Sansera Receives Multiple Industry Awards

Monday, 25th April 2022, Bengaluru – Sansera today announced that it has been lauded for its creative technology and environmental initiatives from its esteemed customers.

**General
Motors**
30th annual
**supplier
of the year
2021**

HMSI
Honda Motorcycle &
Scooter India Pvt. Ltd.
award for
**Environmental
initiatives**

**Knorr-
Bremse**
award for
**Technology
support**

Overdrive Award from General Motors

In April this year during 30th GM Annual Supplier of the year awards held in Phoenix, Arizona, USA General Motors has awarded Sansera an **Overdrive Award**, which recognizes outstanding achievement in one of their six Global Patient Safety Collaborative (GPSC) Priorities that enable to navigate their business results with focused initiatives and cutting-edge culture.

Sansera received the Overdrive Award for Launch Excellence for development and supply of small block connecting rod for full size truck engines.

“This year's Supplier of the year event was special not only because it's the 30th Anniversary of the program, but because it also provided us with the opportunity to recognize our suppliers for persevering through one of the most challenging years in the industry has ever faced”, said Shilpan Amin, General Motors Vice President, Global Purchasing and Supply Chain. “The top suppliers showed resilience and reinforced their commitment to pursuing sustainability and innovation. Through our strong relationships and collaboration, General Motors and our suppliers are poised to build a brighter future for generations to come” said Amin.

The fact that we kept receiving Quality Excellence award continuously from past several years and this year with an Overdrive award illustrates Sansera's ability to continually surpass GM teams' expectations.

Environmental Initiatives Award from Honda Motorcycle and Scooter

Sansera has been awarded by Honda for **Environmental Initiatives**, which was presented during **Honda Annual Supplier Conference** on March 25th, 2022. Honda presented this award for environmental initiatives and honoured the supplier who has achieved to reduce the impact of manufacturing on the environment.

Technology Support Award from Knorr-Bremse

Sansera was presented **“Technology Support Award”** from **Knorr-Bremse** during Supplier Conference 2022 on April, 5th, 2022. Knorr-Bremse is the world's leading manufacturer of braking systems and a leading supplier of other safety-critical Rail and Commercial Vehicle Systems. Sansera supplies critical components for the braking systems to Knorr Bremse.

Commenting on these recognitions, Mr. B R Preetham Group CEO, Sansera Engineering Limited said: “It is an honor to receive such recognitions from our esteemed customers across multiple categories. Our efforts to provide our customers with top-quality solutions have clearly paid off, and we are proud of the fact that we continue to receive such prestigious distinctions. These awards validate our dedication in ensuring consistent quality, technology, delivery, safety, innovation, sustainability, and superior value.”

About Sansera Engineering Limited

Sansera Engineering Limited incorporated in 1981, is an engineering-led integrated manufacturer of complex and critical precision engineered components across automotive and non-automotive sectors. Within the automotive sector, we manufacture and supply a wide range of precision forged and machined components and assemblies, such as connecting rod, rocker arm, crankshaft, gear shifter fork, stem comp, and aluminium forged parts, which are critical for engine, transmission, suspension, braking, chassis and other systems for the 2-wheeler, passenger vehicle and commercial vehicle verticals. Within the non-automotive sector, the Company manufactures and supplies a wide range of precision components for the aerospace, off-road, agriculture and other segments, including engineering and capital goods.
