

DATE-18/02/2021

Dear Team

This is to inform you that we are posting this reply on behalf of your query raised via mail with Ref no-L/SURV/ONL/PV/NK/ 2020-2021/ 30180 on 8th February 2021

Dear Sir

Trading of our stocks started in your reputed Stock Exchange from the period 9th December 2020, but as our stock was in **SPECIAL PRE OPEN CATEGORY** and also in **PERIODIC CALL OPTION**, investors are facing some trouble in trading as the trading is limited for a time period. So we hereby request you to kindly help us in getting the stock into normal category so that the investors or traders can do their trades smoothly.

So far as the price movement is concerned it is just that the investors were waiting for a long time for the stock to start trading and since they were not being able to trade the same before trading started on BSE, the investors started buying and selling the stock as per the news and financial reports that we file on quarterly basis regularly with your exchange or on fundamentals of the company.

Sir this is our submission, still if any details are required from our end you can let us know. We will be always ready to provide the exchange with the required details.

Regards

For Dhanashree Electronics Ltd
