# CHAIRMAN'S MESSAGE

Dear Valued Shareholders,

Hope everyone is alright and doing well along with their families. This past year has been challenging and disturbing for some, so hoping everyone is following their social responsibilities and helping to take a step towards COVID free world again.

We are pleased to present the annual review for FY 2020-21 of our Company. The past year has been busy, ever changing and challenging for the industry at large with irrational increase in steel prices. Along with the economic slowdown, the country also faced a pandemic which impacted the overall business activities in the first and second quarter. Due to COVID-19, our manufacturing facilities were not operational in the month of April until mid-May thereby impacting our revenue and profitability.

Despite nationwide lockdown and other challenges, I am happy to share that our Company managed to perform almost at par compared to last year's revenue. On our financial performance for the year, our Company clocked revenue of Rs. 1,572.12 crores as against Rs. 1,633.82 crores in FY20. EBITDA and PAT for the year stood at Rs. 116.48 crores and Rs. 30.05 crores respectively.

While the domestic markets were still uncertain about routine operations, our wide network of OEMs, demand from our overseas customers and support from Government orders have enabled us to work smoothly and continuously.

We have handled the pandemic period pretty well, and all this has been possible only because of our well experienced and trained management team. They have been the backbone of our Company along with other employees who have worked with sheer dedication and hard work to make sure our Company and factories run smoothly without any unwanted and unnecessary disruptions. Their untiring efforts and our vast product portfolio, combined together, brings more business to table. At the same time, we undertook various CSR activities during and after lockdown. We distributed around 60 Oxygen Concentrators, financially helped poor families, were involved in medical supply and held eye donation camps. We took it as a mission to help those children who became orphan due to Covid.

This year, there has been uncertain and sudden increase in steel pricing, due to certain trade restrictions in China. These circumstances should pan out to benefit our Company to generate higher revenue and increase in profitability. We expect export sales to increase post restriction in China trade policy. Constant adaptation to the changing conditions has been an important strategy of our Company that has kept us afloat in any given instance. I am personally a strong believer of the phrase 'Change is the only Constant.' We try to mould ourselves as per the wants and demands from customers and market forces.

Our success so far has been driven by our most important asset – our team! I would like to take this opportunity to thank each and every member of the Goodluck family. I would also like to thank our Clients, Creditors, Banks, Financial Institutions and other Stakeholders, without whose patronage we could not have been where we are.

Stay Healthy & Safe.

Thanks and regards  
Mahesh Chandra Garg  
Chairman

# Director's Report

## Dear Shareholders,

The Board of Directors of your Company takes pleasure in presenting 35th Annual Report and audited accounts on the business and operations of your Company for the financial year ended 31st March, 2021.

(Rs. In Cr.)

Particulars	2020-21	2019-20
Gross Turnover	1578	1634
Earnings before interest, tax & depreciation	122	131
Finance cost	55	60
Depreciation	27	26
Profit before tax	40	45
Profit after tax	30	34
Earning per Share (in Rs.)	13.01	14.73

## 1. RESULTS OF OPERATIONS AND THE STATE OF COMPANY'S AFFAIRS

It is an unprecedented situation across the globe due to spread of pandemic COVID-19 which has forced the govt. of many countries to take the decision of lockdown. During the year for the effective fighting with COVID-19 pandemic, our government completely locked down our economic activities too from late March 2020. We had also shut down all our plants and other offices too. After that the government slowly lifted the ban on economic activities. But it was a tough year to survive in the global scenario.

During the tough financial year 2020-21, the Company clocked Gross Turnover to the tune of Rs. 1578 crore against Rs. 1634 crore in the previous year. Even though there was a shut down during the first quarter of the Financial Year, the Company managed to keep the performance near to close of the previous financial year. Due to better sales price realization and good control over the financial & other expenditure, despite the sudden lockdown which adversely affected the business the Company was able to post a profit of Rs. 30 crore in comparison of Rs. 34 crore in the previous financial year. The EPS during the financial year was Rs. 13.01 per share.

## 2. Dividends

Keeping in view of the Company's fund requirement to cater enhanced level of activities, your Board of Directors has decided not to recommend any dividend for the financial year 2020-21.

## 3. Corporate Governance And Additional Information To Shareholders

The company is committed to maintain high standards of corporate governance. A separate report on corporate governance, pursuant to regulations of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, is provided with a certificate from the Statutory Auditors of the Company regarding compliance of conditions of Corporate Governance as stipulated under Listing Regulations, including the management discussion and analysis, and shareholders' information forms a part of this report.

As required by Regulation 17(8) read with Schedule II Part B of the Listing Regulations, the Management and CFO of the Company have given appropriate certifications, inter alia, confirming the correctness of the financial statements and cash flow statements, adequacy of the internal control measures and reporting of matters to the Audit Committee to the Board of Directors.

Details of the depository system and listing of shares and Registrar & Share Transfer Agent are given in the section Shareholder information, which forms a part of the Corporate Governance Report.

## 4. Conservation Of Energy, Technology Absorption, Foreign Exchange Earnings And Outgo

Details of conservation of energy, technology absorption, foreign exchange earnings and outgo undertaken by the Company along with the information in are given in **Annexure 'A'** to the Directors' Report.

## 5. Directors And Key Management Personnel

Mr. R. C. Garg, Whole Time Director is liable to retire by rotation at the ensuing AGM pursuant to the provisions of Section 152 of the Companies Act, 2013 read with the Companies (Appointment and Qualification of Directors) Rules, 2014 and the Articles of Association of your Company and being eligible offer himself for re-appointment.

## 6. Number Of Meetings Of The Board And Its Committees

The details of the meetings of the Board of Directors and its Committees, convened during the financial year 2020-21 are mentioned under the Corporate Governance Report which forms a part of this report.

## 7. Statutory Auditors

At the Company's 33rd AGM held on September 30, 2019, M/s Vipin Kumar & Co. (Firm Registration No-002123C), Chartered Accountants, has been appointed as the Statutory Auditor of the Company for a term of 5 years to hold office until the conclusion of the 38th Annual General Meeting.

The report of the Statutory Auditor forms part of the Integrated Report and Annual Accounts for FY 2020-21. The said report does not contain any qualification, reservation, adverse remark or disclaimer. The Notes on financial statements referred to in the Auditor's Report are self-explanatory and do not call for any further comments.

No fraud has been reported by the Auditor under section 143(12) of the Companies Act, 2013 requiring disclosure in the Board's Report.

## 8. Secretarial Auditor

The Board has appointed M/s Ravi S Sharma & Associates, Practicing Company Secretary (FCS – 7336), to conduct Secretarial Audit for the financial year 2021-22. The Secretarial Audit Report for the financial year ended March 31, 2021 is annexed herewith marked as **Annexure 'B'** to this Report.

## 9. Cost Auditor

The Board of Directors of your Company, on the recommendations made by the Audit Committee has approved the appointment of S. R. Kapur, Practicing Cost Accountant, (M. No. 4926) as the Cost Auditor of your Company to conduct the audit of cost records for the financial year 2021-22. The remuneration proposed to be paid to the Cost Auditor, subject to your ratification at the ensuing 35th Annual General Meeting.

Your Company has received consent from S. R. Kapur, Practicing Cost Accountant, to act as the Cost Auditor for conducting audit of the cost records for the financial year 2021-22 along with a certificate confirming their

independence and arm's length relationship.

## 10. Auditor's Reports

The Statutory Auditor's Report to the Shareholders together with Accounts for the year ended 31st March, 2021 and notes thereon are attached, which are self-explanatory. The observations of Statutory Auditors and Secretarial Auditors in their report, read with the relevant Notes to Accounts are self-explanatory and therefore, do not require any further explanation.

The Statutory Auditors of the Company have not reported any fraud as specified under the second proviso of Section 143(12) of the Companies Act, 2013 (including any statutory modification(s) or re-enactment(s) for the time being in force). The Auditors' Report for the financial year ended 31st March, 2021, does not contain any qualification, reservation or adverse remark.

## 11. Management Discussion And Analysis

The Management Discussion and Analysis forms an integral part of this report and gives details of the overall industry structure, economic developments, performance and state of affairs of your Company's businesses, internal controls and their adequacy, risk & concerns, risk management systems and other material developments etc. during the financial year 2020-21.

## 12. Public Deposits

Your Company has not invited or accepted any fixed deposits during the year as per the provisions of Section 73(2) of the Companies Act, 2013, and the rules made there under and as such, no amount of principal or interest was outstanding on the date of the Balance Sheet.

## 13. Internal Financial Controls

The Board of your Company has laid down internal financial controls to be followed by the Company and that such internal financial controls are adequate and operating effectively. Your Company has adopted policies and procedures for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial disclosures.

## 14. Subsidiaries/Joint Ventures/Associate Companies

A separate section on the performance and financial position of the subsidiary company in Form AOC- I is part of the report and is annexed herewith as **Annexure 'C'**.

As per the SEBI Listing Regulations, a policy on

material subsidiaries as approved by the Board of Directors, may be accessed on the Company's website [www.goodluckindia.com](http://www.goodluckindia.com).

#### **15. Independent Directors Declaration**

During the financial year 2020-21, the Board of the Company consists of Mr. Vijender Kr. Tyagi, Mr. Ishwar C Agasti, Mr. Rahul Goel, and Mrs. Rashmi Garg as independent Directors. These Directors have confirmed that they fulfill all the requirements as stipulated in Section 149(6) of the Companies Act, 2013 so as to qualify themselves to be appointed as Independent Directors under the provisions of the Companies Act, 2013 and the Rules thereunder.

Every Independent Director, at the first meeting of the Board in which he participates as a Director and thereafter at the first meeting of the Board in every financial year, gives a declaration that he meets the criteria of independence as provided under law.

#### **16. Disclosure as per the Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013**

The Company has adopted a policy on prevention, Prohibition and redressal of Sexual Harassment at workplace in line with the provisions of the Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013 and the Rules thereunder. The Policy has been formed to prohibit, prevent or deter the commission of the acts of sexual harassment at workplace and to provide the procedure for redressal of complaints pertaining to sexual harassment. The Company is an equal employment opportunity provider and is committed for creating a healthy working environment that enables employees to work without fear of prejudice, gender bias and sexual harassment. The Company also believes that all employees of the Company have the right to be treated with dignity.

During the Financial Year 2020-21, the Company has not received any complaints of sexual harassment. The Company is committed to providing a safe and conducive work environment to all of its employees and associates.

#### **17. Risk Management Policy**

In compliance with the requirement of the Companies Act, 2013 the Company has put in place Risk Minimization and Assessment Procedures. In order to effectively and efficiently manage risk and address challenges, the Company has formulated Risk Management Policy.

The objective of any risk identification and assessment process is to evaluate the combination of likelihood and level of negative impacts from an event. The three

main components of risk assessment are business risk, service/operational risk and external risk.

The Company manages the risk in line with current risk management best practices. This facilitates the achievement of our objectives, operational effectiveness and efficiency, protection of people and assets, informed decision-making and compliance with applicable laws and regulations.

#### **18. Change In The Nature Of Business**

In pursuance to Rule 8(5) of Companies (Accounts) Rules, 2014, there is no change in the nature of business of Company.

#### **19. Material Orders**

In pursuance to Rule 8(5) (vii) of Companies (Accounts) Rules, 2014, there were no significant or material orders were passed by the Regulators or Courts or Tribunals during the financial year 2020- 21 which would impact the going concern status and Company's operations in future.

#### **20. Particulars of Loans Given, Investments Made, Guarantees Given and Securities Provided**

Particulars of loans given, investments made, guarantees given and securities provided along with the purpose for which the loan or guarantee or security is proposed to be utilized by the recipient are provided in the financial statements.

#### **21. Familiarisation Programme for Board Members**

The Board members are provided with necessary documents, reports and internal policies to enable them to familiarise with the Company's procedures and practices. Periodic presentations are made at the Board and Board Committee Meetings, on business and performance updates of the Company. The details of such familiarization programmes for Independent Directors are posted on the website of the Company and can be accessed at the link <https://www.goodluckindia.com>.

#### **22. The Policy On Related Party Transactions**

All Contracts/transactions/arrangements entered into by the Company during the financial year with the Related Parties were in ordinary course of business and on an arm's length basis and in accordance with the provisions of the Companies Act, 2013, read with the Rules issued thereunder and the Listing Regulations. Further, there were no transactions with related parties which qualify as material transactions under the Listing Regulations.

All transactions with related parties were reviewed and approved by the Audit Committee. Omnibus approval is obtained for un-foreseen transactions. Subsequently on a quarterly basis the transactions are presented to

the Audit Committee, specifying the nature, value and terms and conditions of the same.

The Company has made transactions with related parties pursuant to Section 188 of Companies Act, 2013. The particulars of material contracts or arrangements with related parties referred to in sub-section (1) of section 188 in the Form AOC-2 is annexed herewith as **Annexure 'D'**.

The Company has formulated a policy on materiality of related party transactions and also on dealing with Related Party Transactions which has been uploaded on the Company's website at the weblink: <https://www.goodluckindia.com>.

**23. Policy On Appointment and Remuneration To Be Paid To Directors, Key Managerial Personnel (KMP) And Other Employees And Criteria Formulated By The Committee For Determining Qualification, Attributes, Independence Of A Director**

The Board has adopted a policy, on Remuneration to be paid to Directors, Key Managerial Personnel and other employees and Criteria for Appointment of Directors. The objective of the policy is to define the criteria for qualification, qualities and characteristics for the Board as a whole and to ensure that Executive/Non-Executive Directors and Key Managerial Personnel are sufficiently compensated for their performance.

**Policy on appointment of Directors**

The Composition and strength of the Board of Directors ("the Board") of the Company is subject to the provisions of the Companies Act, 2013, Listing Regulations and Articles of the Association of the Company. The Nomination and Remuneration Committee is responsible for evaluating the qualifications of each candidate to be appointed as Director on the Board. In general, it is expected from a Director to possess appropriate skills, experience and knowledge in one or more fields of finance, law, management, sales, marketing, administration, research, corporate governance, technical operations or other disciplines related to the Company's business or in the area of his expertise and to have ample experience and a proven record of professional success, leadership and the highest level of personal and professional ethics, integrity and values.

**Remuneration Policy**

Non-Executive Independent Directors may receive sitting fees for attending the Meeting of the Board and Committees thereof. The Executive Directors and other employees are paid remuneration by way of salary, perquisites, allowances. Perquisites and retirement benefits are paid as per the Company policy. The remuneration of Executive Directors, as recommended

by the Nomination and Remuneration Committee, is approved and further recommended by Board of Directors to the Members for approval. Remuneration and annual pay of Executive Directors and employees is determined keeping in view the industry benchmark and the relative performance of the Company.

**Criteria for Determining Qualifications, Positive Attributes & Independence of Director**

A director shall possess appropriate skills, experience and knowledge in one or more fields of finance, law, management, sales, marketing, administration, research, corporate governance, operations or other disciplines related to the company's business or in the area of his expertise.

A director shall be a person of integrity, who possesses relevant expertise and experience and who shall uphold ethical standards of integrity and probity; act objectively and constructively; exercise his responsibilities in a bona-fide manner in the interest of the company; devote sufficient time and attention to his professional obligations for informed and balanced decision making; and assist the company in implementing the best corporate governance practices.

Directors should be free to present their view point independently, Company has also adopted to conduct the separate meeting of the independent Directors, which will ensure that the independent directors of the Company can review the performance of the Board and Chairman. Moreover the Directors should meet the other requirements of the Companies Act, 2013 and Regulation 16(1) (b) of Listing Regulations concerning independence of directors. A complete Remuneration Policy is available Company's website at the weblink: <https://www.goodluckindia.com>.

**24. Evaluation of the Board's Performance**

In terms of the requirement of the Companies Act, 2013 and the Listing Regulations, an annual performance evaluation of the Board is undertaken where the Board formally assesses its own performance with the aim to improve the effectiveness of the Board and the Committees. During the year, Board evaluation cycle was completed by the Company internally which included the evaluation of the Board as a whole, Board Committees and the Peer evaluation of the Directors. The exercise was carried out through a structured evaluation to evaluate the performance of individual directors including the Board Chairman along with the Chairman of the Nomination and remuneration Committee of the Company. The evaluation process focused on various aspects of the functioning of the Board and Committees, experience and competencies, performance of specific duties and obligations, governance issues, etc.

The evaluation of Independent Directors was carried out by the entire Board and that of the Chairman and the Non-Independent Directors were carried out by the Independent Directors.

The performance of the Board was evaluated on the basis of the criteria such as the Board composition and structure, effectiveness of Board process, information and functioning etc. The performance of the committees was evaluated on the basis of the criteria such as the composition of the committees, effectiveness of committee meetings, etc. The Board and Nomination and Remuneration Committee reviewed the performance of the individual directors on the basis of the criteria such as the contribution of individual director to the Board and committee meetings like preparedness on the issue to be discussed meaningful and constructive contribution and inputs in meetings, etc.

The Directors were satisfied with the evaluation results, which reflected the overall engagement of the Board and its Committees with the Company.

In the coming year, the Board intends to enhance focus on diversity of the Board through the process of induction of members having industry expertise, strategic plan, exploring the new drivers of growth and further enhancing engagement with investors.

## **25. Corporate Social Responsibility Initiatives**

In compliance with Section 135 of the Companies Act, 2013 read with the Companies (Corporate Social Responsibility Policy) Rules 2014, the Company has established Corporate Social Responsibility (CSR) Committee and statutory disclosures with respect to the CSR Committee and an Annual Report on CSR Activities forms part of this Report as **Annexure 'E'**. The CSR Policy may be accessed on the Company's website at the weblink: <https://www.goodluckindia.com>.

## **26. Buy Back of Securities**

The Company has not bought back any of its securities during the year under review.

## **27. Vigil Mechanism**

The Company is committed to adhere to the highest standards of ethical, moral and legal conduct of business operations. To maintain these standards, the Company encourages its employees who have concerns about suspected misconduct to come forward and express these concerns without fear of punishment or unfair treatment. A Vigil (Whistle Blower) mechanism provides a channel to the employees and Directors to report to the management concerns about genuine concerns or grievances, unethical behavior, actual or suspected fraud or violation of the Codes of

conduct or legal or regulatory requirements incorrect or misrepresentation of any financial statements and reports, etc. The detail vigil mechanism may be accessed on the Company's website at the weblink: <https://www.goodluckindia.com>.

## **28. Annual Return**

The Annual Return for financial year 2020-21 as per provisions of the Act and Rules thereto, is available on the Company's website at <https://www.goodluckindia.com>.

## **29. Particulars Of Employees**

Particulars of employees and the ratio of the remuneration of each director to the median employee's remuneration and other details in terms of Section 197 of the Companies Act, 2013 read with Rule 5(1) of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014 is attached herewith as **Annexure 'F'**.

## **30. Payment of Listing Fees**

Annual listing fee for the year 2021-22 has been paid by the Company to the stock exchanges where the company is listed, i.e., BSE Ltd. and National Stock Exchange Limited.

## **31. Material Changes And Commitments Affecting The Financial Position Of The Company After 31st March 2021**

During the year, there was no change in the general nature of business of your Company. Except as disclosed elsewhere in this Report, no material change or commitment has occurred which would have affected the financial position of your Company between the end of the financial year to which the financial statements relate and the date of the report. No significant and material order was passed by the regulators or courts or tribunals which would have impacted the going concern status and your Company's operations in future. Your Company has not made any provision of money for the purchase of, or subscription for, shares of your Company or its holding company, to be held by or for the benefit of the employees of your Company and hence the disclosure as required under Rule 16(4) of Companies (Share Capital and Debentures) Rules, 2014 is not required. No fraud took place in the Company during the year and hence, no such reporting was made to the Audit Committee and the Board under Rule 13(3) of the Companies (Audit and Auditors) Rules, 2014.

## **32. Directors Responsibility Statement**

As stipulated in Section 134(3) (c) of Companies Act, 2013, your Directors subscribe to the "Directors Responsibility Statement" and confirm as under:

- a. That in the preparation of the annual accounts, the applicable accounting standards have been followed along with proper explanations relating to material departures.
- b. That the directors have selected such accounting policies and applied them consistently and made judgments and estimates that are reasonable and prudent so as to give a true & fair view of the state of affairs of the Company at the end of Financial Year 2020-21 and of the Profit & Loss A/c of the Company for that period.
- c. That the directors have taken proper and sufficient care of the maintenance of adequate accounting records in accordance with the provisions of this Act for safeguarding the assets of the company and for preventing and detecting fraud and other irregularities.
- d. That the directors have prepared the annual accounts on a going concern basis.
- e. The directors, in case of a listed company, have laid down internal financial controls to be followed by the Company and that such

internal financial controls are adequate and were operating effectively.

- f. The directors has devised proper systems to ensure compliance with the provisions of all applicable laws and that such systems were adequate and operating effectively.

### 33. Appreciation

Your Directors wish to thank and acknowledge with gratitude for assistance and co-operation received from the financial institutions, banks, government authorities, customer, vendors, and members during the year under review. Your directors also wish to place on record their deep sense of appreciation for the committed services by the executives, staff and workers of the company.

On behalf of the Board of Directors

**M. C. GARG**  
Chairman

Date: 30th June, 2021

Place: Ghaziabad

## ANNEXURE A

### CONSERVATION OF ENERGY

Your company has always been conscious of the need to conserve energy and has always attempted various measures for the same wherever possible to achieve reduction in the cost of production and continually improving its operational performance. There is a continuous effort in moving towards a more application oriented approach to manufacturing the products and adopting an approach of continual improvement of process. The plants also managed to achieve substantial process improvements that resulted in lowers rejections, rework and therefore in higher yields.

The company has taken various measures on suggestion of experts in the areas where reduction of fuel and oil conservation is possible.

The detail regarding present energy consumption including captive generation is furnished below:

Power and Fuel Consumption		2020-21	2019-20
<b>1. Electricity</b>			
(a)	Purchased		
	Unit (in thousands) KWH	42580.87	45475.07
	Total Amount (Rs. In Lakh)	3249.28	3406.59
	Rate/unit (Rs.)	7.63	7.49
(b)	Own Generation		
	Through Diesel Generator		
	Unit (in thousands)	583.48	840.23
	Units per ltr. of diesel oil	3.30	3.25
	Cost/units	19.27	17.91

### TECHNOLOGY ABSORPTION

We believe in continual improvement in our designs and products for ensuring full customer satisfaction. Innovation in process control, product development, cost reduction and quality improvement are being made on continuous basis as per the requirements of the market. The technology being used for the manufacture of steel products is developed by in- house efforts and is at par with industry norms.

**FOREIGN EXCHANGE EARNING AND OUT GO**

During the year under review, the total foreign exchange earnings and outgo of the company are as follows

(Rs. In Lakhs)

<b>Particulars</b>	<b>2020-2021</b>	<b>2019-20</b>
Out go (CIF value of Imports)	1954.81	4245.61
Out go (Expenditure)	875.63	751.42
Earnings (F.O.B. value of Exports)	45832.96	42492.36

**ANNEXURE B**

To,  
The Members of,

**Goodluck India Limited,**

**SECRETARIAL AUDIT REPORT**

(FOR THE FINANCIAL YEAR ENDED ON 31.03.2021)

[Pursuant to Section 204(1) of the Companies Act, 2013 and Rule No. 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To,  
The Members of,  
**Goodluck India Limited,**  
509, Arunachal Building, Barakhamba Road,  
Connaught Place, New Delhi -110001.

We have conducted the Secretarial Audit of the Compliance of applicable statutory provisions and the adherence to good corporate practices by **Goodluck India Limited (CIN: L74899DL1986PLC050910)** (hereinafter called the Company). Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Based on our verification of the books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, we hereby report that in our opinion, the Company has, during the audit period Covering the financial year ended on 31st March, 2021 ('Audit Period'), complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

We have examined the books, papers, minute books, forms and returns filed and other records maintained by **Goodluck India Limited ("The Company")** for the financial year ended on 31st March, 2021 according to the provisions of:

- I. The Companies Act, 2013 (the Act) and the Rules made thereunder;
- II. The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the Rules made thereunder;
- III. The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;
- IV. Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent applicable. Further, there were no compliances required relating to Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings during the period under review;
- V. The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act') to the extent applicable to the Company:-
  - a. The Securities and Exchange Board of India

(Substantial Acquisition of Shares and Takeovers) Regulations, 2011;

- b. The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;
- c. The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2009;
- d. The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client;
- e. The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009; - **Not Applicable to the Company during Audit Period**
- f. The Securities and Exchange Board of India (Buyback of Securities) Regulations, 1998; - **Not Applicable to the Company during Audit Period**
- g. The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008; - **Not Applicable to the Company during Audit Period**
- h. The Securities and Exchange Board of India (Share Based Employee Benefits) Regulations, 2014; - **Not Applicable to the Company during Audit Period**
- i. the Company has complied with the requirements under the Equity Listing Agreements entered into with BSE Limited, National Stock Exchange of India Limited; and
- j. The Memorandum and Articles of Association.

VI. The Management has identified the following laws as specifically applicable to the Company:

- I. The Indian Boiler Act, 1923
- II. The Hazardous wastes (Management & Handling) Rules, 1989
- III. The Explosive Act, 1884

We have also examined compliance with the applicable clauses of the following:

- i) Secretarial Standards with regard to Meeting of Board of Directors (SS-1), General Meetings (SS-2) and Dividend (SS-3) issued by The Institute of Company Secretaries of India. However, the stricter applicability of the

Secretarial Standard is to be observed by the Company.

- ii) The Listing Agreements entered into by the Company with the BSE Limited, National Stock Exchange of India Limited and SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

During the period under review and as per representation and clarifications provided by the management, I confirm that the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, Listing Agreements etc mentioned above.

We further report that the Company has, in my opinion, complied with the provisions of the Companies Act, 2013 and the Rules made under that Act and the Memorandum and Articles of Association of the Company, with regard to:

- a) Maintenance of various statutory registers and documents and making necessary entries therein;
- b) Closure of the Register of Members.
- c) Forms, returns, documents and resolutions required to be filed with the Registrar of Companies and the Central Government;
- d) Service of documents by the Company on its Members, Auditors and the Registrar of Companies;
- e) Notice of Board meetings and Committee meetings of Directors;
- f) The meetings of Directors and Committees of Directors including passing of resolutions by circulation;
- g) The 34th Annual General Meeting held on 30th September 2020;
- h) Minutes of proceedings of General Meetings and of the Board and its Committee meetings;
- i) Approvals of the Members, the Board of Directors, the Committees of Directors and the government authorities, wherever required;
- j) Constitution of the Board of Directors / Committee(s) of Directors, appointment, retirement and reappointment of Directors including the Managing Director and Whole-time Directors;
- k) Payment of remuneration to Directors including the Managing Director and Whole-time Directors,
- l) Appointment and remuneration of Auditors and Cost Auditors;
- m) Transfers and transmissions of the Company's shares and issue and dispatch of duplicate certificates of shares;
- n) Declaration and payment of dividends; **NA**
- o) Transfer of certain amounts as required under the Act to the Investor Education and Protection Fund and up-

loading of details of unpaid and unclaimed dividends on the websites of the Company and the Ministry of Corporate Affairs;

- p) Borrowings and registration, modification and satisfaction of charges wherever applicable; investment of the Company's funds including investments and loans to others;
- q) Form of balance sheet as prescribed under Part I, form of statement of profit and loss as prescribed under Part II and General Instructions for preparation of the same as prescribed in Schedule III to the Act;
- r) Directors' report;
- s) Contracts, common seal, registered office and publication of name of the Company; and
- t) Generally, all other applicable provisions of the Act and the Rules made under the Act.
- u) Company is yet to open a Bank Account to Transfer the unspent amount of CSR for the year 2020-21.

**We further report that:**

- The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors. There were no changes in the composition of the Board of Directors took place during the period under review.

# Management Discussion and Analysis

## Economy

The financial year 2020-21 started with the unprecedented crisis in the wake of COVID-19. The month of April 2020 became the month of “Global Lockdown” with world economic activity coming to a standstill – leading to a steep fall in output during first quarter of 2020-21. It altered the entire economic across the globe. The pandemic and the subsequent lockdown disrupted economic activity, travel, supply chains, and more. The resultant pandemic emerging as the biggest threat to economic growth in a century. The World Health Organization (WHO) declared COVID-19 a ‘Public Health Emergency of International Concern’. The ensuing shock has been extremely unconventional in terms of its size and uncertainty, with its impact dependent on unpredictable factors like intensity of lockdowns, extent of supply chain and financial market disruptions alongside societal response to the associated public health measures. The pandemic has been unique in its wide-ranging effects on almost every section of the economy and the society.

Governments responded to the crisis with stimulus plans and increasingly reset their economic strategies. Globally, the fiscal stimulus to combat the pandemic has topped trillions of dollars and expansionary monetary policy has cushioned growth to a large extent. As a result, the world economy is gradually heading towards revival. The IMF has revised its forecast for the global economy. As per the latest growth forecasts by the International Monetary Fund (IMF), the global economy is set to rebound sharply in 2021, expanding 5.5 per cent which is an upward revision from 5.2 per cent forecast in October. This signals expectations of an improvement in economic activity driven by vaccine rollouts and additional fiscal policy support to offset the immediate challenge posed by the pandemic. As the contagion is still spreading, the path and strength of recovery, however, is expected to vary across countries depending upon the access to medical intervention, effectiveness of policy support and other structural characteristics.

The Indian economy, after subdued growth in 2019, had begun to regain momentum January 2020 onwards, only to be stalled by the once-in-a-century black swan COVID-19 outbreak. Recording its worst ever performance in over four decades, India clocked a negative growth of 7.3 per cent for 2020-21. The economy witnessed a sharp contraction of 23.9 per cent in Q1: FY 2020-21 and 7.5 per cent in Q2: FY 2020-21 due to the stringent lockdown imposed during March-April, 2020. Since then, several high frequency indicators have demonstrated a V-shaped recovery. The fundamentals of the economy remain strong as gradual scaling back of lockdowns along with the astute support of Atmanirbhar Bharat Mission have placed the economy firmly on the path of revival. There has been rapid recovery in India’s economic activity from the COVID-19 pandemic

induced unprecedented lows of the first quarter of FY 2020-21 on the back of extraordinary fiscal and monetary support provided by the Government and RBI. As India’s mobility and pandemic trends aligned and improved parallel, indicators like E-way bills, rail freight, GST collections and power consumption not only reached pre-pandemic levels but also surpassed previous year levels.

In a positive development, growth was driven by significant recovery in the manufacturing and construction sectors. Investment demand also grew by 2.6 per cent in 3QFY21 after showing lackluster performance for several quarters now. Government spending also stepped up sharply with a focus on capex, adding acceleration to growth over the third quarter. Moreover, many high frequency indicators have shown improvement. All this reinforced the view that the economy is on the way to recovery.

While the fourth quarter of the fiscal showed a meagre rise of 1.6 per cent. The GDP numbers released by the National Statistical Office (NSO) reflect the delicate state of the nation’s economy and are all the more glaring since the Centre had begun the ‘Unlock’ process from July 2020 onwards after imposing a nation-wide lockdown in March 2020, which had lasted till June 2020. The fourth quarter numbers are all the more poor as during the January-March period, all sectors had been completely opened and the situation was near normal, yet a 1.6 per cent growth during the fourth quarter of FY21 shows all is not well with the fiscal health of the nation. The advent of the second wave of the pandemic with new virus mutants, fresh infections across various parts of the world and the possibility of a third wave have raised global uncertainty, dampening prospects of an early recovery. Hence, global fiscal and monetary support along with supportive financial conditions to anchor inflation expectations must continue.

## Industry structure and developments

The Indian steel, one of the core industries in India, is the world’s third largest producer of crude steel and is expected to become the second largest producer soon. The per capita consumption of steel is generally accepted as a yardstick to measure the level of socio-economic development and living standards of its countrymen. Therefore, no developing country can afford to ignore the steel industry.

Steel industry derives its demand from other important sectors like infrastructure, aviation, engineering, construction, automobile, pipes and tubes etc. Thus its intense integration with other important industries makes it a strategic sector for the Governments as well as the economy as a whole.

However, the most important aspect for the Indian steel industry is the huge availability of key raw material i.e. Iron

Ore. Though the recent mining restrictions have put a strain on its availability, if explored and mined, with the aid of latest technology, it can provide the much needed competitive advantage to the domestic steel players in India.

This year also saw manufacturing sector's resilience, rural demand cushioning overall economic activity and structural consumption shifts in booming digital transactions. Agriculture is set to cushion the shock of the COVID-19 pandemic on the Indian economy in 2020-21.

India suffered severely from an extended period of severe lockdown, which brought most industrial and construction activities to a standstill. However, the economy has been recovering strongly since August, much sharper than expected, with the resumption of government projects and pent-up consumption demand. India's steel demand is expected to rebound by 19.8 per cent to exceed the 2019 level in 2021.

The growth-oriented government agenda will drive it. Since the lockdown last summer when global commodity prices suffered a meltdown, the rebound has been nothing short of spectacular. Led by a commodity hungry China, the world's largest producer and consumer of steel, global prices have almost tripled from last May. In India, too, prices have surged. Rising demand for steel and low production in the domestic market due to increased exports are the prime reasons for price hikes.

However, at the same time, demand has also been unusually strong. The industry had initially feared a steep double-digit decline in production as well as consumption in FY21, but thanks to a strong rebound in the second half, it was able to contain the fall in overall consumption to just 6.7 per cent and production loss to 7 per cent. The forecast for this year is very positive. Thus, India Steel 2021 is rightly positioned to lay the roadmap to the vision of 300MT.

### **Financial, Operational And Product Wise Performance**

The year 2020-21 would be remembered for the unprecedented crisis brought on by COVID -19. The global economy experienced an unprecedented economic shock with the advent of the COVID-19 pandemic that caused widespread disruptions and affected millions of lives and livelihoods. The first quarter of the financial year was disturbed due to spread of COVID-19 globally which affected the global demand and in the month of March'20 itself many countries in the world declared lockdown suddenly to prevent the spread of COVID-19. In India too business was disturbed in the first quarter and there was a complete lockdown which affected the performance of the Company. All the plants of the Company were under complete shutdown and after lifting the ban the plants gradually resumed its function. But due to the government guidelines, local restrictions, supply chain constraints the plants couldn't resume normalcy before July' 2020. The impact of the same also clearly reflects in our financial performance. Though we tried hard to make up the losses incurred due to

the shutdown of the plants in the first quarter, the sale has been a little lower during the FY 2021 as compared to the previous year. The Company able to reach the turnover of Rs 1578 cr in comparison to Rs 1634 cr in the previous year. The Company has achieved the profit after tax to the tune of Rs. 30 cr and the net worth of the Company at the end of the financial year 2021 was Rs. 383 cr. Keeping in mind of the COVID pandemic situation, the company was able to maintain its profitability due to better sales realization and saving in financial expenses.

The Company has assessed the impact of covid-19 pandemic on its business operations and has considered relevant internal and external information in determination of the recoverability and carrying value of property, plant and equipment, inventories and trade receivables. The company even though has registered lower profit in the current year, believes that it would have adequate liquidity available in future to honour its liabilities and obligations and no major impact on the carrying value of current and non-current assets is expected to arise.

### **Opportunities and Threats**

India imposed a stringent nation-wide lockdown during the initial phase of the pandemic in March-April, 2020, followed by gradual unlocking and phasing out of the containment measures. In 2020, the government has succeeded in passing all major pieces of legislation consolidating and simplifying a complex labour law regime. The government launched an online system for the application of green clearances for developmental projects, introduced standard guidelines for conducting environmental impact studies of projects and launched standard conditions for environment clearances to speed up the environment clearance processes.

Increased impetus to develop infrastructure in the country is attracting both domestic and international players. Private sector is emerging as a key player across various infrastructure segments, ranging from roads and communications to power and airports. All the investment in the infrastructure is going to boost the demand of steel products.

In 2021, India's steel demand is expected to grow by 20% over 2020, taking the demand higher than the pre-pandemic level of 103nMnT, driven by strong infrastructure spending and sustained demand of automotive and consumer durables. Government is focusing on strengthening the domestic manufacturing base under the flagship "Atmanirbhar Bharat" programme. The Production Linked Incentive scheme has been introduced to boost the manufacturing sector in industries like automobile & auto components, consumer durables, solar equipment, telecom, etc. These are expected to boost product demand significantly.

While the domestic market remains the mainstay, another avenue that has opened up for the Indian industry is exports. As the country went into a lockdown in April last year, steel

firms saw a surge in demand overseas. In May 2020, India exported nearly 1.3 MT of steel. The next month, it went up over 1.5 MT. By the end of FY21, the country had shipped a record 11.65 MT of finished steel, a 30 per cent growth compared to FY20.

The reason was China, which accounted for nearly 30 per cent of India's exports in the initial months. As the world went into a lockdown to break the chain of the spread of the virus, China was already past the peak and its economy was opening. At the same time, it focused on shutting down many of its old, polluting steel mills and filled that gap through imports. The trend is likely to continue in FY22 as well.

We expect exports to remain high in FY22 due to rising global demand for steel and attractive export realisations. The withdrawal of China from the global export market also opens up avenues for India in other geographies such as Europe and the US.

It is not to say that exports will be prioritised over the domestic market, but it does give companies an extra avenue to explore, one that is more lucrative as well. This in turn reinforces the view that India needs to expand its capacities for the medium-to-long term.

Once the COVID crisis in India is over and domestic demand starts picking up, India will re-prioritise domestic supplies over exports. However, given its huge reserves of iron ore and China's focus on eliminating/replacing inefficient and polluting capacities of steel making, India will become a major source of steel in the world.

However, the opportunities have its own concerns. Labour markets still bear the scars of pandemic. The unemployment rates more than doubled to reach 20%-plus during the lockdown. Surveys such as Purchasing Managers' Index (PMI) and Nomura India Business Resumption Index (NIBRI) have highlighted a continuing weakness in labour markets despite an improvement in production levels which may drag down the demand curve.

Further most of the rally in global prices is driven by China, which is not under our control. We need to be cautious. If, prices crashed and profitability hit, the industry will find itself in a debt trap. The situation on price and profitability is very volatile.

### Segment-wise or product-wise performance

Goodluck, manufacturing & exporting engineering products globally as well as domestically with wide range of galvanized & cold rolled coils/sheets, galvanized & black steel tubes & hollow sections, forgings & flanges, cold drawn welded & precision tubes, engineering fabricated structures for towers, bridges, walkways, girders, boiler support structures, pipe rack structures, chimney structures and secondary support structures, and other cold rolled value added products. The clientele of the Company comprises of members from the public sector, private sector OEMs and central and state

government departments and spread across 100 countries globally U.K., U.S.A, Singapore, South Africa, UAE, Germany and France are few of the export markets of the company. The company is treating Auto, Railways and solar industries as its sunrise sectors. During the financial year 2020-21, due to sudden lockdown performance of the company was subdued. During the year, the Company has incurred Rs. 24 crores on capital expenditure in order to replace the old equipment with new improved technology. There was a reduction in the production by approx. 10% in comparison to the previous financial year. However, the sale was dropped only by almost 5%. Auto Tube division was largely hit due to low demand in automobile sectors. However, the structure division performed comparatively well and able to maintain its previous year performance. Contribution of the forging division to the total revenue of the company was almost equal to the last year and maintained around 17 %.

### Outlook

After the 2020 huge GDP contraction, economic growth is projected to bounce back in 2021, driven by pentup demand for consumer and investment goods. There are no signs of the Bull Run halting anytime soon. Experts predict strong growth for much of this decade as India eventually shrugs off the effects of the pandemic and renews its march towards a \$5-trillion economy by 2030.

The dramatic infections upsurge since February has weakened the nascent recovery and may compound financial woes of corporates and banks. As public anxiety over the virus spreads and lockdowns multiply, high-frequency indicators suggest that a marked slowdown may have taken place in the April-June quarter, although the overall annual impact is likely to be muted. Wholesale and retail inflation rates remain elevated, but within the target range of the central bank.

Taking stock of the current economic situation, we look at the global economic forecasts for the world for 2021-2022. While the world economy is slowly navigating towards recovery, several downside risks remain that have the potential to slowdown the growth trajectory.

Emerging and developing Asian economies, which account for half of world growth, are projected to grow at 8.3 per cent during 2021 as against a (-) 1.1 per cent growth in 2020. In China, domestic policies could push the pace of growth to 8.1 per cent in 2021. India, in contrast, is expected to pick up pace to 11.5 per cent in 2021.

The Indian economy, which grew at 4.7 per cent in 2019, is estimated to contract by 9.6 per cent in calendar year 2020. The report said that the economy is forecast to recover and clock a 7.3 per cent growth in 2021.

In FY22, demand and supply are also expected to be strong and recover from the slowdown in FY20 and the COVID-induced demand and supply disruptions in FY21. Besides, we expects domestic iron ore prices to gradually correct

in FY22, as iron ore supply improves, although remaining elevated till the domestic iron ore output increases to FY20 levels.

The disruption caused by coronavirus has impacted India's automotive industry, as well as the automotive component and forging sector. While the industry has been reviving from the second wave of the pandemic, the rapid increase in steel prices has hammered the forging sector.

After the impact of Covid-19 pandemic, the forging industry is gradually returning to normalcy, owing to increased domestic demand from the auto industry as well as a favorable export opportunity. Due to the Chinese factor, there are currently a large number of new inquiries from both North America and Europe.

After the economic activity declined sharply at the peak of the second Covid-19 wave in April and May this year, in June, India will see activities pick up signaling recovery during the gradual unlocking process. The NCAER report has stressed on a strong positive push to restore the growth process after the Covid-19 waves India has seen. This, combined with a strong expansionary macroeconomic policy thrust, could help revive normal growth.

### **Risks and concerns**

India is projected to be the fastest-growing G20 economy in 2021 – but also the one which is the furthest away from its pre-crisis GDP trend. Pent-up demand for consumer durables and exports of manufacturing goods and services will act favourably, but other components will be far less supportive. The resurgence in infections is delaying the recovery.

The COVID-19 pandemic continues to adversely impact lives, livelihoods, and the economy in India, with a devastating second wave wreaking havoc even as the threat of a third wave looms large. Rising uncertainty has reduced consumer and business confidence. The emergence of new and more virulent strains of the novel coronavirus, which might necessitate the re-imposition of lockdowns across the country, leading to a further reduction in growth estimates and adding to dampening demand.

The potential adverse impact of the pandemic, especially if a severe third wave surfaces, on India's already stressed banking sector, which is saddled with legacy non-performing assets, remains of concern. That may lead to the increase in the interest rate.

Rising inflation could further pose a serious risk. Inflationary pressure could increase because of supply dislocations, the possibility of a high inflation and unemployment, cannot be ruled out. The risk of deepening employment crisis will lead to dip in the demand.

The recovery from the COVID impact is largely depending upon the heavy financial packages from the government. But the growing fiscal deficit may continue to pose concerns.

Central government finances are also likely to be strained by the costs of universal COVID-19 vaccination. The CAPEX deferment may lead to delays in key infrastructure projects which will result to the lower demand of steel products.

Inadequate vaccination in some regions of the world, rise in commodity prices and high inflation volatility, and differing speeds of recoveries leading to wider gaps in living standards are some of the major concerns that have the potential to thwart economic recovery.

### **Internal control systems and their adequacy**

The Company and the Management have adequate internal control systems in place to safeguard and shield the Company from losses and in ensuring proper use of its assets. This also ensures that the Company's assets and interests are carefully protected, and all the transactions are appropriately authorized, recorded and presented to the management. The Company always adheres to prescribed guidelines and follows all Accounting Standards prescribed for maintenance of books of accounts and reporting of financial statements. The appointed internal auditors monitor and report on the effectiveness of the internal control systems of the various areas of operations. Key matters that are reported in the Internal Audit are brought to the notice of the Audit Committee of the Board of Directors and corrective measures are recommended and appropriate actions are taken. The Internal Control systems ensure the business operations function efficiently and the applicable laws, rules, regulations, policies of the Company are followed, in addition to safeguarding the reliability of financial reporting.

### **Human Resources**

We believe that human resource management system of a company has a significant impact on individual and organizational effectiveness and brings consistency in human resource management practices and improves human relations in the company. With this object the Company has set up an effective system, which continuously focuses on a strategic objective and works for improving employee knowledge, skills, motivation and opportunities for improved contribution. Based on their overarching goal, human resource management systems contribute to organizational effectiveness in multiple ways. As part of Company's learning and development initiatives, the exercise of identifying skill sets of employees and career mapping is carried out on a regular basis and job specific/need based training programmes are conducted across all levels of employees for skill upgradation and career development. The Company has also embarked on developing a Performance Linked Incentive Scheme for employees directly involved in the production. Goodluck India Limited has 2102 employees as on March 31, 2021.

### **Corporate Social Responsibility**

The Company is fully engaged in ensuring equitable and

sustainable growth of society in and around the area of its operations. The Company's CSR initiatives are based on social, environmental, and economic considerations. We recognize and embrace our commitment to the communities in which we operate and we believe the private sector plays a vital role in creating a level playing field, driving innovation and building an environment that enhances education and entrepreneurship to foster economic growth.

The outbreak of COVID-19 has impacted the society at

larger. In this tough time the Company itself and through District Administration have reached out to the citizens of the Company's operational areas through various initiatives such as food, medicines, provided ration and safety support to the vulnerable communities, augmented the medical facilities at the designated hospitals for medical treatment and so on. The Company had incurred expenses towards hospital infrastructure, sanitisation activities in town and contribution towards COVID-19 relief.

### Changes in Key Financial Ratios

The details of changes in the key financial ratios as compared to previous year are stated below;

Sr. No.	Balance sheet Ratios	FY 2021	FY 2020
1.	Debtors Turnover Ratio	6.72	6.84
2.	Inventory Turnover Ratio	4.48	5.19
3.	Interest Coverage Ratio	2.24	2.18
4.	Current Ratio	1.37	1.20
5.	Total Outside Debt/Equity	1.31	1.36
6.	Long-term Debt/Equity	0.33	0.22
7.	Operating Profit Margin	7.75	8.03
8.	Net Profit Margin	1.90	2.07

The net worth of the company for the year 2020-21 stood at Rs. 383 crore in comparison of Rs. 346 crore lacs in the previous financial year 2020-21. The increase of Rs. 37 crore in net worth is due to profit earned by the Company during the F.Y 2020-21 and allotment of 1500000 equity shares upon conversion of 1500000 warrants.

### Cautionary Statement

Certain Statements made in the Management Discussion and Analysis Report relating to the company's objectives, projections, outlook, expectations, estimates and others may constitute 'forward looking statements' within the meaning of applicable laws and regulations. Actual results may differ from such expectations, projections and so on whether express or implied. Several factors could make a significant difference to the Company's operations. These include climatic conditions and macroeconomic conditions affecting demand and supply, government regulations and taxation, natural calamities and so on, over which the company does not have any direct control.

# Report on Corporate Governance

## **MANAGEMENT'S PERSPECTIVE ON CORPORATE GOVERNANCE**

At Goodluck India Limited, Corporate Governance has been an integral part of the way we have been doing our business since inception. We believe that good Corporate Governance emerges from the application of the best and sound management practices and compliance with the laws coupled with adherence to the highest standards of transparency and business ethics. Corporate Governance ensures fairness, transparency and integrity of the Management. The Company believes that sound Corporate Governance is critical for enhancing and retaining investor trust and thus seeks to ensure that its performance goals are met with integrity. The Company has established systems and procedures to ensure that its Board is well informed and well equipped to fulfill its overall responsibilities and to provide Management with the strategic direction needed to create long term shareholders value. The Company maintains highest levels of transparency, accountability and good Management practices through the adoption and monitoring of corporate strategies, goals and procedures to comply with its legal and ethical responsibilities. The Company has always worked towards building trust with shareholders, employees, customers, suppliers and other stakeholders based on the principles of good Corporate Governance.

Besides complying with legal requirements, Goodluck has adopted best practices and set responsible standards of business. The Company is in compliance with the principles of Corporate Governance as prescribed by SEBI in Chapter IV read with Schedule V of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (hereinafter referred to as "Listing Regulations"). The Directors fully endorse and support the essentials of Corporate Governance and accordingly herein below give a report on Corporate Governance.

## **BOARD OF DIRECTORS**

The Company has a very balanced and diverse Board

of Directors, which primarily takes care of the business needs and stakeholders' interest. The Board is at the core of our corporate governance practice and oversees and ensures that the Management serves and protects the long-term interest of all our stakeholders. The Board comprises persons of eminence with excellent professional achievements in their respective fields. The Non-executive Independent Directors on the Board are experienced, competent and highly renowned persons from the fields of finance & taxation, economics, law, governance etc. They take active part at the Board and Committee Meetings by providing valuable guidance to the Management on various aspects of business, policy direction, governance, compliance etc. and play critical role on strategic issues, which enhances the transparency and add value in the decision making process of the Board of Directors.

The composition of the Board complies with Regulation 17 of the Listing Regulations as well as the provisions of the Companies Act, 2013. As on March 31, 2021, the Company has Seven Directors on its Board of which 4 Directors are Independent Directors including one woman director which was more than 50 % of the total number of Directors. At present the number of Non- Executive Directors (NEDs) is more than 50% of the total number of Directors. The composition of the Board is in conformity with Regulation 17 of the SEBI Listing Regulations read with Section 149 of the Act.

None of the Directors on the Board hold directorships in more than ten public companies. Further none of them is a member of more than ten committees or chairman of more than five committees across all the companies in which he is a Director. The necessary disclosures regarding Committee positions have been made by the Directors.

The names and categories of the Directors on the Board, their attendance at Board Meetings during the year and at the last Annual General Meeting, as also the number of Directorships and Committee Memberships held by them in other companies as on 31st March, 2021 are given below:

Name of the Director	Category	No. of Board Meetings attended		Attendance at last AGM (Yes/No)	Relationships between Directors inter-se	No. of Directorships in other public Limited Cos.	Name of the listed entity where the person is a director and the category of Directorship	No. of Chairmanship /Memberships of Committees in other Public Ltd. Cos.	
		Held	Attend-ed					Chair-manship	Member-ship
Mr. M.C. Garg	Promoter, Executive Chairman	14	12	Yes	Brother of Mr. R. C. Garg	3	0	-	-
Mr. R. C. Garg	Executive Director	14	12	Yes	Brother of Mr. M. C. Garg	3	0	-	-
Mr. Nitin Garg	Executive Director	14	12	Yes	Not Applicable	3	0	-	-
Mr. Vijender Kr. Tyagi	Independent, Non-Executive Director	14	13	Yes	Not Applicable	0	0	-	-
Mr. Iswar Chandra Agasti	Independent, Non-Executive Director	14	9	No	Not Applicable	0	0	-	-
Mr. Rahul Goel	Independent, Non-Executive Director	14	12	No	Not Applicable	0	0	-	-
Mrs. Rashmi Garg	Independent, Non-Executive Director(-woman)	14	7	No	Not Applicable	0	0	-	-

Details of equity shares of the Company held by the Non- Executive Directors as on March 31, 2021 are given below:

Name	Category	Number of equity shares
Mr. Vijender Kr. Tyagi	Independent, Non-Executive	0
Mr. Iswar Chandra Agasti	Independent, Non-Executive	0
Mr. Rahul Goel	Independent, Non-Executive	0
Mrs. Rashmi Garg	Independent, Non-Executive (woman)	0

During the year, the Company has converted 1500000 warrants on March, 08, 2021 into 1500000 equity shares to persons belong to promoters group on preferential basis on a price determined as per Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018.

#### NUMBER OF MEETINGS OF THE BOARD

Fourteen Board meetings were held during the year, as against the minimum requirement of four meetings.

#### Notes:-

- During the Financial Year 2020-21, Fourteen Board Meetings were held and the gap between two meetings did not exceed four months. The Board Meetings were held on 22nd June 2020, 15th July 2020, 25th August 2020, 15th October 2020, 06th November 2020, 09th December 2020, 18th December 2020, 21st December 2020, 04th January 2021, 14th January 2021, 27th January 2021, 05th February 2021, 13th February 2021 and 08th March 2021.
- Only three Committees, namely, Audit Committee, Nomination and Remuneration Committee and Shareholders'/Investors' Grievance Committee have been considered.

3. During the year 2020-21, information as mentioned in Schedule II Part A of the SEBI Listing Regulations, has been placed before the Board for its consideration.
4. The Board periodically reviews compliance reports of all laws applicable to the Company. Steps are taken by the Company to rectify instances of non-compliance, if any.
5. The details of the familiarisation programme of the Independent Directors are available on the website of the Company (<http://www.goodluckindia.com>).

### CODE OF CONDUCT

The Company has framed Code of Conduct which is applicable to all Directors and members of Senior Management. Pursuant to this Code all the Directors & Senior Management have affirmed compliance with this Code for the year ended March 31, 2021. A declaration of compliance of this Code signed by Chairman is annexed to this report.

### SKILL/EXPERTISE/COMPETENCIES

The Board has identified the names of the Directors who have following skills/expertise/ competencies fundamental for the effective functioning of the Company which are currently available with the Board. Further, in the opinion of the Board the independent directors fulfill the conditions specified in these regulations and are independent of the management.

Sr. No.	Skill/Expertise/Competencies	Mahesh Chandra Garg	Ramesh Chandra Garg	Nitin Garg	Iswarchandra Dayanidhi Agasti	Vijender Kumar Tyagi	Rahul Goel	Rashmi Garg

## COMMITTEES OF THE BOARD

To focus effectively on the issues and ensure expedient resolution of diverse matters, the Board has constituted/ Reconstituted a set of Committees with specific terms of reference / scope: Audit Committee, Corporate Social Responsibility, Nomination cum Remuneration Committee & Stakeholder Relationship Committee. The terms of reference of the Committee(s) detailing their scope of work are determined by the Board from time to time. The Board periodically reviews the minutes of the meetings of all Committees. Composition, terms of reference, number of meetings and related attendance etc., of these committees are detailed herein.

### AUDIT COMMITTEE

The Audit Committee of the company has been dealing with matters prescribed by the Board of Directors on a case to case basis. In general, the primary role/objective of the Audit Committee is to review the financial statements of the Company, strengthen internal controls & look into all transactions having monetary implications on the functioning of the Company. The audit committee of the

Company is constituted in line with the provisions of Regulation 18 of SEBI Listing Regulations, read with Section 177 of the Companies Act, 2013.

As on March 31, 2021, the Committee has three Directors. Out of that two Directors are Non-Executive and Independent Directors in accordance with the prescribed guidelines. Mr. Vijender Kr. Tyagi, is the Chairman of the Committee. The other members are Mr. Rahul Goel and Mr. M. C. Garg. The members of the Committee have adequate knowledge in the field of finance, accounting, and law. The Scope of the functioning of the Audit Committee is to review, from time to time, the internal control procedures, the accounting policies of the Company and such other functions, as may be recommended from time to time by SEBI, Stock Exchanges and/or under the Companies Act, 2013, which inter-alia include review of:

1. Management Discussion and Analysis of financial condition and results of operations;
2. Statement of significant related party transactions submitted by the management;
3. Management letters/letters of internal control weak-

nesses issued by the statutory auditors;

4. Internal Audit Reports relating to internal control weaknesses;
5. The appointment, removal and terms of remuneration of the Statutory Auditor and Chief Internal Auditor; and
6. Statement of Deviation, if any.

The CFO of the Company is permanent invitees to the meetings of the Committee. The Company Secretary acts as Secretary to the Committee. During the year, 6 (Six) meetings of the Audit Committee were held on 22nd June 2020, 15th July 2020, 25th August 2020, 06th November 2020, 13th February 2021 and 08th March 2021, due compliance with the stipulated provisions. The attendance record of members of the Audit Committee is given as under:

S. No.	Name of the Member	Category	Member/Chairman	Meeting Attended
1.	Mr. Vijender Tyagi	Independent director	Chairman	6
2.	Mr. Rahul Goel	Independent director	Member	6
3.	Mr. Mahesh Chandra Garg	Executive Director	Member	6

### CORPORATE SOCIAL RESPONSIBILITY COMMITTEE

Pursuant to section 135 of the Act and rules made thereunder the Board has constituted Corporate Social Responsibility Committee. The CSR Committee has prepared a transparent monitoring mechanism for ensuring implementation of the projects / programs / activities proposed to be undertaken by the Company.

The CSR Committee has the authority to obtain professional advice from external sources and have full access to information contained in the records of the Company as well as the powers to call any employee / external consultant or such other person(s) and for such purpose as may be deemed expedient for the purpose of accomplishments of overall CSR objectives laid down under the Act.

The CSR Committee will review the CSR activities of the Company and will provide progress update to the Board of Directors. The Composition of the Committee and other details has been given under related annexure to the Directors report.

### NOMINATION CUM REMUNERATION COMMITTEE

The nomination and remuneration committee of the Company is constituted in line with the provisions of Regulation 19 of SEBI Listing Regulations, read with Section 178 of the Companies Act, 2013. The role of the Committee, inter alia, is following:

- a) To formulate criteria for determining qualifications, positive attributes and independence of a Director.
- b) Formulate criteria for evaluation of Independent Direc-

tors and the Board.

- c) Identify persons who are qualified to become Directors and who may be appointed in Senior Management in accordance with the criteria laid down in this policy.
- d) To carry out evaluation of every Director's performance.
- e) To recommend to the Board the appointment and removal of Directors and Senior Management.
- f) To recommend to the Board policy relating to remuneration for Directors, Key Managerial Personnel and Senior Management.
- g) Ensure that level and composition of remuneration is reasonable and sufficient, relationship of remuneration to performance is clear and meets appropriate performance benchmarks.
- h) To devise a policy on Board diversity.
- i) To carry out any other function as is mandated by the Board from time to time and / or enforced by any statutory notification, amendment or modification, as may be applicable.
- j) To perform such other functions as may be necessary or appropriate for the performance of its duties.

The detail about Remuneration Policy and remuneration paid to all the directors has already been described in relevant section of the main report. The composition of the Committee and the detail about the meetings of Nomination Cum Remuneration Committee are as follows:

S. No.	Name of the Member	Category	Member/Chairman	Meeting Attended
1.	Mr. Iswar C. Agasti	Independent director	Chairman	2
2.	Mr. Rahul Goel	Independent director	Member	4
3.	Mr. Vijender Tyagi	Independent director	Member	4
4.	Mr. M C Garg	Executive Director	Member	4

During the year, 4 (Four) meetings of the nomination cum remuneration committee meetings were held on 22nd June 2020, 15th July 2020, 06th November 2020 and 08th March 2021.

#### Performance Evaluation Criteria for Independent Directors:

The performance evaluation criteria for independent directors are determined by the Nomination and Remuneration committee. An indicative list of factors that may be evaluated include participation and contribution by a director, commitment, effective deployment of knowledge and expertise, effective management of relationship with stakeholders, integrity and maintenance of confidentiality and independence of behaviour and judgment.

#### Remuneration to the Whole Time Directors, Non-Executive Directors/ Independent Directors:

The shareholders of the Company have approved the appointment of Mr. M. C. Garg as Chairman & Whole Time Director and Mr. R. C. Garg and Mr. Nitin Garg as the whole time directors of the Company. The terms and conditions of their appointment including remuneration payable to him was approved in accordance with the provisions of Section 197, 203, Schedule V and other applicable provisions, if any, of the Companies Act, 2013 read with Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014 (including any statutory modification(s) or re-enactments thereof, for the time being in force). ## COMPLIANCE CERTIFICATE ON COMPLIANCE OF CONDITIONS OF CORPORATE GOVERNANCE

To

The Members of **Goodluck India Limited**

We have examined the compliance of the conditions of Corporate Governance by Goodluck India Limited for the year ended 31st March, 2021, as stipulated in Regulation 34(3) of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

The compliance of conditions of Corporate Governance is the responsibility of the management. Our Examination was limited to a review of procedures and implementations thereof, adopted by the Company for ensuring the compliance of the conditions of Corporate Governance. It is neither an audit nor an expression of opinion on the financial statements of the Company.

In our opinion and to the best of our information and according to the explanations given to us, we certify that the Company has complied with the conditions of Corporate Governance as stipulated in Regulation 34(3) of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

We state that such compliance is neither an assurance as to the future viability of the Company nor the efficiency or effectiveness with which the management has conducted the affairs of the Company.

# Independent Auditors' Report

To The Members of

**GOODLUCK INDIA LIMITED**

## **Report on the Audit of the Standalone Ind AS Financial Statements**

### **Opinion**

We have audited the accompanying standalone Ind AS financial statements of Goodluck India Limited ("the Company"), which comprises the Balance Sheet as at March 31, 2021, the Statement of Profit and Loss (including Other Comprehensive Income), Statement of Cash Flow and the Statement of Changes in Equity for the year then ended and Notes to the Standalone Financial Statements including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone Ind AS financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2021, its profit including other comprehensive income, its cash flows and changes in equity for the year ended on that date.

### **Basis for Opinion**

We conducted our audit of the standalone Ind AS financial statements in accordance with the Standards on Auditing (SAs), as specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the 'Auditor's Responsibilities for the Audit of the Standalone Ind AS Financial Statements' section of our report. We are independent of the Company in accordance with the 'Code of Ethics' issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone Ind AS financial statements.

### **Key Audit Matters**

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone Ind AS financial statements for the financial year ended March 31, 2021. These matters were addressed in the context of our audit of the standalone Ind AS financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

For each matter below, our description of how our audit addressed the matter is provided in that context.

We have determined the matters described below to be the key audit matters to be communicated in our report. We have fulfilled the responsibilities described in the Auditor's responsibilities for the audit of the standalone Ind AS financial statements section of our report, including in relation to these matters. Accordingly, our audit included the performance of procedures designed to respond to our assessment of the risks of material misstatement of the standalone Ind AS financial statements. The results of our audit procedures, including the procedures performed to address the matters below, provide the basis for our audit opinion on the accompanying standalone Ind AS financial statements.

### **1. Assessment of litigations and related disclosure of contingent liabilities**

[Refer to Note 3 to the Standalone Financial Statements – "Critical estimation and Judgements" and Note 33 to the Standalone Financial Statements – "Contingent liabilities and commitments"]

As at March 31, 2021, the Company has exposures towards litigations relating to various matters as set out in the aforesaid Notes.

Significant management judgement is required to assess such matters to determine the probability of occurrence of material outflow of economic resources and whether a provision should be recognised, or a disclosure should be made. The management judgement is also supported with legal advice in certain cases as considered appropriate.

As the ultimate outcome of the matters are uncertain and the positions taken by the management are based on the application of their best judgement, related legal advice including those relating to interpretation of laws/regulations, it is considered to be a Key Audit Matter.

### **How our audit addressed the Key Audit Matter**

#### **Our audit procedures included the following:**

- We understood, assessed and tested the design and operating effectiveness of key controls surrounding assessment of litigations relating to the relevant laws and regulations;
- We discussed with management the recent developments and the status of the material litigations which were reviewed and noted by the audit committee;
- We performed our assessment on a test basis on the underlying calculations supporting the contingent lia-

bilities/other significant litigations made in the Standalone Financial Statements;

- We considered external legal opinions, where relevant, obtained by management;
- We met with the Company's external legal counsel to understand the interpretation of laws/regulations considered by the management in their assessment relating to a material litigation;
- We evaluated management's assessments by understanding precedents set in similar cases and assessed the reliability of the management's past estimates/judgements;
- We evaluated management's assessment around those matters that are not disclosed or not considered as contingent liability, as the probability of material outflow is considered to be remote by the management; and
- We assessed the adequacy of the Company's disclosures.

## 2. **Property, Plant & Equipment and Capital Work in progress**

Valuation and existence of property, plant and equipment including assessment of useful lives and residual value. Property, plant and equipment represents a significant proportion of the Company's asset base. The estimates and assumptions made to determine the carrying amounts, including whether and when to capitalize or expense certain costs, and the determination of depreciation charges are material to the Company's financial position and performance. The charges in respect of periodic depreciation are derived after estimating an asset's expected useful life and the expected residual value. Changes to asset's carrying amounts, expected useful lives or residual value could result in a material impact on the financial statements and hence considered as key audit matter.

### **How our audit addressed the Key Audit Matter**

#### **Our audit procedures included the following:**

Our audit approach consisted evaluation of design and implementation of controls, and testing the operating effectiveness of the internal controls over valuation of property, plant and equipment and review of useful lives; Periodic physical verification of property, plant and equipment for adequacy and appropriateness of the accounting and disclosure by the Management:

- We obtained an understanding of the Company's capitalization policy and assessed for compliance with the relevant accounting standards;
- We carried out substantive tests on random sampling for all the major additions, deletions to the assets by applying all the characteristics of capital expenditure,

proper classification of the same, with reference to the company's policy and accounting standards

- We obtained an understanding on management assessment relating to progress of projects and their intention to bring the asset to its intended use.
- We obtained certificates relating to useful lives of assets where, required.

### **Other Information**

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Annual report, but does not include the standalone Ind AS financial statements and our auditor's report thereon.

Our opinion on the standalone Ind AS financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone Ind AS financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

### **Responsibility of Management and Those Charged with Governance for the Standalone Ind AS Financial Statements**

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone Ind AS financial statements that give a true and fair view of the financial position, financial performance including other comprehensive Income, cash flows and changes in the equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015 as amended.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone Ind AS financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

### **Auditor's Responsibilities For The Audit of the Standalone Ind AS Financial Statements**

Our objectives are to obtain reasonable assurance about whether the standalone Ind AS financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone Ind AS financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone Ind AS financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the standalone Ind AS financial statements, including the disclosures, and whether the standalone Ind AS financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone Ind AS financial statements for the financial year ended March 31, 2021 and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

### **Report on Other Legal and Regulatory Requirements**

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, and on the basis of such checks of the books and record of the Company as we considered appropriate and according to the information and explanations given to us, we give in 'Annexure A' a statement on the matters specified in paragraphs 3 and 4 of the Order.
2. As required by section 143(3) of the Act, we report that:
  - a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit.
  - b. In our opinion, proper books of account as

- required by law have been kept by the Company so far as it appears from our examination of those books.
- c. The Balance Sheet, The Statement of Profit and Loss including Other Comprehensive Income, the statement of Cash Flow and Statement of Changes in Equity dealt with by this Report are in agreement with the books of account.
- d. In our opinion, the aforesaid standalone Ind AS financial statements comply with the Indian Accounting Standards specified under section 133 of the Act, read with Companies (Indian Accounting Standards) Rules, 2015, as amended.
- e. On the basis of written representations received from the directors as on March 31, 2021, taken on record by the Board of Directors, none of the Directors is disqualified as on 31st March, 2021, from being appointed as a Director in terms of Section 164 (2) of the Act.
- f. With respect to the adequacy of the internal financial controls over financial reporting of the company and the operating effectiveness of such controls, refer to our separate report in "Annexure B" to this report.
- g. In our opinion, the managerial remuneration for the year ended March 31, 2021 has been paid / provided by the Company to its directors in accordance with the provisions of section 197 read with Schedule V to the Act;
- h. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us :
- (i) The Company has disclosed the impact of pending litigations on its financial position in its standalone Ind AS financial statements.
- (ii) The Company has made provision, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long-term contracts including derivative contracts.
- (iii) There has been no delay in transferring amount, required to be transferred, to the Investor Education and Protection Fund by the Company

## ANNEXURE 'A' TO THE INDEPENDENT AUDITORS' REPORT

(Referred to in paragraph 1 under 'Report on Other Legal and Regulatory requirement' section of our report of even date)

### Report on Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government of India in terms of section 143(11) of the Companies Act, 2013 ('the Act') of Goodluck India Limited ("the Company"):

1. In respect of Property, Plant & Equipment of the Company:
  - a. The company has maintained proper records showing full particulars, including quantitative details and situation of property, plant & equipment.
  - b. The Company has a regular programme for physical verification in phased periodic manner, which, in our opinion is reasonable having regard to the size of the company and the nature of its assets. According to the information and explanations given to us, no material discrepancies were noticed on such verification.
  - c. According to the information and explanations given to us and the record examined by us and based on the examination of registered sales deed/ conveyance deed / transfer deed provided to us, we report that the title deeds, comprising all the immovable property of land and acquired building which are freehold, are held in the name of the Company as at the balance sheet date except leasehold and freehold land pertaining to one subsidiary company amalgamated during fiscal year 2016-17 having gross block amounting to Rs. 100.55 Lakhs.
2. As explained to us, the inventories were physically verified during the year by the Management at reasonable intervals except for inventories lying with third parties where confirmations have been received by the management, and no material discrepancies were noticed on such verification.
3. According to the information and explanations given to us, the company has not granted any loans, secured or unsecured to companies, firms, limited liability

partnerships or other parties covered in the register maintained under section 189 of the Act.

4. In our opinion and according to the information and explanations given to us, the company has complied with the provisions of Sections 185 and 186 of the Act in respect of grant of loans, making investments and providing guarantees and securities, as applicable.
5. The company has not accepted any deposits within the meaning of sections 73 to 76 of the Act and the Companies (Acceptance of deposits) Rules, 2014 (as amended). Accordingly, the provisions of clause 3 (v) of the order are not applicable to the Company.
6. We have broadly reviewed the books of account maintained by the Company pursuant to the rules made by the Central Government for the maintenance of cost records under section 148(1) of the Companies Act, 2013 and are of the opinion that prima facie, the specified accounts and records have been made and maintained. We have not, however, made a detailed examination of the same.
7. According to the information and explanations given to us, in respect of statutory dues:
  - a. The Company has generally been regular in depositing undisputed statutory dues including provident fund, employees' state insurance, Income tax, sales tax, goods and service tax, service tax, value added tax, duty of customs, duty of excise, cess and any other material statutory dues applicable to it with appropriate authorities.
  - b. There were no undisputed amounts payable in respect of provident fund, employees' state insurance, Income tax, sales tax, goods and service tax, service tax, value added tax, duty of customs, duty of excise, cess and any other material statutory dues in arrears as at 31st March, 2021 for a period of more than six months from the date they became payable.
  - c. According to the records of the Company, the dues outstanding of income-tax, sales-tax, goods and service tax, service tax, duty of custom, duty of excise, value added tax and cess on account of any dispute, are as follows:

Name of the Statute	Forum where dispute is pending	Financial Year to which the amount relates	Total Amt. (Rs. In Lakhs)
Central Excise Act	Commissioner(Appeals)	2007-08 to 2017-18	93.33
Central Excise Act	CESTAT	2015-16 to 2017-18	17.62
Commercial Tax	Commissioner(Appeals)	2011-12	7.16

8. In our opinion and according to the information and explanations given to us, the company has not defaulted in repayment of loans or borrowings to the banks. The Company does not have any outstanding dues in respect of financial institutions and debenture holders during the year.
  9. Based on the information and explanations given to us by the management, term loan was applied for the purpose the loan was raised. The Company has not raised any money by way of initial public offer or further public offer (including debt instrument).
  10. According to the information and explanations given to us, no material fraud by the company or on the company by its officers or employees has been noticed or reported during the course of our audit.
  11. According to the information and explanations given to us, the management has paid managerial remuneration in accordance with the provisions of section 197 read with Schedule V to the Companies Act, 2013.
  12. In our opinion, the Company is not a nidhi company. Therefore, the provisions of clause 3(xii) of the order are not applicable.
  13. According to the information and explanations given to us, the transactions with the related parties are in compliance with Section 177 and 188 of the Companies Act 2013 where applicable and details have been disclosed in the notes to the standalone financial statements, as required by the applicable accounting standards.
  14. According to the information and explanations given to us, the Company has made private placement of shares during the year under review.
- In respect of the above issue, we further report that:**
- a) the requirement of Section 42 of the Companies Act, 2013, as applicable, have been complied with; and
  - b) the amounts raised have been applied by the Company during the year for the purposes for which the funds were raised.
15. According to the information and explanations given to us, the company has not entered in to any non-cash transaction with the director or persons connected with him as referred to in section 192 of the Companies Act, 2013.
  16. According to the information and explanations given to us, the provisions of section 45-IA of the Reserve Bank of India Act, 1934 are not applicable to the Company.

**ANNEXURE 'B' TO THE INDEPENDENT AUDITORS' REPORT**

(Referred to paragraph 2(f) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

**Report on the Internal Financial Control Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies act, 2013 ('the Act')**

We have audited the internal financial controls over financial reporting of Goodluck India Limited ("the Company") as on March 31, 2021 in conjunction with our audit of the standalone Ind AS financial statements of the company for the year ended on that date.

**Management's Responsibility for Internal Financial Controls**

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal controls over financial reporting criteria established by the company considering essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (the 'Guidance Note'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its asset, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of the reliable financial information, as required under the Act.

**Auditor's Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting with reference to these standalone financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing as specified under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting with reference to these standalone financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial control system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit

opinion on the Company's internal financial controls system over financial reporting.

**Meaning of Internal Financial Controls Over Financial Reporting**

A company's internal financial control over financial reporting with reference to these standalone financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting with reference to these standalone financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

**Inherent Limitations of Internal Financial Controls over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting with reference to these standalone financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting with reference to these standalone financial statements to future periods are subject to the risk that the internal financial control over financial reporting with reference to these standalone financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

**Opinion**

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2021, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by the Institute of Chartered Accountants of India.

## Notes on Financial Statement for the year ended 31st March, 2021

### 1. COMPANY OVERVIEW

Goodluck India Limited ('The Company') is engaged in the business of manufacture and sale of engineering product i.e. heavy engineered structure, transmission and distribution tower, CDW Tubes, Precision Tubes, Pipes, Sheets and forged engineering products at its manufacturing facilities located at Sikandrabad, Industrial Area, and Dadri in Uttar Pradesh and Kutch in Gujarat.

Goodluck India Limited is a public limited company, incorporated on November 06, 1986 and is listed on BSE Ltd and NSE Ltd.

### 2. SIGNIFICANT ACCOUNTING POLICIES

#### A. STATEMENT OF COMPLIANCE

Standalone Financial Statements have been prepared in accordance with the accounting principles generally accepted in India including Indian Accounting Standards (Ind AS) prescribed under the section 133 of the Companies Act, 2013 read with rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 (as amended from time to time) and presentation requirement of Division II of Schedule III of the Companies Act 2013, (Ind AS Compliant Schedule III), as applicable to standalone financial statement.

Accordingly, the Company has prepared these Standalone Financial Statements which comprise the Balance Sheet as at 31 March, 2021, the Statement of Profit and Loss, the Statements of Cash Flows and the Statement of Changes in Equity for the year ended 31 March, 2021, and accounting policies and other explanatory information (together hereinafter referred to as "Standalone Financial Statements" or "financial statements").

These financial statements have been approved by the Board of Directors in the meeting held on 30th June 2021.

#### B. BASIS OF PREPARATION AND PRESENTATION OF FINANCIAL STATEMENTS

These financial statements have been prepared in accordance with the accounting policies, set out below and were consistently applied to all periods presented unless otherwise stated.

The financial statements have been prepared on a going concern basis using historical cost convention and on an accrual method of accounting, except for certain financial assets

and liabilities which are measured at fair value as explained in the accounting policies below.

Company's financial statements are presented in Indian Rupees (₹), which is also its functional currency.

#### C. PROPERTY, PLANT AND EQUIPMENT

Property, plant and equipment are stated at cost, net of recoverable taxes, trade discount and rebates less accumulated depreciation and impairment losses, if any. Such cost includes purchase price, borrowing cost and any cost directly attributable to bringing the assets to its working condition for its intended use, net charges on foreign exchange contracts and adjustments arising from exchange rate variations attributable to the assets.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the entity and the cost can be measured reliably.

Expenses incurred relating to project, net of income earned during the project development stage prior to its intended use, are considered as pre - operative expenses and disclosed under Capital Work - in - Progress.

The gain or loss arising on disposal of an item of property, plant and equipment is determined as the difference between sale proceeds and carrying value of such item, and is recognised in the statement of profit and loss.

Depreciation on property, plant and equipment is provided using straight line method based on useful life of the assets as prescribed in Schedule II to the Companies Act, 2013.

#### D. INVENTORY

Inventories are stated at the lower of cost and net realizable value except in case of waste and scrap which are valued at net realizable value.

Cost of raw material includes cost of purchase and other costs incurred in bringing the inventories to their present location and condition. Cost of finished goods and work in progress include cost of direct materials and labour and a proportion of manufacturing overheads based on the normal operating capacity but excluding borrowing costs.

## **E. REVENUE RECOGNITION**

The Company recognises revenue when control over the promised goods or services is transferred to the customer at an amount that reflects the consideration to which the Company expects to be entitled in exchange for those goods or services.

Revenue is adjusted for variable consideration such as discounts, rebates, refunds, credits, price concessions, incentives, or other similar items in a contract when they are highly probable to be provided. The amount of revenue excludes any amount collected on behalf of third parties. In contracts where freight is arranged by the Company and recovered from the customers, the same is treated as a separate performance obligation and revenue is recognised when such freight services are rendered.

Interest income from a financial asset is recognised when it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably. Interest income is accrued on a time basis, using effective interest rate.

The Company does not expect to have any contracts where the period between the transfer of the promised goods or services to the customer and payment by the customer exceeds one year. As a consequence, the Company does not adjust any of the transaction prices for the time value of money.

## **F. EMPLOYEES' BENEFITS**

Retirement benefits, such as gratuity are accounted for on the basis of provisions as lay down under Ind AS-19 "Employee Benefits" for employees are as per the certificate provided by the management.

Contributions to Provident Fund, a defined contribution plan are made in accordance with the statute, and are recognized as an expense when employees have rendered service entitling them to the contribution.

Company's contribution to state defined contribution plan namely, Employee State Insurance are made in accordance with the statute, and are recognized as an expenses when employees have rendered services entitling them to the contribution.

## **G. BORROWING COSTS**

Borrowing costs that are attributable to the acquisition or construction of qualifying assets are capitalized as part of the cost of such assets.

A qualifying asset is one that necessarily takes substantial period of time to get ready for its intended use. All other borrowing costs are charged to Profit and Loss account.

## **H. FOREIGN CURRENCY TRANSACTIONS**

The functional currency of the Company is determined on the basis of the primary economic environment in which it operates. The functional currency of the Company is Indian Rupee (₹).

The transactions in currencies other than the entity's functional currency (foreign currencies) are recognised at the rates of exchange prevailing at the dates of the transactions. At the end of each reporting period, monetary items denominated in foreign currencies are retranslated at the rates prevailing at that date. Non-monetary items carried at fair value that are denominated in foreign currencies are retranslated at the rates prevailing at the date when the fair value was determined. Non-monetary items that are measured in terms of historical cost in a foreign currency are not retranslated.

Exchange differences on monetary items are recognised in Statement of Profit and Loss in the period in which they arise.

## **I. FINANCIAL INSTRUMENTS**

### **1. Financial Assets**

#### **I. Initial recognition and measurement**

All financial assets are initially recognized at fair value. Transaction costs that are directly attributable to the acquisition of financial assets, which are not at fair value are adjusted through profit or loss on initial recognition. Purchase and sale of financial assets are recognised using trade date accounting.

#### **II. Subsequent measurement**

##### **i) Financial assets carried at amortised cost (AC)**

A financial asset is measured at amortised cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

##### **ii) Financial assets at fair value through other comprehensive income (FVTOCI)**

A financial asset is measured at FVTOCI if it is held within a business model whose

objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

**iii) Financial assets at fair value through profit or loss (FVTPL)**

A financial asset which is not classified in any of the above categories are measured at FVTPL.

**III. Investment in subsidiaries**

The Company has accounted for its investments in subsidiaries at Fair Value.

**IV. Impairment of financial assets**

The Company assesses on a forward looking basis the expected credit losses associated with its assets carried at amortised cost and FVOCI debt instruments. The impairment methodology applied depends on whether there has been a significant increase in credit risk.

**2. Financial liabilities**

**I. Initial recognition and measurement**

All financial liabilities are recognized at fair value and in case of loans, net of directly attributable cost. Fees of recurring nature are directly recognised in the Statement of Profit and Loss as finance cost.

**II. Subsequent measurement**

Financial liabilities are carried at amortized cost using the effective interest method. For trade and other payables maturing within one year from the balance sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments.

**3. Derivative financial instruments**

The Company uses various derivative financial instruments such as interest rate swaps, currency swaps and forwards contracts to mitigate the risk of changes in interest rates, exchange rates. Such derivative financial instruments are initially recognized at fair value on the date on which a derivative contract is entered into and are also subsequently measured at fair value. Derivatives are carried as financial assets when the fair value is positive and as financial liabilities when the fair value is negative.

Any gains or losses arising from changes in the fair value of derivatives are taken directly to Statement of Profit and Loss.

**4. Derecognition of financial instruments**

The Company derecognizes a financial asset when the contractual rights to the cash flows from the financial asset expire or it transfers the financial asset and the transfer qualifies for derecognition under Ind AS 109. A financial liability (or a part of a financial liability) is derecognized from the Company's Balance Sheet when the obligation specified in the contract is discharged or cancelled or expires.

**J. LITIGATION**

The Company is subject to legal proceedings and claims which have arisen in the ordinary course of business. The Company's management does not reasonably expect that these legal actions when ultimately concluded and determined will have a material and adverse affect on the Company's result of operations or financial condition.

**K. TAXATION**

Income tax expense represents the sum of the tax currently payable and deferred tax.

**Current tax**

Current tax is the amount of tax payable based on the taxable profit for the year as determined in accordance with the provisions of section 115BAA of the Income Tax Act, 1961.

**Deferred tax**

Deferred tax is recognized on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

**L. PROVISIONS, CONTINGENT LIABILITIES AND CONTINGENT ASSETS**

Provisions are recognized when the Company has a present obligation (legal or constructive) as a result of

a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost.

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. The Company does not recognize a contingent liability but discloses its existence in the Balance Sheet.

Contingent assets are not recognized but disclosed in the financial statements when an inflow of economic benefit is probable.

#### **M. CASH AND CASH EQUIVALENT**

Cash and cash equivalent in the Balance Sheet comprise cash at banks and in hand.

#### **N. EARNING PER SHARE**

Basic earnings per share are computed by dividing the profit / (loss) after tax by the weighted average number of equity shares outstanding during the

year. The weighted average number of equity shares outstanding during the year is adjusted for treasury shares, bonus issue, bonus element in a rights issue to existing shareholders, share split and reverse share split (consolidation of shares).

### **3. CRITICAL ESTIMATION AND JUDGEMENTS**

The preparation of financial statements requires the use of accounting estimates which, by definition, will seldom equal the actual results. Management also needs to exercise judgement in applying the company's accounting policies.

This note provides an overview of the areas that involved a higher degree of judgement or complexity, and of items which are more likely to be materially adjusted due to estimates and assumptions turning out to be different than those originally assessed. Detailed information about each of these estimates and judgements is included in relevant notes together with information about the basis of calculation for each affected line item in the financial statements.

The areas involving critical estimates or judgements are:

- Estimation of current tax expense and payable – Note 16
- Estimation of defined benefit obligation – Note 15
- Recognition of deferred tax assets for carried forward tax losses – Note 16

Estimates and judgements are continually evaluated. They are based on historical experience and other factors, including expectations of future events that may have a financial impact on the company and that are believed to be reasonable under the circumstances.

Trade receivables are netted with Bill discounting of Rs 2,662.97 lakhs (March 31, 2020- Rs 1,461.77 lakhs)

## Notes on Financial Statement for the year ended 31st March, 2021

Before accepting any new customer, the Company uses an external credit scoring system to assess the potential customer's credit quality and defines credit limits by customer. Limits and scoring attributed to customers are reviewed once a year.

The Company does not hold any collateral or other credit enhancements over the balances of trade receivables.

Trade receivables have been given as collateral towards borrowings from financial institutions.

In determining the recoverability of a trade receivable, the Company considers any change in the credit quality of the trade receivable from the date credit was initially granted up to the end of the reporting period. The concentration of credit risk is limited due to the fact that the customer base is large and unrelated.

### 9. CASH AND CASH EQUIVALENT

(Rs. in lakhs)

DESCRIPTION	As at 31.03.2021	As at 31.03.2020
Cash in hand	31.55	35.79

Share warrant	-	243.75
<b>Total</b>	<b>37,854.55</b>	<b>34,147.85</b>

#### (i) General reserve

Under the erstwhile Indian Companies Act 1956, a general reserve was created through an annual transfer of net income at a specified percentage in accordance with applicable regulations. The purpose of these transfers was to ensure that if a dividend distribution in a given year is more than 10% of the paid-up capital of the Company for that year, then the total dividend distribution is less than the total distributable results for that year.

Consequent to introduction of Companies Act 2013, the requirement of mandatory transfer of a specified percentage of the net profit to general reserve has been withdrawn and the Company can optionally transfer any amount from the surplus of profit or loss account to the General reserves.

The Company has not transferred any amount to general reserve during the year.

#### (ii) Retained Earnings

Retained earnings are the profits that the company has earned till date less any transfer to general reserve, dividends or other distribution paid to shareholders.

#### (iii) Security Premium

The amount received in excess of face value of the equity shares is recognised in security premium. This reserves utilised in accordance with the specific provisions of the Companies Act 2013.

#### (iv) Capital Reserve

Reserve is primarily created on amalgamation as per statutory requirement. This reserve is utilised in accordance with the specific provisions of the Companies Act, 2013

Face value per equity share (Rs)	2.00	2.00

### 31. Financial instruments

#### 31.1. Capital risk management

The Company being in a capital intensive industry, its objective is to maintain a strong credit rating, healthy capital ratios and establish a capital structure that would maximize the return to stakeholders through optimum mix of debt and equity.

The Company's capital requirement is mainly to fund its capacity expansion, repayment of principal and interest on its borrowings. The principal source of funding of the Company has been, and is expected to continue to be, cash generated from its operations supplemented by funding from bank borrowings and the capital markets.

The Company regularly considers other financing and refinancing opportunities to diversify its debt profile, reduce interest cost and elongate the maturity of its debt portfolio, and closely monitors its judicious allocation amongst competing capital expansion projects to capture market opportunities at minimum risk.

The Company monitors its capital using gearing ratio, which is net debt divided to total equity. Net debt includes, interest bearing loans and borrowings less cash and cash equivalents, Bank balances other than cash and cash equivalents.

## Notes on Financial Statement for the year ended 31st March, 2021

(Rs. in lakhs)

DESCRIPTION	As at 31.03.2021	As at 31.03.2020

### 31.3 Financial risk management

The risk management policies are established to ensure timely identification and evaluation of risks, setting acceptable risk thresholds, identifying and mapping controls against these risks, monitor the risks and their limits, improve risk awareness and transparency. Risk management policies and systems are reviewed regularly to reflect changes in the market conditions and the Company's activities to provide reliable information to the Management and the Board to evaluate the adequacy of the risk management framework in relation to the risk faced by the Company.

The risk management policies aims to mitigate the following risks arising from the financial instruments:

- Market risk
- Credit risk and
- Liquidity risk

### 31.4 Market risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in the market prices. The Company is exposed in the ordinary course of its business to risks related to changes in foreign currency exchange rates, commodity prices and interest rates.

The Company seeks to minimize the effects of these risks by using derivative financial instruments to hedge risk exposures. The use of financial derivatives

## Notes on Financial Statement for the year ended 31st March, 2021

is governed by the Company's policies approved by the Board of Directors, which provide written principles on foreign exchange risk, interest rate risk, credit risk, the use of financial derivatives and non-derivative financial instruments, and the investment of excess liquidity. Compliance with policies and exposure limits is reviewed by the Management and the internal auditors on a continuous basis. The Company does not enter into or trade financial instruments, including derivatives for speculative purposes.

### 31.5 Foreign currency risk management

The Company's functional currency is Indian Rupees (INR). The Company undertakes transactions denominated in foreign currencies; consequently, exposure to exchange rate fluctuations arise. Volatility in exchange rates affects the Company's revenue from export markets and the costs of imports, primarily in relation to raw materials. The Company is exposed to exchange rate risk under its trade and debt portfolio.

Adverse movements in the exchange rate between the Rupee and any relevant foreign currency result in increase in the Company's overall debt position in Rupee terms without the Company having incurred additional debt and favourable movements in the exchange rates will conversely result in reduction in the Company's receivables in foreign currency. In order to hedge exchange rate risk, the Company has a policy to hedge cash flows up to a specific tenure using forward exchange contracts. At any point in time, the Company hedges its estimated foreign currency exposure in respect of forecast sales over the following 6 months. In respect of imports and other payables, the Company hedges its payables as when the exposure arises.

All hedging activities are carried out in accordance with the Company's internal risk management policies, as approved by the Board of Directors, and in accordance with the applicable rules and regulations where the Company operates.

The carrying amounts of the Company's monetary assets and monetary liabilities at the end of the reporting period are as follows:

### 31.6 Commodity price risk

The Company's revenue is exposed to the market risk of price fluctuations related to the sale of its steel products. Market forces generally determine prices for the steel products sold by the Company. These prices may be influenced by factors such as demand and supply, production costs (including the costs of raw material inputs) and global and regional economic conditions and growth. Adverse changes in any of these factors may reduce the revenue that the Company earns from the sale of its steel products.

The Company primarily procured its raw materials i. e. HR Coil, Angle shape and section, Ingot, Zinc etc. in the open market from third parties during the financial year ended 31.03.2021 and is therefore subject to fluctuations in prices.

The Company aims to sell the products at prevailing market prices. Similarly the Company procures key raw materials like HR Coil, Angle shape and section, Ingot and Zinc based on prevailing market rates as the selling prices of steel prices and the prices of input raw materials move in the same direction.

The Company as a matter of policy has not hedged the commodity risk.

The following table details the Company's sensitivity to a 5% movement in the input price of HR Coil, Angle shape and section, Ingot, Zinc etc. The sensitivity analysis includes only 5% change in commodity prices for quantity sold or consumed during the year, with all other variables held constant. A positive number below indicates an increase in profit where the commodity prices increase by 5%. For a 5% reduction in commodity prices, there would be a comparable impact on profit, and the balances below would be negative.

## Notes on Financial Statement for the year ended 31st March, 2021

(Rs. in lakhs)

DESCRIPTION	Increase		Decrease	
	31-Mar-21	31-Mar-20	31-Mar-21	31-Mar-20
HR Coil, Angle shape and section, Ingot, Zinc	5,803.33	6,051.18	(5,803.33)	(6,051.18)

### 31.7 Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company is exposed to interest rate risk because funds are borrowed at both fixed and floating interest rates. Interest rate risk is measured by using the cash flow sensitivity for changes in variable interest rate. The borrowings of the Company are principally denominated in rupees and US dollars with a mix of fixed and floating rates of interest. The Company has exposure to interest rate risk, arising principally on changes in MCLR rate and LIBOR rates. The risk is managed by the Company by maintaining an appropriate mix between fixed and floating rate borrowings.

If interest rates had been 100 basis points higher / lower and all other variables were held constant, the Company's profit for the year ended 31 March 2021 would decrease / increase by ₹ 430.44 lakhs (for the year ended 31 March 2020: decrease / increase by ₹ 476.47 lakhs). This is mainly attributable to the Company's exposure to interest rates on its variable rate borrowings.

### 31.8 Credit risk management:

Credit risk refers to the risk that a counterparty will default on its contractual obligations resulting in financial loss to the Company. Credit risk encompasses of both, the direct risk of default and the risk of deterioration of creditworthiness as well as concentration risks. The Company has adopted a policy of only dealing with creditworthy counterparties.

Customer credit risk is managed centrally by the Company and subject to established policy, procedures and control relating to customer credit risk management. Credit quality of a customer is assessed based on an extensive credit rating scorecard and individual credit limits defined in accordance with the assessment.

Credit risk on receivables is also mitigated by securing the same against letters of credit and guarantees of reputed nationalised and private sector banks. Trade receivables consist of a large number of customers spread across diverse industries and geographical areas with no significant concentration of credit risk. The outstanding trade receivables are regularly monitored and appropriate action is taken for collection of overdue receivables.

### Ageing of Trade Receivable

DESCRIPTION	As at 31.03.2021	As at 31.03.2020
0-180 days	17,945.48	20,038.49
180-365 days	1,759.29	660.34
Above 365 days	3,778.87	3,192.85

### 31.9 Liquidity risk management

Liquidity risk refers to the risk of financial distress or extraordinary high financing costs arising due to shortage of liquid funds in a situation where business conditions unexpectedly deteriorate and requiring financing. The Company requires funds both for short term operational needs as well as for long term capital expenditure growth projects. The Company generates sufficient cash flow for operations, which together with the available cash and cash equivalents provide liquidity in the short-term and long-term. The management of the Company has established an appropriate liquidity risk management framework for Company's short, medium and long-term funding and liquidity management requirements. The Company manages liquidity risk by maintaining adequate reserves, banking facilities and reserve borrowing facilities, by continuously monitoring forecast and actual cash flows, and by matching the maturity profiles of financial assets and liabilities.

The following tables detail the Company's remaining contractual maturity for its non-derivative financial liabilities with agreed repayment periods and its non-derivative financial assets. The tables have been drawn up based on the undiscounted cash flows of financial liabilities based on the earliest date on which the Company can be required to pay.

# Consolidated Ind AS Financial Statements

# Independent Auditors' Report

To The Members of

## **GOODLUCK INDIA LIMITED**

### **Report on the Audit of the Consolidated Ind AS Financial Statements**

#### **Opinion**

We have audited the accompanying Consolidated Ind AS financial statements of Goodluck India Limited ('The Company' or 'the Parent Company') and its subsidiaries (the Company and its subsidiaries company together referred as 'the Group'), which comprises the Consolidated Balance Sheet as at March 31, 2021, the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), Consolidated Statement of Cash Flow, the Consolidated Statement of Changes in Equity for the year then ended and a summary of significant accounting policies and other explanatory information ('the consolidated Ind AS financial statements').

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Consolidated Ind AS financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Group as at March 31, 2021, their consolidated profit including other comprehensive income, their consolidated cash flows and the consolidated changes in equity for the year ended on that date.

#### **Basis for Opinion**

We conducted our audit of the Consolidated Ind AS financial statements in accordance with the Standards on Auditing (SAs), as specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the 'Auditor's Responsibilities for the Audit of the Consolidated Ind AS Financial Statements' section of our report. We are independent of the Group in accordance with the 'Code of Ethics' issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Consolidated Ind AS financial statements.

#### **Key Audit Matters**

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Consolidated Ind AS financial statements for the financial year ended March 31, 2021. These matters were addressed in the context of our audit of the Consolidated Ind AS financial statements as a whole, and in forming our opinion

thereon, and we do not provide a separate opinion on these matters. For each matter below, our description of how our audit addressed the matter is provided in that context.

We have determined the matters described below to be the key audit matters to be communicated in our report. We have fulfilled the responsibilities described in the Auditor's responsibilities for the audit of the Consolidated Ind AS financial statements section of our report, including in relation to these matters. Accordingly, our audit included the performance of procedures designed to respond to our assessment of the risks of material misstatement of the Consolidated Ind AS financial statements. The results of audit procedures performed by us and by other auditor of components not audited by us, as reported by them in their audit reports furnished to us by the management, including those procedures performed to address the matters below, provide the basis for our audit opinion on the accompanying Consolidated Ind AS financial statements.

#### **1. Assessment of Parent Company's litigations and related disclosure of contingent liabilities**

[Refer to Note 3 to the Consolidated Financial Statements – "Critical estimation and Judgements" and Note 32 to the Consolidated Financial Statements – "Contingent liabilities and commitments"]

As at March 31, 2021, the Parent Company has exposures towards litigations relating to various matters as set out in the aforesaid Notes.

Significant management judgement is required to assess such matters to determine the probability of occurrence of material outflow of economic resources and whether a provision should be recognised, or a disclosure should be made. The management judgement is also supported with legal advice in certain cases as considered appropriate.

As the ultimate outcome of the matters are uncertain and the positions taken by the management are based on the application of their best judgement, related legal advice including those relating to interpretation of laws/regulations, it is considered to be a Key Audit Matter.

#### **How our audit addressed the Key Audit Matter**

##### **Our audit procedures included the following:**

- We understood, assessed and tested the design and operating effectiveness of the Parent Company's key controls surrounding assessment of litigations relating to the relevant laws and regulations;
- We discussed with management the recent developments and the status of the material litigations which were reviewed and noted by the Parent Company's audit committee;
- We performed our assessment on a test basis on the

underlying calculations supporting the contingent liabilities/other significant litigations made in relation to the Parent Company's Standalone Financial Statements;

- We considered external legal opinions, where relevant, obtained by management;
- We met with the Parent Company's external legal counsel to understand the interpretation of laws/regulations considered by the management in their assessment relating to a material litigation;
- We evaluated management's assessments by understanding precedents set in similar cases and assessed the reliability of the management's past estimates/judgements;
- We evaluated management's assessment around those matters that are not disclosed or not considered as contingent liability, as the probability of material outflow is considered to be remote by the management; and
- We assessed the adequacy of the Company's disclosures.

Based on the above work performed, management's assessment in respect of Parent Company's litigations and related disclosures relating to contingent liabilities/ other significant litigations in the Consolidated Financial Statements are considered to be reasonable.

## 2. Property, Plant & Equipment and Capital Work in progress

Valuation and existence of property, plant and equipment including assessment of useful lives and residual value. Property, plant and equipment represents a significant proportion of the Parent Company's asset base. The estimates and assumptions made to determine the carrying amounts, including whether and when to capitalize or expense certain costs, and the determination of depreciation charges are material to the Parent Company's financial position and performance. The charges in respect of periodic depreciation are derived after estimating an asset's expected useful life and the expected residual value. Changes to asset's carrying amounts, expected useful lives or residual value could result in a material impact on the financial statements and hence considered as key audit matter.

### How our audit addressed the Key Audit Matter

#### Our audit procedures included the following:

Our audit approach consisted evaluation of design and implementation of controls, and testing the operating effectiveness of the internal controls over valuation of property, plant and equipment and review of useful lives; Periodic physical verification of property, plant and equipment for adequacy and appropriateness of the accounting and disclosure by the Management:

- We obtained an understanding of the Parent Company's

capitalization policy and assessed for compliance with the relevant accounting standards;

- We carried out substantive tests on random sampling for all the major additions, deletions to the assets by applying all the characteristics of capital expenditure, proper classification of the same, with reference to the Parent Company's policy and accounting standards
- We obtained an understanding on management assessment relating to progress of projects and their intention to bring the asset to its intended use.
- We obtained certificates relating to useful lives of assets where, required.

### Other Information

The Parent Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Annual report, but does not include the Consolidated Ind AS financial statements and our auditor's report thereon.

Our opinion on the Consolidated Ind AS financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Consolidated Ind AS financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Consolidated financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

### Responsibility of Management and Those Charged with Governance for the Consolidated Ind AS Financial Statements

The Parent Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Consolidated Ind AS financial statements that give a true and fair view of the consolidated financial position, consolidated financial performance including other comprehensive Income, consolidated cash flows and consolidated statement of changes in the equity of the Group in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the

preparation and presentation of the Consolidated Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, the respective Board of Directors of the companies included in the Group are responsible for assessing the ability of the Group to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

Those respective Boards of Directors of the companies included in the Group are also responsible for overseeing the financial reporting process of the Group.

#### **Auditor's Responsibilities For The Audit of the Consolidated Ind AS Financial Statements**

Our objectives are to obtain reasonable assurance about whether the Consolidated Ind AS financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Consolidated Ind AS financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Consolidated Ind AS financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Parent Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and,

based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Consolidated Ind AS financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the Consolidated Ind AS financial statements, including the disclosures, and whether the Consolidated Ind AS financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group of which we are the independent auditors and whose financial information we have audited, to express an opinion on the consolidated Ind AS financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the consolidated financial statements of which we are the independent auditors. For the other entities included in the consolidated financial statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

We communicate with those charged with governance of the Parent Company and such other entities included in the consolidated Ind AS financial statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Consolidated Ind AS financial statements for the financial year ended March 31, 2021 and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because

the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

#### OTHER MATTER

We did not audit the financial statements and other financial information, in respect of 3 subsidiaries, whose Ind AS financial statements include total assets of Rs 4.73 Lakhs as at March 31, 2021, and total revenues of Rs Nil and total profit (Loss) after tax of Rs (0.71) Lakhs for the year ended on that date. These Ind AS financial statement and other financial information have been audited by other auditors, which financial statements, other financial information and auditor's reports have been furnished to us by the management. Our opinion on the consolidated Ind AS financial statements, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries, and our report in terms of sub-sections (3) of Section 143 of the Act, in so far as it relates to the aforesaid subsidiaries, is based solely on the report(s) of such other auditors.

Our opinion above on the consolidated Ind AS financial statements, and our report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matter with respect to our reliance on the work done and the reports of the other auditors and the financial statements and other financial information certified by the management.

#### Report on Other Legal and Regulatory Requirements

1. As required by section 143(3) of the Act, we report, to the extent applicable, that:
  - a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit for the aforesaid Consolidated Ind AS Financial Statements.
  - b. In our opinion, proper books of account as required by law relating to preparation of the aforesaid Consolidated Ind AS Financial Statements have been kept so far as it appears from our examination of those books and the reports of the other auditor.
  - c. The Consolidated Balance Sheet, The Consolidated Statement of Profit and Loss including Other Comprehensive Income, the Consolidated statement of Cash Flow and Consolidated Statement of Changes in Equity dealt with by this Report are in agreement with the books of account maintained for the purpose of preparation of the Consolidated Ind AS Financial Statements.
  - d. In our opinion, the aforesaid Consolidated Ind AS financial statements comply with the Indian Accounting Standards specified under section 133 of the Act, read with Companies (Indian Accounting Standards) Rules, 2015, as amended.

- e. On the basis of the written representations received from the directors of the Parent Company taken on record by the Board of Directors of the Parent Company and the reports of the statutory auditors of its subsidiary companies, none of the directors of the Group companies, is disqualified as on March 31, 2021 from being appointed as a director in terms of Section 164(2) of the Act.
- f. With respect to the adequacy of the internal financial controls with reference to Consolidated Ind AS Financial statements of the Group and the operating effectiveness of such controls, refer to our separate report in "Annexure A" to this report.
- g. In our opinion and based on the consideration of the reports of other statutory auditors of the subsidiaries, the managerial remuneration for the year ended March 31, 2021 has been paid / provided by the Parent Company and its subsidiaries to their directors in accordance with the provisions of section 197 read with Schedule V to the Act;
- h. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us :
  - (i) The Consolidated Ind AS financial statements disclose the impact of pending litigations as on March 31, 2021 on the Consolidated financial position of the Group.
  - (ii) The Group has made provision, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long-term contracts including derivative contracts.
  - (iii) There has been no delay in transferring amount, required to be transferred, to the Investor Education and Protection Fund by the Group.

## **ANNEXURE 'A' TO THE INDEPENDENT AUDITORS' REPORT**

(Referred to paragraph 1 (f) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

### **Report on the Internal Financial Control Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies act, 2013 ('the Act')**

We have audited the internal financial controls over financial reporting of Goodluck India Limited ("the Parent Company") and its subsidiary Companies as on March 31, 2021 in conjunction with our audit of the Consolidated Ind AS financial statements of the Parent company and its Subsidiary Companies for the year ended on that date.

#### **Management's Responsibility for Internal Financial Controls**

The respective Board of Directors of the Parent Company and 3 Subsidiary Companies are responsible for establishing and maintaining internal financial controls based on the internal controls over financial reporting criteria established by the Company considering essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (the 'Guidance Note'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its asset, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of the reliable financial information, as required under the Act.

#### **Auditor's Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls with reference to these Consolidated financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing as specified under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to Consolidated financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial control system with reference to Consolidated financial

statements and their operating effectiveness. Our audit of internal financial controls with reference to Consolidated financial statements included obtaining an understanding of internal financial controls with reference to Consolidated financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Consolidated financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors in terms of their reports referred to in the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls over financial reporting with reference to these consolidated Ind AS financial statements.

#### **Meaning of Internal Financial Controls Over Financial Reporting**

A company's internal financial control with reference to these Consolidated financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control with reference to these Consolidated financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

#### **Inherent Limitations of Internal Financial Controls over Financial Reporting**

Because of the inherent limitations of internal financial controls with reference to these Consolidated financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to these Consolidated financial statements to future periods are subject to the risk that the internal financial control with reference to these Consolidated financial statements may become inadequate because of changes in conditions, or that the degree of

compliance with the policies or procedures may deteriorate.

**Opinion**

In our opinion, the Parent Company, its subsidiary companies have, in all material respects, an adequate internal financial controls system with reference to Consolidated Financial Statements and such internal financial controls with reference to Consolidated Financial Statements were operating effectively as at March 31, 2021, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

**OTHER MATTER**

Our report under Section 143(3)(i) of the Act on the adequacy

and operating effectiveness of the internal financial controls over financial reporting with reference to these consolidated Ind AS financial statements of the Parent Company, in so far as it relates to 3 subsidiary company, which is incorporated in India, is based on the corresponding report of the auditors of such Subsidiary Companies.

## Notes on Consolidated Financial Statement for the year ended 31st March, 2021

### 1. COMPANY OVERVIEW

Goodluck India Limited ('The Company' or 'the Parent') and its subsidiaries (together referred to as "the Group") are engaged in the business of manufacture and sale of engineering product i.e. heavy engineered structure, transmission and distribution tower, CDW Tubes, Precision Tubes, Pipes, Sheets and forged engineering products at its manufacturing facilities located at Sikandrabad, Industrial Area, and Dadri in Uttar Pradesh, and Kutch in Gujarat.

Goodluck India Limited is a public limited company, incorporated on November 06, 1986 and is listed on BSE Ltd and NSE Ltd.

### 2. SIGNIFICANT ACCOUNTING POLICIES

#### A. STATEMENT OF COMPLIANCE

Consolidated Financial Statements have been prepared in accordance with the accounting principles generally accepted in India including Indian Accounting Standards (Ind AS) prescribed under the section 133 of the Companies Act, 2013 read with rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 (as amended from time to time) and presentation requirement of Division II of Schedule III of the Companies Act 2013, (Ind AS Compliant Schedule III ), as applicable to Consolidated financial statement.

Accordingly, the Group has prepared these Consolidated Financial Statements which comprise the Balance Sheet as at 31 March, 2021, the Statement of Profit and Loss, the Statements of Cash Flows and the Statement of Changes in Equity for the year ended 31 March, 2021, and accounting policies and other explanatory information (together hereinafter referred to as "Consolidated Financial Statements" or "financial statements").

These financial statements have been approved by the Board of Directors in the meeting held on 30 June 2021.

#### B. BASIS OF PREPARATION AND PRESENTATION OF FINANCIAL STATEMENTS

These financial statements have been prepared in accordance with the accounting policies, set out below and were consistently applied to all periods presented unless otherwise stated.

The financial statements have been prepared on a going concern basis using historical cost convention and on an accrual method of accounting, except for certain financial assets

and liabilities which are measured at fair value as explained in the accounting policies below.

The Group's Consolidated financial statements are presented in Indian Rupees (Rs.), which is also its functional currency

#### C. BASIS OF CONSOLIDATION

The consolidated financial statements incorporate the financial statements of the Company and entities controlled by the Company i.e. its subsidiaries. The group controls an entity when the group is exposed to, or has rights to, variable returns from its involvement with the entity and has the ability to affect those returns through its power to direct the activities of the entity. Subsidiaries are fully consolidated from the date on which control is transferred to the group. They are deconsolidated from the date that control ceases.

The acquisition method of accounting is used to account for business combinations by the group.

The group combines the financial statements of the parent and its subsidiaries line by line adding together like item of assets, liabilities, equity, income and expense. Intercompany transactions, balances and unrealised gains on transactions between group companies are eliminated. Unrealised losses are also eliminated unless the transaction provides evidence of an impairment of the transferred asset. Accounting policies of subsidiaries have been changed where necessary to ensure consistency with the policies adopted by the group.

#### D. BUSINESS COMBINATIONS

The acquisition method of accounting is used to account for all business combinations, regardless of whether equity instruments or other assets are acquired. If The consideration transferred for the acquisition of a subsidiary, over the fair value of the net identifiable assets acquired, is recorded as goodwill. If those amounts are less than the fair value of the net identifiable assets of the business acquired, the difference is recognized in other comprehensive income and accumulated in equity as capital reserve provided there is clear evidence of the underlying reasons for classifying the business combination as a bargain purchase. In other cases, the bargain purchase gain is recognised directly in other equity as capital reserve

## Notes on Consolidated Financial Statement for the year ended 31st March, 2021

### Business combinations – common control transaction

Business combinations involving entities that are controlled by the group are accounted for using the pooling of interests method as follows:

- The assets and liabilities of the combining entities are reflected at their carrying amounts.
- The financial information in the financial statements in respect of prior periods is restated as if the business combination had occurred from the beginning of the preceding period in the financial statements, irrespective of the actual date of the combination. However, where the business combination had occurred after that date, the prior period information is restated only from that date.
- The balance of the retained earnings appearing in the financial statements of the transferor is aggregated with the corresponding balance appearing in the financial statements of the transferee.
- The identity of the reserves is preserved and the reserves of the transferor become the reserves of the transferee.

### E. PROPERTY, PLANT AND EQUIPMENT

Property, plant and equipment are stated at cost, net of recoverable taxes, trade discount and rebates less accumulated depreciation and impairment losses, if any. Such cost includes purchase price, borrowing cost and any cost directly attributable to bringing the assets to its working condition for its intended use, net charges on foreign exchange contracts and adjustments arising from exchange rate variations attributable to the assets.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the entity and the cost can be measured reliably.

Expenses incurred relating to project, net of income earned during the project development stage prior to its intended use, are considered as pre - operative expenses and disclosed under Capital Work - in - Progress.

The gain or loss arising on disposal of an item

of property, plant and equipment is determined as the difference between sale proceeds and carrying value of such item, and is recognised in the statement of profit and loss.

Depreciation on property, plant and equipment is provided using straight line method based on useful life of the assets as prescribed in Schedule II to the Companies Act, 2013

### F. INVENTORY

Inventories are stated at the lower of cost and net realizable value except in case of waste and scrap which are valued at net realizable value.

Cost of raw material includes cost of purchase and other costs incurred in bringing the inventories to their present location and condition. Cost of finished goods and work in progress include cost of direct materials and labour and a proportion of manufacturing overheads based on the normal operating capacity but excluding borrowing costs.

### G. REVENUE RECOGNITION

The Group recognises revenue when control over the promised goods or services is transferred to the customer at an amount that reflects the consideration to which the Group expects to be entitled in exchange for those goods or services.

Revenue is adjusted for variable consideration such as discounts, rebates, refunds, credits, price concessions, incentives, or other similar items in a contract when they are highly probable to be provided. The amount of revenue excludes any amount collected on behalf of third parties. In contracts where freight is arranged by the Group and recovered from the customers, the same is treated as a separate performance obligation and revenue is recognised when such freight services are rendered.

Interest income from a financial asset is recognised when it is probable that the economic benefits will flow to the Group and the amount of income can be measured reliably. Interest income is accrued on a time basis, using effective interest rate.

The Group does not expect to have any contracts where the period between the transfer of the promised goods or services to the customer and payment by the customer exceeds one year. As a consequence, the Group does not adjust any of the transaction prices for the time value of money.

## Notes on Consolidated Financial Statement for the year ended 31st March, 2021

### H. EMPLOYEES' BENEFITS

Retirement benefits, such as gratuity are accounted for on the basis of provisions as lay down under Ind AS-19 "Employee Benefits" for employees are as per the certificate provided by the management.

Contributions to Provident Fund, a defined contribution plan are made in accordance with the statute, and are recognized as an expense when employees have rendered service entitling them to the contribution.

Group's contribution to state defined contribution plan namely, Employee State Insurance are made in accordance with the statute, and are recognized as an expenses when employees have rendered services entitling them to the contribution.

### I. BORROWING COSTS

Borrowing costs that are attributable to the acquisition or construction of qualifying assets are capitalized as part of the cost of such assets. A qualifying asset is one that necessarily takes substantial period of time to get ready for its intended use. All other borrowing costs are charged to Profit and Loss account.

### J. FOREIGN CURRENCY TRANSACTIONS

The functional currency of the Company and its subsidiaries is determined on the basis of the primary economic environment in which it operates. The functional currency of the Company is Indian Rupee (₹).

In preparing the financial statements of each individual group entity, transactions in currencies other than the entity's functional currency (foreign currencies) are recognised at the rates of exchange prevailing at the dates of the transactions. At the end of each reporting period, monetary items denominated in foreign currencies are retranslated at the rates prevailing at that date. Non-monetary items carried at fair value that are denominated in foreign currencies are retranslated at the rates prevailing at the date when the fair value was determined. Non-monetary items that are measured in terms of historical cost in a foreign currency are not retranslated.

Exchange differences on monetary items are recognised in Statement of Profit and Loss in the period in which they arise.

### K. FINANCIAL INSTRUMENTS

### 1. Financial Assets

#### I. Initial recognition and measurement

All financial assets are initially recognized at fair value. Transaction costs that are directly attributable to the acquisition of financial assets, which are not at fair value are adjusted through profit or loss on initial recognition. Purchase and sale of financial assets are recognised using trade date accounting.

#### II. Subsequent measurement

##### i) Financial assets carried at amortised cost (AC)

A financial asset is measured at amortised cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

##### ii) Financial assets at fair value through other comprehensive income (FVTOCI)

A financial asset is measured at FVTOCI if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

##### iii) Financial assets at fair value through profit or loss (FVTPL)

A financial asset which is not classified in any of the above categories are measured at FVTPL.

#### III. Impairment of financial assets

The Group assesses on a forward looking basis the expected credit losses associated with its assets carried at amortised cost and FVOCI debt instruments. The impairment methodology applied depends on whether there has been a significant increase in credit risk.

## Notes on Consolidated Financial Statement for the year ended 31st March, 2021

### 2. Financial liabilities

#### I. Initial recognition and measurement

All financial liabilities are recognized at fair value and in case of loans, net of directly attributable cost. Fees of recurring nature are directly recognised in the Statement of Profit and Loss as finance cost.

#### II. Subsequent measurement

Financial liabilities are carried at amortized cost using the effective interest method. For trade and other payables maturing within one year from the balance sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments.

### 3. Derivative financial instruments

The Group uses various derivative financial instruments such as interest rate swaps, currency swaps and forwards contracts to mitigate the risk of changes in interest rates, exchange rates. Such derivative financial instruments are initially recognised at fair value on the date on which a derivative contract is entered into and are also subsequently measured at fair value. Derivatives are carried as financial assets when the fair value is positive and as financial liabilities when the fair value is negative.

Any gains or losses arising from changes in the fair value of derivatives are taken directly to Statement of Profit and Loss.

### 4. Derecognition of financial instruments

The Group derecognizes a financial asset when the contractual rights to the cash flows from the financial asset expire or it transfers the financial asset and the transfer qualifies for derecognition under Ind AS 109. A financial liability (or a part of a financial liability) is derecognized from the Group's Balance Sheet when the obligation specified in the contract is discharged or cancelled or expires

### L. LITIGATION

The Group is subject to legal proceedings and claims which have arisen in the ordinary course of business. The Group's management does not reasonably expect that these legal actions when ultimately concluded and determined will have a material and adverse effect on the Group's result of operations or financial condition.

### M. TAXATION

Income tax expense represents the sum of the tax currently payable and deferred tax.

#### Current tax

Current tax is the amount of tax payable based on the taxable profit for the year as determined in accordance with the applicable tax rates and the provisions of the Income Tax Act, 1961.

#### Deferred tax

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Minimum Alternate Tax (MAT) paid in accordance with the tax laws, which gives future economic benefits in the form of adjustment to future income tax liability, is considered as an asset if there is convincing evidence that the Company will pay normal income tax.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

### N. PROVISIONS, CONTINGENT LIABILITIES AND CONTINGENT ASSETS

Provisions are recognised when the Group has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

## Notes on Consolidated Financial Statement for the year ended 31st March, 2021

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Group or a present obligation that is not recognised because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognised because it cannot be measured reliably. The Group does not recognize a contingent liability but discloses its existence in the Balance Sheet.

Contingent assets are not recognised but disclosed in the financial statements when an inflow of economic benefit is probable.

### **O. CASH AND CASH EQUIVALENT**

Cash and cash equivalent in the Balance Sheet comprise cash at banks and in hand.

### **P. EARNING PER SHARE**

Basic earning per share is computed by dividing the profit / (loss) after tax by the weighted average number of equity shares outstanding during the year. The weighted average number of equity shares outstanding during the year is adjusted for treasury shares, bonus issue, bonus element in a rights issue to existing shareholders, share split and reverse share split (consolidation of shares).

Diluted earnings per share is computed by dividing the profit / (loss) after tax as adjusted for dividend, interest and other charges to expense or income (net of any attributable taxes) relating to the dilutive potential equity shares, by the weighted average number of equity shares considered for deriving basic earnings per share and the weighted average number

of equity shares which could have been issued on the conversion of all dilutive potential equity shares including the treasury shares held by the Company to satisfy the exercise of the share options by the employees.

### **3. CRITICAL ESTIMATION AND JUDGEMENTS**

The preparation of financial statements requires the use of accounting estimates which, by definition, will seldom equal the actual results. Management also needs to exercise judgement in applying the Group's accounting policies.

This note provides an overview of the areas that involved a higher degree of judgement or complexity, and of items which are more likely to be materially adjusted due to estimates and assumptions turning out to be different than those originally assessed. Detailed information about each of these estimates and judgements is included in relevant notes together with information about the basis of calculation for each affected line item in the financial statements.

The areas involving critical estimates or judgements are:

- Estimation of current tax expense and payable – Note 15
- Estimation of defined benefit obligation – Note 14
- Recognition of deferred tax assets for carried forward tax losses – Note 15

Estimates and judgements are continually evaluated. They are based on historical experience and other factors, including expectations of future events that may have a financial impact on the company and that are believed to be reasonable under the circumstances.

### 7. TRADE RECEIVABLES

DESCRIPTION	As at 31.03.2021	As at 31.03.2020
Unsecured and Considered good	23,483.64	23,891.68
<b>TOTAL:</b>	<b>23,483.64</b>	<b>23,891.68</b>

Trade receivables are netted with Bill discounting of Rs 2,662.97 lakhs (March 31, 2020- Rs 1,461.77 lakhs)

Before accepting any new customer, the Group uses an external credit scoring system to assess the potential customer's credit quality and defines credit limits by customer. Limits and scoring attributed to customers are reviewed once a year.

The Group does not hold any collateral or other credit enhancements over the balances of trade receivables.

Trade receivables have been given as collateral towards borrowings from financial institutions.

In determining the recoverability of a trade receivable, the Group considers any change in the credit quality of the trade receivable from the date credit was initially granted up to the end of the reporting period. The concentration of credit risk is limited due to the fact that the customer base is large and unrelated.

### 8. CASH AND CASH EQUIVALENT

DESCRIPTION	As at 31.03.2021	As at 31.03.2020
Cash in hand	32.32	36.87
Unrestricted Balances with banks	46.95	254.14
<b>TOTAL:</b>	<b>79.27</b>	<b>291.01</b>

### 12. OTHER EQUITY

(Rs. in lakhs)

Particulars	As at 31.03.2021	As at 31.03.2020
General reserve	3,762.44	3,762.44
Retained earnings	26,727.13	23,720.71
Other reserves:		
Security premium account	4,826.43	3,881.43
Capital Reserve	2,537.81	2,537.81
Share warrant	-	243.75
<b>Total</b>	<b>37,853.81</b>	<b>34,146.14</b>

#### (i) General reserve

Under the erstwhile Indian Companies Act 1956, a general reserve was created through an annual transfer of net income at a specified percentage in accordance with applicable regulations. The purpose of these transfers was to ensure that if a dividend distribution in a given year is more than 10% of the paid-up capital of the Company for that year, then the total dividend distribution is less than the total distributable results for that year.

Consequent to introduction of Companies Act 2013, the requirement of mandatory transfer of a specified percentage of the net profit to general reserve has been withdrawn and the Company can optionally transfer any amount from the surplus of profit or loss account to the General reserves.

The Company has not transferred any amount to general reserve during the year.

#### (ii) Retained Earnings

Retained earnings are the profits that the company has earned till date less any transfer to general reserve, dividends or other distribution paid to shareholders.

#### (iii) Security Premium

The amount received in excess of face value of the equity shares is recognised in security premium. This reserves utilised in accordance with the specific provisions of the Companies Act 2013.

#### (iv) Capital Reserve

Reserve is primarily created on amalgamation as per statutory requirement. This reserve is utilised in accordance with the specific provisions of the Companies Act, 2013

### 13. LONG-TERM BORROWINGS

Particulars	As at 31.03.2021	As at 31.03.2020
<b>Term Loans:</b>

Face value per equity share (Rs)	2.00	2.00

### 30. Financial instruments

#### 30.1. Capital risk management

The Group being in a capital intensive industry, its objective is to maintain a strong credit rating, healthy capital ratios and establish a capital structure that would maximise the return to stakeholders through optimum mix of debt and equity.

The Group's capital requirement is mainly to fund its capacity expansion, repayment of principal and interest on its borrowings. The principal source of funding of the Group has been, and is expected to continue to be, cash generated from its operations supplemented by funding from bank borrowings and the capital markets.

The Group regularly considers other financing and refinancing opportunities to diversify its debt profile, reduce interest cost and elongate the maturity of its debt portfolio, and closely monitors its judicious allocation amongst competing capital expansion projects to capture market opportunities at minimum risk.

The Group monitors its capital using gearing ratio, which is net debt divided to total equity. Net debt includes, interest bearing loans and borrowings less cash and cash equivalents, Bank balances other than cash and cash equivalents.

(Rs in lakhs)

## Notes on Consolidated Financial Statement for the year ended 31st March, 2021

(Rs in lakhs)

# including current maturities of long term debt.

### 30.3 Financial risk management

The risk management policies are established to ensure timely identification and evaluation of risks, setting acceptable risk thresholds, identifying and mapping controls against these risks, monitor the risks and their limits, improve risk awareness and transparency. Risk management policies and systems are reviewed regularly to reflect changes in the market conditions and the Group's activities to provide reliable information to the Management and the Board to evaluate the adequacy of the risk management framework in relation to the risk faced by the Group.

The risk management policies aims to mitigate the following risks arising from the financial instruments:

- Market risk
- Credit risk and
- Liquidity risk

## Notes on Consolidated Financial Statement for the year ended 31st March, 2021

### 30.4 Market risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in the market prices. The Group is exposed in the ordinary course of its business to risks related to changes in foreign currency exchange rates, commodity prices and interest rates.

The Group seeks to minimize the effects of these risks by using derivative financial instruments to hedge risk exposures. The use of financial derivatives is governed by the Group's policies approved by the Board of Directors, which provide written principles on foreign exchange risk, interest rate risk, credit risk, the use of financial derivatives and non-derivative financial instruments, and the investment of excess liquidity. Compliance with policies and exposure limits is reviewed by the Management and the internal auditors on a continuous basis. The Group does not enter into or trade financial instruments, including derivatives for speculative purposes.

### 30.5 Foreign currency risk management

The Group's functional currency is Indian Rupees (INR). The Group undertakes transactions denominated in foreign currencies; consequently, exposure to exchange rate fluctuations arise. Volatility in exchange rates affects the Group's revenue from export markets and the costs of imports, primarily in relation to raw materials. The Group is exposed to exchange rate risk under its trade and debt portfolio.

Adverse movements in the exchange rate between the Rupee and any relevant foreign currency result's in increase in the Group's overall debt position in Rupee terms without the Group having incurred additional debt and favourable movements in the exchange rates will conversely result in reduction in the Group's receivables in foreign currency. In order to hedge exchange rate risk, the Group has a policy to hedge cash flows up to a specific tenure using forward exchange contracts. At any point in time, the Group hedges its estimated foreign currency exposure in respect of forecast sales over the following 6 months. In respect of imports and other payables, the Group hedges its payables as when the exposure arises.

All hedging activities are carried out in accordance with the Group's internal risk management policies, as approved by the Board of Directors, and in accordance with the applicable rules and regulations where the Group operates.

The carrying amounts of the Group's monetary assets and monetary liabilities at the end of the reporting period are as follows:

The following table details the Group's sensitivity impact of 1% increase and decrease in the INR against the relevant foreign currencies. 1% is the sensitivity rate used when reporting foreign currency risk internally to key management personnel and represents management's assessment of the reasonably possible change in foreign exchange rates. The sensitivity analysis is for outstanding foreign currency denominated monetary items and adjusts their translation at the year-end for a 1% change in foreign currency rates, with all other variables held constant.

### 30.6 Commodity price risk

The Group's revenue is exposed to the market risk of price fluctuations related to the sale of its steel products. Market forces generally determine prices for the steel products sold by the Group. These prices may be influenced by factors such as demand and supply, production costs (including the costs of raw material inputs) and global and regional economic conditions and growth. Adverse changes in any of these factors may reduce the revenue that the Group earns from the sale of its steel products.

The Group primarily procured its raw materials i. e. HR Coil, Angle shape and section, Ingot, Zinc etc. in the open market from third parties during the financial year ended 31.03.2021 and is therefore subject to fluctuations in prices.

The Group aims to sell the products at prevailing market prices. Similarly the Company procures key raw materials like HR Coil, Angle shape and section, Ingot and Zinc based on prevailing market rates as the selling prices of steel prices and the prices of input raw materials move in the same direction.

The Group as a matter of policy has not hedged the commodity risk.

The following table details the Group's sensitivity to a 5% movement in the input price of HR Coil, Angle shape and section, Ingot, Zinc etc. The sensitivity analysis includes only 5% change in commodity prices for quantity sold or consumed during the year, with all other variables held constant. A positive number below indicates an increase in profit where the commodity prices increase by 5%. For a 5% reduction in commodity prices, there would be a comparable impact on profit, and the balances below would be negative.

## Notes on Consolidated Financial Statement for the year ended 31st March, 2021

(Rs. in lakhs)

DESCRIPTION	Increase		Decrease	
	31-Mar-21	31-Mar-20	31-Mar-21	31-Mar-20
HR Coil, Angle shape and section, Ingot, Zinc	5,803.33	6,051.18	(5,803.33)	(6,051.18)

### 30.7 Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Group is exposed to interest rate risk because funds are borrowed at both fixed and floating interest rates. Interest rate risk is measured by using the cash flow sensitivity for changes in variable interest rate. The borrowings of the Group are principally denominated in rupees and US dollars with a mix of fixed and floating rates of interest. The Group has exposure to interest rate risk, arising principally on changes in MCLR rate and LIBOR rates. The risk is managed by the Group by maintaining an appropriate mix between fixed and floating rate borrowings.

If interest rates had been 100 basis points higher / lower and all other variables were held constant, the Group's profit for the year ended 31 March 2021 would decrease / increase by ₹ 430.44 lakhs (for the year ended 31 March 2020: decrease / increase by ₹ 476.47 lakhs). This is mainly attributable to the Group's exposure to interest rates on its variable rate borrowings.

### 30.8 Credit risk management:

Credit risk refers to the risk that a counter party will default on its contractual obligations resulting in financial loss to the Group. Credit risk encompasses of both, the direct risk of default and the risk of deterioration of creditworthiness as well as concentration risks. The Group has adopted a policy of only dealing with creditworthy counterparties.

Customer credit risk is managed centrally by the Group and subject to established policy, procedures and control relating to customer credit risk management. Credit quality of a customer is assessed based on an extensive credit rating scorecard and individual credit limits defined in accordance with the assessment.

Credit risk on receivables is also mitigated by securing the same against letters of credit and guarantees of reputed nationalised and private sector banks. Trade receivables consist of a large number of customers spread across diverse industries and geographical areas with no significant concentration of credit risk. The outstanding trade receivables are regularly monitored and appropriate action is taken for collection of overdue receivables.

### Ageing of Trade Receivable

DESCRIPTION	As at 31.03.2021	As at 31.03.2020
0-180 days	17,945.48	20,038.49
180-365 days	1,759.29	660.34
Above 365 days	3,778.87	3,192.85

### 30.9 Liquidity risk management

Liquidity risk refers to the risk of financial distress or extraordinary high financing costs arising due to shortage of liquid funds in a situation where business conditions unexpectedly deteriorate and requiring financing. The Group requires funds both for short term operational needs as well as for long term capital expenditure growth projects. The Group generates sufficient cash flow for operations, which together with the available cash and cash equivalents provide liquidity in the short-term and long-term. The management of the Group has established an appropriate liquidity risk management framework for Group's short, medium and long-term funding and liquidity management requirements. The Group manages liquidity risk by maintaining adequate reserves, banking facilities and reserve borrowing facilities, by continuously monitoring forecast and actual cash flows, and by matching the maturity profiles of financial assets and liabilities.

## Notes on Consolidated Financial Statement for the year ended 31st March, 2021

The following tables detail the Group's remaining contractual maturity for its non-derivative financial liabilities with agreed repayment periods and its non-derivative financial assets. The tables have been drawn up based on the undiscounted cash flows of financial liabilities based on the earliest date on which the Group can be required to pay.

### Liquidity exposure as at 31st March 2021
