perishable items have been carried out by the management of the company keeping view all such factors and after physically verifying the stock located at various locations have valued inventories at cost or market value whichever is lower based on the assessment of physical conditions of various items by the management as to their quality and quantity. The items of packing materials have been valued at cost or market value whichever is lower.

h) Retirement Benefit :

The Company's contribution to Provident Fund and ESIC etc. is charged to the Statement of Profit & Loss. The company has not made provision for gratuity in respect of employee as it is charged to Profit and Loss account on cash basis. No provisions for leave encashment, bonus and other terminal employee benefits as may be applicable to the company have been made and are/ will be accounted for as and when paid.

i) Provisions, Contingent Liabilities and Contingent Assets :

The Company recognises a provision when there is a present obligation as a result of a past event that probably requires an outflow of the Company's resources embodying economic benefits and a reliable estimate can be made of the amount of the obligation. A disclosure of contingent liabilities is made when there is a possible obligation that may, but probably will not, require an outflow of resources. As a measure of prudence, the contingent assets are not recognised.

j) Revenue Recognition :

All income and expenses are accounted on accrual basis. The Company recognised sale of Goods when it had transferred the property in Goods to the buyer for a price or all significant risks and rewards of ownership had been transferred to the buyer and no significant uncertainty existed as to the amount of consideration that would be derived from such sale. The recognition event is usually the dispatch of goods to the buyer such that the Company retains no effective control over the goods dispatched. Income from service charges of manpower supply services, handling charges, packing services, storage and warehousing and other services are accounted on completion of services for the respective client as evidenced by the issue of invoices for the respective service to that client and are accounted as per the date on invoice. Income from investments, where appropriate, is taken into revenue in full on declaration or accrual and tax deducted at source thereon is treated as advance tax.

k) Investments :

All investments are classified as long term investments as they are intended to be held for more than one year from the date when they were acquired. All investments are, initially recognised at cost. The investments are carried at cost of acquisition.

l) Borrowing Costs :

The borrowing costs are debited to the Statement of Profit and Loss of the current year as they are incurred.

m) Taxes on Income :

Tax expense comprises of current tax and deferred tax. Provision for current tax is made on the estimated taxable income and at the rate applicable to the relevant assessment year under the Income tax Act, 1961. Deferred income taxes are recognized for future consequences attributable to timing differences between financial determination of income and determination as of income as per applicable tax laws.

p) Foreign Currency Transactions :

The transactions in foreign currency have been recorded using the rate of exchange prevailing on the date of transactions.

q) Impairment of Assets :

The management of the company has as at 31st March, 2021 has assessed the recoverable value of its fixed assets and is of the view that the plant along with other fixed assets were available for production and business purposes and the entire fixed assets have recoverable value on overall basis which is greater than their carrying amount as at the balance sheet date and hence no provision for impairment of assets was required to be made for the year ended 31st March, 2021.

NOTE No. 24 :

All the monies amounting to Rs.2.70 lacs received pursuant to the SME-IPO of the company which was listed on BSE-SME Platform on 31.03.2017, has been utilized for the purposes it was raised for and had been duly reported in the last audited financial statement and to BSE.

NOTE NO. 25: ADDITIONAL INFORMATION

1. As informed by the management, the company has initiated the process of obtaining confirmations from suppliers as to their status as Micro, Small or Medium Enterprise registered under the applicable category as per the provisions of the Micro, Small and Medium Enterprises (Development) Act, 2006 (MSMED Act, 2006). In absence of the relevant information as to the status of the suppliers, the balance due to Micro, Small and Medium Enterprises and interest due to them if any as per the provision of the Micro, Small and Medium Enterprises (Development) Act, 2006 (MSMED Act, 2006) could not be disclosed or provided.
2. In the opinion of the Board of Directors, Current assets, loans and advances have a value on realisation in the ordinary course of business equal to the amount at which they are stated in the balance sheet.
3. The classification of all items of asset and liabilities into non-current and current has been made by the management of the company based on conditions, terms of transactions and other relevant factors at the relevant time as envisaged by the management. In view of the management of the company all assets that are ordinarily realizable in the ordinary course of business have been classified as current assets though there may not have been any realization from such items during the year and may have been outstanding since long. Likewise, all liabilities that are to be settled within one year or in the normal course of business are classified as current liabilities though they may not have been settled during the year since last year.
4. The balances of debtors, creditors, advances to farmers, loans and advances and other assets and liabilities are subject to confirmation and subsequent reconciliations.
5. The books of account have been audited on the basis of such records and documentary evidences as were available with the management and produced before the auditors.
