Management Discussion and Analysis

Economic Outlook

Weaker economic momentum has helped ease supply chain pressures and reduce broader cost pressures, with energy prices dropping significantly from their 2022 peak when Russia invaded Ukraine. Median CPI inflation for the G20 countries fell to 3.9% in October 2023 after peaking at 7.7% in July 2022. Higher interest rates are hurting the commercial property market and slowing the pace of housing transactions. Asia is forecast to expand at 4.4% in both 2024 and 2025, a drop from 2023’s 4.9% pace. Inflation is still elevated but cooling, which gives hope to firms, financial markets, and consumers that central banks will soon cut rates. The unemployment rate is expected to edge up over the next two years from the current 4.7%. (source: Global Economic Outlook-KPMG)

Better-than-expected growth from China and India helped propel the region in 2023. Asia has shown profound resilience in the face of a challenging global environment. Retail sales in China, Japan, Singapore and South Korea remain soft as consumer confidence is broadly low. Weak international demand has hampered exports, but the wheels of manufacturing keep turning. Industrial production in emerging Asia maintains its expansion. In the next couple of years, Asia is forecast to drive global export growth as increasingly more advanced manufacturing is achieved. Supply chain reorganization, stemming at least partially from the geoeconomic uncertainty, is driving investment from inside and outside the region; this is providing a buffer from the global demand doldrums. Semiconductor fabrication is being spread across the continent as opposed to being held in a few select countries. Vietnam is expanding in both services and manufacturing as foreign direct investment continues to grow. (source: Global Economic Outlook-KPMG)

The Indian economy closed FY24 strongly with its growth surpassing market expectations, despite strong external headwinds. Early indications suggest a continuation of the economic momentum during the first quarter of FY25. The emerging robust trends in important high-frequency indicators of growth like the GST collections, e-way bills, electronic toll collections, sale of vehicles, purchasing managers' indices and the value and number of digital transactions attest to the growing strength of the economy. Over the course of the last decade (2014-2024), India has showcased a robust and resilient growth story driven by perseverance, ingenuity, and long-term vision in spite of unprecedented challenges such as COVID-19 pandemic and evolving geopolitical situations. There are several positive factors for the Indian economy. While healthy balance sheets of banks and corporates, supply chain normalization, business optimism and robust government capital expenditure are favorable for a renewal of the capex cycle, however the private capital investment cycle needs to take off. As per IMF report "Growth in India is projected to remain strong at 6.8 per cent in FY25 and 6.5 per cent in FY26, with the robustness reflecting continuing strength in domestic demand and a rising working-age population".

Growth Projections

(source: IMF, World Economic Outlook, April 2024)

Industry Structure and Development

India's population growth and economic development require improved transport infrastructure, including investments in roads, railways, and aviation, shipping and inland waterways. India's real estate sector is expected to expand to US\$ 5.8 trillion by 2047, contributing 15.5% to the GDP from an existing share of 7.3%. Development of infrastructure has a multiplier effect on demand and efficiency of transport and increases commercial and entrepreneurship opportunities. In 2023, luxury home sales in India surged by 75%, doubling their share in total housing sales. The real estate sector shows promise with a projected 9.2% CAGR from 2023 to 2028. 2024 is expected to drive growth with urbanization, rental market expansion, and property price appreciation. Driven by increasing transparency and returns, there's a surge in private investment in the sector. The new framework for Small and Medium Real Estate Investment Trusts (SM REITs) has been praised by the realtors' association CREDAI, stating that it will enhance the flow of funds into the Indian real estate market. In the 2024-25 interim Budget there is a boost for India's affordable housing sector by adding 2 crore more houses to the flagship scheme PMAY-U. As per the Reserve Bank of India (RBI) in the past 4 years until March 2024, Real Estate Investment Trusts (REITs) and Infrastructure Investment Trusts (InvITs) have amassed US\$ 15.60 billion (Rs. 1.3 lakh crore).

Government Initiatives

Major Government initiatives as per Union Budget 2024 includes Reduction in Tax Rates for Foreign companies, Withdrawal of Equalisation Levy - withdrawal of Equalisation Levy on NR e-commerce operators, Rationalization of capital gains taxation – rationalization of both Long term and Short term capital gains tax and removal of Indexation, Removal of angel tax provisions, Taxation of buy-back proceeds as dividend for shareholders, Simplification of income tax law - Comprehensive review of the Income Tax Act, 1961 for Making the Act concise, lucid, easy to read and understand, Reducing disputes and litigation and Providing certainty to taxpayers, Vivad Se Vishwas Scheme 2024 to address rising litigation and facilitate dispute resolution - The scheme will be applicable for appeals filed before Commissioner (Appeals), DRP, ITAT, HC and SC, Rationalization of WHT rates on payments to residents (other than salaries). (source-EY-India)

Government committed to invest in the sector and promote viability gap funding, enable policies and regulations to encourage private participation, facilitate development of investment-ready 'plug and play' industrial parks with complete infrastructure in or near 100 cities, in partnership with the states and private sector, through better use of town planning schemes.

Financial Performance Overview

During the financial year 2023-24, total revenue on standalone as well as on consolidated basis was Rs. 2591.61 Lakhs as against Rs. 3219.21 Lakhs in the previous year – a fall of 19.49% recorded; Profit before Tax for the current year is Rs. 644.38 Lakhs as against Rs. 661.49 Lakhs in the previous year – a fall of 2.58% recorded and the total comprehensive income stood at Rs. 444.92 Lakhs as against Rs. 482.26 Lakhs for the previous year – a fall of 7.74% recorded. The Company's operations span covers all aspects of real estate development from the identification and acquisition of land to the planning, execution and marketing of its projects. The Company is developing projects mainly in Indore (Madhya Pradesh) and Mumbai (Maharashtra). During the year, the Company has the following projects which are at completion/various stage of progress;

Name of Project	Project Type	Location
Shrikrishna Corridor	Colony	Indore (MP)
Shri Krishna Enclave	Colony	Indore (MP)
Shri Krishna Emerald Greens	Colony	Indore (MP)

Opportunities, Threats, Risks and Concerns

Affordability remains a persistent issue in the real estate market, particularly in urban areas. The widening gap between property prices and income growth poses a significant challenge. Real estate professionals must explore alternative financing options, affordable housing initiatives, and creative urban planning strategies to ensure housing accessibility. Economic uncertainties, geopolitical tensions, and market fluctuations create an environment demanding foresight and adaptability from industry professionals. Strategies that once sufficed may now require constant reassessment, making agility a key attribute for navigating dynamic market trends. Rapid urbanization outpacing infrastructure development creates challenges of congestion and inadequate facilities. Real estate professionals must navigate city planning intricacies, transportation challenges, and overall infrastructure development to meet the demands of a growing population. Collaborative efforts with local authorities are crucial for creating sustainable and well-connected urban spaces. Evolving consumer preferences influenced by the sharing economy and sustainable living require real estate professionals to adapt their offerings. The higher the interest rate the lower the demand for property, causing a ripple effect. Thus, interest rate on home loans is also considered a challenge to developers of the real estate sector. (source: www.pridepurpleproperties.com & www.projectguru.in)

Despite challenges the commercial real estate segment, including office spaces, shopping malls, and warehouses, offers significant growth opportunities in the Indian real estate sector. With the growth of e-commerce, there is an increasing demand for warehouses and logistics parks. Co-living and co-working spaces are also gaining popularity in India, especially in urban areas. Developers who focus on this segment can cater to the growing demand for flexible and affordable living and working spaces. Technology is playing an increasing role in the Indian real estate sector, with the development of online property portals, virtual property tours, and digital marketing. Developers who adopt technology can improve their marketing efforts and attract a wider audience. Overall, the Indian real estate sector offers significant opportunities for developers, investors, and home-buyers. Developers who focus on affordable housing, commercial real estate, co-living and co-working spaces, and adopt technology can benefit from the growing demand in these segments. Investors can benefit from the potential returns from the Indian real estate market through REITs.

The Indian real estate market faces several significant threats, including economic uncertainty, rising interest rates, regulatory challenges, lack of transparency, overleveraging, and unsold inventory. These threats can have far-reaching consequences for the economy and investors. However, with the right mitigation strategies, such as diversification, improved transparency, long-term financing, streamlined regulations, reducing unsold inventory, and promoting affordable housing, the Indian real estate market can navigate these challenges and continue to be a vital sector for economic growth and development. It is crucial for all stakeholders, including government bodies, developers, and investors, to work collaboratively to address these threats and foster a thriving real estate market in India.

Independent Auditor's Report

To,
The Members of **Shri Krishna Devcon Limited**,

Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the accompanying standalone financial statements of **Shri Krishna Devcon Limited** ("the Company"), which comprise the Balance sheet as at March 31, 2024, the Statement of Profit and Loss, including the statement of Other Comprehensive Income, the Cash Flow Statement and the Statement of Changes in Equity for the year then ended, and notes to the standalone financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013, as amended ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31 March 2024, and its profit and other comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those SAs are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the standalone financial statements.

Information Other than the Standalone Financial Statements and Auditors' Report Thereon

The Company's Management and Board of Directors are responsible for the other information. The other information comprises the information included in the Company's annual report, but does not include the standalone financial statements and our auditors' report thereon. The annual report is expected to be made available to us after the date of this auditor's report.

Our opinion on the standalone financial statements does not cover the other information and we will not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the Ind AS and other accounting principles generally accepted in India.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone Ind AS financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so. The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material

misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ('the Order'), issued by the Central Government of India in terms of Section 143 (11) of the Act, we give in the "Annexure A", a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143 (3) of the Act, we report that:

Annexure "B" to the Independent Auditor's Report of Shri Krishna Devcon Limited for the year ended 31ST March, 2024.

(Refer to in our report of even date)

Report on the internal financial controls under clause (i) of sub-section 3 of section 143 of the Act.

We have audited the internal financial controls over financial reporting of Shri Krishna Devcon Limited ("the Company") as of 31 March, 2024 in conjunction with our audit of the standalone Ind AS financial statements of the Company for the year ended on that date.

Management's responsibility for internal financial controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal controls over financial reporting criteria established by the Company considering the essential components of internal controls stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act 2013 ("the Act").

Auditor's responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal controls based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial control system over financial reporting.

Meaning of internal financial controls over financial reporting

A company's internal financial controls over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent limitations of internal financial controls over financial reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial controls over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial control system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2024, based on the internal controls over financial reporting criteria established by the Company considering the essential components of internal controls stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by Institute of Chartered Accountants of India.

Notes forming part of the Standalone Financial Statements for the year ended March 31, 2024

(All amounts in ₹ Lakhs except otherwise provided)

1 Corporate information

Shri Krishna Devcon Limited ('the Company or 'SKDL') is a real estate developer engaged in the business of construction, development of townships, housing projects, commercial premises and other related activities.

The Company is a public limited company incorporated and domiciled in India and has its registered office at Mumbai, Maharashtra, India. Its shares are listed on Bombay Stock Exchange (BSE).

2 Significant accounting policies**2.1 Basis of Preparation**

The standalone financial statements ('financial statements') of the Company have been prepared in accordance with the Indian Accounting Standards (Ind AS) notified under Companies (Indian Accounting Standards) Rules, 2015 (as amended from time to time) and presentation requirements of Division II of Schedule III to the Companies Act, 2013, (Ind AS compliant Schedule III), as applicable to the standalone financial statements

The standalone financial statements have been prepared on a going concern basis in accordance with accounting principles generally accepted in India. Further, the standalone financial statements have been prepared on historical cost basis except for certain financial assets and financial liabilities which are measured at fair values as explained in relevant accounting policies.

The financial statements are presented in Rupees, except when otherwise indicated.

2.2 Current and non-current classification

The Company presents assets and liabilities in the balance sheet based on current/ non-current classification. An asset is treated as current when it is:

- > Expected to be realised or intended to be sold or consumed in normal operating cycle,
- > Held primarily for the purpose of trading,
- > Expected to be realised within twelve months after the reporting period, or
- > Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

A liability is current when:

- > It is expected to be settled in normal operating cycle.
- > It is held primarily for the purpose of trading.
- > It is due to be settled within twelve months after the reporting period, or
- > There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

The Company classifies all other liabilities as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

The operating cycle is the time between the acquisition of assets for processing and their realisation in cash and cash equivalents.

2.3 Use of estimates

The preparation of the financial statements in conformity with Ind AS requires the management to make judgements, estimates and assumptions that affect the reported amounts of assets and liabilities (including contingent liabilities), income and expenses and accompanying disclosures at the reporting date. The Management believes that the estimates used in preparation of the financial statements are prudent and reasonable. However, uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of the asset or liability affected in future periods.

Estimates and underlying assumptions are reviewed at each reporting date. Any revision to accounting estimates and assumptions are recognised prospectively i.e. recognised in the period in which the estimate is revised and future periods affected.

Significant accounting judgements, estimates and assumptions used by management are as below:

- i) Useful lives Property Plant and Equipment.
- ii) Computation of percentage completion for projects in progress, project cost, revenue and saleable area estimates.
- iii) Fair value measurements.

2.4 Fair value measurements

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Normally at initial recognition, the transaction price is the best evidence of fair value.

However, when the company determines that transaction price does not represent the fair value, it uses inter-alia valuation

techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

All financial assets and financial liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy. This categorisation is based on the lowest level input that is significant to the fair value measurement as a whole:

Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the entity can access at the measurement date;

Level 2 inputs are inputs, other than quoted prices included within Level 1, that are observable for the asset or liability, either directly or indirectly; and

Level 3 inputs are unobservable inputs for the asset or liability

Financial assets and financial liabilities that are recognised at fair value on a recurring basis, the company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorisation at the end of each reporting period.

2.5 Revenue recognition

Revenue is measured at the fair value of the consideration received or receivable. The Company recognises revenue when the amount of revenue can be reliably measured and it is reasonably certain that the ultimate collection will be made and no significant uncertainty exist regarding the amount of considerations. The revenue recognition policy is as under:

i) Revenue from real estate development:

Revenue is recognised upon transfer of control of real estate units to customers, in an amount that reflects the consideration the Company expects to receive in exchange for those real estate units. The Company determines the performance obligations associated with the contract with customers at contract inception and also determine whether they satisfy the performance obligation over time or at a point in time. the company recognise revenue over time if one of the following criteria is met:

a) The customer simultaneously receives and consumes the benefits provided by the Company's performance as the Company performs; or

b) The Company's performance creates or enhances an asset that the customer controls as the asset is created or enhanced; or

c) The Company's performance does not create an asset with an alternative use to the Company and the entity has an enforceable right to payment for performance completed to date.

The company fulfill above third (c) criteria of performance obligation over time in the case of revenue from real estate units and accordingly recognises revenue over time.

ii) Share in profit/ loss of partnership firms

Share of profit / loss from partnership firm is recognised based on the financial information provided and confirmed by the respective firms.

iii) Dividend Income

Revenue is recognised when the shareholders' or unit holders' right to receive payment is established, which is generally when shareholders approve the dividend.

iv) Interest Income

Interest income is recognised using the effective interest rate method

v) Other Income

Other Income is accounted on accrual basis except where the receipt of income is uncertain.

2.6 Property, plant and equipment

Property, plant and equipment are stated at their cost of acquisition on transition to Ind AS, the Company had elected to measure all of its property, plant and equipment at the previous GAAP carrying value (deemed cost).

Property, plant and equipment held for use in the construction or supply of goods or services, or for administrative purposes, are stated in the balance sheet at cost less accumulated depreciation and accumulated impairment loss. Cost includes all expenses directly incidental to acquisition, bringing the asset to the location and installation including site restoration up to the time when the asset is ready for intended use. Such Costs also include Borrowing Cost if the recognition criteria are met.

The residual values, useful lives and method of depreciation of property, plant and equipment is reviewed at each financial year end and adjusted prospectively.

Depreciation

Depreciation on Property, Plant & Equipment is provided on Straight Line Method based on estimated useful life of the assets which is same as envisaged in schedule II of the Companies Act, 2013. The residual values, useful lives and method of depreciation of property, plant and equipment is reviewed at each financial year end and adjusted prospectively, if appropriate

De-recognition

An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognised in profit or loss

2.7 Inventories

(i) Trading Stock:

Trading Stock represents Plots of land and Flats for resale. Trading stock are valued at lower of cost and net realisable value. Cost includes cost of acquisition and other related cost on acquisition.

(ii) Work in progress:

Work in Progress (including land inventory) represents cost incurred in respect of unsold area of the real estate development projects or cost incurred on projects where the revenue is yet to be recognised. Work in Progress are valued at lower of cost and net realisable value. Cost includes cost of land/development rights, materials, construction, services, borrowing costs and other overheads relating to projects.

(iii) Finished Goods:

Finished Goods represents unsold units of completed projects. Finished Goods are valued at lower of cost and net realisable value. Cost is determined by including cost of land/development rights, materials, services and other related overheads.

Net realisable value is the estimated selling price in the ordinary course of business less estimated costs of completion and estimated costs of necessary to make the sale.

2.8 Financial Assets

Initial Recognition and Measurement

All financial assets are recognized initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset. Financial assets are classified, at initial recognition, as financial assets measured at fair value or as financial assets measured at amortized cost.

Subsequent Measurement

For purpose of subsequent measurement financial assets are classified in following broad categories:-

(i) Financial assets at amortized cost

(ii) Financial Assets at fair value through profit or loss

(iii) Financial Assets at fair value through other comprehensive income (OCI)

i) A financial asset that meets the following two conditions is measured at amortized cost:

Business Model Test: The objective of the company's business model is to hold the financial asset to collect the contractual cash flows

Cash flow characteristics test: The contractual terms of the financial asset give rise on specified dates to cash flows that are solely payment of principal and interest on the principal amount outstanding.

ii) All other financial assets are measured at fair value through profit and loss

Where assets are measured at fair value through profit of loss, gains and losses are recognized in the statement of profit and loss, or recognized in other comprehensive income

Where assets are measured at fair value through other comprehensive income, gains and losses are recognized in other comprehensive income

iii) A financial asset that meets the following two conditions is measured at fair value through OCI:-

- Business Model Test: The financial asset is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets.

- Cash flow characteristics test: The contractual terms of the financial asset give rise on specified dates to cash flows that are solely payment of principal and interest on the principal amount outstanding.

All equity investments are measured at fair value in the balance sheet, with value changes recognized in the statement of profit and loss, except for those equity investments for which the entity has elected irrevocable option to present value changes in OCI

Impairment of Financial Assets

The Company assesses on a forward looking basis the expected credit losses associated with its assets carried at amortised cost. The impairment methodology applied depends on whether there has been a significant increase in credit risk and if so, assess the need to provide for the same in the Statement of Profit and Loss.

Derecognition of financial assets

A financial asset is derecognised only when Company has transferred the rights to receive cash flows from the financial asset. Where the entity has transferred an asset, the Company evaluates whether it has transferred substantially all risks and rewards of ownership of the financial asset. In such cases, the financial asset is derecognised

2.9 Financial Liabilities

Initial recognition and measurement

Financial liabilities are recognised when the Company becomes a party to the contractual provisions of the instrument. Financial liabilities are initially measured at the amortised cost unless at initial recognition, they are classified as fair value through profit and loss. In case of trade payables, they are initially recognised at fair value and subsequently, these liabilities are held at amortised cost, using the effective interest method.

Subsequent measurement

Financial liabilities are subsequently measured at amortised cost using the EIR method. Financial liabilities carried at fair value through profit or loss are measured at fair value with all changes in fair value recognised in the Statement of Profit and Loss.

Derecognition

A financial liability is derecognised when the obligation specified in the contract is discharged, cancelled or expires.

2.10 Cash & Cash Equivalents

Cash and cash equivalent in the Balance Sheet comprise cash at banks and on hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value.

For the purpose of the statement of cash flows, cash and cash equivalents consist of cash and short-term deposits, as defined above, net of outstanding bank overdrafts as they are considered an integral part of the Company's cash management.

2.11 Employee benefits

Employee benefits include short term benefits like salaries and wages which are recognized as an expense in the statement of Profit and Loss of the year in which the related service is rendered.

2.12 Segment reporting

The Company has only one reportable segment i.e. Real Estate Development Business on the basis of nature of risks and returns and the internal organisation and management structure of the Company.

2.13 Earnings per share

Basic earnings per share is computed by dividing the profit / (loss) after tax by the weighted average number of equity shares outstanding during the year.

For the purpose of calculating diluted earnings per share, the net profit or loss for the year attributable to equity shareholders and the weighted average number of shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares.

2.14 Borrowing Costs

Borrowing costs directly attributable to acquisition/ construction of qualifying assets (including real estate projects) are capitalised until the time all substantial activities necessary to prepare the qualifying assets for their intended use are complete. A qualifying asset is one that necessarily takes substantial period of time to get ready for its intended use/ sale. All other borrowing costs not eligible for inventorisation/ capitalisation are charged to statement of profit and loss.

2.15 Foreign Currency Transactions

All transactions in foreign currency are recorded on the basis of the exchange rate prevailing as on the date of transaction. The difference, if any, on actual payment / realisation is recorded to the Statement of Profit and Loss. Monetary assets and liabilities denominated in foreign currency are restated at rates prevailing at the year-end. The net loss or gain arising out of such conversion is dealt with in the Statement of Profit and Loss

2.16 Income Taxes

Provision for tax is made for the current accounting period (reporting period) on the basis of the taxable profits computed in accordance with the Income-tax Act, 1961 and the Income Computation and Disclosure Standards prescribed therein.

Deferred tax is recognised in respect of temporary differences between the carrying amount of assets and liabilities for financial reporting purposes and the corresponding amounts used for taxation purposes

A deferred tax liability is recognised based on the expected manner of realisation or settlement of the carrying amount of assets and liabilities, using tax rates enacted, or substantively enacted, by the end of the reporting period. Deferred tax assets are recognised only to the extent that it is probable that future taxable profits will be available against which the asset can be utilised. Deferred tax assets are reviewed at each reporting date and reduced to the extent that it is no longer probable that the related tax benefit will be realised

Current tax assets and current tax liabilities are offset when there is a legally enforceable right to set off the recognised amounts. Deferred tax assets and deferred tax liabilities are offset when there is a legally enforceable right to set off current tax assets against current tax liabilities; and the deferred tax assets and the deferred tax liabilities relate to income taxes levied by the same taxation authority

2.17 Provisions and contingencies

The Company creates a provision when there is present obligation as a result of a past event that probably requires an outflow of resources and a reliable estimate can be made of the amount of the obligation. A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. When there is a possible obligation or a present obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made.

Fair Value hierarchy

The fair value of financial instruments have been classified into three categories depending on the inputs used in the valuation technique. The hierarchy gives the highest priority to quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and lowest priority to unobservable inputs (Level 3 measurements).

The categories used are as follows:

Level 1: Quoted prices for identical instruments in an active market;

Level 2: Directly or indirectly observable market inputs, other than Level 1 inputs; and

Level 3: Inputs which are not based on observable market data.

The following tables provides the fair value measurement hierarchy of the Company's financial assets

Independent Auditor's Report

To,
The Members of **Shri Krishna Devcon Limited**,

Report on the Audit of the Consolidated Financial Statements

Opinion

We have audited the accompanying consolidated financial statements of Shri Krishna Devcon Limited (hereinafter referred to as "the holding Company") and its subsidiary (the Holding Company and its subsidiary together referred to as "the group"), its associates, comprising the Consolidated Balance sheet as at March 31, 2024, the Consolidated Statement of Profit and Loss, including the statement of Other Comprehensive Income, the consolidated Cash Flow Statement and the consolidated statement of Changes in Equity for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information (together hereinafter referred to as "the consolidated financial statements")

In our opinion and to the best of our information and according to the explanations given to us and financial information provided by management of the Holding Company in respect to one subsidiary partnership firm and 4 Associates partnership firm, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013, as amended ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Group as at March 31, 2024, its profit including other comprehensive income its consolidated cash flows and the consolidated changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit of the consolidated financial statements in accordance with the Standards on Auditing (SAs), as specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the 'Auditor's Responsibilities for the Audit of the Consolidated Financial Statements' section of our report. We are independent of the Group and Associates in accordance with the 'Code of Ethics' issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence obtained by us along with the consideration of financial information referred to in paragraph of the "Other Matters" paragraph below, is sufficient and appropriate to provide a basis for our opinion on the consolidated financial statements.

Information Other than the Standalone Financial Statements and Auditors' Report Thereon

The Holding Company's Board of Directors are responsible for the other information. The other information comprises the information included in the Holding Company's annual report, but does not include the consolidated financial statements and our auditors' report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Financial Statements

The Holding Company's Board of Directors is responsible for the preparation and presentation of these consolidated financial statements in terms of the requirements of the Act that give a true and fair view of the consolidated financial position, consolidated financial performance including other comprehensive income, consolidated cash flows and consolidated statement of changes in equity of the Group including its Associates in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind-AS) specified under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended.

The respective Board of Directors/Partners of the company/Partnership firm included in the Group and of its Associates Partnership firms are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Group and of its Associates and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

In preparing the consolidated financial statements, the respective Board of Directors/Partners of the company/Partnership firm included in the Group and of its Associates Partnership firms are responsible for assessing the ability of the Group and of its associates to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so. Those respective Board of Directors/Partners of the company/Partnership firm included in the Group and of its Associates Partnership firms are also responsible for overseeing the financial reporting process of the Group and of its Associates Partnership firms.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient and appropriate audit evidence regarding the financial information of such entities or business activities within the Group and its associates to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of financial information of Holding Company included in the consolidated financial statements of which we are the independent auditor. For the other entities included in the consolidated financial statements, Management of Holding Company/respected entity are remaining responsible for the financial information. We remain solely responsible for our audit opinion. Our responsibilities in this regard are further described in the paragraph titled 'Other Matters' in this audit report.
- We believe that the audit evidence obtained by us along with the consideration of financial information referred to in the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements

We communicate with those charged with governance of the Holding Company and such other entities included in the consolidated financial statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters

We did not audit the financial information of one subsidiary included in the consolidated financial statement, whose financial information reflect total assets of Rs 309.50 lakhs as at March 31, 2024, revenues of Rs. nil, profit after tax of Rs. nil, comprehensive income of Rs. nil for the year ended March 31, 2024 and net cash flow of Rs. nil for the year ended March 31, 2024 as considered in the consolidated financial statement. Annexure "A" to the Independent Auditor's Report on Consolidated Financial Statement of Shri Krishna Devcon Limited for the year ended 31ST March, 2024.

(Refer to in our report of even date)

Report on the internal financial controls under clause (i) of sub-section 3 of section 143 of the Act.

Opinion

In conjunction with our audit of the consolidated financial statements of Shri Krishna Devcon Limited as of and for the year ended March 31, 2024, we have audited the internal financial controls over financial reporting of Shri Krishna Devcon Limited, incorporated in India ("the Holding Company") and its subsidiary partnership firm (together referred to as "the Group") as of that date.

In our opinion, the Holding Company and its subsidiary partnership firm, have, in all material respects, adequate internal financial controls with reference to consolidated financial statements and such internal financial controls were operating effectively as at 31 March 2024, based on the internal financial controls with reference to consolidated financial statements criteria established by such companies considering the essential components of such internal controls stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Management's responsibility for internal financial controls

The respective Board of Directors/Partners of the Holding Company and its subsidiary firm, which are Company/Firm incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Holding Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's responsibility

Our responsibility is to express an opinion on the internal financial controls with reference to consolidated financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to consolidated financial statements and their operating effectiveness. Our audit of internal financial controls with reference to consolidated financial statements included obtaining an understanding of internal financial controls with reference to consolidated financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of the internal controls based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained, is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting.

Meaning of internal financial controls over financial reporting

A company's internal financial controls over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors

of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent limitations of internal financial controls over financial reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial controls over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Holding Company and its subsidiary Partnership Firm, which are Company/Firm incorporated in India, have, maintained in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2024, based on the internal control over financial reporting criteria established by the Holding Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Other Matters

Our report under Section 143 (3)(l) of the Act on the adequacy and operating effectiveness of the internal financial controls over financial reporting of the Holding Company, insofar as it relates to one subsidiary partnership firm, which are firm incorporated in India, is based on the corresponding representation of managing body of the firm.

Notes forming part of the Consolidated Financial Statements for the year ended March 31, 2024

(Amounts in Rs. Lakhs except otherwise provided)

1 Corporate information

Shri Krishna Devcon Limited ('the Company or 'SKDL') and its subsidiary, a partnership firm (together the "Group") and its associates (partnership firms) are real estate developers engaged in the business of construction, development of townships, housing projects, commercial premises and other related activities.

2 Significant accounting policies**2.1 Basis of Preparation**

The consolidated financial statements ('financial statements') of the Group have been prepared in accordance with the Indian Accounting Standards (Ind AS) notified under Companies (Indian Accounting Standards) Rules, 2015 (as amended from time to time) and presentation requirements of Division II of Schedule III to the Companies Act, 2013, (Ind AS compliant Schedule III), as applicable to the consolidated financial statements.

The consolidated financial statements have been prepared on a going concern basis in accordance with accounting principles generally accepted in India. Further, the consolidated financial statements have been prepared on historical cost basis except for certain financial assets and financial liabilities which are measured at fair values as explained in relevant accounting policies.

The financial statements are presented Rs. in Lakhs, except when otherwise indicated.

2.2 Current and non-current classification

The Group presents assets and liabilities in the balance sheet based on current/ non-current classification. An asset is treated as current when it is:

- > Expected to be realised or intended to be sold or consumed in normal operating cycle,
- > Held primarily for the purpose of trading,
- > Expected to be realised within twelve months after the reporting period, or
- > Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

A liability is current when:

- > It is expected to be settled in normal operating cycle.
- > It is held primarily for the purpose of trading.
- > It is due to be settled within twelve months after the reporting period, or
- > There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

The Group classifies all other liabilities as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

The operating cycle is the time between the acquisition of assets for processing and their realisation in cash and cash equivalents.

2.3 Use of estimates

The preparation of the consolidated financial statements in conformity with Ind AS requires the Management to make judgements, estimates and assumptions that affect the reported amounts of assets and liabilities (including contingent liabilities), income and expenses and accompanying disclosures. The Management believes that the estimates used in preparation of the consolidated financial statements are prudent and reasonable. However, uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of the asset or liability affected in future periods.

Estimates and underlying assumptions are reviewed at each reporting date. Any revision to accounting estimates and assumptions are recognised prospectively i.e. recognised in the period in which the estimate is revised and future periods affected.

Significant accounting judgements, estimates and assumptions used by management are as below:

- i) Useful lives Property Plant and Equipment.
- ii) Computation of percentage completion for projects in progress, project cost, revenue and saleable area estimates.
- iii) Fair value measurements.

2.4 Fair value measurements

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Normally at initial recognition, the transaction price is the best evidence of fair value.

However, when the Group determines that transaction price does not represent the fair value, it uses inter-alia valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

All financial assets and financial liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy. This categorisation is based on the lowest level input that is significant to the fair value measurement as a whole:

Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the entity can access at the measurement date;

Level 2 inputs are inputs, other than quoted prices included within Level 1, that are observable for the asset or liability, either directly or indirectly; and

Level 3 inputs are unobservable inputs for the asset or liability

Financial assets and financial liabilities that are recognised at fair value on a recurring basis, the Group determines whether transfers have occurred between levels in the hierarchy by re-assessing categorisation at the end of each reporting period.

2.5 Basis of consolidation

The consolidated financial statements comprise of financial statements of the Shri Krishna Devcon Limited and its subsidiary (a partnership firm) for which Group fulfills the criteria pursuant to Ind AS 110.

i) Subsidiary

Subsidiaries are entities controlled by the Company. Control exists if and only if all of the following conditions are satisfied –

(a) has power over the investee,

(b) it is exposed, or has rights, to variable returns from its involvement with the investee and

(c) has the ability to affect those returns through its power over the investee.

The Company reassesses whether or not it controls an investee if facts and circumstances indicate that there are changes to one or more of the three elements listed above. In assessing control, potential voting rights that currently are exercisable are taken into account.

The financial statements of the subsidiaries are consolidated on a line-by-line basis and intra-group balances and transactions including unrealised gain / loss from such transactions are eliminated upon consolidation. The consolidated financial statements are prepared using uniform accounting policies for like transactions and other events in similar circumstances.

Non-controlling interests in the net assets of consolidated subsidiary are identified separately from the capital attributable to shareholders of the Company. The interest of non-controlling partners is initially measured at the non-controlling interests' proportionate share of the fair value of the acquiree's identifiable net assets. Subsequent to acquisition, the carrying amount of non-controlling interests is the amount of those interests at initial recognition plus the non-controlling interests' share of subsequent changes in equity. Total comprehensive income is attributed to non-controlling interests even if it results in the non-controlling interest having a deficit balance.

ii) Associates

Associates are those entities in which the Company has significant influence. Significant influence is the power to participate in the financial and operating policy decisions of the investee but not control or joint control those policies. Significant influence is presumed to exist when the Company holds between 20 to 50 percent of the voting power or profit sharing ratio of another entity. The results are incorporated in these Consolidated financial statements using the equity method of accounting as described below.

iii) Equity Method of Accounting

An interest in an associate is accounted for using the equity method from the date in which the investee becomes an associate and are recognized initially at cost. The Group's investment includes goodwill identified on acquisition, net of any accumulated impairment losses. The consolidated financial statements include the Group's share of profits or losses and equity movements of equity accounted investees, from the date that significant influence or joint control commences until the date that significant influence ceases.

The details of subsidiaries and associates are as follows:

Name of partnership firms/ Entity	Percentage of Holding	
	31 March 2024	31 March 2023
I. Name of Subsidiary		
M/s. Shrikrishna Buildcon	60	60
II. Name of Associates		
M/s. Avani Buildcon	25	25
M/s. Krishna Developers	NA	35
M/s. Maa Shipra Enterprises	25	25
M/s. Rose Builtech	40	40

2.6 Revenue recognition

Revenue is measured at the fair value of the consideration received or receivable. The Group recognises revenue when the amount of revenue can be reliably measured and it is reasonably certain that the ultimate collection will be made and no significant uncertainty exist regarding the amount of considerations. The revenue recognition policy is as under:

i) Revenue from real estate development:

Revenue is recognised upon transfer of control of real estate units to customers, in an amount that reflects the consideration the Group expects to receive in exchange for those real estate units. The Group determines the performance obligations associated with the contract with customers at contract inception and also determine whether they satisfy the performance obligation over time or at a point in time. the group recognise revenue over time if one of the following criteria is met:

- a) The customer simultaneously receives and consumes the benefits provided by the group performance as the group performs; or
- b) The Group performance creates or enhances an asset that the customer controls as the asset is created or enhanced; or
- c) The Group performance does not create an asset with an alternative use to the Group and the entity has an enforceable right to payment for performance completed to date.

The group fulfill above third (c) criteria of performance obligation over time in the case of revenue from real estate units and accordingly recognises revenue over time.

ii) Share in profit/ loss of partnership firms

Share of profit / loss from partnership firm is recognised based on the financial information provided and confirmed by the respective firms.

iii) Dividend Income

Revenue is recognised when the shareholders' or unit holders' right to receive payment is established, which is generally when shareholders approve the dividend.

iv) Interest Income

Interest income is recognised using the effective interest rate method

v) Other Income

Other Income is accounted on accrual basis except where the receipt of income is uncertain.

2.7 Property, plant and equipment

Property, plant and equipment are stated at their cost of acquisition on transition to Ind AS, the Group had elected to measure all of its property, plant and equipment at the previous GAAP carrying value (deemed cost).

Property, plant and equipment held for use in the construction or supply of goods or services, or for administrative purposes, are stated in the balance sheet at cost less accumulated depreciation and accumulated impairment loss. Cost includes all expenses directly incidental to acquisition, bringing the asset to the location and installation including site restoration up to the time when the asset is ready for intended use. Such Costs also include Borrowing Cost if the recognition criteria are met.

The residual values, useful lives and method of depreciation of property, plant and equipment is reviewed at each financial year end and adjusted prospectively.

Depreciation

Depreciation on Property, Plant & Equipment is provided on Straight Line Method based on estimated useful life of the assets which is same as envisaged in schedule II of the Companies Act, 2013. The residual values, useful lives and method of depreciation of property, plant and equipment is reviewed at each financial year end and adjusted prospectively, if appropriate

De-recognition

An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognised in profit or loss

2.8 Inventories**(i) Trading Stock:**

Trading Stock represents Plots of land and Flats for resale. Trading stock are valued at lower of cost and net realisable value. Cost includes cost of acquisition and other related cost on acquisition.

(ii) Work in progress:

Work in Progress (including land inventory) represents cost incurred in respect of unsold area of the real estate development projects or cost incurred on projects where the revenue is yet to be recognised. Work in Progress are valued at lower of cost and net realisable value. Cost includes cost of land/development rights, materials, construction, services, borrowing costs and other overheads relating to projects.

(iii) Finished Goods:

Finished Goods represents unsold units of completed projects. Finished Goods are valued at lower of cost and net realisable value. Cost is determined by including cost of land/development rights, materials, services and other related overheads.

Net realisable value is the estimated selling price in the ordinary course of business less estimated costs of completion and estimated costs of necessary to make the sale.

2.9 Financial Assets**Initial Recognition and Measurement**

All financial assets are recognized initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset. Financial assets are classified, at initial recognition, as financial assets measured at fair value or as financial assets measured at amortized cost.

Subsequent Measurement

For purpose of subsequent measurement financial assets are classified in following broad categories:-

- (i) Financial assets at amortized cost
- (ii) Financial Assets at fair value through profit or loss
- (iii) Financial Assets at fair value through other comprehensive income (OCI)

i) A financial asset that meets the following two conditions is measured at amortized cost:

Business Model Test: The objective of the Group business model is to hold the financial asset to collect the contractual cash flows

Cash flow characteristics test: The contractual terms of the financial asset give rise on specified dates to cash flows that are solely payment of principal and interest on the principal amount outstanding.

ii) All other financial assets are measured at fair value through profit and loss

Where assets are measured at fair value through profit of loss, gains and losses are recognized in the statement of profit and loss, or recognized in other comprehensive income

Where assets are measured at fair value through other comprehensive income, gains and losses are recognized in other comprehensive income

iii) A financial asset that meets the following two conditions is measured at fair value through OCI:-

- **Business Model Test:** The financial asset is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets.
- **Cash flow characteristics test:** The contractual terms of the financial asset give rise on specified dates to cash flows that are solely payment of principal and interest on the principal amount outstanding.

All equity investments are measured at fair value in the balance sheet, with value changes recognized in the statement of profit and loss, except for those equity investments for which the entity has elected irrevocable option to present value changes in OCI

Impairment of Financial Assets

The Group assesses on a forward looking basis the expected credit losses associated with its assets carried at amortised cost. The impairment methodology applied depends on whether there has been a significant increase in credit risk and if so, assess the need to provide for the same in the Statement of Profit and Loss.

Derecognition of financial assets

A financial asset is derecognised only when Group has transferred the rights to receive cash flows from the financial asset. Where the entity has transferred an asset, the Group evaluates whether it has transferred substantially all risks and rewards of ownership of the financial asset. In such cases, the financial asset is derecognised.

2.10 Financial Liabilities

Initial recognition and measurement

Financial liabilities are recognised when the Group becomes a party to the contractual provisions of the instrument. Financial liabilities are initially measured at the amortised cost unless at initial recognition, they are classified as fair value through profit and loss. In case of trade payables, they are initially recognised at fair value and subsequently, these liabilities are held at amortised cost, using the effective interest method.

Subsequent measurement

Financial liabilities are subsequently measured at amortised cost using the EIR method. Financial liabilities carried at fair value through profit or loss are measured at fair value with all changes in fair value recognised in the Statement of Profit and Loss.

Derecognition

A financial liability is derecognised when the obligation specified in the contract is discharged, cancelled or expires.

2.11 Cash & Cash Equivalents

Cash and cash equivalent in the Balance Sheet comprise cash at banks and on hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value.

For the purpose of the statement of cash flows, cash and cash equivalents consist of cash and short-term deposits, as defined above, net of outstanding bank overdrafts as they are considered an integral part of the Group's cash management.

2.12 Employee benefits

Employee benefits include short term benefits like salaries and wages which are recognized as an expense in the statement of Profit and Loss of the year in which the related service is rendered.

2.13 Earnings per share

Basic earnings per share is computed by dividing the profit / (loss) after tax by the weighted average number of equity shares outstanding during the year.

For the purpose of calculating diluted earnings per share, the net profit or loss for the year attributable to equity shareholders and the weighted average number of shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares.

2.14 Borrowing Costs

Borrowing costs directly attributable to acquisition/ construction of qualifying assets (including real estate projects) are capitalised until the time all substantial activities necessary to prepare the qualifying assets for their intended use are complete. A qualifying asset is one that necessarily takes substantial period of time to get ready for its intended use/ sale. All other borrowing costs not eligible for inventorisation/ capitalisation are charged to statement of profit and loss.

2.15 Foreign Currency Transactions

All transactions in foreign currency are recorded on the basis of the exchange rate prevailing as on the date of transaction. The difference, if any, on actual payment / realisation is recorded to the Statement of Profit and Loss. Monetary assets and liabilities denominated in foreign currency are restated at rates prevailing at the year-end. The net loss or gain arising out of such conversion is dealt with in the Statement of Profit and Loss

2.16 Income Taxes

Provision for tax is made for the current accounting period (reporting period) on the basis of the taxable profits computed in accordance with the Income-tax Act, 1961 and the Income Computation and Disclosure Standards prescribed therein.

Deferred tax is recognised in respect of temporary differences between the carrying amount of assets and liabilities for financial reporting purposes and the corresponding amounts used for taxation purposes

A deferred tax liability is recognised based on the expected manner of realisation or settlement of the carrying amount of assets and liabilities, using tax rates enacted, or substantively enacted, by the end of the reporting period. Deferred tax assets are recognised only to the extent that it is probable that future taxable profits will be available against which the asset can be utilised. Deferred tax assets are reviewed at each reporting date and reduced to the extent that it is no longer probable that the related tax benefit will be realised

Current tax assets and current tax liabilities are offset when there is a legally enforceable right to set off the recognised amounts. Deferred tax assets and deferred tax liabilities are offset when there is a legally enforceable right to set off current tax assets against current tax liabilities; and the deferred tax assets and the deferred tax liabilities relate to income taxes levied by the same taxation authority

2.17 Provisions and contingencies

The Group creates a provision when there is present obligation as a result of a past event that probably requires an outflow of resources and a reliable estimate can be made of the amount of the obligation. A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. When there is a possible obligation or a present obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made.

31 Financial risk management objectives and policies

The risk management policies of the Group are established to identify and analyse the risks faced by the Group, to set appropriate risk limits and controls, and to monitor risks and adherence to limits. Risk management policies and systems are reviewed regularly to reflect changes in market conditions and the Company's activities. The Management has overall responsibility for the establishment and oversight of the Company's risk management framework. In performing its operating, investing and financing activities, the Company is exposed to the Credit risk, Liquidity risk and Market risk.

a) Credit risk

Credit risk is the risk of financial loss to the Group if a customer or counter-party fails to meet its contractual obligations.

Trade Receivables

The Group's trade receivables does not have any expected credit risk as these receivables are related to sales of properties.

No Impairment is observed on the carrying value of trade receivables

Other financial assets

The Group's maximum exposure to credit risk as at 31 March 2024 and 31 March 2023 is the carrying value of each class of financial assets.

b) Liquidity risk

Liquidity risk is the risk that the Group will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The Group's approach to managing liquidity is to ensure, as far as possible, that it will have sufficient liquidity to meet its liabilities when they are due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the Group's reputation. It maintains adequate sources of financing from related parties & other sources at an optimised cost.

The Group's maximum exposure to liquidity risk for the components of the balance sheet at 31 March 2024 and 31 March 2023 is the carrying amounts. The liquidity risk is managed on the basis of expected maturity dates of the financial liabilities. The average credit period taken to settle trade payables is about 30 to 90 days. Borrowings from related parties is considered as payable on demand since there is no fixed repayment schedule although these related parties are always ready to assist to company in any adverse liquidity situations. The other payables are with short-term durations. The following table analysis financial liabilities by remaining contractual maturities:

Particulars	On demand	Less than 12 Months	>1 years	Total

	3,212.39	2,432.07	2,288.97	7,933.43

c) Market risk

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises of three types of risks: interest rate risk, currency rate risk and price risk. Financial instruments affected by market risk includes borrowings, Investment, loans and trade receivables. The Company is exposed to Interest rate risks and price risks.

i) Interest rate risk

The interest rate risk exposure is mainly from changes in fixed and floating interest rates. the Group have fixed interest bearing financial instruments. The Management is responsible for the monitoring of the Company's interest rate position. Various variables are considered by the Management in structuring the Company's borrowings to achieve a reasonable, competitive, cost of funding.

The following table demonstrates the sensitivity to a possible change in floating interest rates on that portion of borrowings outstanding at the balance sheet date. With all other variables held constant, the Groups's profit before tax is affected through the impact on floating rate borrowings, as follows:

Particulars	Year ended 31-March-2024	Year ended 31-March-2023
Decrease in interest rate by 50 basis points	-	0.04
Increase in interest rate by 50 basis points	-	(0.04)

ii) Price risk

The Group is mainly exposed to the price risk due to its investment in equity instrument. The price risk arises due to uncertainties about the future market values of these investments.

The following table analysis price risk in Investment:

Particulars	Year ended 31-March-2024	Year ended 31-March-2023
Investment in Equity Instruments	-	-

32 Capital management

Equity share capital and other equity are considered for the purpose of Group's capital management.

The Company manages its capital so as to safeguard its ability to continue as a going concern and to optimise returns to shareholders. The capital structure of the company is based on management's judgement of its strategic and day-to-day needs with a focus on total equity so as to maintain investor, creditors and market confidence.

The management and the board of directors monitors the return on capital. The Company may take appropriate steps in order to maintain, or if necessary adjust, its capital structure.

SEBI/HO/CFD/CMD1/CIR/P/2020/79 dated May 12, 2020, SEBI/HO/CFD/CMD2/CIR/P/2021/11 dated January 15, 2021, SEBI/HO/CFD/CMD2/CIR/P/2022/62 dated May 13, 2022, SEBI/HO/CFD/PoD-2/P/CIR/2023/4 dated January 5, 2023 and SEBI/HO/CFD/CFD-PoD-2/P/CIR/2023/167 dated October 7, 2023 (collectively "SEBI Circulars"), have permitted companies to conduct Annual General Meeting ("AGM") through Video Conferencing (VC) or other audio-visual means (OAVM), subject to compliance of various conditions mentioned therein. The forthcoming AGM will thus be held through video conferencing (VC) or other audio-visual means (OAVM) in compliance with the aforesaid MCA Circulars and SEBI Circulars and the applicable provisions of Companies Act, 2013 and rules made there under, and SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015. Hence, Members can attend and participate in the ensuing AGM through VC/OAVM.
2. Pursuant to the provisions of Section 108 of the Companies Act, 2013 read with Rule 20 of the Companies (Management and Administration) Rules, 2014 (as amended) and Regulation 44 of SEBI (Listing Obligations & Disclosure Requirements) Regulations 2015 (as amended), and MCA Circulars dated April 08, 2020, April 13, 2020 and May 05, 2020 the Company is providing facility of remote e-voting to its Members in respect of the business to be transacted at the AGM. For this purpose, the Company has entered into an agreement with Central Depository Services (India) Limited (CDSL) for facilitating voting through electronic means, as the authorized e-Voting's agency. The facility of casting votes by a member using remote e-voting as well as the e-voting system on the date of the AGM will be provided by CDSL.
3. The Members can join the AGM in the VC/OAVM mode 15 minutes before and after the scheduled time of the commencement of the Meeting by following the procedure mentioned in the Notice. The facility of participation at the AGM through VC/OAVM will be made available to atleast 1000 members on first come first served basis. This will not include large Shareholders (Shareholders holding 2% or more shareholding), Promoters, Institutional Investors, Directors, Key Managerial Personnel, the Chairpersons of the Audit Committee, Nomination and Remuneration Committee and Stakeholders Relationship Committee, Auditors etc. who are allowed to attend the AGM without restriction on account of first come first served basis.
4. The attendance of the Members attending the AGM through VC/OAVM will be counted for the purpose of ascertaining the quorum under Section 103 of the Companies Act, 2013.
5. Pursuant to MCA Circular No. 14/2020 dated April 08, 2020, the facility to appoint proxy to attend and cast vote for the members is not available for this AGM. However, in pursuance of Section 112 and Section 113 of the Companies Act, 2013, representatives of the members such as the President of India or the Governor of a State or body corporate can attend the AGM through VC/OAVM and cast their votes through e-voting.
6. In line with the Ministry of Corporate Affairs (MCA) Circular No. 17/2020 dated April 13, 2020, the Notice calling the AGM has been uploaded on the website of the Company at <https://shrikrishnadevconlimited.com/>. The Notice can also be accessed from the websites of the Stock Exchanges i.e. BSE Limited at www.bseindia.com. The AGM Notice is also disseminated on the website of CDSL (agency for providing the Remote e-Voting facility and e-voting system during the AGM) i.e. www.evotingindia.com.
7. The AGM has been convened through VC/OAVM in compliance with applicable provisions of the Companies Act, 2013 read with MCA Circular No. 14/2020 dated April 8, 2020 and MCA Circular No. 17/2020 dated April 13, 2020 and MCA Circular No. 20/2020 dated May 05, 2020.
8. In continuation to this Ministry's General Circular No. 20/2020 dated May 5, 2020, General Circular No. 02/2022 dated May 5, 2022 and General Circular No. 10/2022 dated December 12, 2022 and after due examination, it has been decided to allow companies whose AGMs are due in the Year 2023 or 2024, to conduct their AGMs through VC or OAVM on or before September 30, 2024 in accordance with the requirements laid down in Para 3 and Para 4 of the General Circular No. 20/2020 dated May 5, 2020.
9. Members holding shares in physical form can submit their PAN details to the Company's Registrars & Transfer Agents, LINK INTIME INDIA PVT. LTD.
15. Members who hold shares in physical form in multiple folios in identical names or joint holding in the same order of names are requested to send the share certificates to the Company's Registrars & Transfer Agents, LINK INTIME INDIA PVT. LTD., for consolidation into a single folio.
16. Members are requested to:
- Intimate immediately any change in their address or bank mandates to their Depository Participants with whom they are maintaining their demat accounts and holding shares in physical form are requested to advise any change of address immediately to the Company's Registrars & Transfer Agents, LINK INTIME INDIA PVT. LTD.
 - Communicate on all matters pertaining to their shareholdings with the Company or Registrars & Transfer Agents, LINK INTIME INDIA PVT. LTD., quoting their respective Ledger Folio Numbers, Client ID and DP ID.
17. To prevent fraudulent transactions, members are advised to exercise due diligence and notify the Company of any change in address or demise of any member as soon as possible. Members are also advised not to leave their demat account(s) dormant for long. Periodic statement of holdings should be obtained from the concerned Depository Participant and holdings should be verified. SEBI has also mandated that for registration of transfer of securities, the transferee(s) as well as transferor(s) shall furnish a copy of their PAN card to the Company for registration of transfer of securities.
18. 19. Additional information, pursuant to Regulation 36(3) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 in respect of the directors seeking appointment/ reappointment at the AGM, is furnished as annexure to the Notice. The directors have furnished consent/declaration for their appointment/ reappointment as required under the Companies Act, 2013 and the Rules there under.
20. The Board of Directors of the Company has appointed Mr. Balkrishan Pradhan, Proprietor M/s. B. K. Pradhan & Associates, Company Secretaries, Mumbai as Scrutinizer to scrutinize the Remote e-Voting & e-Voting during the AGM in a fair and transparent manner and he has communicated his willingness to be appointed and will be available for same purpose.
21. Voting rights shall be reckoned on the paid-up value of shares registered in the name of the member / beneficial owner (in case of electronic shareholding) as on the cut-off/record date.

THE INTRUCTIONS FOR SHAREHOLDRES FOR E-VOTING AND JOINING VIRTUAL MEETINGS ARE AS UNDER:

Step 1: Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in demat mode.

Step 2: Access through CDSL e-Voting system in case of shareholders holding shares in physical mode and non-individual shareholders in demat mode.

1. The voting period begins on <From 09.00 A.M. (IST) on September 27, 2024> and ends on <up to 05.00 P.M. (IST) on September 29, 2024>. During this period shareholders of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date <September 23, 2024>, may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.

2. Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.

3. Pursuant to SEBI Circular No. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to **all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants**. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

Step 1: Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in demat mode.

4. In terms of **SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020** on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.
