**SUB: IMPACT ON VEHICLE PRODUCTION IN HARYANA AND GUJARAT
PLANTS IN SEPTEMBER OWING TO ELECTRONIC COMPONENTS SUPPLY
CONSTRAINT**

Dear Sir,

Owing to a supply constraint of electronic components due to the semiconductor shortage situation, the Company is expecting an adverse impact on vehicle production in the month of September in both Haryana and its contract manufacturing company, Suzuki Motor Gujarat Pvt. Ltd. (SMG) in Gujarat.

Though the situation is quite dynamic, it is currently estimated that the total vehicle production volume across both locations could be around 40% of normal production.

Thanking you,

Yours truly,

For **Maruti Suzuki India Limited**

Sanjeev Grover
