# 'Won't Back Out': Jalan-Kalrock Committed to Reviving Jet Airways Despite SC Setback

Court directed consortium to pay PF and gratuity dues of airline's former staff

Airindam.Majumder@timesgroup.com

New Delhi: The Jalan-Kalrock consortium remains committed to reviving Jet Airways despite an adverse ruling from the Supreme Court, which directed the new owners to pay provident fund and gratuity dues of the grounded airline's former employees, a person associated with the consortium said. "The consortium has spent considerable time and expense to revive the airline," said the person who requested not to be identified. "Though it (paying former employees' dues) was not part of the resolution plan, we will stay committed to revive the airline."

Gratuity claims of ₹247.8 crore are payable by the Jalan-Kalrock consortium to former Jet Airways staff. The consortium has spent considerable time and expense to revive the airline, said the person who requested not to be identified. "Though it (paying former employees' dues) was not part of the resolution plan, we will stay committed to revive the airline."

## Jio-bp One of the 1st Retailers in India to Roll Out E20 Petrol

Our Bureau

Mumbai: Jio-bp, a fuels and mobility joint venture between Reliance Industries Ltd and British oil and gas multinational bp, on Wednesday announced the rollout of E20 petrol. Jio-bp has become one of the first fuel retailers in India to make E20 blended petrol — with 20% ethanol and 80% petrol — available.

Customers with E20 petrol-compatible vehicles will be able to opt for this fuel at select outlets initially. The government initiated the introduction of E20 fuel, considering several advantages from reducing the country's oil import cost and improving energy security to lower carbon emission, better air quality, self-reliance, use of damaged food grains increasing farmers' incomes, employment generation and greater investment opportunities.

India's market for fuels and mobility is rapidly growing. It is expected to be the fastest growing fuels market in the world over the next 20 years. Jio-bp Mobility Stations offer a range of services, including adding diesel, EV charging, refreshments and food, and it plans to offer more low-carbon solutions over time, the firm said.

**Coming Due**  
Jalan-Kalrock consortium has to pay gratuity claims of **₹247.8 cr**. Has already spent around **₹350 cr** on performance bank guarantees, staff IT, and maintaining aircraft.

The consortium of non-resident Indian Murari Lal Jalan and Kalrock Capital Partners Ltd has spent around ₹350 crore towards performance bank guarantees, cost on staff, IT, and maintaining real-time of aircraft, sources said. "We believe what we have planned for Jet Airways in terms of customer value proposition can fundamentally change the air-line customer relationship in India from one that is currently often adversarial to one that is positive and a win-win for both," said Ankit Jalan, a board member of the consortium.

However, the path to revival is getting longer. After the NCLT allowed the application of Jalan-Kalrock to implement its corporate insolvency resolution plan for Jet Airways and infuse funds into the grounded airline to take control, lenders challenged the decision in the NCLAT. Lenders have maintained that the condition precedent mentioned in the resolution plan of the consortium has not been met. And, therefore, the plan is not valid. Jalan said he has confidence in the country's legal system and will not back out despite legal hurdles delaying the process. Experts said it would have been more prudent for the consortium to start a new airline rather than reviving Jet Airways. Jalan doesn't agree. "Starting a new airline is — without doubt — much easier, but apart from the Jet brand and a large customer base, the resolution plan provides for us to take on majority stakes in Jet Privilege, which is one of the most renowned loyalty programmes and other assets of the company to support business on flight operations of the airline in its revived form," he said.

**REGULATIONS RELATED TO BUYBACK OF SECURITIES**

# Reconsider Decision on Role of Company Secy, SC Tells SAT

Sets aside ruling that exonerated CS of Deccan Chronicle from liability for misstatements by co

MUMBAI: The Supreme Court on Wednesday set aside the Securities Appellate Tribunal (SAT) to reconsider its decision on the responsibilities and liabilities of a company secretary (CS) in terms of statutory regulations related to buyback of securities. While setting aside SAT's ruling, which had exonerated Deccan Chronicle Holdings' company secretary V Shankar from liability for incorrect misstatements and incorrect disclosures made by the company's CEO and Chairman, Justice DY Chandrachud sent back the case to the tribunal and asked it to decide the issue afresh within six months. The ruling is set to have ramifications on the similar cases as well.

The appellate tribunal on November 1 had held that once the offer document and the prospectus were approved by the company board, there was no requirement for the CS to check the veracity of the buyback offer document and its legal compliances before authenticating the document. The apex court said the tribunal had "erred in interpreting Regulations 19(3) of the Securities Regulations 1956" and the CS (buyback of securities) Regulations that provide for various obligations to be carried out by the company including nomination of a compliance officer. Nominations for compliance officers as CS is not a requirement for an investor service centre or compliance with the buyback regulations and to address the grievances of investors — and the appellate tribunal needs to decide in these terms of the regulation, it said.

Senior counsel Arvind Datar, appearing for Sebi, argued that Shankar should have exercised utmost due diligence and checked the veracity of the buyback offer document which contained incorrect disclosures and its legal compliances before authenticating and signing the public announcement, which violated various provisions of the Companies Act, 1956.

# Jio-bp Rolls Out E20 Blended Petrol

MUMBAI: Jio-bp, a joint venture between Reliance Industries and British Indian Gas, announced on Wednesday the roll-out of E20 petrol. Jio-bp has become one of the first fuel retailers in India to make E20 blended petrol — with 20% ethanol and 80% petrol — available. Customers with E20 compatible vehicles will be able to opt for this fuel at select Jio-bp outlets initially before it is made available across the company's network. The central government initiated introduction of E20 fuel consisting several advantages from reducing the country's oil import cost and improving energy security to lower carbon emission, better air quality, self-reliance, use of damaged food grains, increasing farmers' incomes, employment generation, and greater investment opportunities. The government has advanced the target of E20 fuel from 20% to 20.25.

**Escorts Kubota's Net Falls 7.5% in Q3**

MUMBAI: Escorts Kubota Wednesday reported a 7.5% decline in net profit for the fiscal third quarter, amid pressure on margins from high raw material costs. The manufacturer of agricultural and construction machinery and railway equipment posted a net profit of ₹186 crore for the quarter ended December 31. Revenue from operations increased 14.8% to ₹2,263.3 crore, while expenses grew faster at 22.3% to ₹2,114 crore due to back of high input costs. This caused Ebitda to narrow to 8.4% from 14.1% a year ago.
