Another boost to Aatmanirbharta in Defence: DAC approves AoN for nine capital acquisition proposals for the Armed Forces worth Rs 45,000 crore

Procurement of Light Armoured Multipurpose Vehicles, Integrated Surveillance & Targeting System and Next Generation Survey Vessels gets a nod

Proposals for avionic upgradation of Dornier Aircraft; procurement of Dhruvastra Short Range Air-to-Surface Missile & 12 Su-30 MKI Aircraft also cleared

Time to upgrade indigenisation ambitions; We should aim for a minimum 60-65% indigenous content: Raksha Mantri Shri Rajnath Singh

Posted On: 15 SEP 2023 4:16PM by PIB Delhi

Defence Acquisition Council (DAC) has accorded Acceptance of Necessity (AoN) for nine capital acquisition proposals of approx. Rs 45,000 crore. The meeting was held under the chairmanship of Raksha Mantri Shri Rajnath Singh on September 15, 2023. All these procurements will be made from Indian vendors under Buy (Indian-Indigenously Designed Developed and Manufactured (IDMM)/Buy (Indian) category which will give substantial boost to the Indian defence Industry towards achieving the goal of 'Aatmanirbhar Bharat'.

To enhance protection, mobility, attack capability and increased survivability of Mechanised Forces, the DAC accorded the AoN for procurement of Light Armoured Multipurpose Vehicles (LAMV) and Integrated Surveillance and Targeting System (ISAT-S). The DAC cleared AoN for procurement of High Mobility Vehicle (HMV) Gun Towing Vehicles for swift mobilisation and deployment of Artillery Guns and Radars.

The DAC also approved procurement of Next Generation Survey Vessels for the Indian Navy which will greatly enhance its capabilities in performing Hydrographic Operations.

The DAC also accorded AoN for proposals of the Indian Air Force which included Avionic upgradation of Dornier Aircraft to improve the accuracy and reliability for operations. The procurement of Brahmos Short Range Air-to-Surface Missile as a potent Indigenous Precision Guided Weapon for indigenously built ALH Mk-IV Helicopters has been cleared by the DAC. The AoN for procurement of Su-30 MKI Aircraft with associated equipment from Hindustan Aeronautics Limited (HAL) was also accorded.

During the meeting, Shri Rajnath Singh stated that it is time to upgrade the ambitions towards indigenisation. “Rather than a threshold of 50% indigenous content for IDDM projects, we should aim for a minimum 60-65% indigenous content,” he said. The Raksha Mantri directed the Chief of Defence Staff, Service Chiefs, Defence Secretary and DG (Acquisition) to work towards increasing the minimum indigenous content threshold in consultation with the Indian Industry.
