**Limited Review Report on Quarterly Financial Results of M/s. PBA Infrastructure Limited pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015**

To,  
**The Board of Directors**  
**M/s PBA Infrastructure Limited**

We have reviewed the accompanying statement of unaudited financial results of M/s. **PBA Infrastructure Limited** (the "Company") for the quarter ended 30<sup>th</sup> June 2019 (the Statement) attached herewith, being submitted by the Company pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, read with SEBI Circular No. CIR/CFD/FAC/62/2016 dated July 5, 2016.

The preparation of the Statement in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34, Interim Financial Reporting (Ind AS 34) prescribed under Section 133 of the Companies Act, 2013 read with Rule 3 of Companies (Indian Accounting Standards) Rules, 2015 read with SEBI Circular No. CIR/CFD/FAC/62/2016 dated July 5, 2016 is the responsibility of the Company's management and has been approved by the Board of Directors of the Company. Our responsibility is to express a conclusion on the Statement based on our review.

We have conducted our review in accordance with the Standard on Review Engagements (SRE) 2410, Review of Interim Financial Information Performed by the Independent Auditor of the Entity issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provide less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

Based on our review conducted as above, except for the effects / possible effects of our observation stated in Basis of Qualified Opinion Paragraph, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the recognition and measurement principles laid down in the applicable Indian Accounting Standards ('Ind AS') specified under Section 133 of the Companies Act, 2013, read with relevant rules issued thereunder and other recognized accounting practices and policies has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, read with SEBI Circular No. CIR/CFD/FAC/62/2016 dated July 5, 2016, including the manner in which it is to be disclosed, or that it contains any material misstatement.

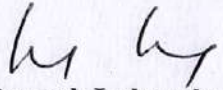

### Basis of Qualified Opinion

- a) Loan Statements pertaining to loans from Banks, FI's & NBFC's have not been received and reconciled. Further, due to pending clarifications & Confirmations from Banks/FI's and financial institutions for current/cash credit/term loan accounts entries have not been reconciled. Lead bank (Canara Bank) under consortium has taken symbolic possession of the various secured assets under Securitization and Reconstruction of Financial Assets and Enforcement of Security Interest Act 2002. The company has also received notice of physical possession of the various secured assets. As informed by the Management, interest on loans from Banks/FIs is not provided as the Company is negotiating One Time Settlement with the Banks under the Leadership of Canara Bank
- b) There were defaults in repayment of Public Deposits and Inter Corporate Deposits on maturity and payment of interest thereon for the past few years with repayment being delayed.
- c) The Company follows accounting practice of recognizing revenue under IND AS-11 on the basis percentage completion method. The Company being an EPC contractor raises claims / arbitration money with employers/Customers for the delay on obtaining approvals, cost escalation, etc. As per Company policy, though the claims are raised for the actual loss incurred by the Company, the same is recognized in the books at realizable value which is determined by the internal technical team of the Company. Though, these claims are not acknowledged by the employer / Customer, the same being intangible in nature is being classified as Work-in-progress. The said claims though classified under WIP (Current Asset) are not recoverable in the near future.
- d) With reference to the trade receivables outstanding even beyond six months, the management is of the opinion that no provision is required to be made in the accompanying financial statements as it is considered normal in the infrastructure industry. The trade receivables are subject to confirmations from the counter parties. In absence of the same we are unable to comment on the classification and recoverability of such receivables.
- e) The preparation of the financial statements of the company is on the basis of going concern assumption despite classification of credit facilities as NPA by bankers, loss suffered by the company on account of low turnover, liquidity crunch to meet its obligations and non payment of statutory dues. Thus there is an existence of material uncertainty as going concern of the company.
- f) Equity shares of the company are under suspension w.e.f 09.04.2019 as per BSE notice dated 18.03.2019 vide No: 20190318/41 and NSE letter dated 05.04.2019 vide No: NSE/SOP/SUS/78387.
