NOTES:

1. In view of the continuing Covid-19 pandemic, the Ministry of Corporate Affairs("MCA") has vide its Circular No. 20/2020 dated 5th May, 2020 read with Circular

No.14/2020 dated 8th April, 2020, Circular No. 17/2020 dated 13th April, 2020 and Circular No.02/2021 dated 13th January, 2021 (collectively referred to as "MCA Circulars") and Securities and Exchange Board of India ("SEBI") vide its circular no. SEBI/HO/CFD/CMD1/CIR/P/2020/79 dated 12th May, 2020 and circular no. SEBI/HO/CFD/CMD2/CIR/P/2021/11 dated 15th January, 2021 permitted the holding of the Annual General Meeting ("AGM") through VC/OAVM, without the physical presence of the Members at a common venue. In compliance with the provisions of the Companies Act, 2013 ("Act"), SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("Listing Regulations") and MCA / SEBI Circulars, the AGM of the Company is being held through VC/OAVM.

2. Pursuant to the provisions of the Act, a Member entitled to attend and vote at the AGM is entitled to appoint a proxy/proxies to attend and vote on a Poll at the meeting instead of himself/ herself. The proxy need not be a member of the Company. Since this AGM is being held pursuant to the MCA / SEBI Circulars through VC/OAVM, physical attendance of Members has been dispensed with. Accordingly, the facility for appointment of proxies by the Members will not be available for the AGM and hence the Proxy Form, Attendance Slip and Road Map are not annexed to this Notice.
3. The Members can join the AGM in the VC/OAVM mode 15 minutes before and after the scheduled time of the commencement of the Meeting by following the procedure mentioned in the Notice. The facility of participation at the AGM through VC/OAVM will be made available for 1000 members on first come first served basis. This will not include large Shareholders (Shareholders holding 2% or more shareholding), Promoters, Institutional Investors, Directors, Key Managerial Personnel, the Chairpersons of the Audit Committee, Nomination and Remuneration Committee and Stakeholders Relationship Committee, Auditors etc. who are allowed to attend the AGM without restriction on account of first come first served basis.
4. The Explanatory Statement, as required by section 102(1) of the Companies Act, 2013 ("Act") in respect of special business at item nos. 4 and 5 of the Notice is annexed hereto.
5. The Register of Members and Share Transfer Books of the Company will remain closed from Wednesday, 21st July, 2021 to Friday, 23rd July, 2021 (both days inclusive) for the purpose of the AGM and payment of Dividend.
6. Dividend, if declared at the AGM will be paid on or after 4th August, 2021, in respect of shares held in physical form to those members whose names appear on the Register of Members of the Company as on close of business hours on 20th July, 2021 and in respect of shares held in electronic form to those 'Deemed Members' whose names appear in the statement of beneficial ownership furnished by the National Securities Depository Ltd. (NSDL) and Central Depository Services (India) Ltd.(CDSL) as on that date.

7. Members seeking any information with regard to the accounts or any matter to be placed at the AGM are requested to write to the Company on or before 23rd July, 2021 through email on sharedept@siyaram.com. The same will be replied by the Company suitably.
8. The Securities and Exchange Board of India (SEBI) has mandated the submission of Permanent Account Number (PAN) by every participant in securities market. Members holding shares in electronic form are, therefore requested to submit their PAN to the Depository Participants with whom they maintain their demat account(s). Members holding shares in physical form should submit their PAN to the Company's Registrar and Share Transfer Agent/ Company.
9. Members holding shares in dematerialized mode are requested to intimate all changes with respect to their bank details, NECS mandates, nomination, power of attorney, change of address, etc., to their Depository Participant (DP). These changes will be automatically reflected in Company's records, which will help the Company to provide efficient and better service to the members.

Members holding shares in physical form are requested to intimate all changes with respect to their bank details, change of address, etc. to the Company's Registrar and Share Transfer Agent.

10. Members who have not registered their e-mail address, so far, are requested to register their e-mail address, in respect of electronic holdings with the Depository through their concerned Depository Participants. Members who hold shares in physical form are requested to register their email address by sending their details to the Registrar and Share Transfer Agents, TSR Darashaw Consultants Private Limited ("TCPL") for receiving all communication including Annual Report, Notices, Circulars, etc., from the Company electronically.
11. Members may note that pursuant to Finance Act 2020, dividend income is taxable in the hands of shareholders in excess of Rs. 5,000/- p.a. and the Company is required to deduct tax at source from dividend paid to shareholders at the prescribed rates. For the prescribed rates for various categories, the shareholders are requested to refer to the Finance Act, 2020 and amendments thereof. The shareholders are requested to update their PAN with the Company/ TCPL (in case of shares held in physical mode) and depositories (in case of shares held in demat mode).

A Resident individual shareholder with PAN and who is not liable to pay income tax can submit a yearly declaration in Form No. 15G/ 15H, to avail the benefit of non-deduction of tax at source by email to RTAs email ID csg-unit@tcplindia.co.in. Shareholders are requested to note that in case their PAN is not registered, the tax will be deducted at a higher rate of 20%.

Non-resident shareholders can avail beneficial rates under tax treaty between India and their country of residence, subject to providing necessary documents i.e.

No Permanent Establishment and Beneficial Ownership Declaration, Tax Residency Certificate, Form 10F, any other document which may be required to avail the tax treaty benefits by sending an email to RTAs email ID csg-unit@tcplindia.co.in. The aforesaid declarations and documents need to be submitted by the shareholders.

12. In terms of provisions of section 125 of the Companies Act, 2013 and the Investor Education and Protection Fund Authority (Accounting, Audit, Transfer and Refund) Rules, 2016 as amended from time to time, the Company has transferred shares in respect of which dividend has not been paid or claimed continuously for seven preceding years to the IEPF Authority after following the due procedure. Details of the aforesaid shares are available on the website of the Company. The aforesaid Rules also prescribe the procedure for claiming back the said shares from IEPF Authority.

The amount of dividend remaining unclaimed and unpaid for a period of seven years from the date of declaration, is required to be transferred to the Investor Education and Protection Fund (IEPF) Authority. Accordingly, the Company has transferred the unclaimed and unpaid amount pertaining to the dividend upto the financial year 2012-13 to the IEPF Authority. Members who have not encashed their dividend warrants for the financial year 2013-14 and onwards are requested to make their claims to the Company immediately. The unclaimed or unpaid dividend which have already been transferred or the shares which are transferred, if any, can be claimed back by the Members from IEPF Authority by following the procedure given on its website i.e. <http://iepf.gov.in/IEPFA/refund.html> Information in respect of such unclaimed and unpaid dividends when due for transfer to the said Fund is given below:-

During the year under review, the Company has not issued shares with differential voting rights nor granted stock options nor sweat equity. As on 31st March, 2021, none of the Directors of the Company hold convertible instruments in the Company.

5. RESERVES:

The Company has not transferred any amount to General Reserves during the year under review.

6. MANAGEMENT DISCUSSION AND ANALYSIS:

ECONOMIC OVERVIEW

Global Economic Overview.

During the year under review, the global economy performed poorly in the 1st half, due to the Covid-19 Pandemic and the consequent lockdown. However there was a marked improvement in the 2nd half, largely due to the lifting of the Lockdown, announcement of additional fiscal support in some countries, global economies coping better with measures to suppress the virus and administration of effective vaccines. This has resulted in growth in some countries like China and Turkey reaching the pre-pandemic levels. Another noteworthy point is that in few countries activity in sectors like Banking, Healthcare, IT etc., has picked up by adapting to pandemic restrictions. Labor market too showed signs of optimism with employment gains in the US and stabilising unemployment rate in Europe. Thanks to massive policy support, the global financial system has been resilient during the Covid 19 pandemic and financial conditions have eased significantly.

Indian Economic Overview.

During the year under review, the 68 days lockdown and the travel restrictions imposed thereafter by the Government of India to arrest the spread of COVID-19 pandemic, impacted the Indian Economy severely in the 1st half. In the 2nd half the Indian Economy performed much better and the GDP re-entered the growth trajectory. The overall performance of the Indian Economy does not capture the differential impact of the pandemic on different sectors of the economy. While some experts said that in India in some sectors there has been a V-shape recovery like the Agriculture, Healthcare, IT, Banking, Insurance, etc., but in some sectors a K-shaped recovery like the Textiles, Power, etc.

Indian Textile Industry Overview.

During the year under review, due to COVID-19 Pandemic all economic activities except for the essential goods and services came to a standstill, Textile being no exception. The Indian Textile Industry is expected to have fallen 30% since the last year. The Lockdown affected the entire chain of activities on the supply side from manufacturing, shortage of raw material and labour, logistics, retail sales, however, e-commerce being the saving grace. On the demand side disruption was due to unemployment, loss of income, lockdown and travel restrictions. When things just began to return to normalcy the second Covid-19 wave returned with full vengeance.

During the year under review, your Company has undertaken various measures to control costs, debottlenecking of operations and rationalization of SKUs. More importantly, your Company focussed on reduction in receivables and inventory. We are pleased to inform that despite difficult environment, substantial reduction in borrowings was achieved owing to unlocking of funds blocked in these current assets. This has created a new benchmark in management of working capital which will benefit the Company in the long run. Due to these initiatives your Company has succeeded in maintaining its track record of being profit making right from its incorporation. In the given circumstances, it seems to be a commendable achievement.

Global Economic Future Outlook.

The prospects for a global economic recovery in the current year have improved but the actual growth will depend upon discipline of the masses at large, non-recurrence of pandemic related restrictions and effective containment of third and subsequent waves of COVID-19 Pandemic. The accelerated pace of vaccinations, the international policy co-ordination to tackle the pandemic and enhance resilience are factors which will contribute to winning the war against the Pandemic.

Indian Economic Future Outlook.

The Indian Economy is expected to rebound basically due to increased investments and easing of pandemic related restrictions following quicker vaccine rollout. Further, the Government's boost to public investment through its infrastructure push incentives for manufacturing and continued support to boost rural incomes will help India's accelerated recovery. The growth will also be driven by people adapting to live with the new normal and flattening of the COVID-19 affliction curve. Due to the convergence of the second Covid-19 wave the first half will experience subdued growth whilst the second half of the current year will see a more broad based pick-up in economic activity. However the recovery would not be easy, with scars of the Pandemic running deep for small businesses and the urban poor.

Textile Industry Outlook.

The Union Budget 2020-21 has set the momentum to give the ailing Textile sector a new lease of life by announcing setting-up of mega textile parks, increasing duties on import of textile products and rationalizing the custom duty rates on imports of raw materials, allowing 100% FDI for the sector under automatic route, assisting in the development of import substitution products and continuing of other Schemes for the Textile Industry. All this will provide the required impetus for the Textile Industry and help on the path of speedy recovery.

Your Company is repositioning itself to the fast changing situation and expects to come out stronger from this once-a-century type of condition.

Internal Financial Control system.

Your Company has in place an adequate internal financial control system, commensurate with the size and complexity of its operations. Necessary checks and controls are in place to ensure that all assets are safeguarded, to detect and prevent errors and frauds and that the transactions are properly verified, adequately authorized, correctly recorded and properly reported. The Internal Auditors of the Company conduct Audit of various departments to ensure that internal controls are in place and submit Quarterly Reports to the Audit Committee. The Audit Committee regularly reviews these Reports and the Company when needed takes corrective actions.

The Internal Auditors also audit the effectiveness of the Company's internal financial control system. No major inefficiencies were reported.

Human Resources/ Industrial Relations.

Your Company treats its Human Resources as its important asset and believes in its contribution to the all-round growth of your Company. Your Company takes steps, from time to time, to upgrade and enhance the quality of this asset and strives to maintain it in agile and responsive form. Your Company is an equal opportunity employer and practices fair employment policies. Your Company is confident that its Human Capital will effectively contribute to the long term value enhancement of the organization.

Your Directors further state that during the year under review, there were no cases filed pursuant to the Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013.

Industrial relations with staff and workmen during the year under review continued to be cordial.

INDEPENDENT AUDITORS' REPORT

To the Members of
SIYARAM SILK MILLS LIMITED

Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the standalone financial statements of Siyaram Silk Mills Limited ("the Company"), which comprise the Balance Sheet as at 31st March, 2021, and the Statement of Profit and Loss (including other comprehensive income), Cash Flow Statement and Statement of Changes in Equity for the year then ended, and notes to the standalone financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the standalone financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31 March 2021, and its profit (including other comprehensive income), changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs), as specified under Section 143(10) of the Act. Our responsibilities under those SAs are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter

We draw attention to Note no. 49 of the accompanying standalone financial statements, which describes the management's evaluation of impact of uncertainties related to COVID-19 and its consequential effects on the operations of the Company. Our opinion is not modified in respect of this matter.

Key Audit Matters

Key audit matters ('KAM') are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report

Key Audit Matters	How our audit addressed the key audit matter
<p>Revenue Recognition (as described in note 1 (i) of the standalone Ind AS financial statements)</p>	<p>Principal audit procedures</p>
<p>For the year ended March 31, 2021 the Company has recognized revenue from contracts with customers amounting to 1,08,751.92 lakhs.</p> <p>Revenue from contracts with customers is recognized when control of the goods or services are transferred to the customer at an amount that reflects the consideration to which the Company expects to be entitled in exchange for those goods or services. The Company has generally concluded that as principal, it typically controls the goods or services before transferring them to the customer.</p> <p>The variety of terms that define when control are transferred to the customer, as well as the high value of the transactions, give rise to the risk that revenue is not recognized in the correct period.</p>	<p>Our audit procedures included the following:</p> <ul style="list-style-type: none"> Assessed the Company's revenue recognition policy prepared as per Ind AS 115 'Revenue from contracts with customers'. Assessed the design and tested the operating effectiveness of internal controls related to revenue recognition, discounts and rebates. Performed sample tests of individual sales transaction and traced to sales invoices, sales orders and other related documents. Further, in respect of the samples checked that the revenue has been recognized as per the shipping terms. To test cut off selected sample of sales transactions made pre-and post-year end, agreeing the period of revenue

<p>Revenue is measured net of returns and allowances, cash discounts, trade discounts and volume rebates (collectively 'discount and rebates'). There is a risk that these discount and rebates are incorrectly recorded as it also requires a certain degree of estimation, resulting in understatement of the associated expenses and accrual.</p> <p>Revenue is also an important element of how the Company measures its performance. The Company focuses on revenue as a key performance measure, which could create an incentive for revenue to be recognized before the risk and rewards have been transferred.</p> <p>Accordingly, due to the significant risk associated with revenue recognition in accordance with terms of Ind AS 115 'Revenue from contracts with customers', it was determined to be a key audit matter in our audit of the standalone Ind AS financial statements.</p>	<p>recognition to third party support, such as transporter invoice and customer confirmation of receipt of goods.</p> <ul style="list-style-type: none"> • Tested the provision calculations related to management incentives, discounts and rebates by agreeing a sample of amounts recognized to underlying arrangements with customers and other supporting documents
<p>Claims against the company not acknowledged as debts</p>	<p>Principal audit procedures</p>
<p>As at 31st march,2021, the company has exposures to litigation relating to various matters as set out in note no.40(a).Significant management judgement is required to assess such matters to determine the probability of occurrence of material outflow of economic resources and whether a provision should be recongnised, or a disclosure should be made. The management judgement is supported with legal advice in certain cases as considered appropriate.</p> <p>At the ultimate outcomes of the matters are uncertain and the position taken by the management are based on application of their best judgement, related legal advice including those relating to interpretation of laws/ regulations, it is considered to be a key audit matter.</p>	<p>Our audit procedures included the following substantive procedures:</p> <ul style="list-style-type: none"> • We understood, assessed and tested the design and operating effectiveness of key controls surrounding assessment of litigations relating to relevant laws and regulations. • Obtained details of all the claims against the Company for the year ended 31st March, 2021 from the management. • Read and analysed key correspondences, legal opinion and consultations by the management. • Discussed with the appropriate senior management and evaluated management's estimate of the possible outcome of the disputed cases. <p>Based on the above procedures, management's assessment in respect of litigations and related disclosures relating to contingent liabilities/other significant litigations in the Standalone Financial Statements are considered to be reasonable.</p>

Information other than the standalone Financial Statements and Auditor's Report thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Company's annual report, but does not include the standalone financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the state of affairs, profit or loss (including other comprehensive income), changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and

completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(l) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to standalone financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to

continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditors' Report) Order, 2016 ("the Order") issued by the Central Government of India in terms of Section 143(11) of the Act, we give in "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. (A) As required by Section 143(3) of the Act, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - (c) The Balance Sheet, the Statement of Profit and Loss (including other comprehensive income), the Statement of Changes in Equity and the Statement of Cash Flows dealt with by this Report are in agreement with the books of account.

- (d) In our opinion, the aforesaid standalone financial statements comply with the Ind AS specified under Section 133 of the Act.
- (e) On the basis of the written representations received from the directors as on 31st March, 2021 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2021 from being appointed as a director in terms of Section 164(2) of the Act.
- (f) With respect to the adequacy of the internal financial controls over financial reporting of the Company with reference to these standalone financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B".
- (g) With respect to the matter to be included in the Auditors' Report under section 197(16) of the Act, as amended:
In our opinion and according to the information and explanations given to us, the remuneration paid by the Company to its directors during the current year is in accordance with the provisions of Section 197 of the Act. The remuneration paid to any director is not in excess of the limit laid down under Section 197 of the Act.
- (h) With respect to the other matters to be included in the Auditors' Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
- The Company has disclosed the impact of pending litigations as at 31st March, 2021 on its financial position in its standalone financial statements;
 - The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses; and
 - There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.

ANNEXURE - A TO THE INDEPENDENT AUDITORS' REPORT

The Annexure referred to in Independent Auditors' Report to the members of the Company on the standalone financial statements for the year ended 31st March 2021, we report that:

- In our opinion, the Company has maintained proper records showing full particulars including quantitative details and situation of fixed assets.
 - As explained to us, the company has a regular programme for physical verification in a phased periodic manner, which, in our opinion, is reasonable having regards to the size of the Company and nature of its assets. According to the information and explanations given to us no material discrepancies were noticed on such verification.
 - According to the information and explanations given to us and on the basis of our examination of the records of the Company, the title deeds/lease deeds of immovable properties (which are included under the Note 2 of the financial statements – 'Property, plant and equipments') are held in the name of the Company except for the immovable properties which were acquired by entity that have since been amalgamated with the Company.
- As explained to us physical verification of inventory has been conducted at reasonable intervals by the management and discrepancies noticed on such physical verification between physical stocks and book records were not material considering the operations of the Company and the same have been properly dealt with in the books of account.
- The Company has granted unsecured loans to a subsidiary company covered in the register maintained under section 189 of the Act; and with respect to same:
 - In our opinion the terms and conditions of grant of such loans are not, prima facie, prejudicial to the Company's interest,
 - The schedule of repayment of principal and payment of interest has been stipulated and the repayment/ receipts of the principal amount and the interest are regular;
 - There is no overdue amount in respect of loans granted to such company.
- In our opinion and according to the information and explanations given to us, the Company has complied with the provisions of section 185 and 186 of the Act, with respect to loans and advances given, investments made, guarantees and securities made.
- In our opinion and according to the information and explanations given to us, the Company has not accepted any deposit within the meaning of Section 73 to 76 of the Act, and the rules framed there under.
- We have broadly reviewed the books of account maintained by the Company in respect of products where, pursuant to the Rules made by the Central Government, the maintenance of cost records have been prescribed under Section 148 (1) of the Act, and are of the opinion that prima facie, the prescribed accounts and records have been made and maintained. We have not, however, made a detailed examination of the records with a view to determining whether they

are accurate or complete.

(vii)(a) According to the records of the Company and the information and explanations given to us, the Company has generally been regularly depositing with the appropriate authorities undisputed statutory dues including Provident Fund, Employees' State Insurance, Income tax, Sales-Tax, Service tax, Duty of Customs, Duty of Excise, Value added Tax, Goods and Service Tax, Cess and any other statutory dues applicable to it. There are no undisputed

statutory dues as referred to above as at 31st March, 2021 outstanding for a period of more than six months from the date they become payable.

(b) According to the information and explanations given to us, the dues in respect of Income Tax, Property Tax, Textile Cess, Excise Duty and Service Tax that have not been deposited with the appropriate authorities on account of dispute and the forum where the disputes are pending are given below :-

1 STANDALONE SIGNIFICANT ACCOUNTING POLICIES

A Basis of preparation

(i) Compliance with Ind AS

The standalone financial statements have been prepared in accordance with the Indian Accounting Standards (hereinafter referred to as the 'Ind AS') as notified by Ministry of Corporate Affairs pursuant to Section 133 of the Companies Act, 2013 ('Act') read with of the Companies (Indian Accounting Standards) Rules, 2015 as amended and other relevant provisions of the Act.

(ii) Historical cost convention

The financial statements have been prepared on a historical cost basis, except for the following:

- 1) certain financial assets and liabilities that are measured at fair value;
- 2) assets held for sale – measured at lower of carrying amount or fair value less cost to sell;
- 3) defined benefit plans – plan assets measured at fair value;

(iii) Current non-current classification

All assets and liabilities have been classified as current or non-current as per The Company's normal operating cycle (twelve months) and other criteria set out in the Schedule III to the Act.

(iv) Rounding of amounts

All amounts disclosed in the financial statements and notes have been rounded off to the nearest lakhs as per the requirement of Schedule III, unless otherwise stated.

B Use of estimates and judgments

The preparation of financial statements requires estimates and assumptions to be made that affect the reported amount of assets and liabilities on the date of the financial statements and the reported amount of revenues and expenses during the reporting period. Difference between the actual results and estimates are recognized in the period in which the results are known/materialized.

C Property, plant and equipment

The Company has applied for the one time transition exemption of considering the carrying cost on the transition date i.e. April 1, 2015 as the deemed cost under Ind AS. Hence, regarded thereafter as historical cost.

Freehold land is carried at cost. All other items of property, plant and equipment are stated at cost less depreciation and impairment, if any. Historical cost includes expenditure that is directly attributable to the acquisition of the items.

Subsequent costs are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognized when replaced. All other repairs and maintenance are charged to the Statement of Profit and Loss during the reporting period in which they are incurred.

Depreciation:

- a) Depreciation is provided as per the straight line method based on useful life of the assets as prescribed in Schedule II to the Companies Act, 2013 except in case of Leasehold Land and assets at retail shops as stated in b & c below.
- b) Premium on leasehold land is amortized over the residual period of the lease and proportionate amount of premium written off is being charged to Statement of Profit & Loss.
- c) Cost of Furniture and Fixtures and Office Equipments of retail shops operated on lease basis is written off over the period of lease or within three years whichever is earlier.

Asset Impairment:

The Company reviews the carrying values of tangible assets for any possible impairment at each balance sheet date. Impairment loss, if any, is recognized in the year in which impairment takes place.

D Intangible Assets:

Intangible Assets representing

- a) Computer Software and Trade Mark are amortised using straight Line method over a period of three years.
- b) Goodwill is amortized over a period of five years.

1 STANDALONE SIGNIFICANT ACCOUNTING POLICIES**E Investments Properties**

Property that is held for long-term rental yields or for capital appreciation or both, and that is not occupied by The Company, is classified as investment property. Investment property is measured at its cost, including related transaction costs and where applicable borrowing costs less depreciation and impairment, if any.

Depreciation on building is provided over its useful life using the Straight Line Method.

Useful life considered for calculation of depreciation for assets class are as follows-

Non-Factory Building 60 years

F Investment and other financial assets**(I) Classification**

The Company classifies its financial assets in the following measurement categories:

- 1) those to be measured subsequently at fair value (either through other comprehensive income, or through the Statement of Profit and Loss), and
- 2) those measured at amortized cost.

The classification depends on The Company's business model for managing the financial assets and the contractual terms of the cash flows.

(ii) Measurement

At initial recognition, The Company measures a financial asset at its fair value. Transaction costs of financial assets carried at fair value through the Profit & Loss are expensed in the Statement of Profit and Loss.

(iii) Debt instruments:

Subsequent measurement of debt instruments depends on The company's business model for managing the asset and the cash flow characteristics of the asset. The company's classifies its debt instruments into following categories:

- (1) Amortised cost: Assets that are held for collection of contractual cash flows where those cash flows represent solely payments of principal and interest are measured at amortised cost. Interest income from these financial assets is included in other income using the effective interest rate method.
- (2) Fair value through profit and loss: Assets that do not meet the criteria for amortised cost are measured at fair value through Profit and Loss. Interest income from these financial assets is included in other income.

G Impairment of non-financial assets

Goodwill and intangible assets that have an indefinite useful life are not subject to amortization and are tested annually for impairment, or more frequently if events or changes in circumstances indicate that they might be impaired. Other assets are tested for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognized for the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is the higher of an asset's fair value less costs of disposal and value in use. For the purpose of assessing impairment, assets are grouped at the lowest levels for which there are separately identifiable cash inflows which are largely independent of the cash inflows from other assets or group of assets (cash-generating units). Non-financial assets other than goodwill that suffered an impairment are reviewed for possible reversal of the impairment at the end of each reporting period.

H Valuation of Inventories

Inventories are valued at lower of the cost and net realizable value. The cost is arrived at moving weighted average method and cost comprise all cost of purchase, cost of conversion and other costs incurred in bringing the inventories to their present location and condition. Due allowance is estimated and made for defective and obsolete items, wherever necessary, based on the past experience of The company

I Revenue recognition

The company derives revenue primarily from sale of manufactured goods, traded goods and related services. Revenue is measured at the value of the consideration received or receivable. Amounts disclosed as revenue are net of returns, trade allowances, rebates, discounts, loyalty discount, Goods and service Tax (GST). GST is collected by the seller on behalf of the government, accordingly it is excluded from the revenue.

1 STANDALONE SIGNIFICANT ACCOUNTING POLICIES

Sale of goods

Revenue from sale of goods is recognized when control of the products being sold is transferred to our customers and when there are no longer any unfulfilled obligations.

The performance obligations in our contract are fulfilled at the time of dispatch, delivery or upon formal customer acceptance depending on customer terms.

The Company operates a loyalty programme for the customers and franchisees for the sale of goods. The customers accumulate points for purchases made which entitles them to discount on future purchases. A contract liability for the award points is recognized at the time of the sale. Revenue is recognised when the points are redeemed or on expiry. The expenditure of loyalty programme is netted-off to revenue.

Sales Return-

The Company recognizes provision for sales return, based on the historical results, measured on net basis of the margin of the sale.

Revenue from services

Revenue from services is recognized in the accounting period in which the services are rendered.

Other operating revenue – Export incentives

Export Incentives under various schemes are accounted in the year of export.

Dividend :

Revenue is recognised when the Company's right to receive payment is established, which is generally when shareholders approve the dividend.

J Government grants and subsidies:

- i. Grants from the Government are recognized at their fair value where there is reasonable assurance that the grant will be received and the Company will comply with all attached conditions.
- ii. When the grant or subsidy relates to an expense item, it is recognized as income over the periods necessary to match them on a systematic basis to the costs, which it is intended to compensate.
- iii. Government grants relating to the purchase of property, plant and equipment are included in noncurrent liabilities as deferred income and are credited to Statement of Profit and Loss on a straight-line basis over the expected lives of related assets and presented within other income.

K Foreign Exchange Transaction:

i. Functional and presentation currency

The Company financial statements are presented in INR, which is also The Company's functional currency and presentation currency.

ii. Transactions and balances

Transactions in foreign currencies are initially recorded in the functional currency, using the spot exchange rate at the date of the transaction first qualifies for recognition. Monetary assets and liabilities denominated in foreign currencies are translated at the functional currency spot rates of exchange at the reporting date. Exchange differences that arise on settlement of monetary items or on reporting at each balance sheet date of The Company's monetary items at the closing rate are recognized as income or expenses in the period which they arise. Non-monetary items that are measured in terms of historical cost in a foreign currency are translated using the exchange rates at the dates of the initial transactions. Non-monetary items measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value is determined. The gain or loss arising on translation of non-monetary items measured at fair value is treated in line with the recognition of the gain or loss on the change in fair value of the item (i.e. translation, differences on items whose fair value gain or loss is recognized in OCI or profit or loss are also recognized in OCI or profit or loss, respectively).

L Investment in Subsidiary

Investment in subsidiary is carried at cost in the separate financial statements. Investment carried at cost is tested for impairment as per IND AS 36.

M Borrowings

Borrowings are initially recognized at net of transaction costs incurred and measured at amortised cost. Any difference between the proceeds (net of transaction costs) and the redemption amount is recognized in the Statement of Profit and Loss over the period of the borrowings using the effective interest method.

1 STANDALONE SIGNIFICANT ACCOUNTING POLICIES**N Borrowing Costs:**

Borrowing costs that are attributable to the acquisition or construction of qualifying assets are capitalized as part of the cost of such assets. A qualifying asset is one that necessarily takes substantial period of time to get ready for intended use. All other borrowing costs are charged to revenue.

O Tax Expenses:

The tax expense for the period comprises current and deferred tax. Tax is recognized in Statement of Profit and Loss, except to the extent that it relates to items recognized in the comprehensive income or in equity, in which case, the tax is also recognized in other comprehensive income or equity.

- Current tax

Current tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities, based on tax rates and laws that are enacted or substantively enacted at the Balance sheet date.

- Deferred tax

Deferred tax is recognized on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realized, based on tax rates (and tax laws) that have been enacted or Substantively enacted by the end of the reporting period. The carrying amount of Deferred tax liabilities and assets are reviewed at the end of each reporting period.

P Leases:

The Company assesses whether a contract contains a lease, at inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange from consideration. To assess whether a contract conveys the right to control the use of an identified assets, the Company assesses whether :

- (i) the contract involves the use of an identified asset, (ii) the Company has substantially all of the economic benefits from use of the asset through the period of the lease and (iii) the Company has the right to direct the use of the assets.

Company as a lessee

As a lessee, the Company recognizes a right-of-use-assets and a lease liability at the lease commencement date. The right-of-use-assets is initially measured at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or before the commencement date, plus and initial direct costs incurred and a estimate of costs to dismantle and remove the underlying asset or to restore the underlying asset or the site on which it is located, less and lease incentives received. The right-of-use-assets is subsequently depreciated using the straight line method from the commencement date to the earlier of the end of the useful life of the right-of-use assets or the end of the lease term. The estimated useful lives of right-of-use-assets are determined on the same basis as those of property and equipment. In addition, the right-of-use-asset is periodically reduced by impairment losses, if any, and adjusted for certain remeasurement of the lease liability.

The lease liability is initially measured at the present value of the lease payments that are not paid at the commencement date, discounted using the interest rate implicit in the lease or , if that rate cannot be readily determined, the Company's incremental borrowing rate. Generally, the Company uses its incremental borrowing rate as the discount rate.

Lease payment included in the measurement of the lease liability comprise the fixed payment, including in-substance fixed payment. Lease liability is measured at amortised cost using the effective interest method.

The Company has used number of practical expedients when applying Ind AS 116:- short –term leases, leases of low-value assets and single discount rate. The Company has elected not to recognize right-of-use-assets and lease liability for short term leases that have a lease term of 12 months or less and leases of low-value assets. The Company recognizes the lease payment associated with these leases as an expense on a straight line basis over the lease term. The Company applied a single discount rate to a portfolio of leases of similar end date.

The company's leases mainly comprise land and building for Shops, warehouse facilities.

1 STANDALONE SIGNIFICANT ACCOUNTING POLICIES

As a Lessor

Leases for which the Company is a lessor classified as finance or operating lease.

Lease Income from operating leases where the Company is a lessor is recognized in income on a straight-line basis over the lease term unless the receipt are structured to increase in line with expected general inflation to compensate for the expected inflationary cost increases. The respective leased assets are included in the balance sheet based on their nature.

Q Provision, Contingent Liabilities and Contingent Assets:

A Provision is recognized when an enterprise has a present obligation as a result of past event and it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. Provisions are determined based on management estimate required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current management estimates. Contingent Liabilities are not recognized but are disclosed in the notes. Contingent Assets are neither recognized nor disclosed in the financial statements.

R Derivatives:

Derivative financial instruments such as forward contracts, option contracts and cross currency swaps, to hedge its foreign currency risks are initially recognized at fair value on the date a derivative contract is entered into and are subsequently re-measured at their fair value with changes in fair value recognized in the Statement of Profit and Loss in the period when they arise.

S Gratuity and other post-employment benefits:

Retirement benefit in the form of provident fund and superannuation fund is a defined contribution scheme. The Company has no obligation, other than the contribution payable to the provident fund and superannuation fund. The Company recognizes contribution payable to the provident fund and superannuation fund scheme as an expense, when an employee renders the related service. If the contribution payable to the scheme for service received before the balance sheet date exceeds the contribution already paid, the deficit payable to the scheme is recognized as a liability after deducting the contribution already paid. If the contribution already paid exceeds the contribution due for services received before the balance sheet date, then excess is recognized as an asset to the extent that the pre-payment will lead to, for example, a reduction in future payment or a cash refund.

Gratuity and Leave Encashment which are defined benefits are accrued based on actuarial valuation as at the Balance Sheet date. The Company operates a defined benefit gratuity plan in India, which requires contributions to be made to a separately administered fund. The cost of providing benefits under the defined benefit plan is determined using the projected unit credit method.

Re-measurement of defined benefit plans in respect of post-employment are charged to the other comprehensive income.

Employee Separation Costs

Compensation to employee who have opted for retirement under the voluntary retirement scheme of the Company is payable in the year of exercise of option by the employee. The Company recognizes the employee separation cost when the scheme is announced and the Company is demonstrably committed to it.

T Earnings Per Share

Basic earnings per share

Basic earnings per share is calculated by dividing:

- the profit attributable to owners of the Company
- by the weighted average number of equity shares outstanding during the financial year, adjusted for bonus elements in equity shares issued during the year and excluding treasury shares.

Diluted earnings per share

Diluted earnings per share adjusts the figures used in the determination of basic earnings per share to take into account:

- the after income tax effect of interest and other financing costs associated with dilutive potential equity shares, and
- the weighted average number of additional equity shares that would have been outstanding assuming the conversion of all dilutive potential equity shares.

VII) Sensitivity Analysis :

The sensitivity analysis below have been determined based on reasonably possible changes of the respective assumptions occurring at the end of the reporting period and may not be representative of the actual change. It is based on a change in the key assumption while holding all other assumptions constant. When calculating the sensitivity to the assumption, the method (Projected Unit Credit Method) used to calculate the liability recognised in the balance sheet has been applied. The methods and types of assumptions used in preparing the sensitivity analysis did not change compared with the previous period.

Attrition Rate	100bps	28.18	(32.08)	100bps	34.70	(40.22)

VIII) Risk Exposure - Asset Volatility

The plan liabilities are calculated using a discount rate set with reference to bond yields; if plan assets underperform this yield, this will create a deficit. Most of the plan asset investments is in fixed income securities with high grades and in government securities.

45) FAIR VALUE MEASUREMENT

Financial Instrument by category and hierarchy

The fair values of the financial assets and liabilities are included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale.

The following methods and assumptions were used to estimate the fair values :

1. Fair value of cash and short-term deposits, trade and other short term receivables, trade payables, other current liabilities, short term loans from banks and other financial institutions approximate their carrying amounts largely due to short term maturities of these instruments.
2. Financial instruments with fixed and variable interest rates are evaluated by the Company based on parameters such as interest rates and individual credit worthiness of the counter party. Based on this evaluation, allowances are taken to account for expected losses of these receivables. Accordingly, fair value of such instruments is not materially different from their carrying amounts.
3. For financial assets and liabilities that are measured at fair value, the carrying amounts are equal to the fair values.

45) FAIR VALUE MEASUREMENT (Contd.)

The Company uses the following hierarchy for determining and disclosing the fair value of financial instrument by valuation technique.

Level 1 : Quoted (unadjusted) price in active markets for identical assets or liabilities

Level 2 : Other techniques for which all inputs which have a significant effect on the recorded fair value are observable, either directly or indirectly.

Level 3 : Techniques which use inputs that have a significant effect on the recorded fair value that are not based on observable market data.

Financial risk management objectives and policies

In the course of business, the Company is exposed to certain financial risk that could have considerable influence on the Company's business and its performance. These include market risk (including currency risk, interest risk and other price risk), credit risk and liquidity risk. The Board of Directors review and approves risk management structure and policies for managing risks and monitors suitable mitigating actions taken by the management to minimise potential adverse effects and achieve greater predictability to earnings.

In line with the overall risk management framework and policies, the treasury function provides service to the business, monitors and manages through an analysis of the exposures by degree and magnitude of risks. It is the Company's policy that no trading in derivatives for speculative purposes may be undertaken. The Company uses derivative financial instruments to hedge risk exposures in accordance with the Company's policies as approved by the Board of Directors.

a) Market Risk - Interest rate risk :

Interest rate risk is risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company is exposed to interest rate risk pertaining to funds borrowed at both fixed and floating interest rates. In order to optimize the Company's position with regards to interest income and interest expenses and to manage the interest rate risk, treasury performs a comprehensive corporate interest rate risk management by balancing the proportion of fixed rate and floating rate financial instruments in its total portfolio.

45) FAIR VALUE MEASUREMENT (Contd.)

The Sensitivity analysis below has been determined based on the exposures to interest rates at the end of the reporting period. For floating rate liabilities, the analysis is prepared assuming that the amount of the liability as at the end of the reporting period was outstanding for the whole year. A 50 basis point increase or decrease is used when reporting interest rate risk internally to key management personnel and represents Management's assessment of the reasonably possible changes in interest rates.

INDEPENDENT AUDITORS' REPORT

To the Members of

SIYARAM SILK MILLS LIMITED

Report on the Consolidated Financial Statements

Opinion

We have audited the accompanying consolidated financial statements of Siyaram Silk Mills Limited (hereinafter referred to as "the Holding Company") and its subsidiary (Holding Company and its subsidiary together referred to as "the Group"), which comprise the Consolidated Balance Sheet as at 31stMarch,2021, and the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), the Consolidated Cash Flows Statement and the Consolidated Statement of Changes in Equity for the year then ended, and notes to the consolidated financial statements, including a summary of significant accounting policies and other explanatory information (herein after referred to as "the consolidated financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 ('the Act') in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Group as at 31stMarch,2021, of its consolidated profit and other comprehensive income, consolidated changes in equity and consolidated cash flows for the year then ended.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those SAs are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ('ICAI'), and we have fulfilled our other ethical responsibilities in accordance with the provisions of the Act. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter

We draw attention to Note no. 50 of the accompanying consolidated financial statements, which describes the management's evaluation of impact of uncertainties related to COVID-19 and its consequential effects on the operations of the Group.

Our opinion is not modified in respect of this matter.

Key Audit Matters

Key audit matters ('KAM') are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have determined the matters described below to be the key audit matters to be communicated in our report

Key Audit Matters	How our audit addressed the key audit matter
<p>Revenue Recognition (as described in note 1 (J) of the consolidated Ind AS financial statements)</p>	<p>Our audit procedures included the following:</p> <ul style="list-style-type: none"> • Assessed the Company's revenue recognition policy prepared as per Ind AS 115 'Revenue from contracts with customers'. • Assessed the design and tested the operating effectiveness of internal controls related to revenue recognition, discounts and rebates. • Performed sample tests of individual sales transaction and traced to sales invoices, sales orders and other related documents. Further, in respect of the samples checked that the revenue has been recognized as per the shipping terms.
<p>For the year ended March 31, 2021 the Group has recognized revenue from contracts with customers amounting to 1,08,924.57lakhs. Revenue from contracts with customers is recognized when control of the goods or services are transferred to the customer at an amount that reflects the consideration to which the Company expects to be entitled in exchange for those goods or services. The Company has generally concluded that as principal, it typically controls the goods or services before transferring them to the customer. The variety of terms that define when control are transferred to the customer, as well as the high value of</p>	

the transactions, give rise to the risk that revenue is not recognized in the correct period.

Revenue is measured net of returns and allowances, cash discounts, trade discounts and volume rebates (collectively 'discount and rebates'). There is a risk that these discount and rebates are incorrectly recorded as it also requires a certain degree of estimation, resulting in understatement of the associated expenses and accrual.

Revenue is also an important element of how the Group measures its performance. The Group focuses on revenue as a key performance measure, which could create an incentive for revenue to be recognized before the risk and rewards have been transferred.

Accordingly, due to the significant risk associated with revenue recognition in accordance with terms of Ind AS 115 'Revenue from contracts with customers', it was determined to be a key audit matter in our audit of the consolidated Ind AS financial statements.

Claims against the Group not acknowledged as debts

As at 31st March, 2021, the Group has exposures to litigation relating to various matters as set out in note no.40(a). Significant management judgement is required to assess such matters to determine the probability of occurrence of material outflow of economic resources and whether a provision should be recognised, or a disclosure should be made. The management judgement is supported with legal advice in certain cases as considered appropriate.

At the ultimate outcomes of the matters are uncertain and the position taken by the management are based on application of their best judgement, related legal advice including those relating to interpretation of laws/regulations, it is considered to be a key audit matter.

- To test cut off selected sample of sales transactions made pre- and post-year end, agreeing the period of revenue

recognition to third party support, such as transporter invoice and customer confirmation of receipt of goods.

- Tested the provision calculations related to management incentives, discounts and rebates by agreeing a sample of amounts recognized to underlying arrangements with customers and other supporting documents.

Principal audit procedures

Our audit procedures included the following substantive procedures:

- We understood, assessed and tested the design and operating effectiveness of key controls surrounding assessment of litigations relating to relevant laws and regulations.
- Obtained details of all the claims against the Group for the year ended 31st March, 2021 from the management.
- Read and analysed key correspondences, legal opinion and consultations by the management.
- Discussed with the appropriate senior management and evaluated management's estimate of the possible outcome of the disputed cases.

Based on the above procedures, management's assessment in respect of litigations and related disclosures relating to contingent liabilities/other significant litigations in the Consolidated Financial Statements are considered to be reasonable.

Information other than the Consolidated Financial Statements and Auditor's Report thereon

The Holding Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Holding Company's Annual Report, but does not include the financial statements and our auditors' report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these consolidated financial statements that give a true and fair view of the state of affairs, profit or loss (including other comprehensive income), changes in equity and cash flows of the Group in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS)

specified under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from

fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(l) of the Act, we are also responsible for expressing our opinion on whether the entity has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting in preparation of consolidated financial statements and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the appropriateness of this assumption. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Group (Holding company and subsidiaries) to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of such entities or business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of financial information of such entities included in the consolidated financial statement of which we are the independent auditors.

We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements. We communicate with those charged with governance of the Holding Company and such other entities included in the consolidated financial statements of

which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters

- (a) We did not audit the financial statements and financial information in respect of a foreign subsidiary, whose financial statements reflect total assets of Rs.883.69 lakhs, total revenues of Rs.172.68 lakhs, total net loss of Rs. 175.95 Lakhs, net cash outflows of Rs.22 lakhs and total comprehensive income(Loss) of Rs.(205.48) lakhs as at 31st March, 2021, as considered in the consolidated financial statements. These financial statements and other financial information have been audited by other auditors whose report has been furnished to us by the Management and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of such subsidiary, and our report in terms of sub-sections (3) and (11) of Section 143 of the Act, in so far as it relates to the aforesaid subsidiary, is based solely on the report of the other auditors.
- (b) Our opinion on the consolidated financial statements, and our report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matters with respect to our reliance on the work done and the report of the other auditors.

Report on Other Legal and Regulatory Requirements

A. As required by Section 143(3) of the Act, based on our audit, we report, to the extent applicable, that:

- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements.
- b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books.
- c) The consolidated balance sheet, the consolidated statement of profit and loss (including other comprehensive income), the consolidated statement of changes in equity and the consolidated statement of cash flows dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated financial statements.
- d) In our opinion, the aforesaid consolidated financial statements comply with the Ind AS specified under Section 133 of the Act.
- e) On the basis of the written representations received from the directors of the Holding Company as on 31st March, 2021 and taken on record by the Board of Directors of Holding Company, none of the directors of the Holding Company is disqualified as on 31st March, 2021 from being appointed as a director in terms of Section 164(2) of the Act.
- f) With respect to the adequacy and the operating effectiveness of the internal financial controls over financial reporting with reference to these consolidated financial statements of the Holding Company, refer to our separate report in Annexure A.
- g) With respect to the matter to be included in the Auditors' Report under section 197(16) of the Act, as amended :
In our opinion and according to the information and explanations given to us, the remuneration paid by the Holding Company to its directors during the current year is in accordance with the provisions of Section 197 of the Act. The remuneration paid to any director is not in excess of the limit laid down under Section 197 of the Act
- h) With respect to the other matters to be included in

the Auditors' Report in accordance with Rule 11 of the Companies (Audit and Auditor's) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

- i. The consolidated financial statements disclose the impact of pending litigations as at 31st March, 2021 on the consolidated financial position of the Group.
- ii. The Company and its subsidiary company incorporated in India did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses; and
- iii. There has been no delay in transferring amounts to the Investor Education and Protection Fund by the Holding Company and its subsidiary company incorporated in India during the year ended 31st March, 2021.

Annexure – "A" to the Independent Auditors' Report

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

In conjunction with our audit of the consolidated financial statements of the Company as of and for the year ended 31 March, 2021, we have audited the internal financial controls over financial reporting of Siyaram Silk Mills Limited (hereinafter referred to as 'the Holding Company') as of that date. The subsidiary company which is part of the Group is incorporated outside India and internal financial controls under clause (i) of sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act") is not applicable to the subsidiary company.

Management's Responsibility for Internal Financial Controls

The Board of Directors of the Holding Company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India ("the ICAI"). These responsibilities include the design, implementation and maintenance of internal financial controls with reference to financial statements were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India and the Standards on Auditing, prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the internal financial controls with reference to financial statements over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material

misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting of the Company.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the

possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the Holding Company, has maintained in all material respects, adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2021, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

1 CONSOLIDATED SIGNIFICANT ACCOUNTING POLICIES

A Basis of preparation:

(i) Compliance with Ind AS

The consolidated financial statements have been prepared in accordance with the Indian Accounting Standards (hereinafter referred to as the 'Ind AS') as notified by Ministry of Corporate Affairs pursuant to Section 133 of the Companies Act, 2013 ('Act') read with of the Companies (Indian Accounting Standards) Rules, 2015 as amended and other relevant provisions of the Act.

(ii) Historical cost convention

The financial statements have been prepared on a historical cost basis, except for the following:

- 1) certain financial assets and liabilities that are measured at fair value;
- 2) assets held for sale – measured at lower of carrying amount or fair value less cost to sell;
- 3) defined benefit plans – plan assets measured at fair value;

(iii) Current non-current classification

All assets and liabilities have been classified as current or non-current as per the Group's normal operating cycle (twelve months) and other criteria set out in the Schedule III to the Act.

(iv) Rounding of amounts

All amounts disclosed in the financial statements and notes have been rounded off to the nearest lakhs as per the requirement of Schedule III, unless otherwise stated.

B Principles of consolidation and equity accounting:

Subsidiary is an entity over which the Group has control. The Group controls an entity when the Group is exposed to, or has rights to, variable returns from its involvement with the entity and has the ability to affect those returns through its power to direct the relevant activities of the entity. Subsidiary is fully consolidated from the date on which control is transferred to the Group. The acquisition method of accounting is used to account for business combinations by the Group. The Group combines the financial statements of the Holding Company and its subsidiary line by line adding together like items of assets, liabilities, equity, income and expenses. Intercompany transactions, balances and unrealised gains on transactions between Group companies are eliminated. Unrealised losses are also eliminated unless the transaction provides evidence of an impairment of the transferred asset. Accounting policies of subsidiary has been changed where necessary to ensure consistency with the policies adopted by the Group. Non-controlling interests in the results and equity of subsidiary are shown separately in the consolidated statement of profit and loss, consolidated statement of changes in equity and consolidated balance sheet respectively.

C Use of estimates and judgments:

The preparation of financial statements requires estimates and assumptions to be made that affect the reported amount of assets and liabilities on the date of the financial statements and the reported amount of revenues and expenses during the reporting period. Difference between the actual results and estimates are recognized in the period in which the results are known/materialized.

D Property, plant and equipment:

Freehold land is carried at cost. All other items of property, plant and equipment are stated at cost less depreciation and impairment, if any. Historical cost includes expenditure that is directly attributable to the acquisition of the items. Subsequent costs are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Group and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognized when replaced. All other repairs and maintenance are charged to the Statement of Profit and Loss during the reporting period in which they are incurred.

Depreciation:

- a) Depreciation is provided as per the straight line method based on useful life of the assets as prescribed in Schedule II to the Companies Act, 2013 except in case of Leasehold Land and assets at retail shops as stated in b & c below.
- b) Premium on leasehold land is amortized over the residual period of the lease and proportionate amount of premium written off is being charged to Statement of Profit & Loss.
- c) Cost of Furniture and Fixtures and Office Equipments of retail shops operated on lease basis is written off over the period of lease or within three years whichever is earlier.

1 CONSOLIDATED SIGNIFICANT ACCOUNTING POLICIES**Asset Impairment:**

The Group reviews the carrying values of tangible assets for any possible impairment at each balance sheet date. Impairment loss, if any, is recognized in the year in which impairment takes place.

E Intangible Assets:

Intangible Assets representing

- a) Computer Software and Trade Mark are amortised using straight Line method over a period of three years.
- b) Goodwill is amortized over a period of five years.

F Investments Properties:

Property that is held for long-term rental yields or for capital appreciation or both, and that is not occupied by The Group, is classified as investment property. Investment property is measured at its cost, including related transaction costs and where applicable borrowing costs less depreciation and impairment, if any.

Depreciation on building is provided over it's useful life using the Straight Line Method.

Useful life considered for calculation of depreciation for assets class are as follows-

Non-Factory Building 60 years

G Investment and other financial assets:**(I) Classification**

The Group classifies its financial assets in the following measurement categories:

- 1) those to be measured subsequently at fair value (either through other comprehensive income, or through the Statement of Profit and Loss), and
- 2) those measured at amortized cost. The classification depends on The Group's business model for managing the financial assets and the contractual terms of the cash flows.

(ii) Measurement

At initial recognition, The Group measures a financial asset at its fair value. Transaction costs of financial assets carried at fair value through the Profit & Loss are expensed in the Statement of Profit and Loss.

(iii) Debt instruments

Subsequent measurement of debt instruments depends on The Group's business model for managing the asset and the cash flow characteristics of the asset. The Group classifies its debt instruments into following categories:

- (1) Amortised cost: Assets that are held for collection of contractual cash flows where those cash flows represent solely payments of principal and interest are measured at amortised cost. Interest income from these financial assets is included in other income using the effective interest rate method.
- (2) Fair value through profit and loss: Assets that do not meet the criteria for amortised cost are measured at fair value through Profit and Loss. Interest income from these financial assets is included in other income.

H Impairment of non-financial assets:

Goodwill and intangible assets that have an indefinite useful life are not subject to amortization and are tested annually for impairment, or more frequently if events or changes in circumstances indicate that they might be impaired. Other assets are tested for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognized for the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is the higher of an asset's fair value less costs of disposal and value in use. For the purpose of assessing impairment, assets are grouped at the lowest levels for which there are separately identifiable cash inflows which are largely independent of the cash inflows from other assets or group of assets (cash-generating units). Non-financial assets other than goodwill that suffered an impairment are reviewed for possible reversal of the impairment at the end of each reporting period.

I Valuation of Inventories:

Inventories are valued at lower of the cost and net realizable value. The cost is arrived at moving weighted average method and cost comprise all cost of purchase, cost of conversion and other costs incurred in bringing the inventories to their present location and condition. Due allowance is estimated and made for defective and obsolete items, wherever necessary, based on the past experience of The Group.

J Revenue recognition:

The Group derives revenue primarily from sale of manufactured goods, traded goods and related services.

1 CONSOLIDATED SIGNIFICANT ACCOUNTING POLICIES

Revenue is measured at the value of the consideration received or receivable. Amounts disclosed as revenue are net of returns, trade allowances, rebates, discounts, loyalty discount, Goods and service Tax (GST). GST is collected by the seller on behalf of the government, accordingly it is excluded from the revenue.

Sale of goods

Revenue from sale of goods is recognized when control of the products being sold is transferred to our customers and when there are no longer any unfulfilled obligations. The performance obligations in our contract are fulfilled at the time of dispatch, delivery or upon formal customer acceptance depending on customer terms. The Group operates a loyalty programme for the customers and franchisees for the sale of goods. The customers accumulate points for purchases made which entitles them to discount on future purchases. A contract liability for the award points is recognized at the time of the sale. Revenue is recognised when the points are redeemed or on expiry. The expenditure of loyalty programme is netted-off to revenue.

Sales Return-

The Group recognizes provision for sales return, based on the historical results, measured on net basis of the margin of the sale.

Revenue from services

Revenue from services is recognized in the accounting period in which the services are rendered.

Other operating revenue – Export incentives

Export Incentives under various schemes are accounted in the year of export.

Dividend : Revenue is recognised when the Group's right to receive payment is established, which is generally when shareholders approve the dividend.

K Government grants and subsidies:

- i. Grants from the Government are recognized at their fair value where there is reasonable assurance that the grant will be received and the group will comply with all attached conditions.
- ii. When the grant or subsidy relates to an expense item, it is recognized as income over the periods necessary to match them on a systematic basis to the costs, which it is intended to compensate.
- iii. Government grants relating to the purchase of property, plant and equipment are included in non-current liabilities as deferred income and are credited to Statement of Profit and Loss on a straight-line basis over the expected lives of related assets and presented within other income.

L Foreign Exchange Transaction:

i. Functional and presentation currency

The Group's financial statements are presented in INR, which is also The Group's functional currency and presentation currency.

ii. Transactions and balances

Transactions in foreign currencies are initially recorded in the functional currency, using the spot an exchange rate at the date of the transaction first qualifies for recognition. Monetary assets and liabilities denominated in foreign currencies are translated at the functional currency spot rates of exchange at the reporting date. Exchange differences that arise on settlement of monetary items or on reporting at each balance sheet date of The Group's monetary items at the closing rate are recognized as income or expenses in the period which they arise. Non-monetary items that are measured in terms of historical cost in a foreign currency are translated using the exchange rates at the dates of the initial transactions. Non-monetary items measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value is determined. The gain or loss arising on translation of non-monetary items measured at fair value is treated in line with the recognition of the gain or loss on the change in fair value of the item (i.e. translation, differences on items whose fair value gain or loss is recognized in OCI or profit or loss are also recognized in OCI (Other Comprehensive Income) or profit or loss, respectively).

iii Group Companies

The results and financial position of foreign operations that have a functional currency different from the presentation currency are translated into the presentation currency as follows:

- Assets and liabilities are translated at the closing rate at the date of that balance sheet.
- Income and expenses are translated at average exchange rates (unless this is not a reasonable approximation of the cumulative effect of the rates prevailing on the transaction dates, in which case income and expenses are

1 CONSOLIDATED SIGNIFICANT ACCOUNTING POLICIES

translated at the dates of the transactions). On Consolidation, exchange differences arising from the translation of any net investment in foreign entity are recognised in other comprehensive income and all resulting exchange differences are recognised in other comprehensive income.

M Borrowings:

Borrowings are initially recognized at net of transaction costs incurred and measured at amortised cost. Any difference between the proceeds (net of transaction costs) and the redemption amount is recognized in the Statement of Profit and Loss over the period of the borrowings using the effective interest method.

N Borrowing Costs:

Borrowing costs that are attributable to the acquisition or construction of qualifying assets are capitalized as part of the cost of such assets. A qualifying asset is one that necessarily takes substantial period of time to get ready for intended use. All other borrowing costs are charged to revenue.

O Tax Expenses:

The tax expense for the period comprises current and deferred tax. Tax is recognized in Statement of Profit and Loss, except to the extent that it relates to items recognized in the comprehensive income or in equity, in which case, the tax is also recognized in other comprehensive income or equity.

- Current tax

Current tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities, based on tax rates and laws that are enacted or substantively enacted at the Balance sheet date.

- Deferred tax

Deferred tax is recognized on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realized, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period. The carrying amount of Deferred tax liabilities and assets are reviewed at the end of each reporting period.

P Leases:

The Group assesses whether a contract contains a lease, at inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange from consideration. To assess whether a contract conveys the right to control the use of an identified assets, the Group assesses whether : (i) the contract involves the use of an identified asset (ii) the Group has substantially all of the economic benefits from use of the asset through the period of the lease and (iii) the Group has the right to direct the use of the assets.

Group as a lessee

As a lessee, the Group recognizes a right-of-use-assets and a lease liability at the lease commencement date. The right-of-use-assets is initially measured at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or before the commencement date, plus and initial direct costs incurred and a estimate of costs to dismantle and remove the underlying asset or to restore the underlying asset or the site on which it is located, less any lease incentives received. The right-of-use-assets is subsequently depreciated using the straight line method from the commencement date to the earlier of the end of the useful life of the right-of-use assets or the end of the lease term. The estimated useful lives of right-of-use-assets are determined on the same basis as those of property and equipment. In addition, the right-of-use-asset is periodically reduced by impairment losses, if any, and adjusted for certain remeasurement of the lease liability.

The lease liability is initially measured at the present value of the lease payments that are not paid at the commencement date, discounted using the interest rate implicit in the lease or , if that rate cannot be readily determined, the Group's incremental borrowing rate. Generally, the Group uses its incremental borrowing rate as the discount rate.

Lease payment included in the measurement of the lease liability comprise the fixed payment, including in-substance fixed payment. Lease liability is measured at amortised cost using the effective interest method. The Group has used number of practical expedients when applying Ind AS 116:- short –term leases, leases of low-value assets and single discount rate. The Group has elected not to recognize right-of-use-assets and lease liability for short term leases that have a lease term of 12 months or less and leases of low-value assets. The Group recognizes the lease payment associated with these leases as an expense on a straight line basis over the lease term. The Group applied a single discount rate to a portfolio of leases of similar end date. The Group's leases mainly comprise land and

1 CONSOLIDATED SIGNIFICANT ACCOUNTING POLICIES

building for Shops, warehouse facilities.

As a Lessor

Leases for which the Group is a lessor classified as finance or operating lease. Lease Income from operating leases where the Group is a lessor is recognized in income on a straight-line basis over the lease term unless the receipt are structured to increase in line with expected general inflation to compensate for the expected inflationary cost increases. The respective leased assets are included in the balance sheet based on their nature.

Q Provision, Contingent Liabilities and Contingent Assets:

A Provision is recognized when an enterprise has a present obligation as a result of past event and it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. Provisions are determined based on management estimate required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current management estimates. Contingent Liabilities are not recognized but are disclosed in the notes. Contingent Assets are neither recognized nor disclosed in the financial statements.

R Derivatives:

Derivative financial instruments such as forward contracts, option contracts and cross currency swaps, to hedge its foreign currency risks are initially recognized at fair value on the date a derivative contract is entered into and are subsequently re-measured at their fair value with changes in fair value recognized in the Statement of Profit and Loss in the period when they arise.

S Gratuity and other post-employment benefits:

Retirement benefit in the form of provident fund and superannuation fund is a defined contribution scheme. The Group has no obligation, other than the contribution payable to the provident fund and superannuation fund. The Group recognizes contribution payable to the provident fund and superannuation fund scheme as an expense, when an employee renders the related service. If the contribution payable to the scheme for service received before the balance sheet date exceeds the contribution already paid, the deficit payable to the scheme is recognized as a liability after deducting the contribution already paid. If the contribution already paid exceeds the contribution due for services received before the balance sheet date, then excess is recognized as an asset to the extent that the pre-payment will lead to, for example, a reduction in future payment or a cash refund.

Gratuity and Leave Encashment which are defined benefits are accrued based on actuarial valuation as at the Balance Sheet date. The Group operates a defined benefit gratuity plan in India, which requires contributions to be made to a separately administered fund. The cost of providing benefits under the defined benefit plan is determined using the projected unit credit method.

Re-measurement of defined benefit plans in respect of post-employment are charged to the other comprehensive income.

Employee Separation Costs

Compensation to employee who have opted for retirement under the voluntary retirement scheme of the Group is payable in the year of exercise of option by the employee. The Group recognizes the employee separation cost when the scheme is announced and the Group is demonstrably committed to it.

T Earnings Per Share:

Basic earnings per share

Basic earnings per share is calculated by dividing:

- the profit attributable to owners of The Group
- by the weighted average number of equity shares outstanding during the financial year, adjusted for bonus elements in equity shares issued during the year and excluding treasury shares.

Diluted earnings per share

Diluted earnings per share adjusts the figures used in the determination of basic earnings per share to take into account:

- the after income tax effect of interest and other financing costs associated with dilutive potential equity shares, and
- the weighted average number of additional equity shares that would have been outstanding assuming the conversion of all dilutive potential equity shares.

VII) Sensitivity Analysis :

The sensitivity analysis below have been determined based on reasonably possible changes of the respective assumptions occurring at the end of the reporting period and may not be representative of the actual change. It is based on a change in the key assumption while holding all other assumptions constant. When calculating the sensitivity to the assumption, the method (Projected Unit Credit Method) used to calculate the liability recognised in the balance sheet has been applied. The methods and types of assumptions used in preparing the sensitivity analysis did not change compared with the previous period.

VIII) Risk Exposure - Asset Volatility

The plan liabilities are calculated using a discount rate set with reference to bond yields; if plan assets underperform this yield, this will create a deficit. Most of the plan asset investments is in fixed income securities with high grades and in government securities. These are subject to interest rate risk and the fund manages interest rate risk derivatives to minimize risk to an acceptable level.

45) FAIR VALUE MEASUREMENT

Financial Instrument by category and hierarchy

The fair values of the financial assets and liabilities are included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale.

The following methods and assumptions were used to estimate the fair values :

1. Fair value of cash and short-term deposits, trade and other short term receivables, trade payables, other current liabilities , short term loans from banks and other financial institutions approximate their carrying amounts largely due to short term maturities of these instruments.
2. Financial instruments with fixed and variable interest rates are evaluated by the Group based on parameters such as interest rates and individual credit worthiness of the counter party. Based on this evaluation, allowances are taken to account for expected losses of these receivables. Accordingly, fair value of such instruments is not materially different from their carrying amounts.
3. For financial assets and liabilities that are measured at fair value, the carrying amounts are equal to the fair values.

The Group uses the following hierarchy for determining and disclosing the fair value of financial instrument by valuation technique.

Level 1 : Quoted (unadjusted) price in active markets for identical assets or liabilities

Level 2 : Other techniques for which all inputs which have a significant effect on the recorded fair value are observable, either directly or indirectly.

Level 3 : Techniques which use inputs that have a significant effect on the recorded fair value that are not based on observable market data

Financial risk management objectives and policies

In the course of business, the group is exposed to certain financial risk that could have considerable influence on the Group's business and its performance. These include market risk (including currency risk, interest risk and other price risk), credit risk and liquidity risk. The Board of Directors review and approves risk management structure and policies for managing risks and monitors suitable mitigating actions taken by the management to minimise potential adverse effects and achieve greater predictability to earnings. In line with the overall risk management framework and policies, the treasury function provides service to the business, monitors and manages through an analysis of the exposures by degree and magnitude of risks. It is the Group's policy that no trading in derivatives for speculative purposes may be undertaken. The group uses derivative financial instruments to hedge risk exposures in accordance with the Group's policies as approved by the board of directors.

a) Market Risk - Interest rate risk :

Interest rate risk is risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates.

The Group is exposed to interest rate risk pertaining to funds borrowed at both fixed and floating interest rates. In order to optimize the Group's position with regards to interest income and interest expenses and to manage the interest rate risk, treasury performs a comprehensive corporate interest rate risk management by balancing the proportion of fixed rate and floating rate financial instruments in its total portfolio.

The Sensitivity analysis below has been determined based on the exposures to interest rates at the end of the reporting period. For floating rate liabilities, the analysis is prepared assuming that the amount of the liability as at the end of the reporting period was outstanding for the whole year. A 50 basis point increase or decrease is used when reporting interest rate risk internally to key management personnel and represents Management's assessment of the reasonably possible changes in interest rates.
