Farmers reject Centre's proposal to defer laws

New Delhi, 21 January

n a setback to the Centre's effort to break the deadlock over the farm laws, the protesting farmers' unions on Thursday rejected the government's offer to keep the laws on hold for around 18 months, saying that they will not settle for anything less than total repeal of the Acts and a legal guarantee for Minimum Support Price (MSP).

"The full general body of the Samyukta Kisan Morcha (an umbrella body of farm unions leading protests across Delhi's border) today rejected the proposal put forward by the Centre yesterday. A full repeal of the Acts and enacting a legislation for remunerative MSP for all farmers were reiterated as the pending demands of the movement," a statement by the Morcha said.

The decision to reject the Centre's proposal was taken after a marathon meeting of the unions that started around 2.30 pm on Thursday and concluded late in the evening. It also came a day before the eleventh round of negotiations between the government and the unions.

During the tenth round on Wednesday, the government proposed to suspend the three contentious farm laws for 1-1.5 years and set up a joint committee to find an amicable solution.

Meanwhile, the Supreme Courtappointed panel on the new laws started its consultation on Thursday and interacted with 10 farmers' organisations from eight states, including Uttar Pradesh.

Talking to reporters after the meeting, Swaraj Abhiyan leader Yogendra Yadav said police officers wanted farm leaders to take out their rally outside the national capital, which was not possible.

'We will carry out our parade peace fully inside Delhi. They wanted us to hold tractor rally outside Delhi, which is not stayed the implementation of the three possible," said Yadav, who is participating

Sources said police officers tried to convince protesting farm unions to hold their tractor rally on the Kundli-Manesar-Palwal (KMP) Expressway instead of the Outer Ring Road.

Enacted last September, the three laws have been projected by the Centre as major reforms in the agriculture sector that will remove middlemen and allow farmers to sell their produce anywhere in the country.

However, the protesting farmers have expressed apprehensions that the laws will pave the way for eliminating the safety cushion of MSP and do away with the mandi (wholesale market) system, leaving them at the mercy of big corporate

There are also fears of a shortfall in goods and services tax (GST) collection. Despite the record collection of ₹1.15 trillion in December, the mopup was 14.9 per cent less at ₹7.79 trillion in the first nine months of the current fiscal vear against ₹9.09 trillion in the corresponding period of the previous one.

Sources say the Department of Investment and Public Asset Management, a nodal department for the government's strategic sale, attributed the shortfall to the pandemic even as the markets have risen spectacularly.

Barring the transfer of shares in public sector undertakings such as Hindustan Petroleum to other state-run entities and the ongoing share sale in Steel Authority of India Ltd, nothing much has been done so far. Through this, the government has managed to garner ₹40,000 crore.

Economists said the delay was owing to the lack of preparation and groundwork needed for big-ticket disinvestment. saying this year could have

In GST collection, what was lost in the first six-seven months can't be restored, though collection was ₹1 trillion in the last three months.

Economists expect 10 per cent GDP growth next year. However, personal income-tax may take some more time to get back to normal, they say. Meanwhile, the Central government's fiscal deficit till November was ₹10.8 trillion against the budgeted target of ₹7.96 trillion. The fiscal deficit till November was 33 per cent higher than the ₹8.07 trillion during the same period in 2019-20.

Sensex kisses 50K

Barring a few minor hiccups, the Sensex's journey from the March 23 intra-day low of 25,881 to Thursday's high of 50,184 has been linear. The index may still not be done with its meteoric rise.

"Valuations are now quite rich. We are not expecting a very big upside from hereon. At the same time, we don't expect the markets to correct. As more US stimulus comes through, stocks may continue to rally on the back of liquidity. But our year-end target for Nifty is 15,000.
