1 On 1 March 2021, Siemens Limited ("The Holding Company") acquired 99.22% equity share capital of C&S Electric Limited from its promoters for a preliminary sale share consideration of ₹ 21,588 million, payable in cash, on cash free/debt free basis on terms and conditions that are mutually agreed between the parties to the transaction.

The fair value of assets and liabilities acquired have been determined provisionally in accordance with IND AS 103 'Business Combinations'. The purchase price has been provisionally allocated to the assets acquired and liabilities assumed based on the estimated fair values at the date of acquisition. The excess of the purchase price over the fair value of the net assets acquired has been allocated to goodwill. The Group believes that the information provides a reasonable basis for estimating the fair values of assets and liabilities acquired, but the potential for measurement period adjustments exists based on a continuing review of matters related to the acquisition. The purchase price allocation is expected to be completed within one year. The provisional value of goodwill as on 30.09.2021 is ₹ 11,450 million.

2 During the previous year, the Group's operations and financial results were adversely impacted by the lockdown imposed to contain the spread of Coronavirus (COVID-19) since last week of March 2020. The operations gradually resumed with requisite precautions during the quarter ended 30 June 2020 with limited availability of workforce and disrupted supply chain. Consequently, the results for the year ended 30 September 2020 were affected. Further during the current year, the operations for the year ended 30 September 2021 were impacted due to the second wave of COVID-19.

The expenses incurred during shutdown and partial shutdown in respect of continuing operations for the year ended 30 September 2021 and 30 September 2020 were ₹ 262 million and ₹ 2,847 million, respectively.

- On 1 January 2021, the Holding Company divested its Mechanical Drives (MD) business as a going concern on a slump sale basis to Flender Drives Private Limited for a final consideration of ₹ 3,759 million (after adjusting the consideration of ₹ 4,400 million for changes in net current assets and capital expenditure as per the terms and conditions agreed between the parties). The gain on the sale transaction is ₹ 487 million for the year ended 30 September 2021. The tax expense on this transaction is ₹ 362 million (including write-off of deferred tax assets of ₹ 302 million) for the year ended 30 September 2021. The results for the same has been disclosed as discontinued operations.
- The Holding Company has executed a Power Purchase Agreement and entered into a Share Subscription and Shareholders Agreement on 22 October 2021, for the subscription of 26% of the paid-up equity share capital of Sunsole Renewables Private Limited, subject to fulfilment of conditions precedent as agreed between the parties.
- 5 The specified items of the standalone financial results of the Company for the quarter and year ended 30 September 2021 are given below:
