To,  
The Board of Directors,  
**Alps Industries Limited**  
Plot No.15-B, G.T. Road,

Uttar Pradesh 201001

We have reviewed the accompanying statement of unaudited financial results of **Alps Industries Limited** (CIN: L51109UP1972PLC003544) for the quarter and period ended December 31, 2022. This statement is the responsibility of Company's Management and has been approved by the Board of Directors. Our responsibility is to issue a report on these financial statements based on our review.

1. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. A review is limited, primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provide less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.
2. Based on our review conducted as above, except for the effects/possible effects to our observation stated in Para 3 & 4 below, nothing has come to our attention that causes us to believe that the accompanying statement of unaudited financial results prepared in accordance with applicable accounting standards and other recognized accounting practices and policies has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 including the manner in which it is to be disclosed, or that it contains any material misstatement.

**3. Basis for Qualified Opinion**

*Refer to note no. 3 to the notes on accounts, the Company has not provided for its liability towards interest & part of principal loan, waived earlier, and impact of*

*retained earnings in terms of draft rehabilitation scheme and now revoked by its consented lenders amounting to Rs. 178025.72 lakh, accordingly the loss for the quarter and loan liability would have been increased and shareholder's fund would have been reduced to that extent.*

#### **4. Emphasis of Matters**

We draw attention to the matters as given in Note No. 3 to Financial Statements in respect of preparation of financial statement on going concern basis on the expectation of the company to get the necessary resolution for restructuring/settlement of debts and to meet its financial obligation thereof and continuation of giving effect to earlier consented scheme though now revoked.

Our conclusion is not modified in respect of this matter.

3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India. A review of interim financial information consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
4. We also performed procedures in accordance with the circular issued by the SEBI under Regulation 33 (8) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended, to the extent applicable.

**7. Basis for Qualified Opinion**

*Refer to note no. 3 to the notes on accounts, the Company has not provided for its liability towards interest & part of principal loan, waived earlier, and impact of retained earnings in terms of draft rehabilitation scheme and now revoked by its consented lenders amounting to Rs. 178025.72 lakh, accordingly the loss for the quarter and loan liability would have been increased and shareholder's fund would have been reduced to that extent.*

**8. Emphasis of Matters**

We draw attention to the matters as given in Note No. 3 to Financial Statements in respect of preparation of financial statement on going concern basis on the expectation of the company to get the necessary resolution for restructuring/settlement of debts and to meet its financial obligation thereof and continuation of giving effect to earlier consented scheme though now revoked.

Our conclusion is not modified in respect of this matter.

9. The consolidated unaudited financial results includes the interim financial results of Alps Energy Private Limited and Alps USA Inc., subsidiaries which have not been reviewed by their auditors, whose interim financial results reflect total revenue Rs. NIL and Rs. **-:NOTES:-**

1. The Unaudited Financial Results for the Quarter and nine months ended on December 31, 2022 have been reviewed by the Audit Committee and approved by the Board of Directors at their meeting held on Feb 3, 2023.
2. In terms of the Ind AS-108 'Operating Segments', there is only one reportable segment, i.e., Textile Segment, hence segment wise reporting is not applicable.
3. During earlier year, the lenders having more than 83% of the secured debts of the Company revoked their consent to the DRS/settlement scheme circulated by erstwhile Hon'ble BIFR, interalia containing the restructuring of the debts of the Company, which was partly implemented. The Company objected to the said revocation of consent being unjustified and beyond terms of the scheme and further submitted an offer for settlement. M/s Edelweiss Assets Reconstruction Company Ltd., (presently holding more than 99% of the total secured debt of the Company) (EARC), under the provisions of SARFAESI has auctioned secured operative properties, moveable and immovable, and have adjusted part of their dues with the realization made thereof. The Company is in discussion with EARC for settlement of its balance dues and Management of the Company expects to get the revised settlement/restructuring proposal approved from lenders and accordingly, the Company would be meeting its revised financial obligations. The above action of EARC has been taken on record and the board of directors of company decided to continue the operations of the company and maintain the status of company as "Going concern". Accordingly, the financial statements of the Company for the quarter & nine months ended on December 31, 2022 have been prepared on going concern assumption basis and continue with the earlier consented restructuring scheme. The impact, arising upon approval of the revised settlement/restructuring proposal, will be given effect in the financial statements of the year of final settlement with lenders.  
Hence, no provision considered necessary in these accounts towards interest on entire secured loans & part of principal secured loan waived earlier and impact on retained earnings thereon totalling to Rs. 178025.72 Lakh as per provisions of earlier consented scheme, which the Company continues to give effect till the time revised settlement/restructuring proposal is finally approved by its lenders.
4. In addition to the expectation of getting a favourable resolution plan from the lenders, the top management under the guidance of the recently appointed well experienced directors on its Board, has taken the control of marketing to incorporate new plans, to develop the domestic & overseas market and to maximize the efforts to revive its business.  
The management expect to have improvement in the performance of company and to take the company to new heights in the coming time.
5. In the Limited Review Report dated 14.11.2022 on the Unaudited Financial Statements of the company for the quarter ended on September 30, 2022, the auditors have given the following qualification:

*"Refer to note no. 3 to the notes on accounts, the Company has not provided for its liability towards interest & part of principal loan, waived earlier, and impact of retained earnings in terms of draft rehabilitation scheme and now revoked by its consented lenders amounting to Rs. 174480.45 lakh, accordingly the loss for the quarter and loan liability would have been increased and shareholder's fund would have been reduced to that extent.*

For Alps Industries Ltd.

  
(Sandeep Agarwal)  
Managing Director

In case, company would have considered this as liability, its standalone net loss for the current quarter ending on 31.12.2022 would have been Rs. 179433.97 Lakh and loss for the period ended on 31.12.2022 would have been Rs. 182203.36 lakh (consolidated net loss for the quarter ended on 31.12.2022 would have been Rs. 179434.13 lakh and net loss for the period ended on 31.12.2022 would have been Rs. 182203.92 lakh) as against already stated standalone net Loss for the quarter ended on 31.12.2022 of Rs. 1408.25 lakh and net loss for the period ended on 31.12.2022 Rs. 4177.64 lakh (consolidated net loss for the current quarter ended on 31.12.2022 Rs. 1408.41 lakh and net loss for the period ended on 31.12.2022 Rs. 4178.20 lakh) and the accumulated loss and loan liabilities at the end of the quarter and period ended on 31.12.2022 would have been higher by Rs. 178025.72 lakh.

The management's view is detailed in para 3 above. The impact, if any, of the revised settlement/restructuring which is under active consideration with lenders, will be given effect in the financial statements of the year of final settlement with them.

6. The figures for the previous quarter/year have been regrouped, re-casted and rearranged, wherever considered necessary.
