● SENA REBELS NOT BACKING DOWN

Uddhav Thackeray says will quit as CM, but say it to my face

Spotlight can be on powers of the Guv, Speaker, floor test law

The rebel Maharashtra MLAs at a hotel in Surat on Tuesday.

APURVA VISHWANATH
New Delhi, June 22

AS THE MAHARASHTRA political crisis continues to play out, with the Shiv Sena headed for a split and Chief Minister Uddhav Thackeray possibly losing majority, the Governor's powers under the Constitution to call for a floor test takes centre stage.

Article 174(2)(b) of the Constitution gives powers to the Governor to dissolve the Assembly on the aid and advice of the cabinet. However, the Governor can apply his mind when the advice comes from a Chief Minister whose majority could be in doubt.

In 2020, the Supreme Court Shivraj Singh Chouhan & Ors Versus Speaker, Madhya Pradesh Legislative Assembly & Ors upheld the powers of the

Speaker to call for a floor test if there is a prima facie view that the government has lost its majority.

"The Governor is not deputed of the power to order a floor test where on the basis of the material available to the Governor it becomes evident that the issue as to whether the government commands the confidence of the House requires to be assessed on the basis of a floor test," a two-judge bench by Justices DY Chandrachud and Hemant Gupta held.

Under Article 175(2) the Governor can summon the House and call for a floor test to prove whether the government has the numbers. In a detailed judgment, the Court also explained the scope of the power of the Governor and the law revolving around floor tests.

The Madhya Pradesh government was faced with a similar situation when MLAs in the Jyotiraditya Scindia camp had defected to the BJP and then Congress Chief Minister Kamal Nath had asked the Governor to dissolve the Assembly. The Governor instead called for a floor test.

"The spectacle of rival political parties whisking away their political flock to safe destinations does little credit to the state of our democratic politics. It is an unfortunate reflection on the confidence which political parties hold in their own constituents and a reflection of what happens in the real world of politics.

Political bargaining, or horse-trading, as we noticed, is now an oft repeated usage in legal precedents," the Court had said.

Moving to Guwahati, Shinde claims support of 34 MLAs, more on way

VALLABH OZARKAR & TORA AGARWALA
Mumbai/Guwahati, June 22

WITH HIS PARTY rebel MLAs not backing down and the numbers clearly not on his side, Maharashtra Chief Minister and Shiv Sena chief Uddhav Thackeray, battling to save the Maha Vikas Aghadi coalition government, said Wednesday he is willing to resign if the MLAs and Sainiks tell him to his face that they do not want him to continue as CM.

In an emotional speech, more an appeal to the Sena rank and file after rebel minister Eknath Shinde moved from Surat to Guwahati with his flock, Uddhav said, "If my own people are saying they do not want me, then shouldn't they have come before me to say it instead of going to Surat and speaking there? They should have come here and said 'Uddhavji, you are useless... forget the praise (for work done) during Covid... We don't want you! I would have resigned from the post of CM even if one MLA had said this to me'."

"If you do not believe this, then I will immediately move to Matoshree (the Thackeray family home) from Varsha (the official residence of the CM). I have no greed. I am not going to stick to the chair... I am the son of Balasaheb. But come here, say whatever you have to in front of me," he said.

This was Uddhav's first public remarks after the revolt in his party. On Wednesday, Eknath Shinde claimed that he now had support of 34 MLAs, 30 of them from the Shiv Sena which has a

CM Uddhav Thackeray's video address on Wednesday.

strength of 55 in the Maharashtra Assembly. More MLAs are said to be on the way to join the Shinde camp. The revolt, hours after the Legislative Council elections Monday in which the MVA suffered a setback following cross-voting by MLAs, has put a question mark on the future of the coalition.

In the House of 288 which is currently at 287 owing to the

death of Sena MLA Ramesh Latke last month, the MVA needs at least 144 MLAs. Before the revolt, its strength in the House was 152 — Sena 55, NCP 53, Congress 44. The BJP strength is 106 while Others account for the remaining 29.

The rebel MLAs made public a resolution, appointing Shinde as the leader of the Shiv Sena legislature party, saying "there is enormous discontent" amongst party cadre "for forming the government with NCP and Indian National Congress who are ideologically opposed to our party". The rebel list of 34 MLAs has signatures of 30 Sena MLAs — two MLAs are from the Prahar Janshakti Party and two are independents. More smaller parties are rallying behind Shinde who needs to have the support of 37 party legislators to avoid disqualification under the anti-defection law and form a separate group.

Govt keeping a close watch on exports of wheat flour: Food secy

SANDIP DAS
New Delhi, June 22

THE GOVERNMENT IS keeping a close watch on exports of wheat flour which has witnessed a surge since the ban on wheat shipments was announced on May 13, Sudhanshu Pandey, secretary, ministry of food and public distribution said on Wednesday.

"Exports of wheat flour are on the high side, if you compare with previous months," Pandey said. He said that the government is monitoring the domestic prices of both wheat and flour.

According to the food ministry, 250,000 tonne wheat flour has been exported since April 1, 2022.

Trade sources said monthly exports of wheat flour at this time of year had been around 7,000 to 8,000 tonne. However, exports have seen a surge to around 100,000

tonne since the wheat export ban was imposed.

Sri Lanka, Bangladesh and Nepal are some of the countries, wheat flour is mostly exported to.

In value terms, exports of wheat or meslin flour jumped 64% last fiscal from a year before to \$247 million, according to the DGCIIS data.

In the current fiscal so far, India has exported close to 3 million tonne (MT) of wheat. India shipped a record 7 MT of wheat worth \$2 billion in FY22, against just 2.1 MT worth \$0.55 billion in FY21.

Apart from allowing exports that were already backed by Letter of Credits, India is discussing proposals or requests from several countries for exporting wheat.

These shipments would be to cater for the genuine need for food security through government-to-government (G2G) routes.

DoT removes 3% floor rate for SUC payments

Removal of the floor rate was required to give effect to the relief package announced in September 2021

KIRAN RATHEE
New Delhi, June 22

IN A RELIEF for telecom operators, the Department of Telecommunications (DoT) has finally removed the 3% floor rate on spectrum usage charges (SUC), a move which would in the long run make such payments zero on their entire spectrum holding.

FE had reported in its Tuesday edition that operators had expressed their disappointment on Monday at a pre-bid conference that the government, despite committing to remove the floor in September 2021, had not yet notified it. They had pointed out that the non-revoked would make the whole exercise of not charging SUC now onwards meaningless.

"We have clarified that the SUC floor has been removed. Whatever the telecom operators are paying now, that per-

centage will be reduce in future," an official in DoT said.

The notification issued on the removal of the floor said that spectrum acquired through auctions held after September 15, 2021 in different access spectrum bands, will not attract SUC.

The floor rate was fixed in 2016 to protect government revenues as SUC charges at that time were lowered to 3% as an incentive to participate in auctions. Before that operators used to pay between 3%-8% as SUC for spectrum

acquired administratively and through auctions. The government came out with a weighted average formula in 2016 that was designed in such a way that with time as operators acquire more spectrum in auctions, their SUC

would come down from say 4.5-5% to 3%. It could have gone below that hence a floor rate was fixed.

The removal of the floor rate was required to give effect to the telecom relief package announced by the government in September 2021, where apart from providing a four-year moratorium to operators on their AGR and spectrum dues, the government had also said that there would be no SUC on airwaves acquired in future auctions.
