### Item No. 3

On 30<sup>th</sup> January 2018, an Engineering, Procurement and Construction (EPC) contract including all Engineering, Procurement, Construction and Commissioning of all disciplines such as Civil, Mechanical, Electrical, instrumentation and control in relation to expansion of Carbon Black project at the Mahistikry Plant, Haripal, Hooghly, West Bengal ("Contract" or "Project") was awarded to Tuaman Engineering Limited ("**TEL**" or "**EPC contractor**") amounting to ₹ 255 Cr excluding GST. TEL was not a related party of the Company at the time of awarding of this Contract. Eventually, TEL became related party of the Company w.e.f. 16<sup>th</sup> July 2019 pursuant to the Section 2(76) of the Companies Act, 2013.

In view of the ongoing long-term contract with TEL, prior approval of the Audit Committee and Board of Directors of the Company was sought at their respective meeting held on 18<sup>th</sup> December 2018 and from Shareholders through postal Ballot dated 1<sup>st</sup> February 2019. The Board and the Audit Committee and the Shareholders then approved this project for an amount of ₹ 255 Crores excluding GST.

### Justification for why the proposed transaction is in the interest of the listed entity;

Considering that the Project was the first of its kind, having an ever-evolving process due to the nature of the technology involved in it, the exact technical requirements could not be set in stone at the time of signing of the Contract with the EPC Contractor. The Project necessarily was subject to day-to-day technical assessments of the desired product quality and market dynamics. This process naturally led the Contractor developing drawings as per the technical specifications of the Project as and when the need arose during the execution periods. This resulted into the additional/modification job done by the EPC Contractor.

## Notice (Contd.)

The Board appointed an independent engineering firm and a financial firm to conduct a technical reconciliation and financial reconciliation respectively for examining the justification of these additional claims and purchase/job orders. On the basis and after findings of these Reports of the aforesaid independent engineering firm and a financial firm, the Audit Committee and the Board recommended payment of ₹ 39.85 Crores additional amount to the EPC contractor subject to the approval of the Shareholders. The additional work was done in the best interest of the project and the Company.

Due to the above modification of the scope of work and consideration of the Contract from what was approved by the shareholders through postal ballot dated 1<sup>st</sup> February 2019, additional amount of ₹ 39.85 Crores excluding GST is payable and the same needs to be approved by the shareholders.
