Review Report

Review Report to The Board of Directors Phillips Carbon Black Limited

We have reviewed the accompanying Special Purpose Interim Condensed Consolidated Financial Statements of **Phillips Carbon Black Limited** (the “Holding Company”) and its subsidiaries (the Holding Company and its subsidiaries together referred to as “the Group”), which comprise the special purpose interim condensed consolidated Balance Sheet as at June 30, 2021, and the related special purpose interim condensed consolidated Statement of Profit and Loss (including the condensed statement of other comprehensive income), special purpose interim condensed consolidated Statement of Changes in Equity and special purpose interim condensed consolidated Statement of Cash Flows for the three months ended June 30, 2021, and a condensed summary of significant accounting policies and other explanatory information (together hereinafter referred to as “Special Purpose Interim Condensed Consolidated Financial Statements”).

Management’s Responsibility for the Financial Statements

This Special Purpose Interim Condensed Consolidated Financial Statements, which is the responsibility of the Holding Company’s management and have been approved by the Fund Raising Committee of the Board of Directors of the Holding Company, has been prepared in accordance with the principles laid down in Indian Accounting Standard 34, (Ind AS 34) “Interim Financial Reporting” prescribed under Section 133 of the Companies Act, 2013, as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India. These Special Purpose Interim Condensed Consolidated Financial Statements have been prepared solely in connection with the proposed offering of equity shares by the Company in a Qualified Institutions Placement in accordance with the provisions of the Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018, as amended (the “SEBI ICDR Regulations”). Our responsibility is to express a conclusion on the Special Purpose Interim Condensed Consolidated Financial Statements based on our review.

Scope of review

We conducted our review in accordance with the Standard on Review Engagements (SRE) 2410, “Review of Interim Financial Information Performed by the Independent Auditor of the Entity” issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Special Purpose Interim Condensed Consolidated Financial Statements are free of material misstatement. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Conclusion

Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying Special Purpose Interim Condensed Consolidated Financial Statements are not prepared, in all material respects, in accordance with the principles of Ind AS-34 prescribed under Section 133 of the Companies Act, 2013, read with relevant rules issued thereunder and other accounting principles generally accepted in India.

Other matters

1. The Special Purpose Interim Condensed Consolidated Financial Statements includes the unaudited interim financial statements and other financial information in respect of two subsidiaries, whose unaudited interim financial statements reflect total assets of Rs 74.59 crore as at June 30, 2021, total revenues of Rs Nil and net cash inflows of Rs 0.15 crore for the three months ended June 30, 2021 as considered in the Special Purpose Interim Condensed Consolidated Financial Statements, which have been reviewed by their respective independent auditors.

S.R. BATLIBOI & Co. LLP

Chartered Accountants

The independent auditor's report on interim financial statements/ financial information of these entities have been furnished to us by the Company's management and our conclusion on the Special Purpose Interim Condensed Consolidated Financial Statements, in so far as it relates to the amounts and disclosures in respect of these subsidiaries is based solely on the report of such auditors.

2. The Special Purpose Interim Condensed Consolidated Financial Statements includes the unaudited interim financial statements and other financial information in respect of one subsidiary, whose unaudited interim financial statements reflect total assets of Rs 30.81 crore as at June 30, 2021, total revenues of Rs Nil and net cash inflows of Rs Nil for the three months ended June 30, 2021 as considered in the Special Purpose Interim Condensed Consolidated Financial Statements, which has not been reviewed by any auditor and has been approved and furnished to us by the Company's management and our conclusion on the Special Purpose Interim Condensed Consolidated Financial Statements, in so far its relates to the affairs of this subsidiary is based solely on such unaudited financial statements and other financial information. According to the information and explanations given to us by the Company's management, this interim financial statements/ information is not material to the Group.

Our conclusion on the Special Purpose Interim Condensed Consolidated Financial Statements is not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditors and the financial information certified by the Company's management.

3. We have not audited or reviewed the comparative financial information for the corresponding previous three months ended June 30, 2020 appearing in the Special Purpose Interim Condensed Consolidated Financial Statements, which are solely based on management certified accounts, of the Group.
4. These Special Purpose Interim Condensed Consolidated Financial Statements have been prepared for the purpose of the proposed offering of equity shares by the Company in a Qualified Institutions Placement as referred in Note 2(ii) of the accompanying Special Purpose Interim Condensed Consolidated Financial Statements. We do not accept or assume responsibility for any other purpose except as expressly agreed by our prior consent in writing.
5. The Group had prepared separate Statement of Unaudited Consolidated Financial Results (the "Consolidated Financial Results") for the quarter ended June 30, 2021, in accordance with the principles laid down in Indian Accounting Standard 34, (Ind AS 34) "Interim Financial Reporting", on which we had issued a separate auditor's review report dated July 26, 2021. These Unaudited Consolidated Financial Results were prepared for submission by the Holding Company pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended.

Phillips Carbon Black Limited
Notes to the Special Purpose Interim Condensed Consolidated Financial statements as at and for the three months ended June 30, 2021

1. Corporate Information

The Special Purpose Interim Condensed Consolidated Financial Statements comprise financial statements of Phillips Carbon Black Limited (the "Company") and its subsidiaries (collectively, the "Group") for the three months period ended 30 June 2021. The Company is a public company limited by shares domiciled in India and is incorporated under the provisions of the Companies Act applicable in India. The Group is primarily engaged in the business of manufacturing & sale of carbon black and sale of power as detailed under segment information in Note 13. Equity shares of the Company are listed on BSE Limited, National Stock Exchange of India Limited and The Calcutta Stock Exchange Limited. The registered office of the Company is located at Duncan House, 31, Netaji Subhas Road, Kolkata 700001, West Bengal, India.

2. Basis of Preparation and Other Significant Accounting Policies

i. Compliance with Ind AS

The Special Purpose Interim Condensed Consolidated Financial Statements of the Group have been prepared in accordance with the principles laid down in Indian Accounting Standards (Ind AS) 34, Interim Financial Reporting, specified under Section 133 of the Companies Act, 2013 read with Companies (Indian Accounting Standards) Rules, as amended from time to time, read with relevant rules issued thereunder and other accounting principles generally accepted in India. The consolidated financial statements are presented in Indian Rupee (Rs), which is the Company's functional and the Group's presentation currency. The accounting policies adopted in the preparation of these financial statements are consistent with those followed in preparation of the audited annual financial statements as at and for the year ended March 31, 2021.

The Ministry of Corporate Affairs (MCA) through a notification, amended Schedule III of the Companies Act, 2013 and the amendments are effective from April 1, 2021. These amendments require certain regroupings in the Schedule III format of Balance Sheet. The Group has given effect of such regroupings in its financial statements including figures for the corresponding previous period wherein:

- a) Current maturities of long term debt has been regrouped from "Other financial liabilities" in the Audited Financial Statements to "Current Borrowings" in the Special Purpose Interim Condensed Consolidated Financial Statements.
- b) Lease Liabilities are presented separately as "Lease Liabilities" in the Special Purpose Interim Condensed Consolidated Financial Statements and not grouped under "Other financial liabilities" as presented in the Audited Financial Statements.
- c) Security Deposits has been regrouped from "Loans" in the Audited Financial Statements to "Other financial assets" in the Special Purpose Interim Condensed Consolidated Financial Statements.

ii. Purpose of the Special Purpose Interim Condensed Consolidated Financial Statements

These Special Purpose Interim Condensed Consolidated Financial Statements do not include all the information and disclosures required in the annual financial statements and should be read in conjunction with the Company's latest audited annual Ind AS financial statements. These Special Purpose Interim Condensed Consolidated Financial Statements have been prepared solely in connection with the proposed offering of equity shares of face value of Rs 2 each by the Company in a Qualified Institutions Placement in accordance with provisions of the Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018 (the "SEBI ICDR Regulations"), as amended. The comparative financial informations for the corresponding previous three months ended June 30, 2020 appearing in the Special Purpose Interim Condensed Consolidated Financial Statements is based solely on management certified accounts of the Group.

These Special Purpose Interim Condensed Consolidated Financial Statements for the three months period ended 30 June 2021 of the Group were approved in accordance with the resolution passed by the Fund Raising Committee of Board of Directors of the Company on September 30, 2021.

iii. Historical cost convention

These consolidated financial statements have been prepared on a historical cost basis, except the following, which are measured at fair values :-

- i) certain financial assets and liabilities (including derivative instruments).
- ii) Plan assets of defined benefit employee benefit plans

iv. Principles of Consolidation

- a. Subsidiaries are all entities (including structured entities) over which the Company has control. The Company controls an entity when the Company is exposed to, or has rights to, variable returns from its involvement with the entity and has the ability to affect those returns through its power to direct the relevant activities of the entity. Subsidiaries are fully consolidated from the date on which control is transferred to the Company. They are deconsolidated from the date that control ceases.

The Group combines the financial statements of the parent and its subsidiaries line by line adding together like items of assets, liabilities, equity, income and expenses. Intercompany transactions, balances and unrealised gains on transactions between group companies are eliminated. Unrealised losses are also eliminated unless the transaction provides evidence of an impairment of the transferred asset.

Non-controlling interests in the results and equity of subsidiaries are shown separately in the consolidated statement of profit and loss, consolidated statement of changes in equity and consolidated balance sheet respectively.

- b. The Group treats transactions with non-controlling interests that do not result in a loss of control as transactions with equity owners of the Group. A change in ownership results in an adjustment between the carrying amounts of the controlling and non-controlling interests to reflect their relative interests in any subsidiary. Any difference between the amount of the adjustment to non-controlling interests and any consideration paid or received is recognised within equity.

- c. The subsidiary companies considered in the financial statements are as follows:

| Name | Country of Incorporation | % of ownership interest as on 30 June 2021 | % of ownership interest as on 31 March, 2021 | % of ownership interest as on 30 June, 2020 |
|---|--------------------------|--|--|---|
| Phillips Carbon Black Cyprus Holdings Limited | Cyprus | 100 | 100 | 100 |
| Phillips Carbon Black Vietnam Joint Stock Company | Vietnam | 80 | 80 | 80 |
| PCBL (TN) Limited | India | 100 | 100 Refer Note (i) below | Refer Note (i) below |

Note

- i. PCBL (TN) Limited, a wholly owned subsidiary of Phillips Carbon Black Limited, has been incorporated with effect from 29 September, 2020. The Special Purpose Interim Condensed Consolidated Financial Statements for the three months period ended 30 June, 2021 includes the Financial Statements of PCBL (TN) Limited and hence are not comparable with the corresponding previous period.

v. New and amended standards

Amendments and interpretations as outlined below apply for the three months period ended 30 June 2021, but do not have an impact on the Special Purpose Interim Condensed Consolidated Financial Statements.

- Interest Rate Benchmark Reform – Phase 2: Amendments to Ind AS 109, Ind AS 107, Ind AS 104 and Ind AS 116
- Conceptual framework for financial reporting under Ind AS issued by ICAI
- Ind AS 116: COVID-19 related rent concessions
- Ind AS 103: Business combination
- Amendment to Ind AS 105, Ind AS 16 and Ind AS 28

The Group has not early adopted any standards or amendments that have been issued but are not yet effective.

3. Property, Plant and Equipment

Accounting Policy

All items of property, plant and equipment are stated either at historical cost i.e. cost of acquisition construction or at deemed cost as on the date of transition to Ind AS less accumulated depreciation, impairment loss, if any. Capital work in progress is stated at cost, net of accumulated impairment loss, if any. Historical cost includes expenditure that is directly attributable to the acquisition of the assets. Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the asset will flow to the Group and the cost of the asset can be measured reliably. The carrying amount of the replaced component is derecognised when replaced. All other repairs and maintenance are charged to the statement of profit and loss during the reporting period in which they are incurred.

Depreciation

In case of certain property, plant and equipment, depreciation is provided on a pro-rata basis on the straight line method over the estimated useful lives of the assets which are different than the rates prescribed under the Schedule II to the Companies Act 2013. The Company, based on technical assessment made by technical expert and management estimate, depreciates certain items of Plant & Equipment and Electrical Installations over estimated useful life of 18 to 20 years which are different from the useful life prescribed in Schedule II to the Companies Act, 2013. The management believes that these estimated useful lives are realistic and reflect fair approximation of the period over which the assets are likely to be used. Depreciation on historical cost/deemed cost of other property, plant and equipment (except land) is provided on pro rata basis on straight line method based on useful lives specified in Schedule II to the Companies Act, 2013. The useful lives, residual values and method of depreciation of property plant and equipment are reviewed and adjusted, if appropriate at the end of each reporting year. An item of property, plant and equipment or its components recognised is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on derecognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the statement of profit and loss when the asset is derecognised. The cost of property plant and equipment not ready to use are disclosed under capital work in progress.

Note 4 : INVESTMENTS**Accounting Policy****1 Investment****1.1. Classification**

The Group classifies its investments as those to be measured subsequently at fair value (either through other comprehensive income or through profit and loss).

The classification depends on the Group's business model for managing the investments and the contractual terms of cash flows.

For investments measured at fair value, gains and losses is either recorded in the statement of profit and loss or other comprehensive income. For investments in debt instruments, this depends on the business model in which the investment is held. For investments in equity instruments, this depends on whether the Group has made an irrevocable election at the time of initial recognition to account for the equity investment at fair value through other comprehensive income (FVOCI). The Group reclassifies the debt investments when and only when the business model for managing those investment changes.

1.2. Measurement

At initial recognition, the Group measures an investment at its fair value plus, in the case of investment not at fair value through profit and loss, transaction costs that are directly attributable to the acquisition of the investment. Transaction costs of investments carried at fair value through profit and loss are expensed in the statement of profit and loss.

(a) Debt Instrument

Subsequent measurement of debt instruments depends on the Group's business model for managing the investment and the cash flow characteristics of the investment. The Group classifies its debt instruments as:

Fair value through profit and loss : Investments that do not meet the criteria for amortised cost or FVOCI are measured at fair value through profit and loss. A gain or loss on a debt investment that is subsequently measured at fair value through profit and loss is recognised in statement of profit and loss and presented on net basis in the statement of profit and loss within other income/ other expense in the period in which it arises.

(b) Equity Instrument

The Group subsequently measures all equity investments at fair value through Other Comprehensive Income and there is no subsequent reclassification of fair value gains and losses to the statement of profit and loss. At the time of derecognition of such investments, the gain or loss is transferred to retained earnings.

Note 7: BORROWINGSAccounting Policy

Borrowings are initially recognized at fair value, net of transaction costs incurred. Borrowings are subsequently measured at amortised cost using the effective interest rate (EIR) method. Any difference between the proceeds (net of transaction costs) and the redemption amount is recognised in the statement of profit and loss over the period of the borrowings using the effective interest rate method. Fees paid on the establishment of loan facilities are recognised as transaction costs of the borrowings to the extent that it is probable that some or all of the facility will be utilised. In this case, the fee is deferred until the draw down occurs. Borrowings are derecognised from the balance sheet when the obligation specified in the contract is discharged, cancelled or expired.

Borrowings are classified as current and non-current liabilities based on repayment schedule agreed with banks.

(i) Non-current borrowings**SECURED LOANS**

NOTE 8: REVENUE FROM OPERATIONS**Accounting Policy**

Revenue from contracts with customers is recognised when control of the goods or services are transferred to the customer at an amount that reflects the consideration to which the Group expects to be entitled in exchange for those goods or services.

Revenue is measured at the fair value of the consideration received or receivable. Amounts disclosed as revenue are net of returns, trade and other discounts, rebates and amounts collected on behalf of third parties.

Where the Group is the principal in the transaction, the sales are recorded at their gross values. The Group considers whether there are other promises in the contract that are separate performance obligations to which a portion of the transaction price needs to be allocated. In determining the transaction price, the Group considers the effects of variable consideration, the existence of significant financing component, non-cash considerations and consideration payable to the customer (if any). Any amounts received for which the Group does not provide any distinct goods or services are considered as a reduction of purchase cost.

However, Goods and Service Tax (GST) is not received by the Group on its own account. Rather, it is collected on value added to the commodity by the seller on behalf of the government. Accordingly, it is excluded from revenue.

The Group recognises revenue when the amount of revenue can be reliably measured, it is probable that future economic benefits will flow to the Group regardless of when the payment is being made and specific criteria have been met for each of the Group's activities as described below.

Sale of carbon black

Revenue from sale of carbon black is recognised when the control of the goods has passed to the buyer as per the terms of contract. In case of domestic sales, the performance obligation is satisfied upon delivery of the finished goods at customer's location. In case of export sales, the performance obligation is satisfied once the goods are shipped and the bill of lading has been obtained.

Sale of power

Revenue from the sale of power is recognised upon transmission of units to the buyer net of Unscheduled Interchange gains/losses as per the terms of contract with the customer.

Other Operating revenues

Exports entitlements (arising out of duty draw back, Merchandise exports from India Schemes) are recognised when the right to receive credit as per the terms of the schemes is established in respect of the exports made by the Group and when there is no significant uncertainty regarding the ultimate collection of the relevant export proceeds.

Note 11: EARNING PER EQUITY SHARE**Accounting Policy****Basic earnings per share**

Basic earnings per share is calculated by dividing the profit attributable to owners of the equity by the weighted average number of equity shares outstanding during the periods. The weighted average number of equity shares outstanding during the period is adjusted for events such as bonus issue, bonus element in a rights issue, share split, and reverse share split (consolidation of shares) that have changed the number of equity shares outstanding, without a corresponding change in resources.

Diluted earnings per share

Diluted earnings per share adjusts the figures used in the determination of basic earnings per share to take into account:

- the after income tax effect of interest and other financing costs associated with dilutive potential equity shares, and
- the weighted average number of additional equity shares that would have been outstanding assuming the conversion of all dilutive potential equity shares.

Basic and Diluted

| | | |
|---|--------------|--------------|
| (i) Number of Equity Shares outstanding | 17,23,37,860 | 17,23,37,860 |
| (ii) Face value of each Equity Share (Rs) | 2.00 | 2.00 |

| (iv) Basic and Diluted earnings per Share (Rs) [(iii)/(i)] | 6.06 | 0.15 |

The Company does not have any dilutive potential equity shares.

NOTE 13: SEGMENT**Accounting Policy**

Operating segments are reported in a manner consistent with the internal reporting provided to the chief operating decision maker.

The chief operating decision maker is responsible for allocating resources and assessing performance of the operating segments and has been identified as the Managing Director of the Company.

(a) Description of segments and principal activities

Carbon Black : The Company is primarily engaged in production of Carbon Black through its four manufacturing units located at Durgapur, Kochi, Vadodara and Mundra.

Power: The Company is also engaged in generation of electricity for the purpose of captive consumptions as well as distribution of surplus to outsiders.

The segment performance is evaluated based on profit or loss and is measured consistently with profit or loss in the standalone financial statement. Also the Company's borrowings (including finance costs and interest income), income taxes, investments are managed at head office and are not allocated to operating segments.

Inter-Segment transfers being power consumed for manufacture of Carbon Black are based on price paid for power purchased from external sources. Segment revenue is measured in the same way as in the Statement of Profit and Loss.

Segment assets and liabilities are measured in the same way as in the standalone financial statements. These assets are allocated based on the operations of the segment and the physical location of the assets.

All non-current assets of the Company (excluding certain financial assets) are located in India.

(ii) Fair Value

The fair values of financial assets and liabilities are included at the amount that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Methods and assumptions used to estimate the fair values are consistent in all the years. The following methods and assumptions were used to estimate the fair values:

(a) In respect of investments in mutual funds, the fair values represent net asset value as stated by the issuers of these mutual fund units in the published statements. Net asset values represent the price at which the issuer will issue further units in the mutual fund and the price at which issuers will redeem such units from the investors. Accordingly, such net asset values are analogous to fair market value with respect to these investments, as transactions of these mutual funds are carried out at such prices between investors and the issuers of these units of mutual funds.

(b) In respect of investments in listed equity instruments, the fair values represents available quoted market price at the Balance Sheet date.

(c) The fair value of derivative contracts (foreign exchange forward contracts and Currency and Interest rate swaps) is determined using discounted cash flow analysis and swaps and options pricing models.

(d) The management assessed that fair values, of trade receivables, cash and cash equivalents, other bank balances, loans, trade payables, current borrowings, other current liabilities and other financial liabilities (current), approximate to their carrying amounts largely due to the short-term maturities of these instruments. Further, management also assessed the carrying amount of certain non-current loans which are a reasonable approximation of their fair values and the difference between the carrying amounts and fair values is not expected to be significant.

(iii) Fair value of financial assets and liabilities measured at amortised cost

The carrying amount of financial assets and financial liabilities measured at amortised cost in the financial statements are a reasonable approximation of their fair values since the Group does not anticipate that the carrying amount would be significantly different from the values that would eventually be received or settled.

(iv) Fair value hierarchy

This section explains the judgements and estimates made in determining the fair values of the financial instruments that are (a) recognised and measured at fair value and (b) measured at amortised cost and for which fair values are disclosed in the financial statements. To provide an indication about the reliability of the inputs used in determining fair value, the Group has classified its financial instruments into the three levels prescribed under the accounting standard. Explanation of each level follows underneath the table:

| Financial assets and liabilities measured at fair value - recurring fair value measurements | As at 30 June, 2021 | | | | As at 31 March, 2021 | | | |
|---|---------------------|-------------|--------------|---------------|----------------------|-------------|--------------|---------------|
| | Level 1 | Level 2 | Level 3 | Total | Level 1 | Level 2 | Level 3 | Total |
| Financial assets | | | | | | | | |
| Financial assets at FVPL | | | | | | | | |
| Investments in mutual funds | 160.05 | - | - | 160.05 | - | - | - | - |
| Investments in preference shares | - | - | 7.87 | 7.87 | - | - | 7.72 | 7.72 |
| Financial assets at FVOCI | | | | | | | | |
| Investments in equity instruments | 158.01 | - | 68.71 | 226.72 | 119.84 | - | 68.71 | 188.55 |
| Total financial assets | 318.06 | - | 76.58 | 394.64 | 119.84 | - | 76.43 | 196.27 |
| Financial liabilities | | | | | | | | |
| Financial liabilities at FVPL | | | | | | | | |
| Foreign-exchange forward contract | - | 1.93 | - | 1.93 | - | 0.98 | - | 0.98 |
| Total financial liabilities | - | 1.93 | - | 1.93 | - | 0.98 | - | 0.98 |

Level 1: Level 1 hierarchy includes financial instruments measured using quoted prices. This includes listed equity instruments and mutual funds that have net asset value as stated by the issuers in the published statements. The fair value of all equity instruments which are traded in the stock exchanges is valued using the closing price as at the reporting period.

Level 2: The fair value of financial instruments that are not traded in an active market is determined using valuation techniques which maximise the use of observable market data and rely as little as possible on entity-specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in Level 2

Level 3: If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3. This is the case for unlisted equity securities included in level 3.

The Group's policy is to recognise transfers into and transfers out of fair value hierarchy levels as at the end of the reporting period. There are no transfers between level 1 and level 2 fair value measurements during the period ended 30 June, 2021 and year ended 31 March, 2021.

Note 15: The operations of the Group for the three months ended 30 June, 2020 were impacted by disruptions owing to nationwide lockdowns because of COVID-19 pandemic and hence figures for corresponding previous period may not be comparable with the figures for three months ended 30 June, 2021. During the current quarter also, the operations of the Group were slightly impacted due to regional lockdown because of the COVID - 19 pandemic. The Group has made an assessment of the recoverability and carrying values of its assets comprising property, plant and equipment, inventories, receivables and other current / non-current assets as of 30 June, 2021 and has concluded that no material adjustments are required in the special purpose interim condensed consolidated financial statements. The Group is taking all the necessary steps and precautionary measures to ensure smooth functioning of its operations and to ensure the safety and well-being of all its employees. Given the criticalities associated with nature, condition and duration of COVID-19, the assessment of recoverability of the Group's assets will be continuously made and provided for as required.

Note 16: The Code on Social Security, 2020 ('Code') relating to employee benefits during employment and post-employment benefits received Presidential assent in September 2020. The Code has been published in the Gazette of India. However, the date on which the Code will come into effect has not been notified and the final rules/interpretation have not yet been issued. The Group will assess the impact of the Code when it comes into effect and will record any related impact in the period the Code becomes effective.

Note 17: Figures of the previous period / year has been regrouped/rearranged to confirm current period's presentation
