--/Gujarat BJP president C R Paatil today said there is "political grudge and grievance" behind the PIL filed by Congress leader Paresh Dhanani in the Gujarat High Court over the distribution of Remdesivir injections from the BJP office in Surat when COVID-19 cases had peaked in April.

In an affidavit-in-reply filed before the court, Paatil claimed that the facilitation of Remdesivir injections for the treatment of COVID-19 patients in Surat and Navsari in south Gujarat was done in accordance with the guidelines issued by competent authorities and at no point was the drug hoarded in the BJP office or

Subhrajit Dutta Company Secretary & Compliance Officer

hoarding at any place, including the party office of the BJP. The allegation is thoroughly baseless," he said. "The availability and facilitation of the injection was done strictly in accordance with the statutory provisions and guidelines issued by the competent au-

thorities.... By the alleged act of facilitating the patients who were in dire need of Remdesivir injections, no public injury was caused, and therefore, the

question of vindicating

public interest does not

arise," he said. The BJP leader further said the petitioner should have waited for a reply from the commissioner of the Food and Drugs Control Administration before moving the court, and should have raised his grievances before the chief minister, Governor and other competent authorities. Paatil said he had mobilised senior party workers and elected representatives "to extend maximum help and assistance to those who were in acute need of Remdesivir" when there was a huge demand for the injection and oxygen, etc. MLA Sanghavi, also a respondent in the case. had earlier stated in his affidavit that more than 2,500

injections were facilitated to

needy persons in Surat and

Navsari between April 10

and 12 with the "sole inten-

tion of compassion and hu-

manity" and to save lives. A total of 2,506 vials of the injection, made available to needy persons in Surat and Navsari, were procured from a distributor, who supplied it to the medical stores, and a hospital in Surat. Dhanani has in his plea said that the distribution of Remdesivir injection by Paatil and Sanghavi is illegal and violates several provisions of the Drugs and Cosmetics Act, Pharmacy Act, and Drugs Control Act among others. He has sought the court's direction to constitute an expert committee of "highly distinguished and neutral persons" to inquire into the incident and present a report before the court in the context of the said Acts as well as the Disaster Management Act, and Epidemic Diseases Act, and

PM hails 'Centre-state bhagidari' in ushering 'reforms by conviction and incentives' during Covid

/ Prime Minister Narendra Modi today said the economic response to the COVID-19 pandemic was formulated to ensure that solutions do not follow a 'one size fits all' model, and asserted that "reforms by conviction and incentives' were undertaken on the "Centre-state back of bhagidari (partnership)". In a post on social media

platform LinkedIn, he said that in the backdrop of the financial crunch seen across the world, Indian states were able to borrow significantly more in 2020-21. "It would perhaps pleasantly surprise you that states were able to raise an extra Rs 1.06 lakh crore in 2020-21. This significant increase in availability of resources was made possible by an approach of Centre-State bhagidari," the prime minister said.

Noting that COVID-19 pandemic has come with a whole new set of challenges to governments across the world in terms of policymaking, Modi said India was no exception and asserted that raising enough resources for public welfare ensuring sustainability is proving to

be one of the biggest chal-

lenges. "When we formu-

lated our economic re-

age, the Centre announced that state governments would be allowed enhanced borrowing for 2020-21. An extra 2 per cent of GSDP was allowed, of which 1 per cent was made conditional on the implementation of certain economic reforms.

sponse to the COVID-19 pan-

demic, we wanted to ensure

that our solutions do not fol-

low a 'one size fits all' model.

lenges," he added. (PTI)

inspection system and prior notice of inspection to reduce harassment and corruption under a further 12 Acts, he said. He pointed out that 20 states completed this reform and were allowed additional borrowing of Rs. 39.521 crore. Modi said the fourth reform was the introduction of Direct Benefit Transfer (DBT) in lieu of free electricity supply to farmers and the requirement was for formulation of a state-wide scheme with actual implementation in one district on a pilot basis by year end. Additional borrowing of 0.15 per cent of GSDP was linked to this, he added. Modi said 13 states implemented at least one component, while 6 states implemented the DBT component, and as a result, Rs. 13,201 crore of additional borrowings was permitted. "Overall 23 states availed of additional borrowings of Rs. 1.06 lakh crores out of a potential of Rs. 2.14 lakh crores. "For a large nation with

of a computerised random

complex challenges as ours, this was a unique experience. We have often seen that for various reasons. schemes and reforms remain un-operational often for years. This was a pleasant departure from the past where the Centre & States came together to roll out public friendly reforms in a short span of time amidst the pandemic," the prime minister stressed. "This was made possible due to our approach of Sabka Saath, Sabka Vikas and Sabka Vishwas. Officials who have been working on these reforms suggest that without this incentive of additional funds, enactment of these policies would have taken years," he said.(PTI)

No balance doses of direct state procurement pending with Covid vaccine manufacturers: Govt

NEW DELHI, JUNE 22 /--/ The health ministry today said the Centre had ensured that the full supplies of COVID-19 vaccines under direct state procurement were provided to the states concerned before June 21. The ministry issued a statement, saying certain media reports have alleged nonsupply of free vaccines for the 18-44 priority age group to the Delhi government amid the ongoing free COVID-19 drive. "It is clarified that the Government of India had ensured that full supplies of COVID-19 vaccines under the direct state procurement were provided to the concerned states before June 21," the statement said.

According to the state procurement data, the allocated 5.6 lakh doses of direct state procurement were supplied to Delhi before June 21 by the vaccine manufacturers. Further, an additional 8.8 lakh vaccine doses under the Centre's procurement were provided to Delhi for free and more are in the pipeline, which will be supplied by June-end, the statement said. As on June 22, Delhi has over 9.9 lakh unutilised doses of Covid vaccines, it added. With effect from June 21, both the state government and Government of India supplies, irrespective of the type of supply, are to be used to vaccinate people above 18 years of age as all categories of priority groups are now unified and are to be provided vaccination for free at the state-des ignated government Covid vaccination centres (CVCs), the statement said.
