Dear Sir/Madam,

Subject: Scaling down of operations - Intimation under Regulation 30 of SEBI LODR

In view of the escalating COVID-19 situation in our Country and keeping in mind the safety and wellbeing of the Employees and their family, the Company has decided to significantly scale down its operations by way of full closure of offices situated across India (where required, people are working from home), in line with the advisory instructions of the Central / State Government(s) / Local Authorities.

The duration of such closure or shutdown or reduced operations, will depend upon the policies and directives of the Central Government and respective States Government(s). In this evolving situation, the overall adverse impact on the operations of the Company is not immediately assessable.

We request you to take the above on record and note the compliance under above referred regulations of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (SEBI LODR).

Thanking You,

Yours Truly,
