Dear Shareholders,

The nature of FY20 remained volatile and challenging for the overall markets with various macro-level headwinds like weak auto sales, muted growth in personal and consumer loans and sluggish rural demand. Adding to these woes was the default of a major housing finance company, escalation in US-China trade tensions and fall in oil prices. Even then, equity markets enjoyed a bull run for most part of the year with the Sensex and Nifty touching an all-time high in January. But with the origination and spread of coronavirus and significant lockdown imposed by the government, economic activity was severely disrupted. India's growth engines (private consumption, private investment and exports) slowed down significantly due to tightening credit and poor customer sentiment.

From the economic slowdown, to the persistent stress in India's lending space, and the external volatilities arising due to the ongoing COVID-19 crisis, the financial services industry, today, is faced with a host of challenges. That said, it is also a defining moment for businesses across the spectrum. We, at Khandwala Securities Limited (KSL), perceive the year gone by as a litmus test of resilience, abundant with learnings. We are relying on the Company's vast wealth of insights garnered over the preceding decades, the diversified business model, the high pedigree of leadership and the commitment to responsible value creation – to withstand the macroeconomic turbulence. We are inspired by our legacy of trust and intrinsic excellence spanning nine decades. We are steadfast in our endeavour of providing innovative solutions to our clients that are steeped in our insights and expertise, while creating value for our stakeholders.

I hope you and your families have been safe and well these past few months. COVID -19 has been a very trying and once in a lifetime crisis, with an unprecedented impact on the lives and livelihoods of millions of Indians. Its negative impact on business and industry is also likely to be felt for a long time. At KSL, our teams were disciplined in following all the guidelines and protocols given by the Central and State Governments during lock downs and I am happy to share that all our office premises are now fully functional with our teams servicing clients efficiently. Through the lock down our staff worked from home, regularly interacted with clients, organized online knowledge sharing sessions and maintained a dialog with all stakeholders.

FY20 has been quite a challenging year for the Indian economy and particularly for the financial services sector. The continued liquidity crunch, uncertain and volatile credit environment and slow economic growth created headwinds. The COVID-19 pandemic and subsequent lockdowns have impacted the businesses and aggravated the prevailing sectoral challenges. The unprecedented business environment has put to test the resilience, prudence and adaptability of any business model. Having said that, the fiscal year has been full of learnings which have sharpened our foresight. We remain agile and create value for our clients and stakeholders. Looking ahead, it is clear that the next few quarters will be challenging for everyone, as individuals and organisations. At KSL, we continue to closely monitor the external environment and will prudently recalibrate our business strategy and planning as the situation unfolds.

Dear Shareholders, we have taken several steps during the year to streamline operations, strengthen technology, hire quality talent and improve productivity. I am confident that with our all round efforts we will emerge Stronger and more Resilient. Together let us march Towards a Bigger Tomorrow. I would like to end by expressing my gratitude to our clients, investors, bankers, regulators, every team member and you dear shareholders – for the trust reposed in us. My special thanks also to our Board members for their guidance. We look forward to your continued support in our growth trajectory, as we create long term value for all our stakeholders.

Sincerely,

Pranav Khandwala
Whole-time Director & CFO

3. Objective

The objective of the policy is to ensure that:

- the level and composition of remuneration is reasonable and sufficient to attract, retain and motivate directors to run the company successfully;
- relationship of remuneration to performance is clear and meets appropriate performance benchmarks; and
- remuneration to directors, key managerial personnel and senior management involves a balance between fixed and incentive pay reflecting short and long-term performance objectives appropriate to the working of the company and its goals.

4. Role of the Committee

The role of the Committee will be the following:

- To formulate criteria for determining qualifications, positive attributes and independence of a Director.
- To formulate criteria for evaluation of Independent Directors and the Board.
- To carry out evaluation of Director’s performance.
- To identify persons who are qualified to become Directors and who may be appointed in Senior Management in accordance with the criteria laid down in this policy.
- To recommend to the Board the appointment and removal of Directors and Senior Management.
- To recommend to the Board policy relating to remuneration for Directors, Key Managerial Personnel and Senior Management.

- To devise a policy on Board diversity, composition, size.
- Succession planning for replacing Key Executives and overseeing.
- To carry out any other function as is mandated by the Board from time to time and/ or enforced by any statutory notification, amendment or modification, as may be applicable.
- To perform such other functions as may be necessary or appropriate for the performance of its duties.

5. Appointment and Removal of Director, Key Managerial Personnel and Senior Management**Appointment criteria and qualifications**

- a) The Committee shall identify and ascertain the integrity, qualification, expertise and experience of the person for appointment as Director, KMP or at Senior Management level and recommend his/ her appointment, as per Company's Policy.
- b) A person should possess adequate qualification, expertise and experience for the position he/she is considered for appointment. The Committee has authority to decide whether qualification, expertise and experience possessed by a person are sufficient/ satisfactory for the position.
- c) The Company shall not appoint or continue the employment of any person as Managing Director/Whole-time Director/Manager who has attained the age of seventy years. Provided that the term of the person holding this position may be extended beyond the age of seventy years with the approval of shareholders by passing a special resolution.

6. Term / Tenure**a) Managing Director/Whole-time Director:**

The Company shall appoint or re-appoint any person as its Managing Director or Whole-time Director or Manager for a term not exceeding five years at a time. No re-appointment shall be made earlier than one year before the expiry of term.

b) Independent Director:

An Independent Director shall hold office for a term up to the term fixed by the Board of Directors as prescribed under the Act, and shall be eligible for re-appointment on passing of a special resolution by the Company and disclosure of such appointment in the Board's report. No Independent Director shall hold office for more than two consecutive terms maximum of 5 years each, but such Independent Director shall be eligible for appointment after expiration of three years of ceasing to become an Independent Director.

Provided that an Independent Director shall not, during the said period of three years, be appointed in or be associated with the Company in any other capacity, either directly or indirectly.

7. Evaluation

The Committee shall carry out evaluation of performance of Director, KMP and Senior Management Personnel yearly or at such intervals as may be considered necessary.

8. Removal

The Committee may recommend with reasons recorded in writing, removal of a Director, KMP or Senior Management Personnel subject to the provisions and compliance of the Companies Act, 2013, rules and regulations and the policy of the Company.

9. Retirement

The Director, KMP and Senior Management Personnel shall retire as per the applicable provisions of the Act and the prevailing policy of the Company. The Board will have the discretion to retain the Director, KMP, Senior Management Personnel in the same position/remuneration or otherwise even after attaining the retirement age, for the benefit of the Company.

10. Provision relating to Remuneration of Directors/KMP/ Senior Management Personnel**1. Remuneration to Managing Director / Whole-time Directors:**

- i. The Remuneration/Commission etc. to be paid to Managing Director/Whole-time Directors, etc. shall be governed as per provisions of the Companies Act, 2013 and rules made there under or any other enactment for the time being in force and the approvals obtained from the Members of the Company.
- ii. The Nomination and Remuneration Committee shall make such recommendations to the Board of Directors, as it may consider appropriate with regard to remuneration to Managing Director / Whole-time Directors.

2. Remuneration to Non- Executive / Independent Directors:

- iii. The Non-Executive/ Independent Directors may receive sitting fees and such other remuneration as permissible under the provisions of Companies Act, 2013. The amount of sitting fees shall be such as may be recommended by the Nomination and Remuneration Committee and approved by the Board of Directors.
- iv. MANAGEMENT DISCUSSION AND ANALYSIS

Macro Economy: Review and Outlook

FY2020 was a challenging year for Indian market. NDA secured second term in the general elections and announced several economic measures to revive domestic economic growth that has slumped to lowest in decade led by weak auto sales, muted growth in personal and consumer loans and sluggish rural demand. The year saw various domestic events like default of a major housing finance company, removal of Article 370 of the Constitution of India, revival of a major private bank, merger of public sector banks etc. On global front the major events that made headlines include escalation in US China trade tensions and subsequently agreement on phase I of trade deal, sharp rate cuts by US Fed and European Central Bank (ECB) bringing it back to all-time lows, completion of BREXIT, fall in oil prices etc. However, the single biggest event of the year, which happened in last quarter, was origination and spread of corona virus pandemic. The virus that originated in China rapidly covered all major countries, especially in the month of March, 2020. Many economies implemented shutdown – partial or full and consequently economic activity was severely disrupted globally. This also resulted in a fall in most asset classes including equities, commodities and currencies.

In India, to check the spread of the virus, government announced lockdown for 21 days till April 14 and later on extended it to May 31. Government first announced an economic stimulus package worth INR 1.7 Tn to help millions of low income cope with lockdown and a second package of INR 20 lakh crore later on to revive the country's economy. A host of measures were taken by RBI to help liquidity conditions in the economy which included Repo rate cut by 115 bps to 4%, moratorium of three months of EMIs on all outstanding loans which was later on extended by another three months till August end, auction of targeted long term repo operations worth INR 1 crore etc. Although, International Monetary Fund slashed its FY2021 growth projection for India to 1.9% from 5.8% projected in January, India stands to benefit in this uncertain environment. Disruption in global supply chain has highlighted risk of overdependence on a single country. Many global MNCs are likely to consider diversifying their manufacturing operations from China and India could be a likely beneficiary given the low corporate tax rate, skilled population, relatively low wages and a large domestic market. Thus, once the situation stabilizes, India could see relatively stronger recovery.

The global economy had been enjoying a modest recovery on the back of the US Fed's balance sheet expansion since late 2019, until it encountered a speed breaker in the form of the Covid-19 pandemic. The Indian economy was stabilising post the economic slowdown, owing to large liquidity injections from the Reserve Bank of India (RBI). Systemic

liquidity has been running in surplus in the last twelve months. On the reforms front, India made considerable progress with a reduction in corporate tax rates. On the monetary policy front, the RBI has been accommodative by cutting policy rates by 250 bps since April 2019. It indicated in its announcement on May 22, 2020 that post the pandemic, real GDP is likely to contract in FY21 and hinted that if inflation progresses as per expectation, it will open up more room for rate cuts. On the fiscal front, the Government maintained fiscal prudence in FY20, though the recent stimulus package would cause a dent. This has resulted in India's macro stability being significantly anchored. From being a current account deficit country, India is on its path to having a current account surplus. With the ongoing Covid-19 crisis, operating conditions are challenging in the near term with the FY20 GDP growth at 4.2% and real GDP likely to slip into negative territory in FY21. Bringing back the economy on a growth path would be arduous. However, we see two big opportunities for India. First, the sharp fall in oil prices. Second, the global narrative to diversify facilities from China. In this context, it is important that we capitalise on these opportunities.

Capital Markets

Market had a roller coaster ride in FY2020. Both Sensex and Nifty closed at an all-time high of 42,273 and 12,430 respectively in the month of January. Then came corona virus and as the pandemic rampaged across the world, Sensex and Nifty ended the year with large negative returns. With India in midst of a complete lockdown, Sensex and Nifty closed at 29,469 and 8,598 levels respectively in March, 2020. FIIs sold massively during the month of March, 2020 with net equity outflows of INR 620 billion but still ended FY2020 with net inflows of INR 65 billion. The size of outflow in March, 2020 was highest ever in one month and was around 0.4% of Indian market capitalization. DIIs also witnessed net inflows of INR 1,293 billion which was 79% higher than the previous year. Corporate tax cuts also supported Indian equity markets. However, all the gains were wiped off as the world grappled with the Covid-19 pandemic. Nifty declined by 26% in FY20, as compared to +15% in FY19. For the debt capital markets, overall risk aversion persisted with sub-AAA spreads remaining elevated. As a result of the above, the issuance volume in the debt capital markets came down in FY20. Public issuance of bonds, which stood at INR 368 billion in FY19, fell to INR 150 billion in FY20 (Source: Prime Database).

Overall Outlook

While the near-term outlook post lockdown is clouded with challenges, we believe that the medium-term looks brighter. As developed markets continue with fiscal and monetary expansion, emerging markets will benefit significantly on the exports front. In this context, India could potentially be a

big winner. On the flip side, however, a prolonged Covid-19 crisis across the world has the potential to play spoilsport. Therefore, it is expected that while economic activity will remain muted in FY21, it should gradually start to gain traction.

Broking Business:

The Brokerage services of your Company include equity and debt broking and are supported by a strong research platform.

Income received for brokerage services had accounted for approximately 57.50% of our total revenues at INR 362.00 Lakhs for the year ended March 31, 2020.

Private Client Broking business:

Our private client broking services are targeted at High Net worth Individuals (HNIs) who actively invest and trade in equity markets and seek priority service with Bloomberg research and advisory support. Our approach is to provide advisory-based brokerage services with a strong emphasis on research, and to offer our clients value-added services usually reserved for institutional clients.

KSL with its concentrated efforts in equity broking business, and as future strategy to build high volumes and revenues could successfully add a good number of Trading Accounts for various segments (Cash, Whole-sale Debt Market, Future & Option) during 1st April 2019 to 31st March 2020.

Institutional Equities business:

Equity and derivatives brokerage business of the Company contributed 57.50% of the consolidated revenue during this financial year. The Company's revenue of Rs. 362.00 lakhs for the year showed a Decrease of 40.64% over the previous year corresponding to a comparable increase in volume. However it is encouraging to note that we marginally increased our market share. The number of clients who traded and the number of transactions were also good.

The institutional equities business comprises institutional equity sales, sales- trading and research. We differentiate ourselves based on our cutting-edge research focus, which aids our execution capabilities across our sales and trading platforms. We provide equity and derivatives sales and trading services to a large and diversified base of institutional investors, including FIIs and domestic institutional investors. At present, we have over 3 institutional investors actively transacting with us on a continuous basis.

The category wise contribution from the Institutional Dealing Desk to our revenues has been mentioned in the table below which shows an increase of 49.91% during the FY 2020 over previous FY 2018.

Category	Brokerage Revenue during FY 19-20	Brokerage Revenue during FY 18-19	Brokerage Revenue during FY 17-18

Total	5,94,982	3,96,887	7,02,014

Investment banking business:

The equity capital markets team focuses on structuring and executing diverse equity capital raising transactions in the public and private markets for our clients. Products in this segment include IPOs, follow-on offerings, rights offerings, private placement, ADR offerings, GDR offerings, QIP transactions and convertible offerings, etc. for both listed and unlisted entities.

As an Investment Banking firm, it has always been our endeavor to structure and put together transaction structures that build long term, sustainable value for both the borrower and lender of funds in the equity markets. This approach, though having proved its importance during the stages of market tightness, has been somewhat considered as a weakness by industry participants, resulting in us not being able to successfully convince Bloomberg on its benefits. This has led to situations wherein KSL has had to either withdraw from certain mandates or had to face resistance from Indian Corporates in awarding their fund raising mandates to us from the secondary markets. This is despite the management of these corporate houses acknowledging the deep knowledge and understanding of the micro and macro economy factors including the future growth prospects in specific industry, and the sustainable long term valuation parameters.

We always believe that in order for market to value and reward its participants, it is important for both the Promoter Groups and the Merchant Bankers to design appropriate and sustainable valuation models such that it remains consistent with the overall corporate performance and at the same point in time is able to ride both the good and the bad times.

Investment Banking and Advisory Group is putting their best endeavors on reviving some of the lost or delayed transactions, and are confident that in improved market sentiment same can be executed efficiently.

Portfolio Management Services:

The Portfolio Management Segment is bound to grow and offer immense business potential for financial advisory services. The NRI community is the key market segment. Successful NRI business owners and professionals are of great interest to Portfolio management institutions. KSL has identified this rapidly growing segments' need for specific products and services and has created practice models and advisory teams that specialize in servicing NRIs. Our service offerings include providing HNIs with investment advisory, planning and asset deployment advice, asset allocation and the distribution of a wide range of products. Our primary focus is on understanding each client's financial profile, including tolerance for risk, capital growth expectations, and current financial position and income requirements in order to create comprehensive and tailored investment strategies. Our Portfolio Management services have increased our

clients' access to and use of our financial products and services

Your Company is confident of garnering much larger assets under management through the PMS division compared to last year and would be able to clearly demonstrate its core expertise to maximize the value under PMS, even during adverse market situation.

Market Research:

Our institutional equities business is supported by an experienced and dedicated team of analysts in fundamental, technical and alternative investment research. Our research initiatives are driven by committed professionals, management graduates, Chartered Accountants and Engineers having combined experience of several decades.

Besides conventional tools, including quantitative analytical techniques and models to identify short and medium-term investment opportunities; Our research team maintains an updated database on, and tracks regularly, various factors impacting economy, industry and companies. These reports are supplemented by day-to-day market information by way of market alerts and impact analysis. Strength of our research capability lies in our ability to identify emerging investment themes and spot winners ahead of time.

Our research reports, widely acknowledged by domestic and international print and electronic media, are rated among the leading domestic brokerage houses and have earned royalties from international data services providers in foreign exchange.

Our Intelligent Research Reports are accessible on globally acknowledged and marquee websites such as Bloomberg.net, thomsonreuters.com, 1call.com, moneycontrol.com, securities.com, valuenotes.com, capitaliq.com.

Our research reports are highly recognized by international investor's community including leading Foreign Institutional Investors, global central banks, multi-lateral development agencies and independent multi-strategy funds. Some of the research reports, apart from being widely acclaimed, have been ranked among the best by international financial information providers such as Thomson- Reuters and Bloomberg.

OPPORTUNITIES AND THREATS

The following factors present specific opportunities across our businesses:

- Expected GDP growth coupled with reforms push by the government relating to project approvals, land acquisition, mining, and infrastructure will lead to huge investments by

both the public and private sector companies. There will be large capital requirement to fund these investments which will present opportunities for investment banking and advisory business;

- Fall in global commodity prices will reinvigorate private consumption demand and lead to capacity expansion by the industry;
- Corporates are looking at expanding in domestic as well as overseas markets through mergers & acquisitions which offer opportunities for the corporate advisory business.
- Growing mid-size segment of corporates where the need for customized solutions is particularly high will present opportunities for our advisory businesses;
- With increase in the income levels, change in attitude from wealth protection to wealth creation and risk taking abilities of the youth, there is also a huge market opportunity for wealth management service providers.
- Improved sentiments in the secondary markets will also enhance the participation of investors across segments thereby helping the prospects of equity brokerage business. We expect economic activity to pick up from grass root levels presenting opportunities in both lending and asset reconstruction business. Despite the above opportunities, our performance could be affected by following perceived threats to our businesses:
- Impact of abnormal monsoon, rising fiscal deficit, sustained high interest rates and high inflation;
- Geopolitical tensions across the globe;
- Regulatory changes impacting the landscape of business;
- Increased intensity of competition from players across the segment / industry;
- Attrition of employees caused by strong demand from ever increasing number of market participants;
- Continuous downward pressure on the fees, commissions and brokerages caused by heightened competition and willingness of most players to deliver services at very low fees;
- Entry of corporate heavy weights and global players in the lending business. Given their capital strength as well as access to cheaper sources of capital will increase pressure on us to remain competitive and impact margins.

INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY

Our research reports are highly recognized by international investor's community including leading Foreign Institutional Investors, global central banks, multi-lateral development agencies and independent multi-strategy funds. Some of the research reports, apart from being widely acclaimed, have been ranked among the best by international financial

information providers such as Thomson- Reuters and Bloomberg.

We maintain adequate internal control systems commensurate with the nature of business, size and complexity of its operations. We have well-established processes, guidelines and procedures to augment the internal controls. This, coupled with adequate internal information systems ensures proper information flow for the decision-making process. Adherence to these processes is ensured through frequent internal audits. The internal control system is designed to ensure maintenance of proper accounting controls, monitoring of operations, protection and conservation of assets and compliances with applicable laws and regulations.

These controls ensure that financial and other records are reliable for preparing financial statements and other information. An extensive programme of internal audit is conducted by an independent firm and reviewed by the Audit Committee. Internal audit also evaluates and suggests improvement in effectiveness of risk management, control and governance process. All our operating subsidiaries are subject to internal audits to assess and improve the effectiveness of risk management, control and governance process. These procedures ensure that all transactions are properly reported and classified in the financial records.

The Audit Committee of Board provides necessary oversight and directions to the internal audit function and periodically review the findings and ensures corrective measures are taken keeping in mind the organization's requirements, growth prospects and ever evolving business environment. This system enables us to capture a precise reflection of the organization's position at all times and also facilitates timely detection and plugging of anomalies by various business groups. We also address any issues identified by regulatory inspection teams very diligently and report the same to the Board of Directors and the regulators.

RISK CONCERNS AND RISK MANAGEMENT

The Risk Management Function is overseen by the Audit Committee. Risk Management Policies are designed after discussion with various constituents and experts. In a business where prices and realities change every instant, it is imperative for KSL to operate within a broadly de-risked business model that protects stakeholder interests on the one hand and facilitates growth on the other.

Therefore, the concept of real-time risk mitigation management is integrated within the Company's existing business strategy. It is integrated into the Company's strategic and operational decision making process; it is ingrained in the organizational mindset; it pervades all organizational tiers, roles and functions.

KSL's effective risk management is guided by an understanding of the various parameters that can have a bearing on its business and profitability:

- External: These comprise risks that the Company faces but cannot control
- industry slowdown, competition, regulatory changes, brand perception etc.
- Internal: These comprise risks that the Company can directly control through prudent strategy – costs, liquidity, technology, operations, people etc.

KSL controls client risk through a prudent categorization of clients as per their financial depth. This helps circumscribe their trading limits, leading to effective risk management. KSL monitors a client's trading pattern in addition to keeping a continuous vigil on positions, balances and margins. This provides an understanding of a client's trading pattern in terms of nature of transactions, trading, investments, F&O types of scrips, etc. to detect any undesirable or prohibited practices. Based on this, remedial actions are initiated whenever required. This ensures strict regulatory compliance.

Industry Risk

KSL is primarily engaged in the business of financial services. Any slowdown in the country's economy or financial sector as well as any changes in interest rates, political climate or regulatory changes could affect the Company's prospects. Further the capital market is always exposed to the cyclical risk of upswing and downturns, which in turn depend on the overall economical growth of the country.

Management Perception

KSL's presence in multiple product segments also serves as a natural hedge against a downturn in any particular sector. For instance, the Company's presence in the relatively volatile equity segment is balanced by its presence in the relatively stable insurance, mutual funds and fixed interest-bearing debt instruments. Your Company has broadly three major revenue generation department viz. Broking division, Corporate Advisory Division and Capital Market Operation. The total revenue generated by the company during the year shows the overall performance of all the departments jointly and doesn't depend on any single segment of revenue.

Liquidity Risk

In the event of clients not honoring their financial commitments following an unexpected market movement, the Company's cash flow could be significantly affected.

KSL has exercised prudence in client selection and credit extension. For instance, the Company's internal audit team ascertains client credentials before they are permitted to trade.

Management Perception

As a corporate policy, it is endeavor to constantly monitor the margin payments and settlements of our customers on a continuous basis. Our ability to understand the financial

track record of each of our customers provides us with a judgment and direction on the margin calls to be issued as also calling for pre- payments if need be in cases of exigencies. This approach we believe gives the Company the required flexibility in managing the liquidity risk across multiple categories and types of customer profiles. This assumes that at KSL we follow an independent and customer centric risk management exercise thereby ensuring timely interventions to significantly reduce potential liquidity risks.

Economic Risk

A slowdown in economic growth in India could cause the business of the Company to suffer. While the Indian economy has shown sustained growth over the last several years, the growth in industrial production has been variable. Any slowdown in the Indian economy, and in particular in the demand for housing and infrastructure, could adversely affect the Company's business. Similarly, any sustained volatility in global commodity prices, including a significant increase in the prices of oil and petroleum products, could once again spark off a new inflationary cycle, thereby curtailing the purchasing power of the consumers.

Management Perception

The Company manages these risks by maintaining a conservative financial profile and following prudent business and risk management practices.

Human Resource Risk

Human Resources represent the company's principal asset in a knowledge-led business, where any attrition or skill obsolescence could lead to a weaker industry position.

Management Perception

Your Company has consciously made the transition from a family based organization into a professionally managed one, accompanied by delegation of responsibilities for intellectual growth. Over the years, your company has invested in the human resource by providing timely training, various seminars on personal development etc. The free work environment provided by the Company has also resulted in to low attrition of manpower.

Client Risk

In the financial industry the company depends on a few bigger corporate and institutional clients from where majority of the revenue is generated.

Regulatory risk

The Company's presence in a variety of financial segments warrants an ongoing compliance with the evolving requirements of their various regulators. Any violation or transgression could invite censure, affecting the Company's brand.

Management Perception

Your Company enjoys strong long term relationship with its clients. However, as a good Risk Management practice, the company has never relied upon particular client base and hence not exposed to such risk. It is your company's constant endeavor to search for new area of business and clients.

KSL takes its compliance commitment seriously, recognizing that the business must not only serve the interest of the customer but also function well within the established guidelines of the various regulatory authorities for responsible and profitable growth. At KSL, the compliance discipline extends across the entire transaction cycle, client identification, KYC process transaction execution, transaction settlement involving securities and funds transfer. The compliance requirements across the various service points have been communicated comprehensively to branch through compliance manuals, leading to uniformity, quality, priority and discipline

Human Resources

Your company considers its human resource as the most valuable asset and, recognizing this, devotes a considerable development of its employees in various traits, apart from job related skills:

- Employee satisfaction survey was carried out along with various seminars by the HR department of the Company to understand the employees and help them to perform in the most efficient manner. Feedbacks were received during such sessions and corrective actions have been initiated;
- Communication meeting is being organized once in a quarter to apprise all the employees on the major development on various fronts such as market, deals stroked etc;
- Your company had recruited Management Trainees during the year and they were given specific job assignments in the research department. This has helped your company to establish goodwill with local management schools and prepare future prospects for employment.

CORPORATE GOVERNANCE REPORT

Corporate Governance provides the structure through which corporations set and pursue their objectives, while reflecting the context of the social, regulatory and market environment. Corporate Governance is a mechanism for monitoring the actions, policies and decisions of corporations. It involves the alignment of interests among the stakeholders.

The Board of Directors of your company takes the responsibility for maintaining sound principle of Corporate Governance. As a part of it, we have laid a foundation for good corporate governance that helps to maintain transparency and encourage timely disclosures, encompassing good corporate practices, procedures, standards and implicit rules in the working of the Company. It has always been an integral part of your Company's philosophy.

The Company has complied with all the regulations in relation to corporate governance stipulated in the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("Listing Regulations").

1. COMPANY'S PHILOSOPHY ON CORPORATE GOVERNANCE

The Company's philosophy on Corporate Governance envisages the attainment of the highest levels of transparency and accountability in all aspects of its operations, interactions with shareholders, employees, government departments, SEBI, Stock Exchanges and other regulatory authorities.

2. BOARD OF DIRECTORS

(i) Composition and Category of the Board

The Composition of the Board is in conformity with Section 149 of the Companies Act, 2013 and Regulation 17 of the Listing Regulations. The Company has an optimum combination of Executive and Non-Executive Directors. As on 31st March, 2020, the Board comprises of five Directors out of which three are non-executive Directors and two are executive directors. Out of the three non-executive Directors, two are Independent Directors. The Chairman of the Board is a Non-Executive & Independent Director. INDEPENDENT AUDITOR’S REPORT

TO THE MEMBERS OF KHANDWALA SECURITIES LIMITED

Report on the Standalone Indian Accounting Standards (Ind AS) Financial Statements

Qualified Opinion

We have audited the accompanying standalone financial statements of “Khandwala Securities Limited”, which comprise the Balance Sheet as at March 31, 2020, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year ended on that date, and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as “the standalone financial statements”). In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 (“the Act”) in the manner so required and give a true and fair view **except for the effects of the matters described in the Basis for qualified opinion section of our report** in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, (“Ind AS”) and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2020, the profit/loss and total comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Qualified Opinion

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing specified under section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the Auditor’s Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the independence requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI’s Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements. However we draw your kind attention to the following **qualifications** to the audit opinion of the financial statements produced as under:-

1. The Company had advanced application money towards purchase of shares of Rs 216.69 lakhs which is outstanding for a period of 216 months as at the end of the year. In the absence of information regarding the status of the allotment or the net worth of the entities in

which the company made applications, we are unable to ascertain the extent to which an amount of Rs 216.69 lakhs is recoverable and accordingly, the effect thereof on the financial statements cannot be ascertained. However, it has been noted that at present the said matter is under litigation and pending for hearing before the Hon’ble High Court at Mumbai.

2. Long-Term deposits to various companies of Rs 530.00 lakhs are subject to subsequent adjustments. We are unable to ascertain the recoverability of these amounts, as the Company has not made any provisions for the same in the standalone financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. In addition to the matter described in the Basis for Qualified Opinion section we have determined the matters described below to be the key audit matters to be communicated in our report.

Sr. No.	Key Audit Matter	Auditor’s Response
1	The company has incurred loss on market operations totaling to Rs 2.14 Crores on F&O trading & loss on sale of investments and speculation loss.	We have verified the loss working on F&O trading & loss on sale of Investments and speculation loss provided by the management and portfolio trades summary generated from the company’s software.

Information other than the Standalone Financial Statements and Auditor’s Report Thereon.

The Company’s Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board’s Report including Annexures to Board’s Report, Business Responsibility Report, Corporate Governance and Shareholder’s Information, but does not include the standalone financial statements and our auditor’s report thereon. Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon. In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the

course of our audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, based on our audit we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, Statement of Changes in Equity and the Statement of Cash Flow dealt with by this Report are in agreement with the relevant books of account.
 - d) In our opinion, the aforesaid standalone financial statements comply with the Ind AS specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
 - e) On the basis of the written representations received from the directors as on March 31, 2020 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2020 from being appointed as a director in terms of Section 164 (2) of the Act.
 - f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.

- g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended: In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.
 - h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
 - i) The Company has disclosed the impact of pending litigations on its financial position in its standalone financial statements.
 - ii. The Company has made provision, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long-term contracts including derivative contracts.
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company
- 2 As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in "Annexure B" a statement on the matters specified in paragraphs 3 and 4 of the Order.

“Annexure-A” to the Independent Auditors’ Report – 31st March 2020**Report on the Internal Financial Controls under clause (i) of sub – section 3 of Section 143 of the Companies Act, 2013 (“the Act”)**

We have audited the Internal Financial Control over financial reporting of **Khandwala Securities Limited** (“the Company”) as of 31st March, 2020 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Control over Financial Reporting issued by the ICAI. These responsibilities include the design, implementation and maintenance of adequate internal financial control that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of assets, the prevention and detection of fraud and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor’s Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We have conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the standards on auditing, issued by ICAI and deemed to be prescribed under section 143 (10) of the Companies Act, 2013, to the extent applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those standards and the Guidance Note require that we comply with the ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting includes obtaining understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risk of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A Company’s Internal Financial Control over Financial Reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that

- (1) pertains to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transaction and dispositions of the assets of the company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made in accordance with authorizations of management and directors of the company; and
- (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

Inherent Limitations of internal Financial Controls over Financial Reporting

Because of inherent limitations of internal controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatement due to error or fraud may occur and not to be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were effectively as at 31st March, 2020, based on the internal control over financial reporting criteria established by the company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by Institute of Chartered Accounts of India.

NOTES FORMING PART OF FINANCIAL STATEMENTS

NOTE NO.1

A. CORPORATE INFORMATION

Khandwala Securities Limited (“the Company”) is a Public Limited Company incorporated under the provisions of the Companies Act, applicable in India. The Company is domiciled in India and addresses of its registered office and principal place of business are disclosed in the introduction to the annual report. Its shares are listed on BSE Limited (BSE) and National Stock Exchange of India Ltd (NSE).

The Company is engaged in the business of stock broking, investment banking, investment advisory, portfolio management services and depository participant.

The Company is registered with Securities and Exchange Board of India (“SEBI”) under the Stock brokers and sub-brokers Regulations, 1992 and is as a Member of BSE and NSE. It is also registered as a Depository Participant with Central Depository Services (India) Limited.

B. Significant Accounting Policies

Basis of Preparation

These financial statements are prepared in accordance with Indian Accounting Standards (Ind AS) specified under section 133 of the Companies Act, 2013 read with the Companies (Indian Accounting Standards) Rules, 2015 as amended.

Historical Cost

The financial statements have been prepared on the historical cost basis except for following assets and liabilities which have been measured at fair value amount:

- i) Certain financial assets and liabilities (including derivative instruments),
- ii) Defined benefit plans - plan assets and
- iii) Equity settled share based payments

Use of estimates

The preparation of the financial statements in conformity with the generally accepted accounting principles requires the management to make estimates and assumptions that affect the reported amount of assets, liabilities, revenues and expenses and disclosure of contingent liabilities on the date of the financial statements. Actual results could differ from the estimates. Any revision to accounting estimates is recognized prospectively in current and future periods.

Revenue recognition

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the company and the revenues can be reliably measured. Income from capital market operations (non-delivery based transactions) is accounted for on sale of securities. Income from Merchant Banking services, Brokerage and income from corporate advisory services are accounted for as and when the relevant services are rendered except where the recovery is uncertain in which case it is accounted for on receipt. Interest income is accounted for on accrual basis except where the recovery is uncertain, in which case it is accounted for on receipt. Dividend income is

accounted for when the unconditional right to receive dividend is established.

Property, Plant and Equipment and Depreciation

The company has used the following rates to provide depreciation on its non-current assets.

Class of asset	Estimated useful Life (In Years)
Tangible Fixed Assets :	
Building	60
Office equipment's	5
Computers	3
Furniture and fixtures	10
Vehicles	8
Plant and Machinery	15
Intangible Fixed Assets :	
Computer Software	6

Investments

Investments are classified into current investments and non-current investments. Investments, which are intended to be held for one year or more, are classified as non-current investments and investments, which are intended to be held for less than one year, are classified as current investments.

Non-current investments are carried at cost less provision for diminution, other than temporary.

Current investments are carried at lower of cost or fair value. The comparison of cost and fair value is done separately in respect of each investment.

Inventories

Stock-in-trade is valued at lower of cost and market value. While determining market value, due consideration has been given to shares which have become ex-rights/ex-bonus at the year- end for which rights/bonus shares have been received subsequent to year end.

Foreign currency transactions

Foreign currency transactions are recorded at the rates of exchange prevailing on the date of the transaction. Exchange differences, if any arising out of transactions settled during the year are recognized in the statement of profit and loss of the year.

Employee benefits

Short Term Employee Benefits

The undiscounted amount of short term employee benefits expected to be paid in exchange for the services rendered by employees are recognized as an expense during the period when the employees render the services.

Post-Employment Benefits

Defined Contribution Plans

A defined contribution plan is a post-employment benefit plan under which the Company pays specified contributions to a separate entity. The Company makes specified monthly

NOTES FORMING PART OF FINANCIAL STATEMENTS

contributions towards Provident Fund, Superannuation Fund and Pension Scheme. The Company's contribution is recognized as an expense in the Statement of Profit and Loss during the period in which the employee renders the related service.

Defined Benefit Plans

The Company pays gratuity to the employees whoever has completed five years of service with the Company at the time of resignation/superannuation. The gratuity is paid @15 days salary for every completed year of service as per the Payment of Gratuity Act 1972.

The gratuity liability amount is contributed to the approved gratuity fund formed exclusively for gratuity payment to employees. The gratuity fund has been approved by respective IT authorities.

The liability in respect of gratuity and other post-employment benefits is calculated using the Projected Unit Credit Method and spread over the period during which the benefit is expected to be derived from employees' services.

Re-measurement of defined benefit plans in respect of post-employment are charged to the Other Comprehensive Income.

Employee Separation Costs

Compensation to employees who have opted for retirement under the voluntary retirement scheme of the Company payable in the year of exercise of option by the employee. The Company recognizes the employee separation cost when the scheme is announced and the Company is demonstrably committed to it.

Tax Expenses

The tax expense for the period comprises current and deferred tax. Tax is recognized in Statement of Profit and Loss, except to the extent that it relates to items recognized in the comprehensive income or in equity. In which case, the tax is also recognized in other comprehensive income or equity.

Current Tax

Current tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities, based on tax rates and laws that are enacted or substantively enacted at the Balance sheet date.

Deferred Tax

Deferred tax is recognized on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realized, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period. The carrying amount of Deferred tax liabilities and assets are reviewed at the end each reporting period.

Derivative Instruments

Initial / additional margin paid for futures / options is included under the head current assets. Contracts are marked to market in accordance with the prevalent regulations and the amount receivable or payable is disclosed under the head current assets or current liabilities, as the case may be. The profit or loss on settlement of derivative contracts is recognized in the Profit and Loss account. As on the balance sheet date, provision for loss on futures contracts is made to the extent of mark to market margins paid, while for open options, to the extent premium paid exceeds premium prevailing on that date.

Provisions:

A provision is recognized when the company has a present obligation as a result of past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

Cash & Cash Equivalents:

Cash and cash equivalents for the purposes of cash flow statement comprise cash at bank and in hand and fixed deposits.

Current / Non Current Classification

An asset shall be classified as current when it satisfies any of the following criteria:—

- (a) it is expected to be realized in, or is intended for sale or consumption in, the company's normal operating cycle;
- (b) it is held primarily for the purpose of being traded;
- (c) it is expected to be realized within twelve months after the reporting date; or
- (d) it is cash or cash equivalent unless it is restricted from being exchanged or used to settle a liability for at least twelve months after the reporting date.

All other assets shall be classified as non-current.

A liability shall be classified as current when it satisfies any of the following criteria:—

- (a) it is expected to be settled in the company's normal operating cycle;
- (b) it is held primarily for the purpose of being traded;
- (c) it is due to be settled within twelve months after the reporting date; or
- (d) the company does not have an unconditional right to defer settlement of the liability for at least twelve months after the reporting date. Terms of a liability that could, at the option of the counterparty, result in its settlement by the issue of equity instruments do not affect its classification.

All other liabilities shall be classified as non-current.

NOTES FORMING PART OF FINANCIAL STATEMENTS

26. The Company provides Portfolio Management Services (PMS) to its clients. Transactions on account of PMS activities are carried out exclusively on behalf of PMS clients. Therefore, assets and liabilities arising out of the above effectively belong to the PMS clients and hence are not reflected in the Company's accounts. Management fees earned/expenditure incurred by the Company from this activity is accounted for on an accrual basis.
27. The Share Application Money for an amount of ₹ 216.69 Lakhs (Previous Year ₹ 216.69 Lakhs) is outstanding for a period of 216 months as at date of Balance Sheet date, for which the financial statements are in the process of being obtained. The Company has already initiated legal proceedings against the other party for recovery of the said application money along with interest thereon, under Section 138 of the Negotiable Instruments Act, 1881. At present, the matter is pending for hearing before the Hon'ble High Court at Mumbai.
28. Long-term Deposits which were given to M/s. Shree Rama Polysynth Private Ltd and M/s. Vimpsan Investments Private Ltd, up to total aggregate amount of ₹ 530.00 lakhs are still outstanding as at March 31, 2020. Since the Company is not in the receipt of any interest on the said deposits since long period, the Company has not accounted any interest income on such deposits in the financial statement. The Company is in the process to initiate legal proceedings against them for recovery of the said deposits.
29. In the matter of M/s. Shree Rama Multitech Limited (SRML) in relation to recovery of rental income from SRML, the Hon'ble High Court has passed the order in favor of the company. Although the company is yet to receive the rental Income from SRML, the company has made the provision for rental Income in the books of accounts for the year ended 31.03.2020. We provided in the books Rs 30,00,000 as accrued in this financial year.
30. In the matter of Mr. Hiten Parmar regarding receivable of the outstanding amount, the Company had filed the case in the month of October 2015 before the panel of arbitrators of National Stock Exchange of India Limited (NSE). The panel of arbitrators of NSE has considered the matter and passed the arbitral in favour of the Company on April 12, 2016. The panel of arbitrators directed Mr. Hiten Parmar to pay to the Company ₹ 55,85,544.87 within 30 days from the date of receipt of award. However, the Company has not received any such amount till date from Mr.Hiten Parmar. The Company has initiated legal action and filed the suit against Mr.Hiten Parmar in the Hon'ble District Court, Surat ("the Court") for recovery of the arbitral award amount. At present, the matter is pending for hearing before the Court.
31. SEBI vide its Order No. WTM/RKA/EFD/DRA-11/45/2015 dated 13th May, 2015 had suspended the Certificate of Registration of the Company as a Stock Broker at National Stock Exchange of India Limited (SEBI Registration No. INB230600030) for a period of one month. The Company challenged the aforesaid SEBI Order and filed an appeal before Securities Appellate Tribunal (SAT) on May 22, 2015. The SAT had granted an interim stay on operation of the aforesaid SEBI Order.

On 08th March, 2017, the SAT passed the order and dismissed the appeal filed by the Company challenging the aforesaid SEBI Order. The SAT has also granted a stay of four weeks on operation of the Order so as enable the Company to challenge the SAT order before the Hon'ble Supreme Court of India. The Company has filed an appeal before the Hon'ble Supreme Court of India and it has been admitted. On April 7, 2017, the Supreme Court has granted an interim stay on the operation of the aforesaid SAT order (and consequently, the WTM's Order of SEBI) till the disposal of matter. Currently, the said matter is pending for hearing before the Hon'ble Supreme Court of India.

INDEPENDENT AUDITOR’S REPORT

TO THE MEMBERS OF KHANDWALA SECURITIES LIMITED

Report on the Consolidated Indian Accounting Standards (Ind AS) Financial Statements

Qualified Opinion

We have audited the accompanying consolidated financial statements of “Khandwala Securities Limited”, (the Company) and its associates (the Company and its associates together referred to as the group) which comprise the consolidated Balance Sheet as at March 31, 2020, the consolidated Statement of Profit and Loss (including Other Comprehensive Income), the consolidated Statement of Changes in Equity and the consolidated Statement of Cash Flows for the year ended on that date, and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as “the consolidated financial statements”).

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 (“the Act”) in the manner so required and give a true and fair view **except for the effects of the matters described in the Basis for qualified opinion section of our report**, in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, (“Ind AS”) and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2020, the consolidated profit and consolidated total comprehensive income, consolidated changes in equity and its consolidated cash flows for the year ended on that date.

Basis for Qualified Opinion

We conducted our audit of the consolidated financial statements in accordance with the Standards on Auditing specified under section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the Auditor’s Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the independence requirements that are relevant to our audit of the consolidated financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI’s Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements. However we draw your kind attention to the following *qualifications* to the audit opinion of the consolidated financial statements produced as under:-

1. The Company had advanced application money towards purchase of shares of Rs 216.69 lakhs which is outstanding for a period of 216 months as at the end of the year. In the absence of information regarding the status of the allotment or the net worth of the entities in which the company made applications, we are unable to ascertain the extent to which an amount of Rs 216.69 lakhs is recoverable and accordingly, the effect thereof on the financial statements cannot be ascertained. However, it has been noted that at present the said matter is under litigation and pending for hearing before the Hon’ble High Court at Mumbai.
2. Long-Term deposits to various companies of Rs 530.00 lakhs are subject to subsequent adjustments. We are unable to ascertain the recoverability of these amounts, as the Company has not made any provisions for the same in the consolidated financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. In addition to the matter described in the Basis for Qualified Opinion section, we have determined the matters described below to be the key audit matters to be communicated in our report.

Sr. No.	Key Audit Matter	Auditor’s Response
1	The company has incurred loss on market operations totaling to Rs 2.14 Crores on F&O trading & loss on sale of investments and speculation loss.	We have verified the loss working on F&O trading & loss on sale of Investments and speculation loss provided by the management and portfolio trades summary generated from the company’s software.

Information other than the Consolidated Financial Statements and Auditor’s Report Thereon.

The Company’s Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board’s Report including Annexures to Board’s Report, Business Responsibility Report, Corporate Governance and Shareholder’s Information, but does not include the consolidated financial statements and our auditor’s report thereon. Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon. In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other

information is materially inconsistent with the consolidated financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Consolidated Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these consolidated financial statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the consolidated financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, based on our audit we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, Statement of Changes in Equity and the Statement of Cash Flow dealt with by this Report are in agreement with the relevant books of account.
 - d) In our opinion, the aforesaid consolidated financial statements comply with the Ind AS specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
 - e) On the basis of the written representations received from the directors as on March 31, 2020 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2020 from being appointed as a director in terms of Section 164 (2) of the Act.

- f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
 - g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended: In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.
 - h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
 - i) The Company has disclosed the impact of pending litigations on its financial position in its consolidated financial statements.
 - i. The Company has made provision, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long-term contracts including derivative contracts.
 - ii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company
- 2 As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in "Annexure B" a statement on the matters specified in paragraphs 3 and 4 of the Order.

ANNEXURE-A” TO THE INDEPENDENT AUDITORS’ REPORT – 31ST MARCH 2020**Report on the Internal Financial Controls under clause (i) of sub – section 3 of Section 143 of the Companies Act, 2013 (“the Act”)**

We have audited the Internal Financial Control over financial reporting of **Khandwala Securities Limited** (“the Company”) as of 31st March, 2020 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Control over Financial Reporting issued by the ICAI. These responsibilities include the design, implementation and maintenance of adequate internal financial control that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of assets, the prevention and detection of fraud and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor’s Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We have conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the standards on auditing, issued by ICAI and deemed to be prescribed under section 143 (10) of the Companies Act, 2013, to the extent applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those standards and the Guidance Note require that we comply with the ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting includes obtaining understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of

internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risk of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A Company’s Internal Financial Control over Financial Reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that

- (1) pertains to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transaction and dispositions of the assets of the company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made in accordance with authorizations of management and directors of the company; and
- (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

Inherent Limitations of internal Financial Controls over Financial Reporting

Because of inherent limitations of internal controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatement due to error or fraud may occur and not to be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were effectively as at 31st March, 2020, based on the

internal control over financial reporting criteria established by the company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by Institute of Chartered Accounts of India.

NOTES FORMING PART OF CONSOLIDATED FINANCIAL STATEMENTS

NOTE NO.1

A. CORPORATE INFORMATION

Khandwala Securities Limited ("the Company") is a Public Limited Company incorporated under the provisions of the Companies Act, applicable in India. The Company is domiciled in India and addresses of its registered office and principal place of business are disclosed in the introduction to the annual report. Its shares are listed on BSE Limited (BSE) and National Stock Exchange of India Ltd (NSE).

The Company is engaged in the business of stock broking, investment banking, investment advisory, portfolio management services and depository participant.

The Company is registered with Securities and Exchange Board of India ("SEBI") under the Stock brokers and sub-brokers Regulations, 1992 and is as a Member of BSE and NSE. It is also registered as a Depository Participant with Central Depository Services (India) Limited.

B. Significant Accounting Policies

Basis of Preparation

These financial statements are prepared in accordance with Indian Accounting Standards (Ind AS) specified under section 133 of the Companies Act, 2013 read with the Companies (Indian Accounting Standards) Rules, 2015 as amended.

Historical Cost

The financial statements have been prepared on the historical cost basis except for following assets and liabilities which have been measured at fair value amount:

- i) Certain financial assets and liabilities (including derivative instruments),
- ii) Defined benefit plans - plan assets and
- iii) Equity settled share based payments

Use of estimates

The preparation of the Consolidated financial statements in conformity with the generally accepted accounting principles requires the management to make estimates and assumptions that affect the reported amount of assets, liabilities, revenues and expenses and disclosure of contingent liabilities on the date of the Consolidated financial statements. Actual results could differ from the estimates. Any revision to accounting estimates is recognized prospectively in current and future periods.

Revenue recognition

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the company and the revenues can be reliably measured. Income from capital market operations (non-delivery based transactions) is accounted for on sale of securities. Income from Merchant Banking services, Brokerage and income from corporate advisory services are accounted for as and when the relevant services are rendered except where the recovery is uncertain in which case it is accounted for on receipt. Interest income is accounted for on accrual basis except where the recovery is uncertain, in which case it is accounted for on receipt. Dividend income is accounted for when the unconditional right to receive dividend is established.

Property, Plant and Equipment and Depreciation

The company has used the following rates to provide depreciation on its non-current assets.

Class of asset	Estimated useful Life (In Years)
Tangible Fixed Assets :	
Building	60
Office equipment's	5
Computers	3
Furniture and fixtures	10
Vehicles	8
Plant and Machinery	15
Intangible Fixed Assets :	
Computer Software	6

Investments

Investments are classified into current investments and non-current investments. Investments, which are intended to be held for one year or more, are classified as non-current investments and investments, which are intended to be held for less than one year, are classified as current investments.

Non-current investments are carried at cost less provision for diminution, other than temporary.

Current investments are carried at lower of cost or fair value. The comparison of cost and fair value is done separately in respect of each investment.

Inventories

Stock-in-trade is valued at lower of cost and market value. While determining market value, due consideration has been given to shares which have become ex-rights/ex-bonus at the year- end for which rights/bonus shares have been received subsequent to year end.

Foreign currency transactions

Foreign currency transactions are recorded at the rates of exchange prevailing on the date of the transaction. Exchange differences, if any arising out of transactions settled during the year are recognized in the statement of profit and loss of the year.

Employee benefits

Short Term Employee Benefits

The undiscounted amount of short term employee benefits expected to be paid in exchange for the services rendered by employees are recognized as an expense during the period when the employees render the services.

Post-Employment Benefits

Defined Contribution Plans

A defined contribution plan is a post-employment benefit plan under which the Company pays specified contributions to a separate entity. The Company makes specified monthly contributions towards Provident Fund, Superannuation Fund and Pension Scheme. The Company's contribution is recognized as an expense in the Statement of Profit and Loss during the period in which the employee renders the related service.

NOTES FORMING PART OF CONSOLIDATED FINANCIAL STATEMENTS**Defined Benefit Plans**

The Company pays gratuity to the employees whoever has completed five years of service with the Company at the time of resignation/superannuation. The gratuity is paid @15 days salary for every completed year of service as per the Payment of Gratuity Act 1972.

The gratuity liability amount is contributed to the approved gratuity fund formed exclusively for gratuity payment to employees. The gratuity fund has been approved by respective IT authorities.

The liability in respect of gratuity and other post-employment benefits is calculated using the Projected Unit Credit Method and spread over the period during which the benefit is expected to be derived from employees' services.

Re-measurement of defined benefit plans in respect of post-employment are charged to the Other Comprehensive Income.

Employee Separation Costs

Compensation to employees who have opted for retirement under the voluntary retirement scheme of the Company payable in the year of exercise of option by the employee. The Company recognizes the employee separation cost when the scheme is announced and the Company is demonstrably committed to it.

Tax Expenses

The tax expense for the period comprises current and deferred tax. Tax is recognized in Statement of Profit and Loss, except to the extent that it relates to items recognized in the comprehensive income or in equity. In which case, the tax is also recognized in other comprehensive income or equity.

Current Tax

Current tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities, based on tax rates and laws that are enacted or substantively enacted at the Balance sheet date.

Deferred Tax

Deferred tax is recognized on temporary differences between the carrying amounts of assets and liabilities in the consolidated financial statements and the corresponding tax bases used in the computation of taxable profit.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realized, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period. The carrying amount of Deferred tax liabilities and assets are reviewed at the end of each reporting period.

Derivative Instruments

Initial / additional margin paid for futures / options is included under the head current assets. Contracts are marked to market

in accordance with the prevalent regulations and the amount receivable or payable is disclosed under the head current assets or current liabilities, as the case may be. The profit or loss on settlement of derivative contracts is recognized in the Profit and Loss account. As on the balance sheet date, provision for loss on futures contracts is made to the extent of mark to market margins paid, while for open options, to the extent premium paid exceeds premium prevailing on that date.

Provisions:

A provision is recognized when the company has a present obligation as a result of past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

Cash & Cash Equivalents:

Cash and cash equivalents for the purposes of cash flow statement comprise cash at bank and in hand and fixed deposits.

Current / Non Current Classification

An asset shall be classified as current when it satisfies any of the following criteria:—

- (a) it is expected to be realized in, or is intended for sale or consumption in, the company's normal operating cycle;
- (b) it is held primarily for the purpose of being traded;
- (c) it is expected to be realized within twelve months after the reporting date; or
- (d) it is cash or cash equivalent unless it is restricted from being exchanged or used to settle a liability for at least twelve months after the reporting date.

All other assets shall be classified as non-current.

A liability shall be classified as current when it satisfies any of the following criteria:—

- (a) it is expected to be settled in the company's normal operating cycle;
- (b) it is held primarily for the purpose of being traded;
- (c) it is due to be settled within twelve months after the reporting date; or
- (d) the company does not have an unconditional right to defer settlement of the liability for at least twelve months after the reporting date. Terms of a liability that could, at the option of the counterparty, result in its settlement by the issue of equity instruments do not affect its classification.

All other liabilities shall be classified as non-current.

NOTES FORMING PART OF CONSOLIDATED FINANCIAL STATEMENTS

26. Principles and assumptions used for consolidated financial statements and Performa adjustments :

The consolidated financial statements have been prepared as per Ind AS 28- Investments in Associates and Joint Ventures. Investments in joint operations are accounted using the Proportionate Consolidation Method as per Ind AS 111 –Joint Arrangements

Following are the companies whose accounts have been considered for the consolidated financial statements:

Khandwala Securities Limited ('the Company') shareholding in the following companies as on March 31, 2020 is as under:

Sr. No	Name of Associate Enterprises	As at March 31, 2020	
		No of shares	% of Holding
1	Trumonee Financial Limited	33,75,000	43.41

27. Principles used in preparing Consolidated Financial Statements:

- a) In preparing consolidated financial statements, the financial statements of the associates are combined on a line basis by adding together like items of assets, liabilities, income and expenses.
- b) Intra-group transactions are eliminated in preparation of consolidated financial statements.
- c) The excess of the cost to the parent of its investment in a associate over the parent's portion of equity of the associate, at the date on which investment in the associate is made, is treated as goodwill & recognized as an asset in the consolidated financial statements.
- d) When the cost to the parent of its investment in a associate is less than the parent's portion of equity of the associate at the date on which investment in the associate is made, the difference is treated as a capital reserve in the consolidated financial statements.
- e) In case of Associate Enterprises, the financial statements as on 31st March, 2020 have been consolidated as per Ind AS 111 "Accounting for Investments in Associates in Consolidated Financial Statements".
- f) Consolidated financial statements are prepared using uniform accounting policies for like transactions and other events in similar circumstances.

28. The Company provides Portfolio Management Services (PMS) to its clients. Transactions on account of PMS activities are carried out exclusively on behalf of PMS clients. Therefore, assets and liabilities arising out of the above effectively belong to the PMS clients and hence are not reflected in the Company's accounts. Management fees earned/expenditure incurred by the Company from this activity is accounted for on an accrual basis.

29. The Share Application Money for an amount of Rs. 216.69 Lakhs (Previous Year Rs. 216.69 Lakhs) is outstanding for a period of 216 months as at date of Balance Sheet date, for which the financial statements are in the process of being obtained. The Company has already initiated legal proceedings against the other party for recovery of the said application money along with interest thereon, under Section 138 of the

Negotiable Instruments Act, 1881. At present, the matter is pending for hearing before the Hon'ble High Court at Mumbai.

30. Long-term Deposits which were given to M/s. Shree Rama Polysynth Private Ltd and M/s. Vimpsan Investments Private Ltd, up to total aggregate amount of Rs. 530.00 lakhs are still outstanding as at March 31, 2020. Since the Company is not in the receipt of any interest on the said deposits since long period, the Company has not accounted any interest income on such deposits in the financial statement. The Company is in the process to initiate legal proceedings against them for recovery of the said deposits.

31. In the matter of M/s. Shree Rama Multitech Limited (SRML) in relation to recovery of rental income from SRML, the Hon'ble High Court has passed the order in favor of the company. Although the company is yet to receive the rental Income from SRML, the company has made the provision for rental Income in the books of accounts for the year ended 31.03.2020. We provided in the books Rs 30,00,000 as accrued in this financial year.

32. In the matter of Mr. Hiten Parmar regarding receivable of the outstanding amount, the Company had filed the case in the month of October 2015 before the panel of arbitrators of National Stock Exchange of India Limited (NSE). The panel of arbitrators of NSE has considered the matter and after conducting necessary hearings, passed the arbitral award on April 12, 2016 in favour of the Company. The panel of arbitrators directed Mr. Hiten Parmar (Constituent) to pay to the Company Rs. 55,85,544.87 within 30 days from the date of receipt of said award. However, the Company has not received any such amount till date from Mr.Hiten Parmar. The Company has initiated legal action and filed the suit against Mr.Hiten Parmar in the Hon'ble District Court, Surat ("the Court") for recovery of the arbitral award amount. At present, the matter is pending for hearing before the Court.

33. SEBI vide its Order No. WTM/RKA/EFD/DRA-11/45/2015 dated 13th May, 2015 had suspended the Certificate of Registration of the Company as a Stock Broker at National Stock Exchange of India Limited (SEBI Registration No. INB230600030) for a period of one month. The Company challenged the aforesaid SEBI Order and filed an appeal before Securities Appellate Tribunal (SAT) on May 22, 2015. The SAT had granted an interim stay on operation of the aforesaid SEBI Order.

On 08th March, 2017, the SAT passed the order and dismissed the appeal filed by the Company challenging the aforesaid SEBI Order. The SAT has also granted a stay of four weeks on operation of the Order so as enable the Company to challenge the SAT order before the Hon'ble Supreme Court of India. The Company has filed an appeal before the Hon'ble Supreme Court of India and it has been accepted. On April 7, 2017, the Supreme Court has granted an interim stay on the operation of the aforesaid SAT order (and consequently, the WTM's Order of SEBI) till the disposal of matter. Currently, the said matter is pending for hearing before the Hon'ble Supreme Court of India.

34. There is a Mark to Market Profit of Rs. 6,38,539/- as on 31st March 2020 on account of Unrealized Loss on Future Contract as per Ind AS-39.

37. Earnings per share:

The Company reports basic and diluted earnings per share in accordance with Ind AS -33 - Earnings Per Share.

Basic earnings per share are computed by dividing the net profit after tax attributable to equity shareholders by the weighted average number of equity shares outstanding during the year.

Diluted earnings per share reflect the potential dilution that could occur if securities or other contracts to issue equity shares were exercised or converted during the year. Diluted earnings per share are computed by dividing the net profit after tax by the weighted average number of equity shares and dilutive potential equity shares outstanding at year-end.
